- 1) Incorporates a unique persistent identification number for each record of data in addition to each record’s unique GEOCODE (Geographic entity object code) in order to track and update changes to records without overexposing sensitive data (social security numbers and financial related information),
- 2) Updates each record of data in the data set every thirty (30) days, and
- 3) Provides two data delivery formats:
  - a) a nationwide web based data access format that has a quick search capability, remote access capability and mapping functionality, and
  - b) a raw data format for the State of Arkansas business and residential information for all state agencies in Arkansas.

The provisions of this section shall be in effect only from July 1, 2015 through June 30, 2017.

SECTION 3. DISBURSEMENT CONTROLS. (A) No contract may be awarded nor obligations otherwise incurred in relation to the project or projects described herein in excess of the State Treasury funds actually available therefor as provided by law. Provided, however, that institutions and agencies listed herein shall have the authority to accept and use grants and donations including Federal funds, and to use its unobligated cash income or funds, or both available to it, for the purpose of supplementing the State Treasury funds for financing the entire costs of the project or projects enumerated herein. Provided further, that the appropriations and funds otherwise provided by the General Assembly for Maintenance and General Operations of the agency or institutions receiving appropriation herein shall not be used for any of the purposes as appropriated in this act.

(B) The restrictions of any applicable provisions of the State Purchasing Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law and any other applicable fiscal control laws of this State and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of any funds provided by this act unless specifically provided otherwise by law.

1 SECTION 4. LEGISLATIVE INTENT. It is the intent of the General  
2 Assembly that any funds disbursed under the authority of the appropriations  
3 contained in this act shall be in compliance with the stated reasons for  
4 which this act was adopted, as evidenced by the Agency Requests, Executive  
5 Recommendations and Legislative Recommendations contained in the budget  
6 manuals prepared by the Department of Finance and Administration, letters, or  
7 summarized oral testimony in the official minutes of the Arkansas Legislative  
8 Council or Joint Budget Committee which relate to its passage and adoption.

9  
10 SECTION 5. EMERGENCY CLAUSE. It is found and determined by the General  
11 Assembly, that the Constitution of the State of Arkansas prohibits the  
12 appropriation of funds for more than a one (1) year period; that the  
13 effectiveness of this Act on July 1, 2015 is essential to the operation of  
14 the agency for which the appropriations in this Act are provided, and that in  
15 the event of an extension of the legislative session, the delay in the  
16 effective date of this Act beyond July 1, 2015 could work irreparable harm  
17 upon the proper administration and provision of essential governmental  
18 programs. Therefore, an emergency is hereby declared to exist and this Act  
19 being necessary for the immediate preservation of the public peace, health  
20 and safety shall be in full force and effect from and after July 1, 2015.
