13 is the prerogative of the General Assembly and is usually accomplished by
14 delineating the maximum number of personnel by identifying the job titles and
15 the maximum grade or salary attached to those salaries. The General Assembly
16 has determined that the University of Arkansas for Medical Sciences could be
17 operated more efficiently if some flexibility is given to that institution.
18 That flexibility is being accomplished by providing growth pools in
19 subsection (a) of this section and since the General Assembly has granted the
20 institution broad powers under the growth pool concept, it is both necessary
21 and appropriate that the General Assembly maintain oversight of the
22 utilization of the growth pool by requiring prior approval of the Legislative
23 Council in the utilization of the growth pool. Therefore, the requirement of
24 approval by the Legislative Council is not a severable part of this section.
25 If the requirement of approval by the Legislative Council is ruled
26 unconstitutional by a court of competent jurisdiction, this entire section is
27 void.

28 If the agency requests continuation of a "Growth Pool" position(s) as
29 established herein during the next fiscal year, the position(s) must be
30 requested as a new position(s) in the agency's budget request.

31 The provisions of this section shall be in effect only from July 1, ~~2015~~
32 2016 through June 30, ~~2016~~ 2017.

4 determined that the University of Arkansas for Medical Sciences could be
5 operated more efficiently if some flexibility is given to that institution.
6 That flexibility is being accomplished by providing a position pool in
7 Subsection (a) of this Section and since the General Assembly has granted the
8 agency broad powers under the growth pool concept, it is both necessary and
9 appropriate that the General Assembly maintain oversight of the utilization
10 of the position pool by requiring review of the Legislative Council or Joint
11 Budget Committee in the utilization of the position pool. Therefore, the
12 requirement of review by the Legislative Council or Joint Budget Committee is
13 not a severable part of this section. If the requirement of review by the

25 the agency for which the appropriations in this Act are provided, and that in
26 the event of an extension of the legislative session, the delay in the
27 effective date of this Act beyond July 1, 2016 could work irreparable harm
28 upon the proper administration and provision of essential governmental
29 programs. Therefore, an emergency is hereby declared to exist and this Act
30 being necessary for the immediate preservation of the public peace, health
31 and safety shall be in full force and effect from and after July 1, 2016.
