1 SECTION 11. EMERGENCY CLAUSE. It is found and determined by the
2 General Assembly of the State of Arkansas that the efficient operation of
3 state banks and bank holding companies doing business in Arkansas is a
4 critical need for Arkansas and the banking and financial institutions
5 industry operating under state law; that the Arkansas Banking Code of 1997
6 does not currently allow a state bank in Arkansas to pursue efficient
7 operations and regulatory cost savings under state law through a merger
8 transaction with a wholly owned subsidiary bank of an Arkansas bank holding
9 company that results in the subsidiary bank as the surviving entity of the
10 merger transaction; and that this act is immediately necessary because it is
11 critical that the provisions of this act become effective as soon as possible
12 to encourage efficiency and regulatory costs savings to banks and financial
13 institutions operating in Arkansas. Therefore, an emergency is declared to
14 exist, and this act being immediately necessary for the preservation of the
15 public peace, health, and safety shall become effective on:

- 16 (1) The date of its approval by the Governor;
- 17 (2) If the bill is neither approved nor vetoed by the Governor,
18 the expiration of the period of time during which the Governor may veto the
19 bill; or
- 20 (3) If the bill is vetoed by the Governor and the veto is
21 overridden, the date the last house overrides the veto.
