

**ARKANSAS AGRICULTURE DEPARTMENT
AGENCY (400) - 2013 FISCAL YEAR**

I) AGENCY SUMMARY & REVENUE SOURCES

MISSION

Act 1978 of 2005 created the Agriculture Department. Its mission is to develop and implement policies and programs for Arkansas agriculture and forestry to keep them competitive in world markets while ensuring safe food, fiber and forest products for the citizens of the state and nation.

The Agency began operations on August 15, 2005. The Department was charged with administering and coordinating the activities of 3 agencies placed in the Department. These are the Arkansas Forestry Commission, Arkansas Livestock and Poultry Commission and the Arkansas State Plant Board. The office of the State Land surveyor is now housed in the Arkansas Agriculture Department. During the 2007 - 2009 biennium, the Aquaculture program was added to the Agriculture budget.

MISSION - LIVESTOCK AND POULTRY COMMISSION

To safeguard human and animal health, assure food safety and quality and promote Arkansas livestock and poultry industries. Controls interstate and intrastate movement of livestock, ensures compliance with State and Federal disease control regulations by surveying auctions, barns, state lines, livestock dealers, and garbage feeding establishments; also administers Egg and Poultry Inspection Program.

MISSION - PLANT BOARD

The board samples and analyzes agricultural production for quality assurance; performs inspections, testing and grading to protect against harmful insects, plant diseases and noxious weeds; provides enforcement of quarantines and regulations; enforcement of pest control, nursery, and apiary rules and regulations; and checks the accuracy of commercial weighing and measuring devices.

MISSION - FORESTRY COMMISSION

Protect and develop forest resources, detect and suppress wildfires, monitor forest health, promote reforestation, provide forest management assistance to private landowners, and assist rural fire departments.
