14	SECTION 4. EMERGENCY CLAUSE. It is found and determined by the
15	General Assembly of the State of Arkansas that maintaining two (2) crew
16	members on a railroad train has been the operating model most conducive to
17	optimal safety and service performance; that the Federal Railroad
18	Administration has determined that maintaining two (2) crew members on a
19	railroad train is essential for safety reasons now that some railroad trains
20	exceed two (2) miles in length; that maintaining safe operating practices by
21	railroad carriers of railroad trains is essential to the day-to-day
22	operations of railroad carriers and essential for the effective movement of
23	commerce in this state. Therefore, an emergency is declared to exist, and
24	this act being immediately necessary for the preservation of public peace,
25	health, and safety shall become effective on:
26	(1) The date of its approval by the Governor;
27	(2) If the bill is neither approved nor vetoed by the Governor,
28	the expiration of the period of time during which the Governor may veto the
29	bill; or
30	(3) If the bill is vetoed by the Governor and the veto is
31	overridden, the date the last house overrides the veto.
