23 with approval from the local government zoning authority of the municipality
24 or county in which it is located without obtaining prior approval from the
25 division.

26 (2) A restaurant seeking approval to expand outdoor dining under
27 subdivision (a)(1) of this section shall provide notice to the division of
28 the expansion and change in floor plan.

29 (b) If the expansion in outdoor dining increases the seating capacity
30 in a way that could result in a change in permit type, the restaurant shall
31 obtain division approval prior to expanding the outdoor dining area at the
32 restaurant.

33 (c) A restaurant that expands outdoor dining under this section shall
34 comply with division rules regarding outdoor dining.

3
4 SECTION 4. EMERGENCY CLAUSE. It is found and determined by the
5 General Assembly of the State of Arkansas that restaurants have been uniquely
6 and profoundly impacted by coronavirus 2019 (COVID-19); that the unique
7 impact includes significant reduction in revenue and increased administrative
8 burdens associated with trying to remain in business; that many restaurants
9 are still struggling to stay in business; that the continued struggle of the
10 restaurants in this state imperils Arkansas's further economic recovery from
11 the pandemic; and that this act is immediately necessary because it
12 alleviates some of the administrative burdens on restaurants and increases
13 the probability that more restaurants will be able to stay in business and
14 strengthen our economy. Therefore, an emergency is declared to exist, and
15 this act being immediately necessary for the preservation of the public
16 peace, health, and safety shall become effective on:

17 (1) The date of its approval by the Governor;

18 (2) If the bill is neither approved nor vetoed by the Governor,
19 the expiration of the period of time during which the Governor may veto the
20 bill; or

21 (3) If the bill is vetoed by the Governor and the veto is
22 overridden, the date the last house overrides the veto.
