RE: Joint Budget Committee Review Request

Dear Co-Chairs:

This is to request an expedited approval of a contract by the Joint Budget Committee in lieu of review by the Joint Budget Committee PEER/Review Subcommittee because the contract is time sensitive.

This contract in the amount of \$452,257.30 is for implementation of a Complex Time and Leave module to work with the Success Factors HR system currently being implemented. The vendor has staff that is available to start work immediately. Any additional delay adds increased risk to the start date of 1/1/2022.

A favorable review of this item would be appreciated.

Sincerely,

Larry W. Walther
Secretary
