Contract Summary
 Contractor will provide temporary staffing services for various skill levels of temporary workers pursuant to the requirements listed in FB-22-012 and at the rates as set forth in Contractor's Official Bid Pricing Sheet, attached. These services will be provided on an as-needed and regularly scheduled basis. There is no guarantee of work. At any time during the assigned work period UA Little Rock may elect to terminate the services of the assigned employee. If this termination is the result of the temporary employee not meeting the minimum requirements of the position description or if the temporary employee decides to leave the assignment, UA Little Rock requires that a replacement employee of appropriate capability be placed immediately. This is year one of a potential seven year contract of a multi-award competitive bid.

Purpose for Amendment
 The purpose of this Amendment is to extend the contract for another year. Contractor will continue to provide temporary staffing services for various skill levels of temporary workers pursuant to the requirements listed in FB-22-012 and at the rates as set forth in the Contractor's Official Bid Sheet. This is year two of a potential seven year contract.

Contract Summary

Guiding principles are set forth by the Federal Substance Abuse Block Grant (SABG) Requirements, Division of Aging, Adult, and Behavioral Health Services (DAABHS) Requirements, and the Arkansas Department of Human Services - Division of Behavioral Health Services (DBHS) Rules of Practice and Procedure (RoPaP) within designated catchment areas for the entire state of Arkansas. This evaluation -planning and -execution work will develop a detailed plan for the evaluation of the SABG-Covid 19 Supplement: Methamphetamine Prevention Federal Grant (MPG); create a template for ongoing progress reports to DAABHS and UA Little Rock/MidSOUTH (MidSOUTH); create and update logic models; and provide expert presenters annually at each of AR's 13 Regional Conferences. The SABG-Covid 19 Supplement MPG program is intended to prevent the onset and reduce the progression of methamphetamine use and its related problems, while strengthening prevention capacity and infrastructure at the state and community levels. With this grant, Arkansas is extending methamphetamine prevention programming statewide, applying the evidence-based Strategic Prevention Framework strategies

Purpose for Amendment

To extend expiration date and continue adherence to the Strategic Prevention Framework in planning, implementing, and evaluating prevention efforts; providing support to the collection of prevention data ; offering and promoting evidence based practice activities that fit within the CSAP defined prevention strategies and align with the needs identified in evaluations.
