13
14
15 TO CREATE HIGHER EDUCATION REGULAR SALARY
16 PROCEDURES AND RESTRICTIONS; AND THE
17 HIGHER EDUCATION UNIFORM CLASSIFICATION
18 AND COMPENSATION ACT; AND TO DECLARE AN
19 EMERGENCY.
20

21
22 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
23

24 SECTION 1. Arkansas Code § 6-63-305(a), concerning new and additional
25 personnel positions under the Higher Education Expenditure Restriction Act,
26 is amended to read as follows:

27 (a)(1) In the event that additional federal funds, grants, gifts, or
28 collections become available that were not authorized or contemplated at the
29 time of the passage of the fiscal year appropriation act for operations for
30 each institution enumerated in subsection (b) of this section, that such new
31 funds make it possible for the recipient institution to engage in educational
32 projects that would be of benefit to the State of Arkansas, and that such
33 projects would make it necessary to employ additional personnel, the
34 president of the recipient institution may establish the positions if:

35 (A) A request for a specific nonclassified position,
36 title, and salary has been requested by the institution of higher education,

1 approved by the institution's board of trustees, recommended by the
2 Department of Higher Education, and reported to the Legislative Council; or

3 (B) A request for a specific classified position will be
4 assigned only after a specific position, class title, and grade are requested
5 by the institution of higher education, approved by the institution's board,
6 recommended by the ~~Office of Personnel Management of the Division of~~
7 ~~Management Services of the Department of Finance and Administration~~
8 Department of Higher Education and reported to the Legislative Council or, if
9 the General Assembly is in session, the Joint Budget Committee; and

10 (C) The salary rates for these positions do not exceed the
11 highest maximum annual salary rate or the highest grade ~~level~~ for any
12 position authorized in the regular salary section of the requesting
13 institution's appropriation act for operations, under the ~~Uniform~~
14 ~~Classification and Compensation Act, § 21-5-201 et seq., or its successor the~~
15 Higher Education Uniform Classification and Compensation Act, § 21-5-1401 et
16 seq.

17 (2) The number of additional positions shall not exceed the
18 maximum number of positions authorized for the institution in the
19 appropriation act for operations.

20 (3) The source of funding for the additional positions
21 established under this subsection shall be reported to the ~~office~~ department
22 and the Legislative Council by the institution at the time of the request.

23 (4) Determining the number of persons to be employed by a ~~state~~
24 ~~agency~~ an institution of higher education is the prerogative of the General
25 Assembly and is usually accomplished by delineating the maximum number of
26 persons by identifying the job titles and the maximum grades or salaries
27 attached to them. The General Assembly has determined that the institutions
28 of higher education could be operated more efficiently if some flexibility
29 were given to the institutions. That flexibility is being accomplished by
30 providing new or additional positions in subsection (b) of this section, and
31 since the General Assembly has granted the institutions broad powers under
32 the new or additional position concept, it is both necessary and appropriate
33 that the General Assembly maintain oversight of the utilization of the new or
34 additional positions by requiring prior approval of the Legislative Council
35 in the utilization of the new or additional positions. Therefore, the
36 requirement of approval by the Legislative Council is not a severable part of

1 this section. If the requirement of approval by the Legislative Council is
2 ruled unconstitutional by a court of competent jurisdiction, this entire
3 section is void.

4
5 SECTION 2. Arkansas Code § 19-4-1604 is amended to read as follows:
6 19-4-1604. Salary from two agencies.

7 (a) Except as provided in ~~subsection~~ subsections (b) and (c) of this
8 section, no person drawing a salary or other compensation from one ~~(1)~~ state
9 agency shall be paid salary or compensation, other than actual expenses, from
10 any other state agency except upon written certification to and approval by
11 the Chief Fiscal Officer of the State and by the head of each state agency,
12 stating that:

13 (1) The work performed for the other state agency does not
14 interfere with the proper and required performance of the person's duties;
15 and

16 (2) The combined salary payments from the state agencies do not
17 exceed the larger maximum annual salary of the line-item position authorized
18 for either state agency from which the employee is being paid.

19 (b)(1) This section does not prohibit a state employee from
20 contracting to temporarily teach as adjunct faculty at a state-supported
21 institution of higher education and thereby receive combined salary payments
22 from the two (2) state agencies in excess of the larger maximum annual salary
23 of the line-item position authorized from either state agency.

24 (2)(A) This section does not prohibit a part-time or job-share
25 public defender from receiving compensation from an appellate court for work
26 performed in connection with an ~~indigent's~~ indigent client's appeal to the
27 Supreme Court or the Court of Appeals.

28 (B) A person employed as a full-time public defender who
29 is not provided a state-funded secretary may also seek compensation for
30 appellate work from the Supreme Court or the Court of Appeals.

31 (3) This section does not allow an employee to be on paid sick
32 leave with a state agency and to be paid a salary or compensation from
33 another state agency.

34 (c) A person drawing a salary or other compensation from a state
35 agency or institution of higher education shall not be paid a salary or
36 compensation from another institution of higher education except upon the

1 written certification to and approval by the Director of the Department of
 2 Higher Education that the:

3 (1) Work performed for the other state agency or institution of
 4 higher education does not interfere with the proper and required performance
 5 of the person's duties; and

6 (2) Combined salary payments from the state agency and
 7 institution of higher education does not exceed the larger maximum annual
 8 salary of the line-item position authorized for either the agency or
 9 institution of higher education from which the employee is being paid.

10
 11 SECTION 3. Arkansas Code § 21-5-223 is amended to read as follows:
 12 21-5-223. Severance pay.

13 (a)(1) If the agency ~~or institution~~ director determines that it is
 14 necessary to implement the state workforce reduction policy due to state
 15 agency or institution organization structure change, budgetary reductions,
 16 abolishment of positions or duties, loss of functional responsibility by the
 17 state agency, or the loss of federal funding, grants, or other special funds,
 18 the agency ~~or institution~~ director, upon approval by the Chief Fiscal Officer
 19 of the State, may authorize the payment of funds on a regular payroll
 20 schedule as severance pay to full-time, part-time, and job sharing classified
 21 and nonclassified employees in regular positions affected by the workforce

 33 Uniform Attendance and Leave Policy Act, § 21-4-201 et seq.

34 ~~(e)(3)~~ The severance payments under subdivision (a)(1) of this section
 35 shall not be construed as exceeding the maximum salary.

36 ~~(d)(4)~~ The agency or institution director shall file a notice of the

1 anticipated implementation of the workforce reduction policy and of the lump-
 2 sum severance payments to be made under the state workforce reduction policy
 3 with the ~~Personnel Subcommittee of the~~ Legislative Council or, if the General
 4 Assembly is in session, the Joint Budget Committee.

5 (b)(1) If the head of an institution of higher education determines
 6 that it is necessary to implement the state workforce reduction policy due to
 7 institution organization structure change, budgetary reductions, abolishment
 8 of positions or duties, loss of functional responsibility by the institution,
 9 or the loss of federal funding, grants, or other special funds, the head of
 10 the institution, upon approval by the Director of the Department of Higher
 11 Education, may authorize the payment of funds on a regular payroll schedule
 12 as severance pay to full-time, part-time, and job sharing classified
 13 employees in regular positions affected by the workforce reduction on the
 14 basis of the following pro rata lump sum for completed years of service,
 15 including any formally implemented probationary period:

 25 Attendance and Leave Policy Act, § 21-4-201 et seq.

26 (3) The severance payments under subdivision (b)(1) of this section
 27 shall not be construed as exceeding the maximum salary.

28 (4) The head of the institution shall file a notice of the anticipated
 29 implementation of the workforce reduction policy and of the lump-sum
 30 severance payments to be made under the state workforce reduction policy with
 31 the Legislative Council or, if the General Assembly is in session, the Joint
 32 Budget Committee.

33

22 21-5-1403. Regular salary procedures and restrictions.

23 Arkansas Constitution, Article 16, § 4, provides: "The General Assembly
 24 shall fix the salaries and fees of all officers in the State, and no greater
 25 salary or fee than that fixed by law shall be paid to any officer, employee
 26 or other person, or at any rate other than par value; and the number and
 27 salaries of the clerks and employees of the different departments of the
 28 State shall be fixed by law." Therefore, the following provisions are
 29 applicable to all authorized regular salary positions in appropriation acts
 30 unless specific exception is made otherwise by law:

31 (1) For any position authorized by the General Assembly of the
 32 State of Arkansas for the benefit of any institution of higher education for
 33 which the provisions of this subchapter are to be applicable, it is the
 34 intent of the General Assembly that this subchapter govern with respect to:

35 (A) The entry pay level;

36 (B) The frequency with which increases in pay may be

1 granted; and

2 (C) The maximum annual salary that may be paid for the
3 grade assigned each employee;

4 (2) For any position authorized by the General Assembly for the
5 benefit of any institution of higher education for which a maximum annual
6 salary is set out in dollars, it is the intent of the General Assembly that
7 the position be paid at a rate of pay not to exceed the maximum established
8 for the position during any one (1) fiscal year and that the maximum annual
9 salary authorized is for full-time employment;

10 (3)(A) For all positions authorized by the General Assembly for
11 any institution of higher education, it is the intent of the General Assembly
12 in determining the annual salaries of employees in those positions, that the
13 head of the institution take into consideration the ability of the employee
14 and length of service.

15 (B) It is not the intent of the General Assembly that the
16 maximum annual salaries as authorized in the appropriation act, or pay
17 increases established for the various grades under this subchapter be paid
18 unless the employee meets the qualifications associated with each pay level
19 and then only within the limitations of the appropriations and funds
20 available for that purpose.

21 (C) An employee authorized by the General Assembly shall
22 not receive from appropriated or cash funds, either from state, federal, or
23 other sources, compensation in an amount greater than that established by the
24 General Assembly as the maximum annual salary for the employee, unless
25 specific provisions are made by law; and

26 (4) An employee of an institution of higher education shall not
27 be paid any additional cash allowances, including without limitation uniform
28 allowance, clothing allowance, motor vehicle depreciation or replacement
29 allowance, fixed transportation allowance, or meals and lodging allowance
30 other than for reimbursement for costs actually incurred by the employee
31 unless the allowances are specifically set out by law as to eligibility of
32 employees to receive the allowances, and the maximum amount of such
33 allowances are established by law for each employee or for each class of
34 employees eligible to receive the allowances.

35

36 21-5-1404. Effect on appropriation acts.

1 (a) All appropriation acts of all institutions of higher education
2 subject to this subchapter shall be governed by this subchapter with respect
3 to grades, class titles, salary increases, salary increase eligibility, and
4 other provisions unless special language in the appropriation act of the
5 institution specifically allows the institution to provide salary increases,
6 grade assignments, class title assignments, salary increase eligibility, and
7 other provisions different from those provided by this subchapter.

8 (b) When the intent of the General Assembly, by amendment to
9 appropriation bills, is to allow a higher grade for a classification than
10 that listed in this subchapter, the grade assigned to the classification in
11 the appropriation act for the classification, as designated with the higher
12 grade, shall be the grade for the classification in the institution during
13 the biennium.

14 (c) When a higher grade is authorized in this subchapter for
15 classifications that are not reflected in the appropriation act of an
16 institution, this subchapter shall set the grades to be authorized in an
17 institution's appropriation act for the biennium unless special language in
18 the appropriation act of an institution allows the institution to provide
19 salary increases other than that provided in this subchapter.

20 (d) It is the intent of this section that the institutions governed by
21 this subchapter be authorized to allow grades as provided in the
22 appropriation acts of the institutions, provided that the rules that apply to
23 salary increases under this subchapter shall not be waived unless special
24 language in the appropriation act of the institution authorizes the
25 institution to provide increases other than those authorized under this
26 subchapter.

27
28 21-5-1405. Department of Higher Education – Duties.

29 (a) The Department of Higher Education shall perform the following
30 administrative duties with respect to the institution of higher education
31 classification and compensation plan, subject to this subchapter:

32 (1) Determine that each position of an institution of higher
33 education affected by this subchapter is allocated to a class having a
34 written class specification based on the duties and responsibilities assigned
35 to the position and the requirements necessary to satisfactorily perform the
36 duties;

1 (2) Assist institutions in the allocation of positions to
2 classes established in this subchapter and in the appropriation acts covering
3 each of the institutions affected by this subchapter, and disallow the
4 allocation of a position to a class that is not in conformance with this
5 subchapter;

6 (3)(A) Authorize the temporary reclassification of positions in
7 an institution affected by this subchapter in cases in which it has been
8 determined by the department that there are material changes in the duties
9 and responsibilities assigned to the position when there is no available
10 vacant position having the proper classification and when it is impracticable
11 to restructure the duties of the position to the proper classification.

12 (B) The reclassification of positions may also be
13 authorized when it is necessary to establish a new classification to meet
14 federal standards as a prerequisite for federal programs, provided that a
15 position is not placed in a class and receive pay at a salary rate in excess
16 of the maximum salary rate authorized for the position that was reclassified
17 as provided in the appropriation act of the institution;

18 (4)(A) Review all class specifications and all classes and
19 grades and the compensation plan affecting all institutions covered by this
20 subchapter and submit to the Legislative Council and the Governor in advance
21 of the regular session and fiscal session of the General Assembly
22 recommendations for revisions, modifications, or additions.

23 (B) When necessary, the department shall confer with the
24 staff of the Legislative Council on the development of and revisions to
25 uniform classification and compensation systems.

26 (C) Time periods for the development of recommendations
27 and time periods for the review by the Legislative Council of those
28 recommendations shall be as established by the Legislative Council.

29 (D) The time periods for recommendations and for review
30 shall be sufficiently in advance of budget hearings for the regular session
31 and fiscal session to allow for the thorough review by the Legislative
32 Council;

33 (5) Develop and implement rules to accomplish the purposes of
34 this subchapter;

35 (6)(A) Establish a procedure to allow the head of the
36 institution to review the qualifications of applicants whose education and

1 experience either do not meet or exceed that required by the class
2 specification but who have other job-related qualifications that might be
3 validly substituted for the class requirements.

4 (B) The procedure under subdivision (a)(6)(A) of this
5 section is intended to allow institutions to substitute job-related education
6 and experience for the specific requirements stated in the class
7 specification without the necessity for the revision of the class
8 specification.

9 (C) The procedure under subdivision (a)(6)(A) of this
10 section shall require the final approval of the Director of the Department of
11 Higher Education, with the review of the Legislative Council or, if the
12 General Assembly is in session, the Joint Budget Committee;

13 (7)(A) Review institution personnel transactions reported as
14 unqualified appointments.

15 (B) Unqualified appointments shall be reported by the
16 department to the Legislative Council unless one (1) of the following actions
17 is taken:

18 (i) Questionable appointments are reviewed by the
19 director;

20 (ii) Payroll actions for questionable appointments
21 that are determined by the director to be unqualified for the specific
22 appointment are not processed until the unqualified appointment is removed
23 from the payroll or is placed into a position in the institution for which
24 the individual meets the minimum qualifications of the classification; or

25 (iii) Corrective action is documented by the
26 institution.

27 (C) It is the specific responsibility of the head of each
28 institution to certify that the qualifications of persons appointed to
29 positions within the institution do meet or exceed the minimum education and
30 experience requirements as stated in the class specification;

31 (8)(A) Establish each year, upon the review of the Personnel
32 Subcommittee of the Legislative Council, new classifications at an
33 appropriate grade in order to meet new or changed conditions and report at
34 the end of each fiscal year all class titles contained in § 21-5-1406 for
35 which a class specification has not been written.

36 (B) Any classification established under this subdivision

1 (a)(8) shall remain in effect for the remainder of the fiscal year during
2 which the classification was established unless specifically authorized to
3 continue by the General Assembly as an addition to this subchapter;

4 (9) Revise, as necessary, the class specification of a
5 classification in order to ensure the accuracy of the description of the
6 assigned duties and the minimum requirements necessary to perform these
7 duties and thereby maintain a valid relationship between the requirements and
8 the duties and responsibilities of the jobs;

9 (10) Administer and maintain a system for the evaluation of
10 employee performance effectiveness;

11 (11) Provide assistance to institutions in identifying,
12 developing, and maintaining training and resource programs; and

14 Legislative Council, rules to ensure a uniform system of personnel
15 administration within higher education.

16 (b) To ensure and provide for the accuracy and efficiency of this
17 subchapter and to provide for an efficient and equitable system of personnel
18 management, the department, with the review of the Legislative Council,

21 necessary the current classifications, the class specifications, minimum

23 (2) Create when necessary new classifications at an appropriate
24 grade that will accurately describe those positions for which no appropriate
25 classification exists;

26 (3) Determine those positions that are improperly classified and
27 reclassify those positions to the appropriate classification in accordance
28 with this subchapter; and

29 (4) Develop and implement the policies, rules, and procedures
30 necessary for the implementation of this subchapter.

31
32 21-5-1406. Classification of positions.

33 (a)(1) There are established for the institutions of higher education
34 covered by this subchapter the classification titles and grades.

35 (2) No payment of salaries may be made except in conformity with
36 the maximum annual salary rates assigned to the grades established by this

1 section for each year as provided in the appropriation act of the institution
 2 and in this subchapter.

3 (b) The following classification titles with their assigned grades are
 4 approved for the classification and compensation plan under this subchapter,
 5 subject to the appropriation acts for the institutions:

12 21-5-1407. Compensation plan.

13 (a) There is established for institutions of higher education covered
 14 by this subchapter a compensation plan for the setting of salaries and salary
 15 increases, when deserved, of all employees serving in positions covered by
 16 this subchapter.

17 (b)(1) No employee shall be paid at a rate of pay higher than the
 18 appropriate rate in the grade assigned to his or her class, and no employee
 19 shall be paid more than the highest pay level established for the employee's
 20 grade unless otherwise provided for in this subchapter.

21 (2) However, an employee presently employed in a position who is
 22 being paid at a rate in excess of the maximum for his or her assigned grade
 23 may continue to receive his or her rate of pay.

24 (c) It is the intent of the General Assembly to authorize, in the
 25 enactment of the compensation plans, rates of pay for each of the appropriate
 26 grades assigned to a class, but it is not the intent of the General Assembly
 27 that any pay increases be automatic or that any employee have a claim or a
 28 right to pay increases unless the head of the institution determines that the
 29 employee, by experience, ability, and work performance, is eligible for the
 30 increase in pay authorized for the grade assigned by classification to the
 31 employee's position.

32 (d) Pay levels established in this subchapter are for compensation
 33 management purposes and are not to be construed as a contract, right, or
 34 other expectation of actual employee salary determination.

35 (e)(1) The following grades and pay levels are the authorized career
 36 service pay plan, effective July 1, 2017, and thereafter, for the state

1 service for all positions of institutions covered by this subchapter to which
 2 a classification title and career service salary grade have been assigned in
 3 accordance with this subchapter and the appropriation act of the or
 4 institution:

34 (f) It is the intent of the General Assembly that the compensation
 35 plans in this section shall be implemented and function in compliance with
 36 other provisions in this subchapter and other fiscal control laws of this

1 state, when applicable.

2
3 21-5-1408. Implementation of plan – Changes in class specifications.

4 (a) For the purposes of implementing the higher education uniform
5 classification and compensation plan for the institutions of higher education
6 covered by this subchapter, the General Assembly determines that the class
7 specifications prepared by the Department of Higher Education in classifying
8 the positions authorized in the appropriation act of each institution be the
9 class specifications to be followed in implementing the respective
10 appropriations for all part-time and full-time employees of the institutions
11 covered by this subchapter.

12 (b) Changes in class specifications may be made, in whole or in part,
13 by rule of the department, and the changes shall be reported on a quarterly
14 basis to the Legislative Council.

15
16 21-5-1409. Implementation procedure for grade changes – Salary
17 adjustments.

18 (a) The Department of Higher Education has administrative
19 responsibility for enforcing compliance by institutions of higher education
20 affected by this subchapter in implementing classification and grade changes.

21 (b)(1)(A) The maximum annual salary for which an employee covered by
22 this subchapter is eligible on July 1, 2017, shall be determined by
23 increasing the salary of the employee as it existed on June 30, 2017:

24 (i) By a percentage up to two percent (2%) with
25 written approval by the Director of the Department of Higher Education; or

26 (ii) More than two percent (2%) only with written
27 approval of director after review by the Legislative Council or, if the
28 General Assembly is in session, the Joint Budget Committee.

29 (B) The salary increase may be established as an increase
30 to the employee's salary or as a lump sum.

31 (2) The salary increase authorized by subdivision (b)(1) of this
32 section shall not allow an employee's compensation to exceed the maximum pay
33 level amount set out for the position unless the employee is eligible for the
34 career pay level as established in § 21-5-1410.

35 (3) If an employee does not meet the service requirements in §
36 21-5-1410, the increase shall be paid as a lump sum on the last pay period of

1 the fiscal year of the year in which the increase is to occur.

2 (4)(A) An employee compensated at the highest pay level
3 authorized for the grade assigned to his or her classification may receive
4 the July 1, 2017 salary increase authorized in this section as a lump-sum
5 payment.

6 (B) However, the salary increase shall be paid as a lump
7 sum on the last pay period of the 2018 fiscal year, and the payment shall not
8 be construed as exceeding the maximum pay level described in subdivision
9 (b)(2) of this section.

10 (c)(1) An employee covered by this subchapter is eligible for an
11 additional salary increase or lump-sum payment of two percent (2%) each
12 fiscal year upon approval by the director if:

13 (A) The director determines that sufficient revenues
14 become available; and

15 (B) The additional salary increase of two percent (2%)
16 does not result in an employee's compensation exceeding the maximum pay level
17 amount set out for the position unless the employee is eligible for the
18 career pay level on the career service pay plan as established in § 21-5-
19 1410.

20 (2)(A) An employee compensated at the highest pay level rate
21 authorized for his or her classification is eligible to receive the salary
22 increase of two percent (2%) authorized in this section as a lump-sum
23 payment.

24 (B) However, the increase shall be paid as a lump sum on
25 the last pay period of the fiscal year of the year in which the increase is
26 to occur, and the payment shall not be construed as exceeding the maximum
27 salary under subdivision (b)(2) of this section.

28 (d) Salary adjustments made by the director under this section shall
29 be reported to the Legislative Council or, if the General Assembly is in
30 session, the Joint Budget Committee.

31 (e) All percentage calculations stipulated in this subchapter or any
32 other law affecting salaries of employees of institutions of higher education
33 may be rounded to the nearest even-dollar amount by the Department of Higher
34 Education when making the increases to employee salaries as provided under
35 subdivision (b)(1) of this section.

36

1 21-5-1410. New appointments - Other compensation plan provisions.

2 (a) A new appointment to a position in an institution of higher
3 education covered by this subchapter shall not be compensated at a rate of
4 pay greater than the base pay level established for the grade of the position
5 unless a special rate of pay is requested and approved as follows:

6 (1)(A) An institution may request a special rate of pay for
7 either a current or prospective employee within the institution if:

8 (i) Prevailing market rates of pay for a specific
9 classification title are such that the institution is unable to competitively
10 recruit at the base pay level for the grade assigned to that classification;

11 (ii) An acute shortage of qualified applicants for a
12 position within a specific classification exists;

13 (iii) The institution desires to obtain the services
14 of an exceptionally well-qualified applicant for a specific position;

15 (iv) The institution desires to retain trained,
16 competent employees; or

17 (v) It enables the institution to meet any
18 requirements of state or federal laws.

19 (B)(i) An institution may request a special rate of pay
20 for a specific classification due to prevailing market rates of pay to hire a
21 new employee up to the midpoint pay level of the appropriate grade of a
22 classification on the appropriate pay plan with the written approval of the
23 Director of the Department of Higher Education.

24 (ii) An institution may request a special rate of
25 pay for a specific classification due to prevailing market rates of pay to
26 hire a new employee up to the maximum pay level annual rate authorized for
27 the grade assigned to a classification only with the approval of the director
28 after review by the Legislative Council or, if the General Assembly is in
29 session, the Joint Budget Committee.

30 (iii) A special rate of pay shall not be approved
31 under this section unless the classification is properly reviewed and the
32 special rate of pay is approved as a market-rate classification for the grade
33 and listed on a register of such pay levels by classification maintained by
34 the Department of Higher Education.

35 (iv) The department shall file a report of all such
36 classifications with the Legislative Council, or if the General Assembly is

1 in session, the Joint Budget Committee within the month following the
 2 approval.

3 (C)(i) If a special rate of pay has been approved for a
 4 position within a specific classification due to prevailing market rates of
 5 pay or an acute shortage of qualified applicants, current employees within
 6 the institution assigned to the affected classification may be compensated at
 7 the new approved rate of pay by the institution upon written approval by the
 8 director.

9 (ii) The department shall file a report of all the
 10 employee salary adjustments under subdivision (a)(1)(C)(i) of this section
 11 with the Legislative Council or, if the General Assembly is in session, the
 12 Joint Budget Committee, within the month following the approval; or

13 (2)(A) An institution may request a special rate of pay for a
 14 specific individual applicant due to exceptional qualifications to hire a new
 15 employee at a salary level up to and including the midpoint pay level of the
 16 appropriate pay grade of a specific position with the written approval of the
 17 director and up to the maximum pay level of the appropriate grade with the
 18 approval of the director after review by the Legislative Council or, if the
 19 General Assembly is in session, the Joint Budget Committee.

20 (B) An institution may request a special rate of pay to
 21 retain a trained, competent employee at a salary level up to and including
 22 the midpoint pay level of the appropriate pay grade of a specific position
 23 with the written approval of the director and up to the maximum pay level of
 24 the appropriate grade with the approval of the director after review by the
 25 Legislative Council or, if the General Assembly is in session, the Joint
 26 Budget Committee.

27 (C) This subdivision (a)(2) applies only for the:

28 (i) Hiring of an exceptionally well-qualified
 29 applicant whose background and experience qualify the applicant to perform
 30 the job with very little or substantially less orientation and training than
 31 would be the case for another qualified applicant; or

32 (ii) Retention of a trained, competent employee.

33 (D) Requests by an institution for a special rate of pay
 34 for a position based on the exceptional qualifications of a prospective
 35 employee may be approved if the:

36 (i) Institution has documented to the satisfaction

1 of the director that no current employee of the affected institution applied
2 for the position and who was determined by the institution to not be an
3 equivalent alternative to the exceptionally well-qualified applicant. The
4 director shall supply upon request any supporting documentation to the
5 Legislative Council or, if the General Assembly is in session, the Joint
6 Budget Committee; and

7 (ii) Prospective employee possesses a level of
8 experience or educational credentials that would permit him or her to perform
9 the duties and responsibilities of the position for which the special rate is
10 requested with significantly less training and orientation than all other
11 qualified applicants.

12 (E) The hiring of a new employee under this subdivision
13 (a)(2) shall not affect the salary level or salary eligibility of any current
14 employee within the institution.

15 (F)(i) This section applies to both prospective and
16 current employees of institutions.

17 (ii) Except as provided in subdivision (a)(2)(B) of
18 this section, this section applies only to current employees in positions in
19 which the position has been advertised and the employee has competitively
20 applied for the position by submitting an application with an institution for
21 consideration for the position. Otherwise, employees shall be compensated in
22 accordance with subsection (d) of this section.

23 (b) If approval has been granted to a requesting institution for a
24 special rate of pay at or below the midpoint pay level under this section,
25 the director shall report all approvals monthly to the Legislative Council
26 or, if the General Assembly is in session, the Joint Budget Committee.

27 (c) An employee who is compensated at the maximum pay level in a
28 position assigned to the career service pay plan is eligible for salary
29 adjustments authorized in this subchapter as an addition to his or her base
30 salary up to the career pay level if the:

31 (1) Employee meets or exceeds the eligibility requirements
32 approved by the department after review by the Legislative Council or, if the
33 General Assembly is in session, the Joint Budget Committee, which shall
34 include at a minimum:

35 (A) Fifteen (15) cumulative years of full-time equivalent
36 state service that may be in either classified or nonclassified regular

1 positions but not in extra-help positions; and

2 (B) A performance evaluation rating at or above the
3 satisfactory level for the preceding rating period; and

4 (2) Additional salary increase does not result in the employee's
5 annual salary's exceeding the career pay level for the grade by
6 classification of the employee's position.

7 (d)(1) An employee promoted on or after July 1, 2017, to a position of
8 a higher grade, may receive a maximum annual salary increase of up to ten
9 percent (10%).

10 (2)(A) An employee who upon promotion receives an annual salary
11 below the lowest entry pay level established for the new grade may be
12 adjusted to that lowest entry pay level for that grade.

13 (B) However, an employee's annual salary upon promotion
14 shall not exceed the highest pay level of the grade assigned to the
15 classification, unless the employee is eligible for career pay level on the
16 career service pay plan as established in subdivision (c)(1) of this section.

17 (e)(1) When an employee is demoted for cause or voluntarily solicits a
18 demotion, his or her rate of pay shall be fixed in the lower-graded position
19 at a rate equal to ten percent (10%) less than the employee's rate of pay at
20 the time of demotion for demotions of one (1) or more grades on the career
21 service pay plan or on the professional and executive pay plan.

22 (2) If the employee's salary falls below the lowest entry pay
23 level of the new grade upon demotion, his or her annual salary may be
24 adjusted to that lowest entry level for that grade.

25 (3) An employee's annual salary upon a demotion shall not exceed
26 the highest pay level within the grade assigned to the classification, unless
27 the employee is eligible for the career pay level on the career pay service
28 pay plan under this section.

29 (f)(1) An employee who returns to a position within a classification
30 the employee formerly occupied within a twelve-month period after promotion
31 from the classification is eligible for an annual salary no greater than that
32 for which the employee would have been eligible had the employee remained in
33 the lower-graded classification.

34 (2) An employee who is placed in a lower-graded position on
35 either compensation plan because the original position has expired due to
36 lack of funding, program changes, or withdrawal of federal grant funds may

1 continue to be paid at the same rate as the employee was being paid in the
2 higher-graded position upon approval of the department after seeking the
3 review of the Legislative Council or, if the General Assembly is in session,
4 the Joint Budget Committee.

5 (g)(1) If an employee has been terminated for more than thirty (30)
6 working days returns to a position within the institution, the institution
7 may offer up to the employee's last annual salary not to exceed the maximum
8 pay level established for the grade.

9 (2) A former institution employee may return as a new employee
10 should this section provide a lower annual salary than he or she could
11 otherwise receive upon entering state service.

12 (h) Upon transfer of employment from one institution to another, an
13 employee shall receive a lump-sum payment from the original institution for
14 any overtime that has been accrued and not paid and for any compensatory time
15 accrued that has not been used at the final regular rate of pay received by
16 the employee.

32 authorized for the increased risk of personal physical injury for an employee
33 occupying a certain identified high-risk position if the:

7 the facility that are identified as high-risk.

8 (B) The positions shall be certified by the head of the

12 the Director of the Department of Higher Education after review and approval
13 of the Legislative Council or, if the General Assembly is in session, the

21 (h) A geographic area differential of up to six percent (6%) may be
22 authorized to address the documented inability to recruit and retain certain
23 employees in a specific geographic area of the state if the additional
24 geographic area differential is based on documented recruitment, turnover, or
25 other competitive pay issue in a specific geographic area but that does not
26 justify a statewide labor market special entry rate.

27 (i)(1) A second language differential of up to ten percent (10%) may
28 be authorized for an employee who has the demonstrated ability and skill to
29 communicate in a language other than English, including American Sign

31 related to the effective performance of the job duties for the position
32 occupied by the employee.

33 (2) An employee who receives additional compensation under this
34 section and who moves into a position that does not need the skill to
35 communicate in a language other than English shall revert on the effective
36 date of the change to the rate of pay that the employee would otherwise

1 receive.

16 (B)(i) Compensation shall not be paid to any employee
17 required to be on-call and standby who fails to respond after the second
18 notification that his or her services are needed.

19 (ii) If the equipment or paging device malfunctions,
20 the penalty shall not apply.

21 (C)(i) An employee on on-call duty or standby duty who is
22 called in to work shall be compensated for the actual hours worked at the

24 (ii) The employee shall not be paid on-call or

29 as exceeding the maximum annual salary for that grade.

30
31 21-5-1413. Salary administration grids.

14 (B) An approved salary administration grid shall be used
15 for establishing entry pay level for an employee in a position.

16 (C) A person hired above the entry pay level shall meet or

36 unanticipated enrollment growth, industry training demands, or its mandated

1 responsibilities.

2 (2) Central pool positions shall be used by the institution if
3 the personnel service needs exceed the number of positions authorized by the
4 General Assembly and were not anticipated at the time of the passage of the
5 institution's operating appropriation act.

6 (3) A position established under this section shall not exceed a
7 salary rate of the highest maximum annual salary rate or the highest grade
8 level position authorized by the General Assembly in the requesting
