Contracts entered into with physician-teachers, teachers in other health related fields and their associates shall require the prior approval of the ~~Chief Fiscal Officer of the State~~ agency head only and be reported quarterly to the Legislative Council.

SECTION 38. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. ESTABLISHMENT OF A "GROWTH POOL". (a) The Arkansas Department of Higher Education shall establish and maintain for the ~~2016-2017~~ 2017-2018 fiscal year a pool of three hundred (300) nonclassified positions at a salary level not to exceed ~~\$293,550~~ \$302,356. These positions are to be used by the University of Arkansas for Medical Sciences in the

event that the personal services needs of the University during the ~~2016-2017~~ 2017-2018 fiscal year exceed the number of positions allocated to the University by the Legislature. The University shall provide justification to the Arkansas Department of Higher Education for the need to allocate titles from this "growth pool". No classifications will be assigned to the pool until such time as specific positions are requested by the University, approved by the University Board or their designee, and approved by the Legislative Council or Joint Budget Committee. Furthermore, the Office of Personnel Management (OPM) of the Division of Management Services of the Department of Finance and Administration shall establish and maintain for the ~~2016-2017~~ 2017-2018 fiscal year a pool of three hundred (300) career service positions up to a C130. These positions are to be used by the University of Arkansas for Medical Sciences in the event that the personal services needs of the University during the ~~2016-2017~~ 2017-2018 fiscal year exceed the number of positions in a classification allocated to the University by the Legislature. The University shall provide justification to OPM for the need to allocate titles from this "growth pool". No classifications will be assigned to the pool until such time as specific positions are requested by the University, recommended by OPM, and approved by the Legislative Council or Joint Budget Committee.

(b) Determining the number of personnel to be employed by a state agency is the prerogative of the General Assembly and is usually accomplished by delineating the maximum number of personnel by identifying the job titles and the maximum grade or salary attached to those salaries. The General Assembly has determined that the University of Arkansas for Medical Sciences could be operated more efficiently if some flexibility is given to that institution. That flexibility is being accomplished by providing growth pools in subsection (a) of this section and since the General Assembly has granted the institution broad powers under the growth pool concept, it is both necessary and appropriate that the General Assembly maintain oversight of the utilization of the growth pool by requiring prior approval of the Legislative Council or Joint Budget Committee in the utilization of the growth pool. Therefore, the requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

If the agency requests continuation of a "Growth Pool" position(s) as established herein during the next fiscal year, the position(s) must be requested as a new position(s) in the agency's budget request.

The provisions of this section shall be in effect only from July 1, ~~2016~~ 2017 through June 30, ~~2017~~ 2018.
