**LEGAL AUTHORIZATION:** The Arkansas Department of Health, Division of Health Facilities Services has the authority to inspect, regulate, and license hospitals and institutions. Ark. Code Ann. § 20-9-204(b)(3). The Department may promulgate rules as necessary to accomplish the purposes of Ark. Code Ann. §§ 20-9-201 to -223, which relate to health facilities services. Ark. Code Ann. § 20-9-205(b). These rules implement Acts 620, 889, and 977 of 2019.

Act 620, sponsored by Senator Trent Garner, required additional reporting requirements by certain physicians and healthcare facilities for abortion complications. The Act required such reports to “[b]e submitted in the form and manner prescribed by rule of the department[.]” Ark. Code Ann. § 20-16-605(c)(2)(A), *as created by* Act 620.

Act 889, sponsored by Senator Bart Hester, modernized plumbing plan review submissions and responses and clarified that local jurisdiction review of certain plumbing plans and specifications does not require review by the Department of Health.

Act 977, sponsored by Representative Deborah Ferguson, required reporting to the Department of Health of patient transfers from a lay midwife.

7. With respect to the agency's answers to Questions #5 and #6 above, is there a new or increased cost or obligation of at least one hundred thousand dollars (\$100,000) per year to a private individual, private entity, private business, state government, county government, municipal government, or to two (2) or more of those entities combined?  
Yes  No

If YES, the agency is required by Ark. Code Ann. § 25-15-204(e)(4) to file written findings at the time of filing the financial impact statement. The written findings shall be filed simultaneously with the financial impact statement and shall include, without limitation, the following:

- (1) a statement of the rule's basis and purpose;
- (2) the problem the agency seeks to address with the proposed rule, including a statement of whether a rule is required by statute;
- (3) a description of the factual evidence that:
  - (a) justifies the agency's need for the proposed rule; and
  - (b) describes how the benefits of the rule meet the relevant statutory objectives and justify the rule's costs;
- (4) a list of less costly alternatives to the proposed rule and the reasons why the alternatives do not adequately address the problem to be solved by the proposed rule;
- (5) a list of alternatives to the proposed rule that were suggested as a result of public comment and the reasons why the alternatives do not adequately address the problem to be solved by the proposed rule;
- (6) a statement of whether existing rules have created or contributed to the problem the agency seeks to address with the proposed rule and, if existing rules have created or contributed to the problem, an explanation of why amendment or repeal of the rule creating or contributing to the problem is not a sufficient response; and
- (7) an agency plan for review of the rule no less than every ten (10) years to determine whether, based upon the evidence, there remains a need for the rule including, without limitation, whether:
  - (a) the rule is achieving the statutory objectives;
  - (b) the benefits of the rule continue to justify its costs; and
  - (c) the rule can be amended or repealed to reduce costs while continuing to achieve the statutory objectives.
