# CONTENTS

At this time, we are proposing one (1) revision to our Definitions. This is as follows:

- **Delete** in Section III. DEFINITIONS OO. "**Radiologist Assistant**".

This definition will be deleted because Radiologist Assistants are now licensed under the Arkansas State Medical Board.

## DRAFT REVISION

### Section III. Definitions

- OO: ~~'Radiologist Assistant' means a person other than a Licensed Practitioner, who has qualifications, education, certification, and responsibilities as recognized by the Board.~~
