<input checked="" type="checkbox"/> Required under State or Federal Law:	20-25-106. Arkansas Manufactured Home Commission Powers and Duties; 24 CFR Part 3282 Manufactured Home Procedural and Enforcement Regulations and Enforcement Interpretative Bulletins				
Requirement Statement:	This Agency, per our cooperative agreement with the U.S. Department of Housing and Urban Development's Office of Manufactured Housing Programs, sets uniform reasonable standards for the proper installation of new manufactured homes and secondary installations of used manufactured homes installed in this state. This Agency sets the requirements and requires licensing and certification of manufacturers, retailers, installers, sales persons of manufactured homes in this state. This Agency establishes procedures for the investigation and timely resolution of construction or installation defects and dispute resolution for manufactured homes.				
Enforce:	Our agency will continue enforcement of this rule as our Commission serves as the State Administrative Agency for the U.S. Department of Housing and Urban Development's Office of Manufactured Housing Programs. Under our cooperative agreement, we are charged with administering portions of the federal program and are to maintain a state plan which includes provisions for effective handling of consumer complaints, oversight of manufacturer's handling of consumer complains and remedial actions, monitoring for the existence of failures to conform with the Manufactured Home Construction and Safety Standards and imminent safety hazards, monitoring of retailers and the installations of manufactured homes, an adequate dispute resolution process, as well as assurances that under state law our agency has legal authority to carry out the state plan. Continuance of enforcement is necessary so that we might fulfill our obligations under this cooperative agreement.
