Footnotes:

- The Recipient category 'Agency Support' includes food expenses incurred at community COVID-19 testing and vaccination events for volunteers, State staff, and event participants. Reimbursements for food costs requested on TR-1s are also included in this category.
- Food expenses for COVID-19 relief efforts are allowable and approved costs outlined within the guidelines for the listed federal grants.
- CARES Act funding used for COVID-19 food expenses (\$512,132.84) will be reimbursed back to the State by FEMA at 100%.
 - CARES Act funding constitutes 51% of the total COVID-19 food expenses.
- Food expenses for Emergency Operations ceased in May 2021.
- Effective June 1, 2021, QF1 will be deactivated and no further food expenses will be incurred there.
