Possible Bed Availability in Arkansas County Jails

The Arkansas Sheriff's Association conducted a survey on the availability of beds in the county jails.

31 counties responded with a total of 697 beds that could become available if the current county jail backlogs were cleared.

*Please Note: these beds are currently not available*

Additional comments:

If the bed spaces become available

- One county responded they will have 50 beds available at the cost of \$50.00 daily per bed ;
- Another county will have 28 beds available at the cost of \$45.00 daily per bed.
