When a Priority I allegation is received, local law enforcement is notified. The local agency has the option of conducting the investigation independently or jointly with CACD, or declining involvement at that point. If local authorities decline to investigate and if the CACD investigator finds sufficient information to suspect that a serious crime has occurred, the investigator shall contact the State Police Criminal Investigation Division (CID) and request that a criminal investigation be conducted.

NOTE: The standard for submitting cases to Prosecuting Attorneys is different than the standard used to determine what cases will actually be prosecuted. The decision to submit a case is made using a preponderance of the evidence standard, the same as is used in civil cases. The decision to actually charge criminally is made using a beyond a reasonable doubt standard; an evaluation which requires significantly more probative evidence than any other standard of proof used in the law.
