PARTNERS AGAINST TRAFFICKING HUMANS

Who are we?

## WHO WE ARE

**PATH** is a Christian non-profit organization dedicated to serving survivors of sex trafficking and sexual abuse.

# ABOUT

Our goal is to help survivors of sexual trauma grow from crisis to recovery.

The PATH Team is devoted to eradicating sex trafficking and sexual abuse in Arkansas.

## CLIENT CARE

- PATH's focus is client care. Our program enables survivors to safely grow.
- PATH rescues survivors of sex-trafficking and abuse and offers them hope for the future, a sense of empowerment many have never experienced.

## LEVEL SYSTEM

PATH utilizes a level system to grow survivors to their highest level of function through methodical reintegration. This process includes providing anything the survivor needs to be safe. We provide secure housing, life skills, classes, therapy, and fun.

## COMMUNITY EDUCATION

PATH seeks to educate the populous about sex trafficking and sexual abuse. We emphasize how to identify and speak to victims and survivors, as well as how to prevent trafficking and protect oneself. We do this by hosting trainings and scheduling speaking engagements.

# VOLUNTEERS

PATH offers volunteers an opportunity to participate in vital efforts to help victims reclaim their lives. You can volunteer your time, resources, or skills. All are crucial to supporting our survivors.
