

Clayton Goddard

Major Clayton Goddard is a Nationally Registered paramedic and certified Arkansas law enforcement officer with more than 19 years of experience in pre-hospital care and 11 years in law enforcement. A native of Russellville, Arkansas he completed 5 ½ years of service in the United States Navy as a medic with Seal Team 2. Major Goddard holds a Bachelor of Science degree in Chemistry from Auburn University.

Major Goddard currently serves as the Special Operations Supervisor for Metropolitan Emergency Medical Services (MEMS) in Little Rock.

Major Goddard oversees the recruitment, training and response operations for the teams that comprise MEMS Special Operations. This includes the Special Tactics Advanced Response (STAR) Team and Special Operations Response Team (SORT).

In addition to his “normal” paramedic-supervisor duties, Major Goddard has spent the majority of the past 3 years leading a State – wide Tactical Emergency Casualty Care (TECC) initiative. This initiative develops TECC instructors throughout the state in order to achieve a goal of ensuring that all LEO’s in the state not only receive training , but have the tools necessary to minimize preventable traumatic deaths. To date, more than 2500 law enforcement officers (federal, state and local) have received the training.
