

Oversight Report Crimes Against Children Division

(April - June 2012)

Introduction

This report shows the performance of the Arkansas State Police's Crimes Against Children Division (CACD) in the second quarter of the year 2012.

The CACD is evaluated on six (6) performance indicators of compliance, which were developed during the Angela R. lawsuit in Federal Court in the 1990s. Also, the indicators are a part of the oversight of the contract with the Arkansas Department of Human Services – Division of Children and Family Services (DCFS).

- ✓ Indicator 01b - The alleged victim(s) in Priority I reports is seen by an investigator within 24 hours.
- ✓ Indicator 02b - The alleged victim(s) in Priority II reports is seen by an investigator within 72 hours.
- ✓ Indicator 03b - All children in the home are seen during the investigation.
- ✓ Indicator 04b - The victim is interviewed/observed outside the presence of the offender.
- ✓ Indicator 05b - Parents/Caretakers are interviewed in all investigations.
- ✓ Indicator 06b - Investigations are concluded within 30 days of receipt of the allegation.

This report presents the Crimes Against Children Division's compliance rate with each of the performance indicators, followed by the individual sections' activity. The self-monitored areas are included in the appropriate section if not previously presented in the performance indicator information.

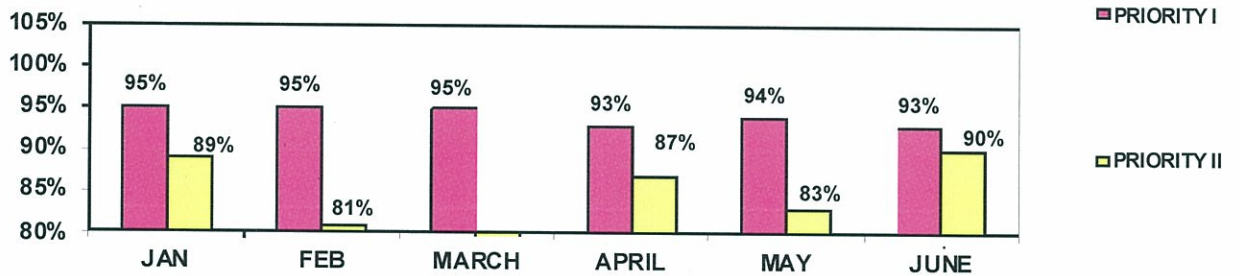

Compliance Rates

By contract with the Department of Human Services, the Crimes Against Children Division is required to meet a minimum of 85% compliance in each Performance Indicator. The compliance rates reported here are from the monthly Compliance Outcome Report (COR) published by the Division of Children and Family Services.

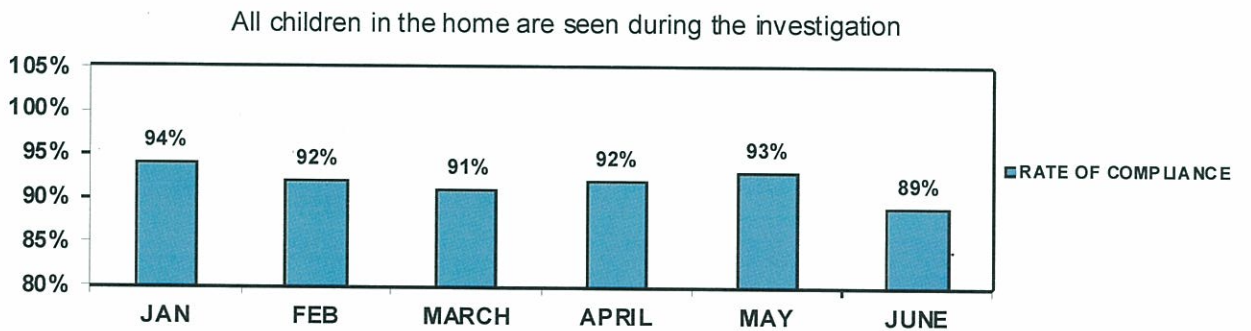

Performance Indicators 1b and 2b require that victim children are seen within 24 hours in a Priority I and 72 hours in a Priority II allegation, respectively.

The alleged victim(s) in **Priority I** reports is seen by an investigator within 24 hours

The alleged victim(s) in **Priority II** reports is seen by an investigator within 72 hours

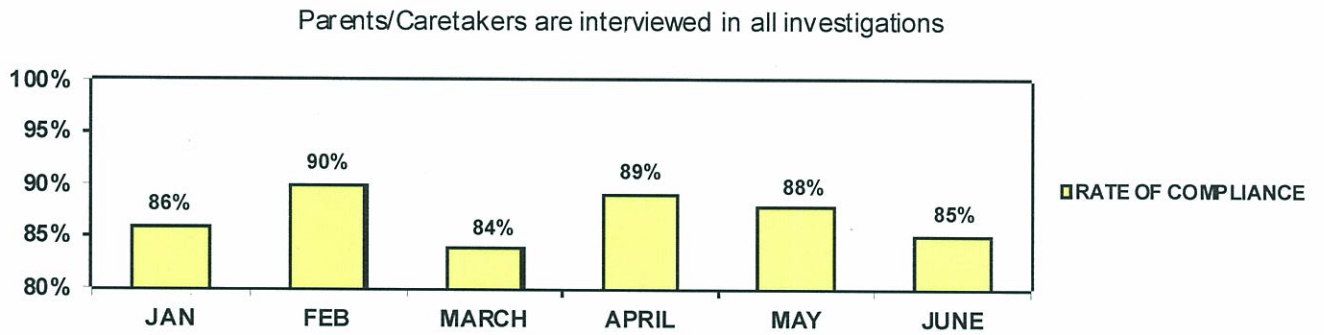

Performance indicator 3b – All children in the home are seen during the investigation.

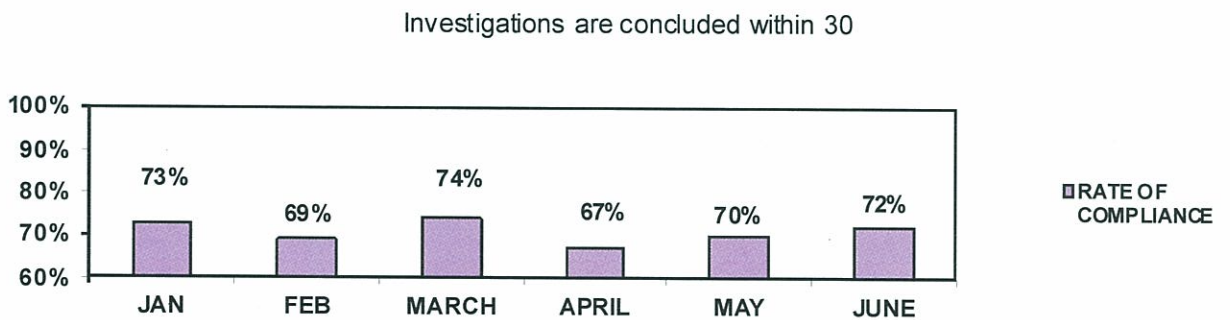

Performance indicator 4b – The child is interviewed (non-verbal children observed) outside the presence of the alleged offender.

Performance indicator 5b – Parents/Caretakers are interviewed in all cases.

Performance indicator 6b – Investigations completed within 30 days of receipt.

Investigation Section

As demonstrated in the chart, the 'true' rate averaged **44%** for the months of April, May and June.

<u>Month</u>	<u>Opened</u>	<u>Closed</u>	<u>True</u>	<u>Sub Rate</u>	<u>Total Active</u>	<u>Active >30</u>
April	514	470	208	44%	678	203
May	540	516	225	44%	695	208
June	462	491	210	43%	689	235

When a Priority I allegation is received, local law enforcement is notified. The local agency has the option of conducting the investigation independently or jointly with CACD, or declining involvement at that point. If local authorities decline to investigate and if the CACD investigator finds sufficient information to suspect that a serious crime has occurred, the investigator shall contact the State Police Criminal Investigation Division (CID) and request that a criminal investigation be conducted.

CACD investigators forward reports on 'true' investigations to the prosecuting attorney for review and possible criminal prosecution.
