

Consolidated Youth Services (Harrisburg & Colt Juvenile Treatment Centers)  
**SUMMARY OF EDUCATION PROGRAM/EDUCATION OUTCOMES**  
January 1, 2011 to present

Youth are admitted to the Harrisburg (HJTC) and Colt (CJTC) Juvenile Treatment Centers following commitment to DYS. Youth admitted are age 14-18 and have been served by the public school system for the previous 9-13 years. Most of these youth have also spent time in the Juvenile Detention Facilities where education services are provided by the public school.

Youth admitted to HJTC or CJTC typically spend 6-9 months at the facility and then return to the public school if they do not earn their GED. Seldom is a youth admitted who could graduate within the 6-9 months he is at the DYS placement. Most all 16 and 17 year olds arrive 2-3 academic years behind in high school credits.

Consolidated Youth Services (CYS) employs certified teachers for all core curriculum courses. The youth receive instruction in core curriculum classes in accordance with Arkansas frameworks and earn credits for courses they pass. All CYS teachers are certified in the areas they are teaching. Also, six (6) of the eight (8) teachers are also certified in Special Education. All teachers meet requirements for designation of "Highly Qualified". Youth age 16 and up also have the opportunity to take the GED test while in the program if this is part of their education goals.

### **SUMMARY OF YOUTH SERVED THIS YEAR**

#### **17 Year Olds (when admitted)**

There were 26 youth who completed the program since January 1, 2011 and were age 17 or older when they arrived. Five (5) of these youth had already passed the GED before they arrived. This left twenty-one 17 year olds who were still attending public school prior to admission. Only 1 of the youth had enough credits from public school attendance to be classified as a 12<sup>th</sup> grader and one youth was classified as 11<sup>th</sup> grader. All others had credits that would classify them as having completed 10<sup>th</sup> grade or LESS and would therefore be age 19-21 before they graduated high school. At discharge, 14 more of these youth had passed the GED and the remaining 7 youth returned to public school with improved achievement levels on the TABE and having earned core curriculum high school credits while in the program. (4 of these 7 youth were receiving Special Education Services). The average length of time in the CYS program for these seventeen year-olds was 7.2 months.

#### **16 Year Olds (When Admitted)**

There were 24 youth who completed the program since January 1, 2011 and were age 16 when they arrived. Two (2) of these youth had already passed the GED before they arrived. This left twenty-two 16 year olds who were still attending public school prior to admission. Only 2 of these 16 year olds had enough credits from public school attendance to be classified as a 11<sup>th</sup> grader. Four were classified as 10<sup>th</sup> graders and the remaining had credits that would classify them as having completed 9<sup>th</sup> grade or LESS. At time of discharge, 13 more of these youth had passed the GED and the remaining 9 youth returned to public school with improved achievement levels on the TABE and having earned core curriculum high school credits in the program. (6 of these 9 youth were receiving Special Education Services). The average length of time in the CYS program for these sixteen year-olds was 9.0 months.

| <b>Percentage</b>                |  | 80%   | 20%   |

We were paid \$3,360,920 per day to operate the 2 facilities- this is \$144 per day for 64 beds.

We receive reimbursement from school lunch program for portion of breakfast & lunch costs

We received \$605,509 earmarked for Education for 64 students for 178 days of regular school and 60 days of summer school which figures to be \$39.76 per student day

We actually spent \$816,583 for education cost or 20% of all monies received.

\*\*\*For 2011-12 we are receiving \$38,000 less from ADE due to fact that beginning last year we could no longer receive funds from ADE for youth who took GED
