## Marijuana Banking Update

### Depository Institutions (by type) Providing Banking Services to Marijuana Related Businesses<sup>1</sup> (SARs filed through 31 March 2019)

Short-term declines in the number of depository institutions actively providing banking services to marijuana related businesses (MRBs) may be explained by filers exceeding the 90 day follow-on Suspicious Activity Report (SAR) filing requirement. Several filers take 180 days or more to file a continuing activity report. After 90 days, a depository institution is no longer counted as providing banking services until a new guidance-related SAR is received.

## Number of Depository Institutions Actively Banking Marijuana Related Businesses in the United States (Reported in SARs)

As of 31 March 2019, FinCEN has received a total of 81,725 SARs using the key phrases associated with MRBs. Several of the SARs contain more than one key phrase, which accounts for the numbers for each key phrase being greater than the total.

- FinCEN received 61,036 SARs from filers using the key phrase “Marijuana Limited.”
- FinCEN received 6,067 SARs from filers using the key phrase “Marijuana Priority.”
- FinCEN received 19,368 SARs from filers using the key phrase “Marijuana Termination.”

<sup>1</sup> FinCEN’s 2014 guidance specifies three phrases for describing a financial institution’s relationship to MRBs in SARs:

- The **Marijuana Limited** filing means the financial institution’s due diligence indicates that the MRB does not raise any of the red flags as defined in the Cole Memo and is compliant with the appropriate state’s regulations regarding marijuana businesses. The financial institution is providing banking services to the MRB.
- The **Marijuana Priority** filing means the financial institution’s due diligence indicates that the MRB may raise one or more of the red flags as defined in the Cole Memo or may not be fully compliant with the appropriate state’s regulations regarding MRBs. The financial institution is providing banking services to the MRB while further investigation is being conducted.
- The **Marijuana Termination** filing means the financial institution’s due diligence indicates that the MRB raises one or more of the red flags as defined in the Cole Memo, or is not fully compliant with the appropriate state’s regulations regarding MRBs, or has decided not to have marijuana related customers for business reasons, and the financial institution has decided to terminate its relationship with the MRB.

Note: The SAR reporting structure laid out in the 2014 guidance remains in place. FinCEN will continue to work closely with law enforcement and the financial sector to combat illicit finance, and we will notify the financial sector of any changes to FinCEN’s SAR reporting expectations.
