27 SECTION 1. DO NOT CODIFY. Legislative findings.

28 The General Assembly finds that:

29 (1) There is a lack of qualified and affordable child care
30 facilities in rural areas in Arkansas;

31 (2) Encouraging child care entrepreneurship will help increase
32 the number of qualified and affordable child care facilities in Arkansas;

33 (3) Current information on child care facility licensure and
34 registration requirements is difficult to obtain and comprehend;

35 (4) Some potential entrepreneurs may consider the prospect of
36 opening a child care facility burdensome, overwhelming, and cost-prohibitive;

1 (5) Arkansas provides two (2) forms of employer-provided child
 2 care under §§ 26-51-507 and 26-51-508;

3 (6) Improving access to simplified information on child care
 4 facility licensure and registration requirements will assist entrepreneurs in
 5 opening child care facilities;

6 (7) Improving the dissemination of information on financial
 7 incentives that are available, such as the employer-provided child care
 8 credits offered under §§ 26-51-507 and 26-51-508, may encourage entrepreneurs
 9 to open child care facilities; and

10 (8) This act may help alleviate the lack of qualified and
 11 affordable child care facilities in rural areas in Arkansas.
