**Amendment No. 1 to HOUSE BILL NO. 2375**

Delete Sections 1 and 2 and substitute the following:

"SECTION 1. Arkansas Code 6-17-807 is amended to read as follows:  
6-17-807. Additional days.

(a) If additional days are added to a teacher's contract or if the a teacher is required to work more days than provided for under the teacher's contract, then the teacher's pay under the contract shall be increased proportionately so that the teacher will receive pay for each day added to the contract or each additional day the teacher is required to work at no less than the daily rate paid to the teacher under the teacher's contract.

(b) Each school district in this state shall establish a normal base contract period for teachers.

(c) The normal base contract period for each district shall be the number of days the majority of teachers employed by the district in the 2000-2001 school year are required to work as specified on the 2000-2001 contracts as of March 1, 2001.

(d) If the normal base contract period in any district is increased, the teacher's pay under the contract shall be increased proportionately so that the teacher will receive pay for each day added to the contract at no less than the daily rate paid to the teacher under the teacher's current existing contract.

(e) This section shall not apply to separate contracts for employment with a teacher to teach summer school or to perform services that do not require the teacher to hold a teaching certificate to perform those services.

(f) In the event the school district desires to employ a teacher part-time to perform services for the school district in the teacher's field of certification after

expiration of the normal base contract, as part of the teacher's normal teaching contract, the school district may contract for such part-time work as long as the teacher is agreeable and is paid on a pro-rata basis for that work.

(g) A district which contracts with a teacher to teach summer school or to perform services that do not require the teacher to hold a teaching certificate to perform those services, shall enter into a separate contract with the teacher for those services and shall not condition initial employment of the teacher or renewal of the teacher's regular teaching contract on entering into such a separate contract.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly that under present law a question has arisen as to whether schools are able to contract with certified personnel for summer work at a rate of pay of less than the normal contract wage; that such restriction is inequitable; that this act will allow school districts to contract summer work at a negotiated rate; and that this act should go into effect as soon as possible in order for it to be effective during the coming summer. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective on the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill. If the bill is vetoed by the Governor and the veto is overridden, it shall become effective on the date the last house overrides the veto."

~~1. Executive officers.~~

~~The executive department of this State shall consist of a Governor, Lieutenant Governor, Secretary of State, Treasurer of State, Auditor of State and Attorney General, all of whom shall keep their offices in person at the seat of government and hold their offices for the term of two years and until their successors are elected and qualified, and the General Assembly may provide by law for the establishment of the office of Commissioner of State Lands. [As amended by Const. Amend. 6, § 1.]~~

~~2. Governor - Supreme executive power.~~

~~The supreme executive power of this State shall be vested in a chief magistrate, who shall be styled "the Governor of the State of Arkansas."~~

~~3. Election of executive officers.~~

~~The Governor, Secretary of State, Treasurer of State, Auditor of State and Attorney General shall be elected by the qualified electors of the State at large at the~~

time and places of voting for members of the General Assembly; the returns of each election therefor shall be sealed up separately and transmitted to the seat of government by the returning officers, and directed to the Speaker of the House of Representatives, who shall, during the first week of the session, open and publish the votes cast and given for each of the respective officers hereinbefore mentioned, in the presence of both houses of the General Assembly. The persons having the highest number of votes for each of the respective offices shall be declared duly elected thereto; but if two or more shall be equal, and highest in votes for the same office, one of them shall be chosen by the joint vote of both houses of the General Assembly, and a majority of all the members elected shall be necessary to a choice.

5. Qualifications of Governor.

No person shall be eligible to the office of Governor except a citizen of the United States who shall have attained the age of thirty years, and shall have been seven years a resident of this State.

6. Governor, commander-in-chief of armed services.

In case of the death, conviction or impeachment, failure to qualify, resignation, absence from the State or other disability of the Governor, the powers, duties and emoluments of the office for the remainder of the term, or until the disability be removed, or a Governor elected and qualified, shall devolve upon and accrue to the President of the Senate.

13. Speaker of House succeeding to office of Governor.

If, during the vacancy of the office of Governor, the President of the Senate shall be impeached, removed from office, refuse to qualify, resign, die or be absent from the State, the Speaker of the House of Representatives shall, in like manner, administer the government.

15. Approval of bills - Vetoes.

Every bill which shall have passed both houses of the General Assembly shall be presented to the Governor; if he approves it, he shall sign it; but if he shall not approve it, he shall return it, with his objections, to the house in which it originated, which house shall enter the objections at large upon their journal and proceed to reconsider it. If, after such reconsideration, a majority of the whole number elected to that house shall agree to pass the bill, it shall be sent with the objections to the other house, by which likewise it shall be reconsidered; and, if approved by a majority of the whole number elected to that house, it shall be a law; but in such cases the vote of both houses shall be determined by "yeas and nays," and the names of the members voting for or against the bill shall be entered on the journals. If any bill shall not be returned by the Governor within five days, Sunday excepted, after it shall have been presented to him, the same shall be a law in like manner as if he had signed it, unless the General Assembly, by their adjournment, prevent its return, in which case it shall become a law, unless he shall file the same, with his objections, in the office of the Secretary of State and give notice thereof by public proclamation within twenty days after such adjournment.

17. Vetoes of items of appropriation bills.

The Governor shall have power to disapprove any item or items of any bill making appropriation of money, embracing distinct items; and the part or parts of the bill approved shall be the law, and the item or items of appropriations disapproved shall be void, unless repassed according to the rules and limitations prescribed for the passage of other bills over the executive veto.

18. Pardoning power.

In all criminal and penal cases, except in those of treason and impeachment, the Governor shall have power to grant reprieves, commutations of sentence and pardons after conviction; and to remit fines and forfeitures under such rules and regulations as shall be prescribed by law. In cases of treason he shall have power, by and with the advice and consent of the Senate, to grant reprieves and pardons; and he may, in the recess of the Senate, respite the sentence until the adjournment of the next regular session of the General Assembly. ~~19. Extraordinary sessions of General Assembly - Calling - Purposes.~~

He shall also discharge the duties of Superintendent of Public Instruction until otherwise provided by law.~~

~~23. Filling vacancies in other offices.~~

~~When any office from any cause may become vacant, and no mode is provided by the Constitution and laws for filling such vacancy, the Governor shall have the power to fill the same by granting a commission, which shall expire when the person elected to fill said office, at the next general election, shall be duly qualified.~~

SECTION 9. Section 1(a) of Amendment 70 to the Constitution of Arkansas is repealed.

(a) ~~No official of the Executive Department shall be reimbursed by the State of Arkansas for any expenses except those reasonably connected to their official duties and only if such reimbursement is made for documented expenses actually incurred and from the regular budget appropriated for the official's office. Such restrictions on expense reimbursement are of a general application and also are intended specifically to prohibit the appropriation and use of public relations funds. The annual salaries of the Executive Department, which shall be paid in monthly installments, shall be as follows: the Governor, the sum of \$60,000; the Lieutenant Governor, the sum of \$29,000; the Secretary of State, the sum of \$37,500; the Treasurer of State, the sum of \$37,000; the Attorney General, the sum of \$50,000; the Commissioner of State Lands, the sum of \$37,500; and the Auditor of State, the sum of \$37,500. appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 2001 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2001."

The incumbent local exchange

carrier may use May 2000 through April 2001 data to determine its terminating access receipts from the other incumbent local exchange carrier on its Arkansas Universal Service Fund request to allow more accurate data. Such a substitution shall not affect the Arkansas Universal Service Fund payment of any other incumbent local exchange carrier.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly that calling plans are needed in order to enhance or improve calling between communities of interest and to assist citizens to call their county seats; that this act authorizes the development of special terminating access agreements to encourage calling plans; that clarification of Arkansas Universal Service Fund matters in timely fashion will enhance the likelihood of the development of special terminating access agreements; and that in order to assist customers of the eligible telecommunications carriers, this act should become effective immediately. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective on the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill. If the bill is vetoed by the Governor and the veto is overridden, it shall become effective on the date the last house overrides the veto."

HOUSE JOINT RESOLUTION PROPOSING A CONSTITUTIONAL AMENDMENT TO ENSURE THE SECRECY OF INDIVIDUAL VOTES IN THE STATE OF ARKANSAS BY REPEALING THE PROVISIONS OF AMENDMENT 50, §3; AND FOR OTHER PURPOSES.

**Subtitle**

PROPOSING A CONSTITUTIONAL AMENDMENT TO ENSURE THE SECRECY OF INDIVIDUAL VOTES IN THE STATE OF ARKANSAS BY REPEALING THE PROVISIONS OF AMENDMENT 50, §3.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE EIGHTY-THIRD GENERAL ASSEMBLY OF THE STATE OF ARKANSAS AND BY THE SENATE, A MAJORITY OF ALL MEMBERS ELECTED TO EACH HOUSE AGREEING THERETO:

That the following is hereby proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the state for approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon at such election, adopt such amendment, the same shall become a part of the Constitution of the State of Arkansas, to wit:

SECTION 1. (a) Intent: The people of Arkansas find and declare that Section 3 of Amendment 50 of the Arkansas Constitution needs to be repealed in order to ensure the secrecy of individual votes by the people of this state. The Arkansas Supreme Court, citing this section, subordinated the secrecy of the ballot to the purity of an election by placing a greater importance on the ability to trace ballots. The people of this state believe that the ability to vote in absolute secrecy is of the utmost importance. Therefore, the people of Arkansas, exercising their reserved powers, guarantee the right to a secret ballot.

(b) Section 3 of Amendment 50 of the Arkansas Constitution is hereby repealed.

~~§ 3. Numbering and recording of ballots—Disclosure of vote prohibited—Exception.~~

~~In elections by ballot every ballot shall be numbered in the order in which it is received, the number shall be recorded by the election officers on the list of voters opposite the name of the elector who presents the ballot, and the election officers shall be sworn or affirmed not to disclose how any elector voted unless required to do so as witnesses in a judicial proceeding or a proceeding to contest an election.~~

ARKANSAS BY REPEALING THE  
PROVISIONS OF AMENDMENT 50, §3;  
AND FOR OTHER PURPOSES.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE EIGHTY-THIRD GENERAL ASSEMBLY OF THE STATE OF ARKANSAS AND BY THE SENATE, A MAJORITY OF ALL MEMBERS ELECTED TO EACH HOUSE AGREEING THERETO:

That the following is hereby proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the state for approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon at such election, adopt such amendment, the same shall become a part of the Constitution of the State of Arkansas, to wit:

SECTION 1. (a) Intent: The people of Arkansas find and declare that Section 3 of Amendment 50 of the Arkansas Constitution needs to be repealed in order to ensure the secrecy of individual votes by the people of this state. Therefore, the people of Arkansas, exercising their reserved powers, guarantee the right to a secret ballot.

(b) Section 3 of Amendment 50 of the Arkansas Constitution is hereby repealed.

~~§ 3. Numbering and recording of ballots - Disclosure of vote prohibited - Exception.~~

~~In elections by ballot every ballot shall be numbered in the order in which it is received, the number shall be recorded by the election officers on the list of voters opposite the name of the elector who presents the ballot, and the election officers shall be sworn or affirmed not to disclose how any elector voted unless required to do so as witnesses in a judicial proceeding or a proceeding to contest an election. /s/ Hutchinson, et al.~~
