(B)(i) An employee qualifying for continuation of coverage under this subsection shall be considered an "inactive retiree" and shall have thirty-one (31) days from the effective date of termination to elect to continue health insurance coverage hereunder by notifying the executive director. The election shall be made upon forms prescribed by the board. The agency or school district from which the employee was terminated must certify the applicant's qualifications to the Employee Benefits Division of the Department of Finance and Administration. Except as provided in the next sentence, an inactive retiree's failure to make an election during the thirty-one (31) day election period or an inactive retiree's election to decline participation in the health program is final. If an inactive retiree declining coverage, specifies in writing that the reason for the declination is because the inactive retiree has coverage through another insurance program or group health plan, and the inactive retiree's coverage is subsequently terminated because of a loss of eligibility, then the inactive retiree and any dependents shall qualify for coverage in a board-sponsored health benefit program upon payment of the appropriate premium as established by the board, provided the inactive retiree applies for coverage within thirty-one (31) days of the loss of eligibility

(ii) Inactive retirees shall be charged a premium determined by the board to be actuarially sound, along with administrative fees deemed appropriate.

(iii) Inactive retirees shall not be eligible to return to the board-sponsored health program if for any reason the inactive retiree ceases coverage at any time after election under this subsection.

(iv) Inactive retirees shall be reclassified as "active retirees" upon electing to receive a retirement benefit by a retirement system listed within this section, and shall be charged the premium rate appropriate for their rating

category as active retirees.

(3)(A) As used in subsection (a) of this section, "loss of eligibility" means a loss of coverage as result of a legal separation, divorce, death, termination of employment, or a reduction in the number of hours of employment.

(B) "Loss of eligibility" shall not include a loss of coverage from a failure to pay premiums, failure to pay premiums on a timely basis, or a termination of coverage for cause, such as making a fraudulent claim.

(b)(1) Persons who draw retirement benefits under the Arkansas Public Employees' Retirement System, the Arkansas Teacher Retirement System, or the Arkansas State Highway Employees' Retirement System, and retired contract employees of the Arkansas National Guard who wish to participate in the group insurance program provided for in this subchapter shall pay the retiree amount of the premium or cost of the policy issued to such retired participant.

(2) The retiree portion of the premium or cost shall be deducted from the retirement benefit check of the retired participants.

(c) Eligible employees of institutions of higher education who are retired with at least ten (10) years of creditable service after July 1, 1983, shall be allowed to participate in the group insurance program provided for in this subchapter but shall pay the full amount of the premium or cost of the policy issued to the retired participant. All eligible participants must make an option selection of coverage within thirty-one (31) days subsequent to the date of their notification of termination or retirement.

(d) Members of the Arkansas Public Employees' Retirement System and the Arkansas State Highway Employees' Retirement System who retire before January 2, 1988, under the provisions of the Incentives for Early Retirement Act, §§ 24-3-216, 24-4-732, 24-5-122, and 24-6-102, shall not have to pay the full amount of the premium and shall pay a portion of the cost of the policy as set forth by the Incentives for Early Retirement Act.

(e) Any future change in coverage other than cancellation shall be extended only to newly acquired dependents, except that if an active or inactive retiree declined dependent coverage at the time of election to be an active or inactive retiree ~~because such~~ and specified in writing that the reason for the declination is that the dependent had other coverage, and if subsequently such dependent involuntarily loses such coverage, except for fraud or voluntary cessation of premium payment while the active or inactive retiree is covered by the plan, then such

dependent may be added within thirty-one (31) days of such involuntary termination to the active or inactive retiree's health insurance coverage for payment of the appropriate premium as established by the board."

“SECTION 1. Arkansas Code 24-4-601, as amended by Act 151 of 2001, is amended to read as follows:

24-4-601. Straight life annuity generally.

(a)(1) Beginning ~~July 1, 1999~~ July 1, 2001, any member who retires, as provided in § 24-4-508, or § 24-4-510 - 24-4-512, shall receive a straight life annuity

for each year of contributory service credit equal to two and seven hundredths percent (2.07%) of his final average compensation multiplied by the number of years and fraction of a year of credited service rendered on or after July 1, 2001 with the Arkansas Public Employees' Retirement System.

(2) Beginning July 1, 2001, any member who retires, as provided in §§ 24-4-508, 24-4-510 – 24-4-512, shall receive a straight life annuity for each year of contributory service credit equal to two and eleven hundredths percent (2.11%) of his average compensation multiplied by the number of years and fraction of a year of credited service rendered before July 1, 2001 with the Arkansas Public Employees' Retirement System.

(b)(1) For each year of noncontributory service in the Arkansas Public Employees' Retirement System rendered prior to July 1, 2001 resulting from employment in a position covered at any time by social security or another federal retirement plan supported wholly or in part by employer contributions, ~~one and seventy-two hundredths percent (1.72%)~~ one and seventy-five hundredths percent (1.75%) of his final average compensation plus, for each year of noncontributory credited service in the Arkansas Public Employees' Retirement System rendered prior to July 1, 2001 resulting from employment in a position never so covered, ~~two and seven hundredths percent (2.07%)~~ two and eleven hundredths percent (2.11%) of his final average compensation;

(2) For each year of credited service in the Arkansas Public Employees' Retirement System rendered after June 30, 2001 resulting from employment in a position covered at any time by social security or another federal retirement plan supported or in part by employer contributions, one and seventy-two hundredths percent (1.72%) of his final average compensation plus, for each year of credited service in the Arkansas Public Employees' Retirement System rendered after June 30, 2001 resulting from employment in a position never so covered, two and seven hundredths percent (2.07%) of his final average compensation.

(c)(1) For a member of the General Assembly first elected before July 1, 1999, a monthly annuity equal to thirty-five dollars (\$35.00) times the number of years of actual service as a member of the General Assembly; and

(2) For a member of the General Assembly first elected before July 1, 1999 who served as Speaker of the House of Representatives or President Pro Tempore of the Senate, a monthly annuity equal to forty dollars (\$40.00) times the total number of years of actual service as a member of the General Assembly.

(d)(1) In addition, if a member has credited service resulting from employment in a position covered at any time by social security or another federal retirement plan supported wholly or in part by employer contributions, and if that

member is retiring as provided in subsections (b) of this section or § 24-4-510, and if that member's age at retirement is younger than:

(A) Social security's minimum age for an immediate retirement benefit; and

(B) Age sixty-two (62), then that member of the Arkansas Public Employees' Retirement System shall receive a temporary annuity equal to thirty-three hundredths percent (0.33%) of his final average compensation for each year of such noncontributory credited service.

(2) The temporary annuity shall terminate at the end of the calendar month in which the earliest of the following events occurs:

(A) The member's death;

Accordingly, at the time of retirement, the total of the system's noncontributory annuities resulting from employment in a position also covered by social security shall not exceed his final average compensation.

(4) If no temporary annuity is payable as provided in this subsection or after the temporary annuity has terminated, and if the member has at retirement any credited service for any period of time prior to July 1, 1991, then the future payments of the annuity for life shall not be less than they would have been under the provisions that were in effect on July 1, 1990 for this subsection, plus a corresponding increase for any benefit enhancements that have been enacted since July 1, 1991."

"SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly that the State and Public School Life and Health Insurance Plan does not provide retirees on other health insurance plans with the option to return to coverage under the state's plan after retirement; that providing this option to state employees and state retirees will provide extra motivation and work incentives for Arkansas public employees; that providing this option will not cost the State and Public School Life and Health Insurance Plan since there are no associated employer costs with this coverage; and that providing this option is immediately needed for retirees who may suffer financially if insurance coverage is not extended. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective on the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill. If the bill is vetoed by the Governor and the veto is overridden, it shall become effective on the date the last house overrides the veto."

(d) The expressing of any views, argument or opinion, or the dissemination thereof, whether in written, printed, graphic, or visual form, shall not constitute or be

evidence of any unfair labor practice under any of the provisions of this act, if such expression contains no threat of reprisal or force or promise of benefit.

SECTION 11. Prohibited Practice Violations.

(a) Proceedings against a party alleging a violation of Section 10, shall be commenced by filing a complaint with the board within six (6) months of the alleged violation and causing a copy of the complaint to be served upon the accused party in the manner of an original notice as provided in this act. The accused party shall have ten (10) days within which to file a written answer to the complaint. However, the board may conduct a preliminary investigation of the alleged violation, and if the board determines that the complaint has no basis in fact, the board may dismiss the complaint. The board shall promptly thereafter set a time and place for hearing in the county where the alleged violation occurred. The parties shall be permitted to be represented by counsel, summon witnesses, and request the board to subpoena witnesses on the requester's behalf. Compliance with the technical rules of pleading and evidence shall not be required.

(b) The board may designate an administrative law judge to conduct the hearing. The administrative law judge has the power as may be exercised by the board for conducting the hearing and shall follow the procedures adopted by the board for conducting the hearing. The decision of the administrative law judge may be appealed to the board and the board may hear the case de novo or upon the record as submitted before the administrative law judge.

(c) The board shall appoint a certified court reporter to report the proceedings and the board shall fix the reasonable amount of compensation for such service, which amount shall be taxed as other costs.

(d) The board shall file its findings of fact and conclusions of law within sixty (60) days after the close of any hearing, receipt of the transcript, or submission of any briefs. If the board finds that the party accused has committed a prohibited practice, the board may, within thirty (30) days of its decision, enter into a consent order with the party to discontinue the practice, or after thirty (30) days following the decision may petition a court of competent jurisdiction for injunctive relief.

(e) The board's review of proposed decisions and the rehearing or judicial review of final decisions is governed by the provisions of the Arkansas Administrative Procedure Act, beginning at Arkansas Code 25-15-201.

SECTION 12. Strikes prohibited.

(a) It shall be unlawful for any public employee or any employee organization, directly or indirectly, to induce, instigate, encourage, authorize, ratify or

participate in a strike against any public employer.

(b) It shall be unlawful for any public employer to authorize, consent to, or condone a strike against any public employer or to pay or agree to pay any increase in compensation or benefits to any public employee in response to or as a result of any strike or any act which violates subsection (a). It shall be unlawful for any official, director, or representative of any public employer to authorize, ratify or participate in any violation of this subsection. Nothing in this subsection shall prevent new or renewed bargaining and agreement within the scope of negotiations as defined by this act, at any time after such violation of subsection (a) has ceased, but it shall be unlawful for any public employer or employee organization to bargain at any time regarding suspension or modification of any penalty provided in this section or regarding any request by the public employer to a court for such suspension or modification.

(c) In the event of any violation or imminently threatened violation of subsection (a) or (b), any citizen domiciled within the jurisdictional boundaries of the public employer may petition a court of competent jurisdiction in the county in which the violation occurs or in Pulaski County for an injunction restraining such violation or imminently threatened violation. The Rules of Civil Procedure regarding injunctions shall apply. However, the court shall grant a temporary injunction if it appears to the court that a violation has occurred or is imminently threatened; the plaintiff need not show that the violation or threatened violation would greatly or irreparably injure the plaintiff; and no bond shall be required of the plaintiff unless the court determines that a bond is necessary and in the public interest. Failure to comply with any temporary or permanent injunction granted pursuant to this section shall constitute a contempt. The punishment shall not exceed five hundred dollars (\$500) for an individual, or ten thousand dollars (\$10,000) for an employee organization or public employer, for each day during which the failure to comply continues, or imprisonment in a county jail not exceeding six (6) months, or both such fine and imprisonment. An individual or an employee organization which makes an active good faith effort to comply fully with the injunction shall not be deemed to be in contempt.

(d) If a public employee is held to be in contempt of court for failure to comply with an injunction pursuant to this section, or is convicted of violating this section, the employee shall be ineligible for any employment by the same public employer for a period of twelve (12) months. The employee's public employer shall immediately discharge the employee, but upon the employee's request the court shall stay the discharge to permit further judicial proceedings.

(e) If an employee organization or any of its officers is held to be in contempt

of court for failure to comply with an injunction pursuant to this section, or is convicted of violating this section, the employee organization shall be immediately decertified, shall cease to represent the bargaining unit, shall cease to receive any dues by checkoff, and may again be certified only after twelve (12) months have elapsed after the effective date of decertification and only after a new compliance with Section 14. The penalties provided in this section may be suspended or modified by the court, but only upon request of the public employer and only if the court determines the suspension or modification is in the public interest.

(f) Each of the remedies and penalties provided by this section is separate and several, and is in addition to any other legal or equitable remedy or penalty.

#### SECTION 13. Bargaining Unit Determination.

(a) The negotiating unit shall be defined with due regard for the community of interest among the employees concerned, but the board shall not intervene in matters of recognition and unit definition except in the event of a dispute. Board determination of an appropriate bargaining unit shall be upon petition filed by a public employer, public employee, or employee organization.

(b) Within thirty (30) days after receipt of a petition or notice to all interested parties if on its own initiative, the board shall conduct a public hearing, receive written or oral testimony, and promptly thereafter file an order defining the appropriate bargaining unit. In defining the unit, the board shall take into consideration, along with other relevant factors, the principles of efficient administration of government, the existence of a community of interest among public employees, the history and extent of public employee organization, geographical location, and the recommendations of the parties involved.

(c) Appeals from such order shall be governed by appeal provisions provided in Section 11.

(d) Professional and nonprofessional employees shall not be included in the same bargaining unit unless a majority of both agree.

#### SECTION 14. Bargaining Representative Determination.

(a) Board certification of an employee organization as the exclusive bargaining representative of a bargaining unit shall be upon a petition filed with the board by a public employer, public employee, or an employee organization and an election conducted pursuant to Section 15.

(b) The petition of an employee organization shall allege that the employee organization has submitted a request to a public employer to bargain collectively with a designated group of public employees and the petition shall be accompanied

by written evidence that thirty percent (30%) of such public employees are members of the employee organization or have authorized it to represent them for the purposes of collective bargaining.

(c) The petition of a public employee shall allege that an employee organization which has been certified as the bargaining representative does not represent a majority of such public employees and that the petitioners do not want to be represented by an employee organization or seek certification of an employee organization. The petition shall be accompanied by written evidence that thirty percent (30%) of such public employees of the bargaining unit do not want to be represented by an employee organization.

(d) The petition of a public employer shall allege that it has received a request to bargain from an employee organization which has not been certified as the bargaining representative of the public employees in an appropriate bargaining unit.

(e) The board shall investigate the allegations of any petition and shall give reasonable notice of the receipt of such a petition to all public employees, employee organizations and public employers named or described in such petitions or interested in the representation questioned. The board shall thereafter call an election under Section 15 unless:

(1) It finds that less than thirty percent (30%) of the public employees in the unit appropriate for collective bargaining, support the petition for decertification or for certification; and

(2) The appropriate bargaining unit has not been determined pursuant to Section 13.

(f) The hearing and appeal procedures shall be the same as provided in Section 11.

(g) Nothing in this section prevents a public employer from recognizing a labor organization which represents at least a majority of employees as the exclusive representative of the employees of a public employer when the board has not designated the appropriate bargaining unit or when the board has not certified an exclusive representative.

#### SECTION 15. Elections.

(a) Upon the filing of a petition for certification of an employee organization, the board shall submit a question to the public employees at an election in an appropriate bargaining unit. The question on the ballot shall permit the public employees to vote for no bargaining representation or for any employee organization which has petitioned for certification or which has presented proof satisfactory to the

board of support of ten percent (10%) percent or more of the public employees in the appropriate unit.

(b) If a majority of the votes cast on the question is for no bargaining representation, the public employees shall not be represented by an employee organization. If a majority of the votes cast on the question is for a listed employee organization, then the employee organization shall represent the public employees in an appropriate bargaining unit.

(c) If none of the choices on the ballot receive the vote of a majority of the public employees voting, the board shall conduct a runoff election among the two choices receiving the greatest number of votes.

(d) Upon written objections filed by any party to the election within ten (10) days after notice of the results of the election, if the board finds that misconduct or other circumstances prevented the public employees eligible to vote from freely expressing their preferences, the board may invalidate the election and hold a second election for the public employees.

(e) Upon completion of a valid election in which the majority choice of the employees voting is determined, the board shall certify the results of the election and shall give reasonable notice of the order to all employee organizations listed on the ballot, the public employers, and the public employees in the appropriate bargaining unit.

(f) A petition for certification as an exclusive bargaining representative shall not be considered by the board for a period of one (1) year after the date of the certification or non-certification of an exclusive bargaining representative or during the duration of a collective bargaining agreement. A collective bargaining agreement with the state, its boards, commissions, departments, and agencies shall be for two (2) years, and the provisions of a collective bargaining agreement except agreements agreed to or tentatively agreed to prior to the effective date of this act or arbitrators' award affecting state employees, shall not provide for renegotiations which would require the refinancing of salary and fringe benefits for the second year of the term of the agreement, except as provided in Section 17, subsection (f), and the effective date of any such agreement shall be July 1, provided that if an exclusive bargaining representative is certified on a date which will prevent the negotiation of a collective bargaining agreement prior to July 1 for a period of two (2) years, the certified collective bargaining representative may negotiate a one-year contract with a public employer which shall be effective from July 1. However, if a petition for decertification is filed during the duration of a collective bargaining agreement, the board shall award an election under this section not more than one hundred eighty (180) days nor less than one hundred fifty (150) days prior to the

expiration of the collective bargaining agreement. If an employee organization is decertified, the board may receive petitions under Section 14, provided that no such petition and no election conducted pursuant to such petition within one (1) year from decertification shall include as a party the decertified employee organization.

SECTION 16. Duty to bargain. Upon the receipt by a public employer of a request from an employee organization to bargain on behalf of public employees, the duty to engage in collective bargaining shall arise if the employee organization has been certified by the board as the exclusive bargaining representative for the public employees in that bargaining unit.

SECTION 17. Procedures.

(a) The employee organization certified as the bargaining representative shall be the exclusive representative of all public employees in the bargaining unit and shall represent all public employees fairly. The employee organization may petition the board for permission to assess a reasonable fee for services rendered in representing a non-member in a negotiated grievance or arbitration procedure. However, any public employee may meet and adjust individual complaints with a public employer as long as such adjustment is not inconsistent with the collective bargaining agreement and the employee organization has notice of such adjustment. To sustain a claim that a certified employee organization has committed a prohibited practice by breaching its duty of fair representation, a public employee must establish by a preponderance of the evidence, action or inaction by the organization which was arbitrary, discriminatory, or in bad faith.

(b) The employee organization and the public employer may designate any individual as its representative to engage in collective bargaining negotiations.

(c) Negotiating sessions, strategy meetings of public employers or employee organizations, mediation and the deliberative process of arbitrators shall be exempt from the provisions of the Freedom of Information Act, beginning at Arkansas Code 25-19-101. However, the employee organization shall present its initial bargaining position to the public employer at the first bargaining session. The public employer shall present its initial bargaining position to the employee organization at the second bargaining session, which shall be held no later than two (2) weeks following the first bargaining session. Both sessions shall be open to the public and subject to the provisions of the Freedom of Information Act, beginning at Arkansas Code 25-19-101. Hearings conducted by arbitrators shall be open to the public.

(d) The terms of a proposed collective bargaining agreement shall be made available to the public by the public employer and reasonable notice shall be given

to the public employees by the employee organization prior to a ratification election. The collective bargaining agreement shall become effective only if ratified by a majority of those members of the employee organization voting by secret ballot.

(e) Terms of any collective bargaining agreement may be enforced by a court of competent jurisdiction in which the agreement was made upon the initiative of either party.

(f) No collective bargaining agreement or arbitrator's decision shall be valid or enforceable if its implementation would be inconsistent with any statutory limitation on the public employer's funds, or budget, or would substantially impair or limit the performance of any statutory duty by the public employer. A collective bargaining agreement or arbitrator's award may provide for benefits conditional upon specified funds to be obtained by the public employer, but the agreement shall provide either for automatic reduction of such conditional benefits or for additional bargaining if the funds are not obtained or if a lesser amount is obtained.

(g) If agreed to by the parties nothing in this act shall be construed to prohibit supplementary bargaining on behalf of public employees in a part of the bargaining unit concerning matters uniquely affecting those public employees or cooperation and coordination of bargaining between two (2) or more bargaining units.

(h) Nothing in this act shall limit the power of the General Assembly to fix the number and salaries of the employees of the different departments of the State of Arkansas. The salaries of all public employees of the state under a classification system and all other fringe benefits which are granted to all public employees of the state shall be negotiated with the Governor or the Governor's designee on a statewide basis with those employee organizations certified as representing state employees and submitted to the General Assembly as a recommendation from the executive branch of government. All other terms and conditions of employment subject to negotiations for state employees shall be negotiated as per the requirements of Section 9.

(i) A public employee or any employee organization shall not negotiate or attempt to negotiate directly with a member of the governing board of a public employer if the public employer has appointed or authorized a bargaining representative for the purpose of bargaining with the public employees or their representative, unless the member of the governing board is the designated bargaining representative of the public employer.

(j) The negotiation of a proposed collective bargaining agreement by representatives of a state public employer and a state employee organization shall be complete not later than fourteen (14) days after the General Assembly has adjourned. The board shall provide, by rule, a date on which any impasse item must

be submitted to binding arbitration and for such other procedures as deemed necessary to provide for the completion of negotiations of proposed state collective bargaining agreements.

(k)(1) In the absence of an impasse agreement negotiated pursuant to Section 19 which provides for a different completion date, public employees represented by a certified employee organization who are teachers or non-certified employees and who are employed by a public employer which is a school district or education service cooperative, shall complete the negotiation of a proposed collective bargaining agreement not later than May 31 of the year when the agreement is to become effective. The board shall provide, by rule, a date on which impasse items in such cases must be submitted to binding arbitration and for such other procedures as deemed necessary to provide for the completion of negotiations of proposed collective bargaining agreements not later than May 31. The date selected for the mandatory submission of impasse items to binding arbitration in such cases shall be sufficiently in advance of May 31 to ensure that the arbitrator's decision can be reasonably made before May 31.

(2) If the public employer is a state-supported institution of higher education, the following shall apply:

(A) The negotiation of a proposed collective bargaining agreement shall be complete not later than May 31 of the year when the agreement is to become effective, absent the existence of an impasse agreement negotiated pursuant to Section 19 which provides for a different completion date. The board shall adopt rules providing for a date on which impasse items in such cases must be submitted to binding arbitration, and for procedures for the completion of negotiations of proposed collective bargaining agreements not later than May 31. The date selected for the mandatory submission of impasse items to binding arbitration in such cases shall be sufficiently in advance of May 31 to ensure that the arbitrator's decision can be reasonably made by May 31.

(B) Notwithstanding subdivision (k)(2)(A), the May 31 deadline may be waived by mutual agreement of the parties to the collective bargaining agreement negotiations.

SECTION 18. Grievance procedures. An agreement with an employee organization which is the exclusive representative of public employees in an appropriate unit may provide procedures for the consideration of public employee grievances and of disputes over the interpretation and application of agreements. Negotiated procedures may provide for binding arbitration of public employee grievances and of disputes over the interpretation and application of existing

agreements. An arbitrator's decision on a grievance may not change or amend the terms, conditions or applications of the collective bargaining agreement. Such procedures shall provide for the invoking of arbitration only with the approval of the employee organization. The costs of arbitration shall be shared equally by the parties. Public employees of the state or public employees covered by civil service shall follow either the grievance procedures provided in a collective bargaining agreement, or in the event that grievance procedures are not provided, shall follow applicable grievance procedures established by law, executive order or regulation.

SECTION 19. Impasse procedures - agreement of parties. As the first step in the performance of their duty to bargain, the public employer and the employee organization shall endeavor to agree upon impasse procedures. Such agreement shall provide for implementation of these impasse procedures not later than one hundred twenty (120) days prior to the certified budget submission date of the public employer. However, if public employees represented by the employee organization are teachers and the public employer is a school district or education service cooperative, the agreement shall provide for implementation of impasse procedures not later than one hundred twenty (120) days prior to May 31 of the year when the collective bargaining agreement is to become effective. If the public employer is a higher education institution, the agreement shall provide for implementation of impasse procedures not later than one hundred twenty (120) days prior to May 31 of the year when the collective bargaining agreement is to become effective. If the parties fail to agree upon impasse procedures under the provisions of this section, the impasse procedures provided in Sections 20 through 22 shall apply.

SECTION 20. Mediation. In the absence of an impasse agreement negotiated pursuant to Section 19 or the failure of either party to utilize its procedures, one hundred twenty (120) days prior to the certified budget submission date, or one hundred twenty (120) days prior to May 31 of the year when the collective bargaining agreement is to become effective if public employees represented by the employee organization are teachers or non-certified school employees and the public employer is a school district or education services cooperative, the board shall, upon the request of either party, appoint an impartial and disinterested person to act as mediator. The mediator shall be requested from the Federal Mediation and Conciliation Service or the American Arbitration Association. If the public employer is a state-supported institution of higher education, and in the absence of an impasse agreement negotiated pursuant to Section 19 or the failure of either party to utilize its procedures one hundred twenty

(120) days prior to May 31 of the year when the collective bargaining agreement is to become effective, the board, upon the request of either party, shall appoint an impartial and disinterested person to act as mediator. It shall be the function of the mediator to bring the parties together to effectuate a settlement of the dispute, but the mediator may not compel the parties to agree.

SECTION 21. Fact-finding.

(a) If the impasse persists ten (10) days after the mediator has been appointed, the board shall appoint a fact-finder from the Federal Mediation and Conciliation Service or the American Arbitration Association. The fact-finder shall conduct a hearing, may administer oaths, and may request the board to issue subpoenas. The fact-finder shall make written findings of facts and recommendations for resolution of the dispute and, not later than fifteen (15) days after the day of appointment, shall serve such findings on the public employer and the certified employee organization.

(b) The public employer and the certified employee organization shall immediately accept the fact-finder's recommendation or shall within five (5) days submit the fact-finder's recommendations to the governing body and members of the certified employee organization for acceptance or rejection. If the dispute continues ten (10) days after the report is submitted, the report shall be made public by the board.

(c) However, the board shall not appoint a fact-finder representative of the public if the public employees represented by a certified employee organization are teachers and the public employer is a school district, a state-supported institution of higher education, or education service cooperative. The board shall adopt rules regarding the time period after mediation when binding arbitration procedures must begin for teachers exempt from this section.

SECTION 22. Binding Arbitration.

(a) If an impasse persists after the findings of fact and recommendations are made public by the fact-finder, the parties may continue to negotiate or the board shall have the power, upon request of either party, to arrange for arbitration, which shall be binding. The request for arbitration shall be in writing and a copy of the request shall be served upon the other party. The board or the parties, or both, shall request an arbitrator from either the Federal Mediation and Conciliation Service or the American Arbitration Association.

(b)(1) Each party shall submit to the board within four (4) days after the request, a final offer on the impasse items with proof of service of a copy upon the

other party. Each party shall also submit a copy of a draft of the proposed collective bargaining agreement to the extent to which agreement has been reached and the name of its selected arbitrator. The parties may continue to negotiate all offers until an agreement is reached or a decision rendered by the arbitrator.

(2) As an alternative procedure, the two (2) parties may agree to submit the dispute to an arbitration panel. If the parties cannot agree on the panel within four (4) days, the selection shall be made pursuant to subsection (e). The full costs of arbitration under this provision shall be shared by the parties to the dispute.

(c) The submission of the impasse items to the arbitrator or arbitrators shall be limited to those issues that have been considered by the fact-finder and upon which the parties have not reached agreement. With respect to each such item, the arbitrator's or arbitrators' award shall be restricted to the final offers on each impasse item submitted by the parties to the arbitration board, or to the recommendation of the fact-finder on each impasse item.

(d) The panel of arbitrators shall consist of three (3) members appointed in the following manner:

(1) One (1) member shall be appointed by the public employer;

(2) One (1) member shall be appointed by the employee organization;

(3) One (1) member shall be appointed mutually by the members appointed by the public employer and the employee organization. The last member appointed shall be the chairperson of the panel of arbitrators. No member appointed shall be an employee of the parties; and

(4) The public employer and employee organization shall each pay the fees and expenses incurred by the arbitrator each selected. The fee and expenses of the chairperson of the panel and all other costs of arbitration shall be shared equally.

(e) If the third member has not been selected within four (4) days after notification as provided in subsection (b), a list of three (3) arbitrators shall be submitted to the parties by the board. The two (2) arbitrators selected by the public employer and the employee organization shall determine by lot which arbitrator shall remove the first name from the list submitted by the board. The arbitrator having the right to remove the first name shall do so within two (2) days and the second arbitrator shall have one (1) additional day to remove one (1) of the two (2) remaining names. The person whose name remains shall become the chairperson of the panel of arbitrators and shall call a meeting within ten (10) days at a location designated by the chairperson.

(f) If a vacancy should occur on the panel of arbitrators, the selection for replacement of such member shall be in the same manner and within the same time

limits as the original member was chosen. No final selection shall be made by the board until the vacancy has been filled.

(g) The arbitrators shall at no time engage in an effort to mediate or otherwise settle the dispute in any manner other than that prescribed in this section.

(h) From the time of appointment until such time as the arbitrator or arbitrators make a final determination, there shall be no discussion concerning recommendations for settlement of the dispute by the members of the arbitrator panel with parties other than those who are direct parties to the dispute. The arbitrators may conduct formal or informal hearings to discuss offers submitted by both parties.

(i) The arbitrators shall consider, in addition to any other relevant factors, the following factors:

(1) Past collective bargaining contracts between the parties, including the bargaining that led up to such contracts;

(2) Comparison of wages, hours and conditions of employment of the involved public employees with those of other public employees and private sector employees doing comparable work, giving consideration to factors peculiar to the area and the classifications involved;

(3) The interests and welfare of the public, the ability of the public employer to finance economic adjustments and the effect of such adjustments on the normal standard of services; and

(4) The power of the public employer to levy taxes and appropriate funds for the conduct of its operations.

(j) The chairperson of the panel of arbitrators or the single arbitrator may hold hearings and administer oaths, examine witnesses and documents, take testimony and receive evidence, issue subpoenas to compel the attendance of witnesses and the production of records, and delegate such powers to other members of the panel of arbitrators or the single arbitrator. The chairperson of the panel of arbitrators may petition a court of competent jurisdiction at the seat of government in the county in which any hearing is held to enforce the order of the chairperson or the single arbitrator compelling the attendance of witnesses and the production of records.

(k) A majority of the panel of arbitrators or the single arbitrator shall select within fifteen (15) days after its first meeting the most reasonable offer, in its judgment, of the final offers on each impasse item submitted by the parties, or the recommendations of the fact-finder on each impasse item.

(l) The selections by the panel of arbitrators or arbitrator and items agreed upon by the public and the employee organization, shall be deemed to be the collective bargaining agreement between the parties.

(m) The determination of the panel of arbitrators shall be by majority vote and shall be final and binding subject to the provisions of Section 17. subsection (f). The panel of arbitrators shall give written explanation for its selection and inform the parties of its decision.

SECTION 23. Legal actions. Any employee organization and public employer may sue or be sued as an entity under the provisions of this act. Service upon the public employer shall be in accordance with law or the rules of civil procedure. Nothing in this act shall be construed to make any individual or the individual's assets liable for judgment against a public or an employee organization.

SECTION 24. Notice and service. Any notice required under the provisions of this act shall be in writing, but service thereof shall be sufficient if mailed by restricted certified mail, return receipt requested, addressed to the last known address of the parties, unless otherwise provided in this act. Refusal of restricted certified mail by any party shall be considered service. Prescribed time shall commence from the date of the receipt of the notice. Any party may at any time execute and deliver an acceptance of service in lieu of mailed notice.

SECTION 25. Internal conduct of employee organizations.

(a) Every employee organization which is certified as a representative of public employees under the provisions of this act shall file with the board a registration report, signed by its president or other appropriate officer. The report shall be in a form prescribed by the board and shall be accompanied by two (2) copies of the employee organization's constitution and bylaws. A filing by a national or international employee organization of its constitution and bylaws shall be in lieu of a filing of such documents by each subordinate organization. All changes or amendments to such constitutions and bylaws shall be promptly reported to the board.

(b) Every employee organization shall file with the board an annual report and an amended report whenever changes are made. The reports shall be in a form prescribed by the board, and shall provide the following information:

(1) The names and addresses of the organization, any parent organization or organizations with which it is affiliated, the principal officers, and all representatives;

(2) The name and address of its local agent for service of process;

(3) A general description of the public employees the organization represents or seeks to represent;

(4) The amounts of the initiation fee and monthly dues members must pay;

(5) A pledge, in a form prescribed by the board, that the organization will comply with the laws of the state and that it will accept members without regard to age, race, sex, religion, national origin or physical disability as provided by law; and

(6) A financial report and audit.

(c) The constitution or bylaws of every employee organization shall provide that:

(1) Accurate accounts of all income and expenses shall be kept, and annual financial report and audit shall be prepared. Such accounts shall be open for inspection by any member of the organization, and loans to officers and agents shall be made only on terms and conditions available to all members;

(2) Business or financial interests of its officers and agents, their spouses, minor children, parents or otherwise, that conflict with the fiduciary obligation of such persons to the organization shall be prohibited; and

(3) Every official or employee of an employee organization who handles funds or other property of the organization, or trust in which an organization is interested, or a subsidiary organization, shall be bonded. The amount, scope, and form of the bond shall be determined by the board.

(d) The governing rules of every employee organization shall provide for periodic elections by secret ballot subject to recognized safeguards concerning the equal right of all members to nominate, seek office, and vote in such elections, the right of individual members to participate in the affairs of the organization, and fair and equitable procedures in disciplinary actions.

(e) The board shall prescribe rules necessary to govern the establishment and reporting of trusteeships over employee organizations. Establishment of such trusteeships shall be permitted only if the constitution or bylaws of the organization set forth reasonable procedures.

(f) An employee organization that has not registered or filed an annual report, or that has failed to comply with other provisions of this act, shall not be certified. Certified employee organizations failing to comply with this act may have such certification revoked by the board. Prohibitions may be enforced by injunction upon the petition of the board to a court of competent jurisdiction in the county in which the violation occurs. Complaints of violation of this section shall be filed with the board.

(g) Upon the written request of any member of a certified employee organization, the Auditor of State may audit the financial records of the certified

employee organization.

SECTION 26. Conflict with federal aid. If any provision of this act jeopardizes the receipt by the state or any of its political subdivisions of any federal grant-in-aid funds or other federal allotment of money, the provisions of this act shall, insofar as the fund is jeopardized, be deemed to be inoperative.

SECTION 27. Inconsistent statutes - effect. A law which is inconsistent with any term or condition of a collective bargaining agreement which is made final under this act shall supersede the term or condition of the collective bargaining agreement unless otherwise provided by the law. A provision of a proposed collective bargaining agreement negotiated according to this act which conflicts with a law shall not become a provision of the final collective bargaining agreement unless the law is amended to remove the conflict.

SECTION 28. Filing agreement - public access. Copies of collective bargaining agreements entered into between the state and the state employees' bargaining representatives and made final under this act shall be filed with the Secretary of State and be made available to the public at cost.

SECTION 29. The General Assembly specifically confers upon the board, all public employers and all governing bodies, the power and authority to implement the provisions of this act, and further confers upon all public employers and governing bodies, the authority to recognize and enter into collective bargaining agreements with employee organizations."

(a)(1)(A) Fees for legal services rendered in respect of a claim shall not be valid unless approved by the Workers' Compensation Commission.

(B) The fees shall not exceed thirty percent (30%) of the first one thousand dollars (\$1,000) of compensation, or part thereof, twenty percent (20%) of all sums in excess of one thousand dollars (\$1,000), ~~but less than three thousand dollars (\$3,000) of compensation, and ten percent (10%) of all sums in excess of three thousand dollars (\$3,000) of compensation.~~

(C) Whenever the commission finds a claim has not been controverted but further finds that bona fide legal services have been rendered in respect to the claim, then the commission shall direct the payment of the fees out of the compensation awarded.

(3) In any case where attorney's fees are allowed by the commission, the limitations expressed in the first sentence herein shall apply.

the claimant prevails on appeal, the attorney for the claimant shall be entitled to an additional fee at the full commission and appellate court levels, the additional fee to be paid equally by the employer or carrier and by the injured employee or dependents of a deceased employee, as provided above and set by the commission or appellate court.

(2) No additional fee shall be payable with respect to uncontroverted charges incurred in connection with treatment by the new physician.

(d)(1) No fees for legal services rendered by the claimant's attorney with respect to the preliminary conference procedure shall be awarded by the commission.

(2) However, the claimant's attorney or other representative may charge a reasonable fee to the claimant for representation in connection with the conference.

(3) Unless compensability of a claim is controverted by the employer or carrier, fees for legal services by the claimant's attorney with respect to disability for loss of wage earning capacity shall be payable only for amounts awarded at a contested hearing which exceed the amount, if any, which the employer or carrier agreed in writing to accept at the preliminary conference.

(e) Fees for legal services rendered by the claimant's attorney with respect to medical expenses of a repeated and continuing course of treatment controverted by the employer or carrier shall be payable only in connection with such controverted expenses incurred during a two-year period beginning with the first date on which such expenses were incurred.

Amend **House Bill No. 1506** as originally introduced:  
Add an additional section immediately following SECTION 1 to read as follows:

“SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly that the existing requirement that county intergovernmental cooperation councils meet at least four (4) times a year is overly burdensome and results in inefficiency in the operation of local governments; this act removes that obstacle and provides more flexibility for the operation of local government; and that until this act becomes effective, local governments will be burdened with the unnecessarily overburdensome provisions of Arkansas Code 14-27-103(a). Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective on the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill. If the bill is vetoed by the Governor and the veto is overridden, it shall become effective on the date the last house overrides the veto.”

AND

Page 3, beginning on line 11 add the following:

“(vi)(a) The Mobile Telecommunications Sourcing Act, Public Law 106-252, as in effect on January 1, 2001, is adopted in its entirety. All charges for mobile telecommunications services are deemed to be provided by the customer’s home service provider and sourced to the customer’s place of primary use and shall be subject to gross receipts tax based upon the customer’s place of primary use as determined by the Mobile Telecommunications Sourcing Act, Public Law 106-252.

(b)(1) Any customer who alleges that an amount of tax, charge or fee, or that the assignment of the place of primary use or taxing jurisdiction included on a billing is erroneous, the customer shall notify the home service provider in writing. The customer must include the street address for the customer's place of primary use, the account name and number for which the correction of tax assignment is sought, a description of the alleged error and any other information requested by the home service provider necessary to process the request.

(2) The home service provider shall conduct a review of its records and the electronic database or enhanced zip code used to determine the place of primary use within sixty (60) days of receiving the notice from its customer. If it is determined that the amount of tax, charge or fee, or that the assignment of the place of primary use or taxing jurisdiction is in error, the home service provider shall correct the error and refund or credit the amount of tax, charge or fee erroneously collected from the customer for a period of up to three years. If it is determined that the amount of tax, charge or fee, or assignment of the place of primary use or taxing jurisdiction is correct, the home service provider shall provide a written explanation to the customer.

(3) A customer seeking correction of assignment of place of primary use or taxing jurisdiction, or a refund or credit of taxes, charges or fees erroneously collected by the home service provider must seek to have the error corrected pursuant to these provisions in (3)(a)(vi)(b) of this section before any cause of action arises as a result of such error.

SECTION 3. Effective August 1, 2002, Arkansas Code 12-10-318(b)(1) concerning the 911 emergency telephone service charge is amended to read as follows:

(b)(1)(A) There is hereby levied a commercial mobile radio service

emergency telephone service charge in an amount of fifty cents (50¢) per month per commercial mobile radio service connection that has a billing address within the State of Arkansas or with respect to which the mobile identification number for the commercial mobile radio service connection contains an area code assigned to Arkansas by the North American Numbering Plan Administrator.

(B) The fees collected by commercial mobile radio service providers shall be remitted to the CMRS Emergency Telephone Services Board described in subdivision (b)(2) of this section within sixty (60) days after the end of the month in which the fees are collected.

(C) The funds collected pursuant to this subdivision (b)(1) shall not be deemed revenues of the state and shall not be subject to appropriation by the General Assembly.

(D) The fee levied in subdivision (b)(1)(A) of this section and collected by CMRS providers, who provide mobile telecommunications services, as defined by the Mobile Telecommunications Sourcing Act, Public Law 106-252 as in effect on January 1, 2001, shall be collected pursuant to the Mobile Telecommunications Sourcing Act.

SECTION 4. Effective August 1, 2002, Arkansas Code 23-17-404(b), concerning the Arkansas Universal Service Fund charge is amended to read as follows:

(b)(1) The Arkansas Universal Service Fund is to provide a mechanism to restructure the present system of telecommunication service rates in the state as provided herein, and all telecommunications providers, except as prohibited by federal law, shall be charged for the direct and indirect value inherent in the obtaining and preserving of reasonable and comparable access to telecommunications services in the rural or high cost areas. The value and utility of access to and interconnection with the public switched network will be lessened if the rural or high cost areas do not have comparable access and subscribership.

(2)(A) This AUSF charge for all telecommunications providers shall be proportionate to each provider's Arkansas intrastate retail telecommunications service revenues.

(B) Because customers of the telecommunications providers that would pay the AUSF charge receive the benefits of a universal network, the telecommunications providers may surcharge their customers to recover the AUSF charges paid by the telecommunications provider. Therefore, the AUSF charge is not a tax, and is not affected by state laws governing taxation.

(C) For the purpose of assessing mobile telecommunications

services, the administrator shall continue to assess only Arkansas intrastate retail telecommunications service revenues and only to the extent such revenues may be considered located in the state of Arkansas in accordance with the Mobile Telecommunications Sourcing Act, Public Law 106-252."

On motion of Senator Hoofman, [Senate Bill No. 217](#) was withdrawn from the Committee on JOINT BUDGET, and placed back on second reading for purpose of amendment.

**ARKANSAS SENATE**  
**EIGHTY-THIRD GENERAL ASSEMBLY**  
**REGULAR SESSION**  
[Amendment No. 1 to SENATE BILL NO. 217](#)

Amend [Senate Bill No. 217](#) as originally introduced:

Insert an additional section immediately following Section 5 to read as follows:

“

SECTION 6. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. INTENT. It is the intent of the General Assembly that the financing of the court appointed attorneys by the Arkansas Public Defender Commission through a transfer from the State Administration of Justice Fund is not to be a precedent in financing programs in this state. We recognize that an unusual and possible unique situation exists that requires the General Assembly to deviate from its normal practice of establishing priorities and allowing the program to receive financing through the Arkansas Revenue Stabilization Law. If the state decides to provide financial support for the Arkansas Public Defender Commission to pay for court appointed attorneys in the future, it is our intent to provide any financial support through the process of it receiving a share of the distribution of the "general revenues available for distribution" in the Arkansas Revenue Stabilization Law.”

AND

Renumber subsequent section accordingly.

(SIGNED) MIKE BEEBE

The Amendment was read for the first time, rules suspended, read the second time and adopted.

STATE OF ARKANSAS  
OFFICE OF THE GOVERNOR  
MIKE HUCKABEE, GOVERNOR  
State Capitol  
Little Rock 72201

February 23, 2001

The Honorable Mike Beebe  
President Pro Tempore of the Senate  
State of Arkansas – 83<sup>rd</sup> General Assembly  
State Capitol Building  
Little Rock, Arkansas 72201

Dear Senator Beebe:

This is to inform you of my disapproval of Senate Bill 20, which was delivered Monday, February 19. The legislation was reviewed by my legal staff Tuesday and Wednesday, Feb. 20-21, and presented to me for action Thursday, Feb. 22. I had hoped to have the bill recalled by the Senate for amendment and/or correction, but the Senate had left for the week, leaving me with no option before the Saturday deadline other than a veto.

The 23-page bill was presented as a “technical cleanup” bill, but in the specific case of the Governor’s Mansion Commission, this legislation makes significant, unacceptable changes. I had hoped to secure commitments from the original sponsors of the bill to sponsor corrective legislation that would have given me comfort in signing a bill. I was unable to do so in the proper time frame. Regretfully, I have no choice but to veto the bill and respectfully ask that you sustain the veto. We can then work toward legislation that accomplishes what was claimed originally to be “technical corrections” instead of wholesale changes in the Governor’s Mansion Commission.

My reasons for the veto are these:

1. While this bill makes dramatic changes in the makeup, size of and appointment power to the Governor’s Mansion Commission, no effort was made to discuss these changes with the governor’s office, members of the Governor’s Mansion Commission, the Mansion administrator, State Building Services, the Department of Arkansas Heritage or the first lady, all of whom are stakeholders in this process. Further, no effort appears to have been made to contact Sen. Bill Walker or Rep. Joyce Elliott, in whose districts the Governor’s Mansion is located. Some type of input from those responsible for the Mansion is the least we should have been able to expect.

2. The changes made to the Governor's Mansion Commission in this bill would undo the reorganization passed during the 1997 legislative session regarding the structure of the commission. Fourteen voting members is both unnecessary and unmanageable. Our highway system is overseen by a five-member Highway Commission. Public utilities are regulated by the three-member Public Service Commission. The Arkansas State Police is governed by seven state police commissioners, and the University of Arkansas system is managed by a board of 10. Having 14 members manage the Governor's Mansion seems like a most unnecessary growth of government and government regulation. The board now operates with two members from each of the four congressional districts (plus the ex-officio membership of the director of State Building Services and the director of the Department of Arkansas Heritage). The changes do not reflect any consideration for geographical balance and could greatly change the scope of representation that is now in place.
3. The Governor's Mansion is unique in that it serves not only as a state facility but as the actual residence of the governor and the governor's family. The challenges of living in such an environment should not be compounded by additional "supervisors" appointed by the legislative branch.
4. We have been notified that appointments made to the voting commission would include wives of some current legislators. It seems inappropriate to have the spouses of legislators overseeing the affairs of a governor's spouse.
5. The first lady is not paid but generally is held responsible by the public for the oversight, maintenance, appearance and operation of the Governor's Mansion. We are in the midst of a significant renovation and expansion project under the supervision of the existing Governor's Mansion Commission. Almost doubling the size of the commission during this legislative session is untimely. Moving people from advisory positions into voting positions would represent a dramatic change in the very nature of the Governor's Mansion Commission.

I do not believe there has been a deliberate attempt by any legislator to deceive or misrepresent this bill in calling it a "technical cleanup" bill. I believe the sponsors' original intentions were to clarify the appointments to the existing advisory council in light of a court decision. I want to work with you to correct this section of the bill so we can follow the original intent of having the House speaker and the Senate president pro tempore name members to the advisory board. In that capacity, the appointment of legislative spouses would be acceptable.

I humbly ask that you simply give the same kind of respect when it comes to the makeup of this board that you would expect to be given if you were governor, along with the respect you expect from me regarding your work quarters at the state Capitol.

Sincerely,

(SIGNED) MIKE HUCKABEE  
Governor

THE SENATE  
STATE OF ARKANSAS

February 26, 2001

The Honorable Mike Huckabee  
Governor  
State of Arkansas  
State Capitol Building  
Little Rock, AR 72201

Dear Governor Huckabee:

As for the governor's veto of SB 20, I will vote to sustain and move on with legislative business.

However, I would urge the governor to refrain from personal bellyaching in future veto messages. In his lengthy letter to me, he wrongly assumes that SB 20 sponsors wanted to "supervise" mansion operations. Nothing could be further from the truth. I, as much as any member of the legislature, know the history of the Governor's Mansion and have been involved in its funding for 18 years. Long, long before the mansion became a world wide, triple wide embarrassment.

The governor telephoned me Friday afternoon, the 23<sup>rd</sup>, and stated that he had received SB 20 on Monday the 19<sup>th</sup>. He said he could not sign the bill because he would not have anyone of his choosing on the Mansion Commission. He said he had to live with Janet and they did not need anyone telling them what color of wallpaper they could put up.

I told the governor at this point that if he felt he needed to veto the bill, then veto it, as this was his choice. I also told him that no one intended to tell Janet what color of wallpaper she can have in the private quarters, but that the public areas of the mansion are for the public and not the governor's family.

I told him that he was unique, that in my 18 years in the Senate, and serving under several governors, I had not seen anyone in his position complain so much about the mansion.

My position is that the mansion belongs to the people of Arkansas. Mike Huckabee lives there free of charge, gets free food and free transportation and yet all we hear from him and his wife are how bad the living quarters are and that more and more money is needed for improvements.

The governor is dead wrong to say in his veto message that it would be wrong to have my wife or others overseeing “the affairs” of his spouse. I’m not concerned about “the affairs” of his wife—I am concerned, however, about the wise use of the mansion, its future and the millions of dollars being spent on the mansion and grounds. I think my wife, Ginger, would have been an excellent appointee and the same can be said for Debbie Hoofman and Barbara Johnston.

The governor is also wrong to wait until the last minute to veto the bill. He has dozens of fulltime staff in his office and at the mansion, fulltime staff who sit on the Senate floor, and fulltime staff who I thought briefed him daily on bills that are introduced. This bill was introduced January 8<sup>th</sup>, the first day of the legislative session. It was amended in the House a month later, February 8<sup>th</sup>, and sent to the governor February 19<sup>th</sup>. Not one time in this long period of time did the governor or his staff talk to me about the bill. Why wait until the last minute to sound an alarm?

While the governor questions motives in sponsoring a bill about the mansion, I might return the volley and ask him to be more prompt in reading the bills or having his staff read the bills. They were not slow in reading and responding to bills that limited the governor’s time on television or addressed the largesse of his well-to-do contributors.

The following Senate bills were returned from the House as passed and ordered enrolled:

(2) A limited charter shall be for the purpose of instituting alternative staffing practices in accordance with a schedule approved by the State Board of Education.

(3) A limited charter shall be initially established for a period of no more than three (3) years and may be renewed on a one-year or multi-year basis, not to exceed three (3) years per charter renewal.

(b)(1) The petition shall contain the provisions of Title 6 of the Arkansas Code and the specific rules and regulations promulgated by the State Board of Education from which the public school will be exempt;

(2) The provisions from which the school district shall be exempt shall be limited to those provisions dealing with certified staffing practices at the school district;

(2) If the transfer of a teacher within a district is not possible because only one (1) school exists for the teacher's certification level, then the local school board shall call for a vote of the certified teachers in the proposed limited charter school site and proceed, at the local school board's option, with the charter school petition if a majority of the certified teachers approve the proposal.

(2) The department shall annually report its evaluation to the state board.
