(i) All records provided to or obtained by any local, state, or federal governments and their agents, officials, or employees in the investigation of an applicant or licensee; and

(ii) All records pertaining to a criminal background or health history check conducted on the applicant or licensee.

(B) Information or other records regarding an applicant or a licensee may be released to a law enforcement agency for the purpose of assisting in a criminal investigation or prosecution, or for determining validity of or eligibility for a license.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the identities of persons holding concealed weapons licenses should be private; that there are currently insufficient

safeguards ensuring that privacy; and that this act is immediately necessary because persons holding concealed weapons licenses are currently at risk of having that privacy exploited. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.”

~~(A) Any such instrument drawn on an account or financial institution outside of the United States; and~~

~~(B) Money or currency of any nation;~~

~~(3) “Check-casher” means a person who for compensation engages, in whole or in part, in the check-cashing business, but excluding:~~

~~(D) Any retail seller primarily engaged in the business of selling consumer or other goods to retail buyers that cash checks or issue money orders for a fee as a service to its customers that is incidental to its main purpose or business so long as revenue from such fees does not exceed three percent (3%) of such retail seller's gross revenues; and~~

~~(E) Issuance of a money order;~~

~~(4) "Check-cashing business" means the business of a check cashier selling currency or a check to another person in exchange for a check, with or without a deferred presentment option;~~

~~(5) "Deferred presentment option" in connection with the check-cashing business means a transaction pursuant to a written agreement involving the following combination of activities in exchange for a fee:~~

~~(A) Accepting a customer's personal check dated on the date it was written;~~

~~(B) Paying that customer an amount of money equal to the face amount of that check less any fees charged pursuant to this chapter; and~~

~~(C) Granting the customer the option to repurchase the customer's personal check for an agreed period of time prior to presentment of such check for payment or deposit. The term "deferred presentment" includes related terms such as "delayed deposit", "deferred deposit", or substantially similar terms evidencing the same type of transaction;~~

~~(C) A fee not in excess of six percent (6%) of the face amount of the check in the case of all other checks. Such a fee may be collected separately or by paying the customer an amount of money equal to the face amount of the check less the appropriate fee under this chapter;~~

~~(2) For a deferred presentment option which involves a personal check, an additional fee not to exceed ten dollars (\$10.00) may be charged by a check-casher; and~~

~~(3) In addition to the foregoing fees, a check-casher may charge a fee of no more than five dollars (\$5.00) to set up an initial customer account and issue an optional identification card for providing check-cashing services. A replacement optional identification card may be issued at a cost not to exceed five dollars (\$5.00).~~

~~23-52-105. General disclosure.~~

~~(a) Every check-casher, as applicable to the services provided, shall post a complete, detailed, and unambiguous schedule of all fees for:~~

~~(1) Cashing checks and making any deferred presentment option thereof;~~

~~(2) The sale or issuance of money orders; and~~

~~(3) The initial issuance of any identification card.~~

~~(b) Each check-casher shall also post a list of valid identification which is acceptable in lieu of identification provided by the person cashing the check. The information required by this section shall be posted at each location at which the~~

~~check-casher conducts the check-cashing business and in clear, legible letters not less than one-half inch (1/2") in height. The information shall be posted in a conspicuous location in the unobstructed view of the public within the check-casher's premises.~~

~~23-52-106. Other terms of doing the check-cashing business.~~

~~(a) A check-casher may not purchase a check for the purpose of deferred presentment option without receiving from the customer a written certification that the account upon which the check is drawn is legitimate and open. The certification may be contained in the body of the deferred presentment option agreement required by this chapter.~~

~~(b) Before a check-casher shall present for payment or deposit a check purchased by the check-casher, the check shall be endorsed with the actual name under which the check-casher is doing business.~~

~~(c) Any agreement for a deferred presentment option of a check shall be in writing and signed by the maker of the check. Such written agreement shall contain a written explanation in clear, understandable language of the fees to be charged by the check-casher and the date on which the check will be deposited or presented by the check-casher. Without limitation, such explanation shall contain a statement of the total amount of any fees charged for the deferred presentment option expressed both in United States currency and as an annual percentage rate. Enactment of this subsection shall not create any inference that a particular method of disclosure was required prior to April 7, 1999.~~

~~(d) The maker of any check purchased by a check-casher and accepted for deferred presentment option shall have the right to repurchase that check from the check-casher before the agreed date of deposit upon payment to the check-casher of the face amount of that check. If a check-casher accepts a partial payment, that check may not be presented for deposit nor may the check-casher charge any additional fee. A check-casher shall not defer presentment of any check for less than six (6) calendar days nor more than thirty one (31) calendar days after the date the check is sold to the check-casher.~~

~~(e) A check-casher shall issue a copy of the written agreement to each person for whom a check-casher grants a repurchase option and defers deposit of a check.~~

~~(f) A check-casher shall comply with all provisions of state and federal law regarding cash transactions and cash transaction reporting.~~

~~(g) If a check is returned to the check-casher from a payer bank or other financial institution due to insufficient funds, closed account, or a stop-payment order, the check-casher shall have the right to all civil remedies allowed by law to~~

~~collect the check and shall be entitled to recover any returned check fee authorized by applicable Arkansas law, court costs, and reasonable attorney's fee paid to an attorney who is not a salaried employee of the check-casher.~~

~~(h) If a check is returned to a check-casher from a payer financial institution because there are insufficient funds in or on deposit with the financial institution to pay the check, the check-casher or any other person on behalf of the check-casher shall not institute or initiate any criminal prosecution against the customer who sold such check to the check-casher, unless the check-casher would otherwise be entitled to institute or initiate a criminal prosecution against such customer under applicable Arkansas criminal law and such check is returned to the check-casher because:~~

~~———(1) The account on which such check was drawn was closed by the maker of the check, either before or during the term of the deferred presentment option agreement; and~~

~~(2) Payment on the check was stopped by the maker of the check.~~

~~(i) No check-casher may alter or delete the date on any check accepted by the check-casher.~~

~~(j) No check-casher may accept an undated check or a check dated on a date other than the date on which the check-casher purchases the check.~~

~~(k) Consistent with the nature of a deferred presentment option, no check-casher shall require a customer to provide security for the deferred presentment transaction or require the customer to provide a guaranty from another person.~~

~~(l) Each check-casher shall pay all proceeds in cash for any check purchased.~~

~~(m) No check-casher shall have more than one (1) deferred presentment check outstanding at any time from any one (1) customer per permitted location. A deferred presentment check purchased from any one (1) customer and outstanding at any one (1) time shall not exceed four hundred dollars (\$400).~~

~~(n) A check-casher shall not renew or otherwise consolidate a deferred presentment option transaction with the proceeds of another deferred presentment option transaction made by the same customer.~~

~~23-52-107. Qualification for check-casher permit.~~

~~A check-casher permit applicant shall satisfy the following requirements to qualify for a permit under this chapter:~~

~~(1) The applicant shall have a minimum of cash or other liquid assets of at least twenty thousand dollars (\$20,000) for the operation of each location at which the applicant will engage in the check-cashing business and shall be required to post with the State Board of Collection Agencies a fifty thousand dollar bond~~

payable to the State of Arkansas;

~~(2) The financial responsibility, financial condition, and business experience of the applicant shall reasonably warrant the belief that the applicant's check-cashing business will be conducted in accordance with this chapter. In determining whether this qualification has been met and for the purpose of investigating compliance with this chapter, the board may review and approve the following:~~

~~(A) The relevant business records and the capital adequacy of the applicant; and~~

~~(B) The competence, experience, and financial ability of any person who is a member, partner, director, officer, or five percent (5%) or more shareholder of the applicant or who otherwise controls the applicant;~~

~~(3) The requirements set forth in subdivisions (1) and (2) of this section shall be continuing in nature; and~~

~~(4) The board shall deny an application for a permit to conduct a check-cashing business or for renewal of a permit if the applicant or any person referred to in subdivision (2)(B) of this section has a felony conviction involving dishonesty, fraud, or deceit, provided the crime is substantially related to the qualifications, functions, or duties of a person engaged in the check-cashing business.~~

~~23-52-108. Form of application for permit.~~

~~(a) Each application for a check-cashing permit shall be in writing in a form prescribed by the State Board of Collection Agencies and shall include at least the following:~~

~~(1) The legal name, residence, business address, and telephone number of the applicant;~~

~~(2) If the applicant is a partnership, association, limited liability company, or corporation, the name and address of every member, officer, and director; and~~

~~(3) Such other data and information as the board may require with respect to the applicant and its directors, officers, partners or members.~~

~~(b) For each location at which the applicant wants to engage in the check-cashing business, each application for a permit shall be accompanied by both of the following:~~

~~(1) An initial permit fee of five hundred dollars (\$500) which shall not be subject to refund; and~~

~~(2) A financial statement showing that the applicant has at least twenty thousand dollars (\$20,000) in liquid or other cash assets available for the operation~~

~~of the check-cashing business prepared in accordance with standard accounting practices and procedures.~~

~~23-52-109. Board action and issuance of permits.~~

~~(a) Upon the filing of an application in the form prescribed by the State Board of Collection Agencies accompanied by the fees and documents required in this chapter, the board shall investigate to ascertain whether the qualifications prescribed by § 23-52-107 have been satisfied. If the board finds that the qualifications have been satisfied and approves the documents, the board shall issue to the applicant a permit to engage in the check-cashing business in Arkansas at the locations specified in the application as approved by the board.~~

~~(b) No person engaged in the check-cashing business shall conduct any other business within the same location without having obtained prior written approval from the board.~~

~~(c) The check-casher permit shall be kept conspicuously posted in the check-casher's place of business and shall not be assignable or transferable nor moved to another location without permission of the board.~~

~~(d) In addition to the initial permit fee required by § 23-52-108(b)(1), there shall be an annual permit fee of four hundred dollars (\$400) for each office, branch, or place of business of the check-casher, which shall be due on August 1 of each year. The annual permit fee shall be for a one-year period ending July 31 and shall be delinquent on September 1 of each year. There shall be a penalty of ten percent (10%) for each month or part thereof that the check-casher is delinquent in the payment of the annual permit fee. All permit fees collected by the board shall be used by the board in the supervision and examination of check-cashers and the issuance of permits under this chapter.~~

~~(e) A person operating a check-cashing business on April 7, 1999, shall have until the beginning of the next permit year after April 7, 1999, to apply for a permit under this chapter and to pay the required permit fee, and upon qualification and payment of the required fee shall be granted a permit under this chapter. Provided, that the check-casher shall comply with the other provisions of this chapter pending the application.~~

~~(f) A check-casher may voluntarily surrender its permit to the board. However, the check-casher shall not be entitled to receive a refund of any permit fees previously paid. Upon surrender, the check-casher shall immediately make available to the board all books, records, and papers required to be created and maintained under this chapter or regulations promulgated by the board under this chapter.~~

~~23-52-110. Change of control of check-casher.~~

~~The prior written approval of the State Board of Collection Agencies shall be required for the continued operation of a check-cashing business whenever a change in control of a permitted check-casher is proposed. Control in the case of a corporation shall mean direct or indirect ownership, the right to control twenty-five percent (25%) or more of the voting shares of the corporation, or the ability of a person to elect a majority of the directors. Control in the case of any other entity shall mean the ability to change the principles of the organization, whether active or passive. The board may require information deemed necessary to determine whether a new application is required.~~

~~23-52-111. Regulations.~~

~~The State Board of Collection Agencies is authorized and empowered to promulgate reasonable regulations for the execution and enforcement of this chapter. However, before any rules and regulations promulgated by the board shall be effective, they must be issued in accordance with the Arkansas Administrative Procedure Act, § 25-15-201 et seq.~~

~~23-52-112. Records and inspections.~~

~~(a) Each check-casher shall keep and use in its business any books, accounts, and records that the State Board of Collection Agencies may require to carry into effect the provisions of this chapter and the administrative regulations issued hereunder. Provided, such records may be retained on computer or other electronic storage devices.~~

~~(b) For the purpose of determining compliance with this chapter, the board, at any reasonable time, may cause an examination to be made at a check-casher's place of business of the records and transactions of such check-casher. Each check-casher shall preserve all relevant records for a period of at least two (2) years after making the last entry on any transaction, and the board shall have free access to such records at the check-casher's place of business at all reasonable times during the check-casher's normal business hours. If the board has probable cause to believe that a person has engaged in an activity which violates the provisions of this chapter, the board may compel the production of such books and records of the person as the board has probable cause to believe are relevant to the alleged violation.~~

~~23-52-113. Appeal of permit denial.~~

~~(a) If the State Board of Collection Agencies determines that an applicant is not qualified to receive a permit, the board shall notify the applicant in writing that the application has been denied, stating the basis for denial.~~

~~(b) If the board denies an application or if the board fails to act on an application within ninety (90) days after the filing of a properly completed application,~~

~~the applicant may make a written demand to the board for a hearing before the board on the question of whether the permit should be granted.~~

~~(c) At the hearing, the burden of proving that the applicant is entitled to a permit under this chapter shall be on the applicant. A decision of the board following any hearing on the denial of a permit may be subject to review in accordance with the Arkansas Administrative Procedure Act, § 25-15-201 et seq.~~

~~23-52-114. Revocation or suspension of permit.~~

~~(a) After notice and hearing, the State Board of Collection Agencies may suspend or revoke any permit if the Chairman of the State Board of Collection Agencies finds that the check-casher either knowingly or through lack of due care has committed one (1) of the following:~~

“SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the Arkansas Constitution does not contain a criminal penalty for charging usurious interest rates; that citizens of this state who are required to pay usurious interest rates are subjected to financial burdens that can result in devastating financial hardships; that the Supreme Court of Arkansas has ruled the Check-Cashers Act unconstitutional; and that this act is immediately necessary because a criminal penalty will protect the citizens of this state from persons or businesses that charge an interest rate in violation of the Arkansas Constitution. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.”

"SECTION 1: Arkansas Code § 26-52-319(a), concerning natural gas and electricity used by manufacturers, is amended to read as follows:

(a)(1) Beginning July 1, 2007, in lieu of the gross receipts or gross proceeds tax levied in §§ 26-52-301 and 26-52-302(a)-(d), there is levied an excise tax on the gross receipts or gross proceeds derived from the sale of natural gas and electricity to a manufacturer for use directly in the actual manufacturing process at the rate of four and three-eighths percent (4.375%).

(2) Beginning July 1, 2008, the tax rate levied in subdivision (a)(1) of this section shall be imposed at the rate of three and seven-eighths ~~percent~~ eighths percent (3.875%).

(3)(A) Beginning July 1, 2009, the tax rate levied in subdivision (a)(1) of this section shall be imposed at the rate of three and one-eighth percent (3.125%).

(B)(i) The Director of the Department of Finance and Administration shall monitor the amount of tax savings received by all taxpayers as a result of the reduction in the tax rate from that levied in §§ 26-52-301 and 26-52-302 to that levied in subdivision (a)(3)(A) of this section.

(ii) When the director determines that the amount of tax savings resulting from the determination described in subdivision (a)(3)(B)(i) of this section plus any use tax savings described in § 26-53-148(a)(3)(B) would reach twenty-seven million dollars (\$27,000,000) during a fiscal year, the director shall not process any mrefund claims through a refund process during the fiscal year for taxpayers seeking to claim the reduced tax rate provided by this section. The amount of twenty-seven million dollars (\$27,000,000) is intended to cover the accumulated but unclaimed reduction of sales and use tax on natural gas and electricity as provided by Act 185 of 2007 (Ark. Code 26-52-319 and Ark. Code 26-53-148) as well as the additional reduction provided by this Act.

(iii) If the director determines that discontinuing refund payments, as provided in subdivision (a)(3)(B)(ii) of this section, is insufficient to

prevent the amount of tax savings from exceeding twenty-seven million dollars (\$27,000,000) during a fiscal year, the director may decline to accept any amended return filed by a taxpayer to claim an overpayment resulting from the reduced tax rate provided by this section, for a period other than the period for which a tax return is currently due.

(C)(i) Refund requests and amended returns filed with the director to claim the overpayment resulting from the reduced rate in subdivision (a)(3)(A) of this section shall be processed in the order they are received by the Director. A taxpayer that does not receive a refund after the refund and amended return process has ceased under subdivision (a)(3)(B) of this section shall be given priority to receive a refund during the subsequent fiscal year. The unpaid refunds from the prior fiscal year shall be processed before any refund claims filed in the current fiscal year to claim the benefit of this section.

(ii) The statute of limitations for refunds and amended returns under § 26-18-306(h)(i)(1)(A) is extended for one (1) year to allow the payment of a refund under the process provided in subdivision (a)(3)(C)(i) of this section.

~~(3)~~(4) The taxes levied in this subsection (a) shall be distributed as follows:

(A) Seventy-six and six-tenths percent (76.6%) of the tax, interest, penalties, and costs received by the Director of the Department of Finance and Administration shall be deposited as general revenues;

(B) Eight and five-tenths percent (8.5%) of the tax, interest, penalties, and costs received by the director shall be deposited into the Property Tax Relief Trust Fund; and

(C) Fourteen and nine-tenths percent (14.9%) of the tax, interest, penalties, and costs received by the director shall be deposited into the Educational Adequacy Fund.

~~(4)~~(5)(A) The excise tax levied in this section applies only to natural gas and electricity sold for use directly in the actual manufacturing process.

(B) Natural gas and electricity sold for any other purpose shall be subject to the full gross receipts or gross proceeds tax levied under §§ 26-52-301 and 26-52-302(a)-(d).

~~(5)~~(6) The excise tax levied in this section shall be collected, reported, and paid in the same manner and at the same time as is prescribed by law for the collection, reporting, and payment of all other Arkansas gross receipts taxes.

SECTION 2. Arkansas Code § 26-53-148 is amended to read as follows:

26-53-148. Natural gas and electricity used by manufacturers.

(a)(1) Beginning July 1, 2007, in lieu of the tax levied in §§ 26-53-106 and 26-53-107(a)-(d), there is levied an excise tax on the sales price of natural gas and electricity purchased by a manufacturer for use directly in the actual manufacturing process at the rate of four and three-eighths percent (4.375%).

(2) Beginning July 1, 2008, the tax rate levied in subdivision (a)(1) of this section shall be imposed at the rate of three and seven-eighths percent (3.875%).

(3)(A) Beginning July 1, 2009, the tax rate levied in subdivision (a)(1) of this section shall be imposed at the rate of three and one-eighth percent (3.125%).

(B)(i) The Director of the Department of Finance and Administration shall monitor the amount of tax savings received by all taxpayers as a result of the reduction in the tax rate from that levied in §§ 26-53-106 and 26-53-107 to that levied in subdivision (a)(3)(A) of this section.

(ii) When the director determines that the amount of tax savings resulting from the determination described in subdivision (a)(3)(B)(i) of this section plus any gross receipts tax savings described in § 26-52-319(a)(3)(B) would reach twenty-seven million dollars (\$27,000,000) during a fiscal year, the director shall not process any further refund claims through a refund process during the fiscal year for taxpayers seeking to claim the reduced tax rate provided by this section. The amount of twenty-seven million dollars (\$27,000,000) is intended to cover the accumulated but unclaimed reduction of sales and use tax on natural gas and electricity as provided by Act 185 of 2007 (Ark. Code 26-52-319 and Ark. Code 26-53-148) as well as the additional reduction provided by this section.

(iii) If the director determines that discontinuing refund payments, as provided in subdivision (A)(3)(B)(ii) of this section, is insufficient to prevent the amount of tax savings from exceeding twenty-seven million dollars (\$27,000,000) during a fiscal year, the director may decline to accept any amended return filed by a taxpayer to claim an overpayment resulting from the reduced tax rate provided by this section, for a period other than the period for which a tax return is currently due.

(C)(i) Refund requests and amended returns filed with the Director of the Department of Finance to claim the overpayment resulting from the reduced rate in subdivision (a)(3)(A) of this section will be processed in the order they are received by the director. A taxpayer that does not receive a refund after the refund and amended return process has ceased under subdivision (a)(3)(B) of this section shall be given priority to receive a refund during the subsequent fiscal year. The unpaid refunds from the prior fiscal year shall be processed before any refund claims filed in the current fiscal year to claim the benefit of this section.

(ii) The statute of limitations for refunds and amended returns under § 26-18-306(h)(i)(1)(A) is extended for one (1) year to allow the payment of a refund under the process provided in subdivision (a)(3)(C)(i) of this section.

~~(3)~~(4) The taxes levied in subsection (a) of this section shall be distributed as follows:

(A) Seventy-six and six-tenths percent (76.6%) of the tax, interest, penalties, and costs received by the Director of the Department of Finance and Administration shall be deposited as general revenues;

(B) Eight and five-tenths percent (8.5%) of the tax, interest, penalties, and costs received by the director shall be deposited into the Property Tax Relief Trust Fund; and

(C) Fourteen and nine-tenths percent (14.9%) of the tax, interest, penalties, and costs received by the director shall be deposited into the Educational Adequacy Fund.

~~(4)~~(5)(A) The excise tax levied in this section applies only to natural gas and electricity purchased for use directly in the actual manufacturing process.

(B) Natural gas and electricity purchased for any other purpose shall be subject to the full compensating use tax levied under §§ 26-53-106 and 26-53-107(a)-(d).

~~(5)~~(6) The excise tax levied in this section shall be collected, reported, and paid in the same manner and at the same time as is prescribed by law for the collection, reporting, and payment of all other Arkansas compensating use taxes.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly that manufacturers in this state have suffered losses due to sharp increases in energy costs; that these manufacturers are unable to set the price for the products they produce and are particularly vulnerable to price volatility; that the current sales and use tax on utilities consumed by these manufacturers located within this state creates a competitive disadvantage; that this act is intended to address that problem by providing a reduced tax rate on utilities consumed by manufacturers located in this state; and that this act is necessary to prevent the loss of manufacturing jobs. Therefore, an emergency is hereby declared to exist and this act being necessary for the preservation of public peace, health, and safety shall become effective on July 1, 2009."
