Amend **HOUSE BILL NO. 2100** as originally introduced:

Delete everything after the enacting clause and substitute the following:

"SECTION 1. DO NOT CODIFY. Routine HIV Screening Interim Study.

(a) The House Committee on Public Health, Welfare, and Labor and the Senate Committee on Public Health, Welfare, and Labor shall study barriers to HIV testing that contribute to the inability to reduce the incidence of HIV infection in Arkansas.

(b) The House Committee on Public Health, Welfare, and Labor and the Senate Committee on Public Health, Welfare, and Labor shall study without limitation the following:

(1) Provider-related and patient-related factors may act as barriers and prevent health care providers from testing for HIV;

(2) How the acceptance rates among patients can be assessed to understand reasons for opting out of HIV screening;

(3) How state law may be clarified regarding informed consent for adolescents seeking HIV testing and pretesting and posttesting requirements;

(4) The health care settings that could effectively implement routine HIV screening; and

(5) The billing-related obstacles that might prevent routine, voluntary HIV screenings.

(c) The committees may consider the following:

(1) Although African Americans compose thirteen percent (13%) of the state's population, yet they compose forty-three percent (43%) of the 2010 HIV cases in the state and fifty percent (50%) of the 2010 AIDS cases;

(2) There is evidence that indicates that health care providers often do not test for HIV, even in the presence of symptoms;

(3) For individuals who lack health insurance and lack access to health care, the opportunity to engage in HIV screening is even further reduced;

(4) These barriers to HIV testing contribute to the inability to reduce the incidence of HIV infection and make it even more difficult for individuals from ethnic minority groups who are diagnosed significantly late in the disease;

(5) Late diagnosis increases the risk for the development of the life-threatening infections and most importantly also increases the risk for transmission of HIV to others;

(6) There is evidence that once an individual knows his or her HIV status, that individual is significantly less likely to engage in behaviors that might transmit HIV to another person;

(7) There is a need for HIV testing to become a readily available routine screening procedure that can be easily accessed by the general public;

(8) Easily accessible disease prevention and health screening services currently exist for other infectious and chronic diseases;

(9) For example, one can obtain an influenza vaccine, have one's blood pressure checked, or have one's blood glucose or cholesterol measured while at the grocery store, a school activity, or a sporting event, but no such ready access to HIV screening exists in Arkansas;

(10) The Centers for Disease Control and Prevention has recommended routine, HIV screening for every person between the ages of thirteen (13) and sixty-four (64) in any health care setting, with no requirement for separate written consent or pretest counseling; and

(11) By making HIV screening a part of routine medical care, consent to HIV testing is inferred, unless the individual declines testing.

(d) The House Committee on Public Health, Welfare, and Labor and the Senate Committee on Public Health, Welfare, and Labor may invite the Arkansas Minority Health Commission to assist the committees with completing this study.

(e) The House Committee on Public Health, Welfare, and Labor and the Senate Committee on Public Health, Welfare, and Labor shall present final findings concerning this interim study and recommendations for legislation to the Governor and the Legislature Council on or before December 1, 2012."

(3)(A) In order to improve the quality of the enhanced list of prospective jurors and to decrease the cost of summoning potential jurors, the Arkansas Crime Information Center and the Administrative Office of the Courts are authorized to provide information to the Secretary of State and the Department of Finance and Administration to identify which voters, state income tax filers, licensed drivers, and persons issued identification cards under § 27-16-805 have been convicted of a felony and have not been pardoned.

 SUPPORT THE PROPOSAL AND
 PASSAGE OF A BALANCED BUDGET
 AMENDMENT.

WHEREAS, families and businesses throughout the State of Arkansas operate under the principle of a balanced budget; and

WHEREAS, the State of Arkansas itself maintains a balanced budget, a practice that has spared Arkansas from the financial problems seen in other states in recent years; and

WHEREAS, the government of the United States of America does not operate under a balanced budget, which is evidenced by a ballooning federal public debt; and

WHEREAS, continued deficit spending demonstrates an unwillingness or inability of both the federal executive and legislative branches to spend no more than available revenues; and

WHEREAS, fiscal irresponsibility at the federal level is lowering our standard of living, destroying jobs, and endangering economic opportunity now and for the next generation; and

WHEREAS, Article 5 of the United States Constitution allows Congress to propose amendments to the United States Constitution to the states for ratification

and also allows the legislatures of the several states to request a convention for the purpose of proposing amendments,

NOW THEREFORE, BE IT RESOLVED BY THE SENATE OF THE EIGHTY-EIGHTH GENERAL ASSEMBLY, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:

THAT the Arkansas Congressional Delegation propose and support efforts for the Congress of the United States to pass and propose to the legislatures of the several States, for ratification, an amendment to the Constitution of the United States requiring in the absence of a national emergency that the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year.

BE IT FURTHER RESOLVED that if such an amendment is not proposed by the Congress, that the Arkansas Congressional Delegation support the calling of a constitutional convention by the legislatures of the several states for the purpose of proposing a balanced budget amendment to the United States Constitution.

BE IT FURTHER RESOLVED that, upon passage, the Chief Clerk of the Senate shall transmit a copy of this resolution to all members of the Arkansas Congressional Delegation.

Subchapter 9 -- Arkansas Higher Education Information System

6-60-901. Definitions.

As used in this subchapter:

(1) "Arkansas Higher Education Information System" means the database maintained by the Department of Higher Education containing student data files that the department and institutions of higher education in Arkansas are required to collect under §§ 6-85-214, 6-85-215, and 6-85-217, other state law, and federal law; and

(2) "Institution of higher education" means:

(A) An Arkansas state-funded community college;

(B) An Arkansas state-funded university; or

(C) A private college or university in Arkansas that receives state funding for student financial assistance or voluntarily participates in the system.

6-60-902. Arkansas Higher Education Information System.

(a) The Department of Higher Education shall develop and maintain the Arkansas Higher Education Information System.

(b)(1) By December 31, 2011, the Department of Higher Education shall provide the Bureau of Legislative Research with direct read and report only access to the data warehouse of the Arkansas Higher Education Information System concerning student academic data, financial aid data, and related records.

(2)(A) In providing the bureau with the direct read and report only access required under subdivision (b)(1) of this section, the Department of Higher Education shall take reasonable precautions, including electronic blocking or redacting, to prevent the disclosure of:

(i) Personally identifiable information of a student unless the parent or guardian of a minor student or a student who is no longer a minor consents in writing to the disclosure of personally identifiable information about that student; or

(ii) Information that would cause the Department of Higher Education to lose funding under 20 U.S.C. § 1232g, as it existed on January 1, 2011.

(B) The Department of Higher Education shall:

(i) Work with the Department of Education to develop the method of redaction to be used with the Arkansas Higher Education Information System based on the standards used by the Department of Education; and

(ii) Disclose to the bureau and to the Arkansas Lottery Commission Legislative Oversight Committee the method of electronic blocking or redaction the Department of Higher Education will use under this subsection.

(3)(A) The Department of Higher Education shall make its staff reasonably accessible for consultation with bureau staff in developing and responding appropriately to bureau requests under this section.

(B) The bureau staff shall inform the Department of Higher Education of any warehouse data used in the preparation of reports and provide the Department of Higher Education at least one (1) working day to review any student-related warehouse data used in preparation of reports before publicly releasing that student-related data without personally identifiable information of a student.

(c) The Department of Higher Education shall provide other information and records requested by the bureau as soon as possible and in whatever reasonable form requested.

(d) To the extent possible, the Department of Higher Education, in cooperation with the Department of Education, shall maintain the Arkansas Higher Education Information System in a manner that will ultimately be compatible with implementing a P-20 student data system for the state.

6-60-903. Compliance by institutions of higher education.

(a) An institution of higher education shall provide the data required under this subchapter at the time and in the manner:

(1) Required by rules of the Arkansas Higher Education Coordinating Board; and

(2) Published from time to time by the Department of Higher Education.

(b) Within two (2) weeks of an institution of higher education's failure to comply with the requirements for submission of data published by the department, the department shall report to the Arkansas Lottery Commission Legislative Oversight Committee:

(1) The name of an institution of higher education that has not complied with the deadline;

(2) The type of data the institution of higher education failed to submit;

(3) The length of time of noncompliance; and

(4) Any additional information requested by the committee.

SECTION 2. TEMPORARY LANGUAGE. DO NOT CODIFY. (a) Until the Bureau of Legislative Research is provided direct read and report only access to the data warehouse of the Arkansas Higher Education Information System under this act, the Department of Higher Education shall provide data to the bureau as follows:

(1) Weekly uploads of the student application database of the Arkansas Higher Education Information System from students who have consented to the release of information under § 6-85-215;

(2) Within two (2) weeks of the deadline published by the Department of Higher Education for institutions of higher education to submit application data, uploads of the student application database of the Arkansas Higher Education Information System containing de-identified student application data from students who have not consented to the release of information under § 6-85-215 until all student application data has been provided to the bureau;

(3) Within two (2) weeks of the deadline published by the Department of Higher Education for institutions of higher education to submit student data, uploads of the database of the Arkansas Higher Education Information System containing the student data required to be provided under Act 207 of the 2011

Regular Session of the 88th Arkansas General Assembly, § 17, which amends § 6-85-217; and

(4) By October 15, 2011, the financial aid file of the Arkansas Higher Education Information System.

(b)(1) The Department of Higher Education shall provide the data whether the data is complete or incomplete or received from an institution of higher education late or on time, with a report to the bureau concerning:

(A) The name of an institution of higher education that has not submitted complete and correct data by a deadline published by the Department of Higher Education; and

(B) The type of data the institution failed to submit or needs to correct.

(2) The Department of Higher Education shall upload to the bureau any completed, late, or corrected data as soon as it is received by the Department of Higher Education.

(c)(1) The bureau shall take reasonable precautions, including electronic blocking or redacting, to prevent the disclosure of personally identifiable information of a student, as that term is defined in 20 U.S.C. § 1232g, as it existed on January 1, 2011, unless the parent or guardian of a minor student or a student who is no longer a minor consents in writing to the disclosure of personally identifiable information about that student.

(2)(A)(i) The bureau shall use a method of redaction substantially similar to the one used by the Department of Education based on the standards used by the Department of Education.

(ii) The bureau shall not include in a report any set of data that contains less than ten (10) units of data.

(B) The bureau staff shall inform the Department of Higher Education of any warehouse data used in the preparation of reports and provide the Department of Higher Education at least one (1) working day to review any student-related warehouse data used in preparation of reports before publicly releasing that student-related data without personally identifiable information of a student.

(d) The Department of Higher Education shall provide other information and records requested by the bureau as soon as possible and in whatever reasonable form requested.

(e) The Department of Higher Education shall provide a bimonthly report to the Arkansas Lottery Commission Legislative Oversight Committee on the progress of developing the direct read and report only access to the data warehouse of the

Arkansas Higher Education Information System to be used by the bureau under this act.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that increasing the number of Arkansans who obtain postsecondary credentials is critical to the economic health of the state and its citizens; that the Arkansas Scholarship Lottery provides the opportunity for tens of thousands of Arkansans to obtain postsecondary education; that the continual evaluation of the Arkansas Academic Challenge Scholarship Program and of all state-supported scholarship and grant programs by the General Assembly is critical for maximizing the benefits to the state and its citizens of state financial aid for higher education and meeting state objectives for higher education; that accountability and transparency in the implementation of state-supported scholarship programs are fundamental to a proper evaluation of the programs; that the collection of data and access to that data by the Bureau of Legislative Research are necessary to ensure proper legislative oversight for that accountability and transparency; and that this act is immediately necessary for the Department of Higher Education to begin developing the direct read and report only access to the data warehouse of the Arkansas Higher Education Information System, and for the Arkansas Higher Education Coordinating Board to promulgate rules to implement this act. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

88th General Assembly

Regular Session, 2011

SCR 5

SENATE CONCURRENT RESOLUTION

URGING THE ARKANSAS CONGRESSIONAL
DELEGATION TO SUPPORT THE PROPOSAL AND
PASSAGE OF A BALANCED BUDGET AMENDMENT.

Subtitle

URGING THE ARKANSAS CONGRESSIONAL DELEGATION TO SUPPORT THE
PROPOSAL AND PASSAGE OF A BALANCED BUDGET AMENDMENT.

WHEREAS, families and businesses throughout the State of Arkansas operate under the principle of a balanced budget; and

WHEREAS, the State of Arkansas itself maintains a balanced budget, a practice that has spared Arkansas from the financial problems seen in other states in recent years; and

WHEREAS, the government of the United States of America does not operate under a balanced budget, which is evidenced by a ballooning federal public debt; and

WHEREAS, continued deficit spending demonstrates an unwillingness or inability of both the federal executive and legislative branches to spend no more than available revenues; and

WHEREAS, fiscal irresponsibility at the federal level is lowering our standard of living, destroying jobs, and endangering economic opportunity now and for the next generation; and

WHEREAS, Article 5 of the United States Constitution allows Congress to propose amendments to the United States Constitution to the states for ratification

and also allows the legislatures of the several states to request a convention for the purpose of proposing amendments,

NOW THEREFORE, BE IT RESOLVED BY THE SENATE OF THE EIGHTY-EIGHTH GENERAL ASSEMBLY, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:

THAT the Arkansas Congressional Delegation propose and support efforts for the Congress of the United States to pass and propose to the legislatures of the several States, for ratification, an amendment to the Constitution of the United States requiring in the absence of a national emergency that the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year.

BE IT FURTHER RESOLVED that if such an amendment is not proposed by the Congress, that the Arkansas Congressional Delegation support the calling of a constitutional convention by the legislatures of the several states for the purpose of proposing a balanced budget amendment to the United States Constitution.

BE IT FURTHER RESOLVED that, upon passage, the Chief Clerk of the Senate shall transmit a copy of this resolution to all members of the Arkansas Congressional Delegation.

I believe that the fund transfer proposed in that portion of the bill to be inconsistent with budget priorities and will result in an unnecessary budgetary hardship on the ACIC.

Representative Ingram moved “that inasmuch as the House Rules Committee has not met to address new Caucus memberships as necessary from the recent Statewide reapportionment, that Rule 82 of the Rules of the House of Representatives be suspended until 1:30 p.m., Wednesday, April 18, 2012, when the House can adopt the new Caucus membership and determine their respective Chairs.”

Due to the recent Statewide reapportionment, upon motion of Representative Ingram, Rule 82 of the Rules of the House of Representatives was suspended until 1:30 p.m., Wednesday, April 18, 2012, when the House can adopt the new Caucus memberships and determine their respective Chairs.

The motion passed with more than sixty-seven (67) votes.

In accordance with the House Rules, the House Caucus is convened for the purpose of electing one of our members as Speaker-designate of the 88th General Assembly.

Ladies and gentlemen of the House, it is extremely important that we have the full attention and full cooperation of all the members of the House as we continue this process in accordance with the House Rules.

A meeting was held on Wednesday, January 18th to allow members of the House to file as candidates for the position of Speaker-designate. That meeting was attended by Representatives' Terry Rice and Darrin Williams.

Upon closing of the filing, the two members that indicated their interest in seeking the position were allowed an opportunity to draw for ballot position. The results of the drawing was as follows:

Rep. Darrin Williams, Position #1

Rep. Terry Rice, Position #2

At that time the pertinent rules were discussed with the candidates. The House Rules provide for each candidate to be allowed fifteen (15) minutes each to address the House before the ballot is taken.

The Rules pertaining to absentee balloting have been reviewed and absentee balloting has been completed, the deadline being two (2) hours before the convening of this Caucus for this scheduled election.

In accordance with the House rules, Representative Darrin Williams was recognized to address the House.

Representative Darrin Williams
House Speaker-designate Candidate Address

Ladies and gentlemen of the 88th General Assembly, today, I humbly stand before you to respectfully ask for your vote to become the next Speaker of the Arkansas House of Representatives. If elected your Speaker, I pledge to serve with fairness, humility, and above all integrity, as together we take on the critical issues facing our state.

During my first term, several of my 2nd term colleagues; colleagues from both sides of the aisle, asked me to consider running for Speaker if we reached a third term. After thoughtful consideration and much prayer, I decided to accept their challenge.

I appreciate those of you who planted this seed in my mind. I was honored that you believed then, and I hope you still believe now, that I possess the qualifications necessary to lead this body.

I want to acknowledge the strong support of my friends, law partners and family in making this decision, especially my wife, Nicole, who is seated in the gallery today. [Thank you]

We are all products of our experiences, and in most any endeavor - experience matters. So, please allow me to share some of my experiences, which I believe are relevant to serving in this position.

My first experience in government was serving as an Aide to U.S. Senator David Pryor where I learned the meaning of constituency service.

On the local level, I served for nearly 5 years as a City Planning Commissioner working side by side with the Council to make improvements in our City.

On the state level, I was privileged to serve as both Chief of Staff and Chief Deputy Attorney General. In these positions, I supervised over 130 employees, managed a out \$15 million dollar budget and directed the legal representation of virtually every state agency, board and commission, as well as, each state officer, including members of the General Assembly.

This government experience provides me with a unique understanding of the interrelationship among local, national and state government. Nevertheless, I equally value my private sector experience. I am a small business owner. I serve as managing partner of a law firm that employees a dozen people and has relationships with vendors all across the country. I know the value of preparation and hard work. I know what it means to make payroll.

Now, all of that said, I believe my work in this body provides me with the most meaningful experiences that I can call upon as Speaker. Our rules require the Speaker, with the assistance of the Parliamentarian, to decide all points of order. Having served for two terms on the Rules Committee and presently serving as Chairman of the Judiciary Committee, I am knowledgeable and experienced in our procedures and Rules. (Although, I must admit, Rep. Powers' call for Division last week was a new one for me.)

During the regular session, 194 bills were sent to the Judiciary Committee. Through the hard work of each member of our Committee, and, I believe, through the leadership and example that I set as chair; we consistently handled the people's business without unnecessary partisanship or controversy.

You would expect a candidate for Speaker to say that they will work in a bi-partisan fashion. Well in this regard, I ask you to judge me not by what I say I will do, but by what my legislative record and personal record demonstrate.

In 2009, as a freshman legislator, building upon the work of previous legislators, I set out to strengthen our laws related to the theft of scrap metal. We built a coalition that included farmers, utility and telecommunication companies, realtors, contractors, the Municipal League, local and state law enforcement, as well as the scrap metal industry. Through intense discussion and vigorous debate, we reached an agreement on how we would address the problem. I then attempted to speak with every member of the General Assembly about co-sponsoring the legislation. At the conclusion of my work, 64

members of the House, including 20 of the 28 House Republicans and almost one-half of the Senate signed on as co-sponsors. Not a single person on either end of the Capitol voted against this measure.

This was not a one-time occurrence. I employed the same strategy in the 2009 session when almost one half of the House co-sponsored my legislative proposal to protect consumers from predatory tax preparers. And most recently during our regular session, Speaker Moore asked me to lead the House's efforts to pass Sentencing reform legislation. For weeks, I met mornings and nights with members who favored this bill and those who opposed it, encouraging them to support this important legislation. When we passed the Sentencing Reform bill, 72 of you signed on as co-sponsors.

The ability to forge a consensus among the diversity of this House will be an important skill required of our next Speaker. As my record demonstrates, I am a consensus builder.

I also consider myself a servant-leader. I follow a very simple leadership style that is embodied in a quote by pastor and teacher, William Arthur Ward:

We must be silent before we can listen.
We must listen before we can learn.
We must learn before we can prepare.
We must prepare before we can serve.
We must serve before we can lead.

My strong desire to lead this body as Speaker begins with my even stronger desire to serve; to serve this body, each of its members, and most importantly, the people of Arkansas.

My vision for the House is that we will honor our Republic form of government by focusing our collective efforts on representing the interests and needs of the people who elect us.

I am a proud Democrat, but I also respect the Republicans in this chamber. I believe our two-party system can serve very useful purposes. However, we must reject Washington, DC style politics... where the political process becomes paralyzed because partisanship and Party politics are placed before the people we have sworn to serve. Experience teaches me that neither Democrats nor Republicans have a monopoly on those good ideas.

We should encourage discussion and debate. But we should do so with "civility." Not by trying to score a point for our Party, but by trying to ensure that the citizens of Arkansas win. Election contests have their place, but it is not within the walls of this House. I am always

mindful that what we do within these walls has a very real impact on the lives of all Arkansans.

As Dr. King often said, “we are caught up in an inescapable network of mutuality, tied in a single garment of destiny. Whatever affects one directly, affects all indirectly.”

As speaker, I want to foster an environment where we function like a patchwork quilt and not just red blankets and blue blankets. Where each of us contributes our own unique problem-solving ideas. With a common thread of wanting to do what is right for Arkansas, we set policies that build our State up, rather than tear each other down.

The 89th General Assembly will face serious issues. We must ensure that every child has an opportunity for a world-class education. We must solve our Medicaid problem. We must promote economic development and job growth. These, and others, are complex issues. In partnership with our Governor and the State Senate, we must work together to find solutions.

I have the utmost respect for this institution and its traditions. I am grateful to the voters of District 36 for providing me with the opportunity to serve in the Arkansas House of Representatives. If you give me the opportunity to serve as your Speaker, I will faithfully execute the duties of this office to the best of my ability. I will work with each member to find common sense solutions and common ground.

I respectfully request that you mark your ballot for Darrin Williams as your next Speaker. Thank you.

Following Representative William's address, Representative Terry Rice was recognized to address the House.

Representative Terry Rice
House Speaker-designate Candidate Address

Thank you for the opportunity and honor of addressing you today.

I appreciate each supporter for your hard work and encouragement and each member for your courtesy to me.

I am joined today by me high school sweetheart and wife of 39 years, JoAnn. We have been blessed with two grown sons and wonderful daughters-in-law and four fantastic grandchildren. JoAnn maintains our home and one of our small businesses. She has been a willing partner in following the family tradition of public service of my father and grandfather, Democrats who served a combined twenty-two years in this chamber.

Be rest assured! Because of the respect I have for this institution and you my fellow House members I will be open to the ideas of both parties and embrace any and all good ideas that serve the best interest of the citizens of this great state! I will work with the Governor and the Senate to make this happen.

If elected today, I will consistently select House leadership on the basis of individual abilities and leadership qualities, NOT on party affiliation.

I remind all of us that we must never forget that we serve the public. Not the other way around!

We will have vigorous debate, but we must continue to build a better Arkansas. It is important that the debate take place and all aspects of proposals be examined. I am committed to insuring that everyone has the opportunity to present your views...and when all views have been heard...we must come together on behalf of the state!

I believe we have three major policy initiatives that are important to the future of our state. We are at a critically important time for our state and the well-being of Arkansans. The question really will be, "Can we work together to accomplish a positive future?"

We cannot set on the sidelines and allow Arkansas jobs to scurry across the border into neighboring states! All you have to do is visit West Memphis and Texarkana to understand the issue!

- My first policy initiative will be to develop a long term plan that will reduce the State's Income Tax, reduce Over-Regulation, and Promote Growth! We must understand our sister states are "pulling out the stops" to create a business climate that will ensure their future!

Texas and Tennessee already do not have state income taxes. Oklahoma, Kansas, and Missouri have proposals to reduce and/or eliminate their state's income taxes. We must not be left behind on an island by ourselves!

We must develop a strategy that includes increasing efficiency, reducing waste and encouraging growth that will trigger a way to reduce taxes. Hard working Arkansans need to keep more of what they earn. Efficiency in operation will not mean less services but improved and expanded services.

Let's remember the economic reality....good jobs and a prosperous Arkansas depends on small business.

Government does have a role because we can choose to create the environment to help business grow.

Arkansas needs a level playing field as we compete for and hold on to Arkansas businesses.

I will propose we exempt small businesses from additional regulations, fees, and taxes. This will be a bottom up approach. We need to stop strangling our business community with more and more regulations. Also, we need to cut the fees and taxes that ultimately have kept small business from expanding and creating jobs!

While I am committed to expanding opportunities for Arkansans, it cannot be at the expense of allowing unethical behavior by those who would take unnecessary advantage.

Reduced regulation is not to be an open invitation to take advantage of others but we must not strangle business for the sins of a few. We should vigorously pursue those who break the law and choose to operate with unethical business practices

In addition, it is my goal that as a body we would bring exemplary legislation to stop the depopulation of Arkansas and create a business environment that would reverse that trend!

You all know my family and I are rural Arkansans' from a small town. The rural areas of our state have been hit particularly hard and many counties continue to lose population and jobs. For instance, many may have missed the fact that agriculture is a \$16 billion dollar enterprise in our state. While it does not provide the employment of the past, it is an extremely important sector of our state's economy and way of life. It is rural Arkansas.

We are proud of the growth of Northwest Arkansas, Jonesboro and Central Arkansas and other hot spots in the state, but let's be clear. Many folks prefer the lifestyle of rural Arkansas and we must be careful not to continue the urbanization in two or three areas only, and not to promote growth in our more rural communities. A balance is needed. Folks want choices about where to live and raise their children!

- My second policy initiative will be a call to reduce government waste and make government smaller, smarter, and more efficient.

This is not a call to reduce services but a call to invest in technology and skill development to ensure that worthwhile services will be enhanced.

You all recognize that we face a number of fiscal challenges that we've historically dealt with either by cutting services drastically, or raising taxes....both of these solutions are unacceptable! We need to look for innovative ways to address these economic challenges yet preserve a positive living environment for our citizens.

We must find creative ways to reduce energy consumption; we can use digital and broadband capabilities that will allow cost savings and enhance services. We are one of ten states nationwide which HAVE NOT taken advantage of much of the broadband capabilities. We should focus on being a more efficient and affordable

government. Arkansas is a great place to live and work and raise our families, but change is inevitable...it is imperative that we embrace change and control our destiny!

I have led with these first two policy initiatives because our goal must be to grow our economy and create jobs. We must be competitive with our surrounding states and we must make major improvements to our business climate! We cannot sit idly by and watch our state's status as a "poor state" be enhanced!

- My third policy initiative will be to work to strengthen our educational system.

It is understood that we've had major policy jumps since Lakeview....Now it is time to experience a similar growth in student achievement.

Again, there is no question many of the reforms have set the stage, while student achievement is average, college remediation rates remain very high. Low educational achievement is as threatening as a poor business climate and is a "lynch pin" that will doom Arkansas' prosperity.

Let's recommit to finally getting the state over the hump! Arkansans are a resilient people who once they make up their mind are capable of doing extraordinary things. We need to set the example and call on parents, students, grandparents and the communities of Arkansas to ensure all graduates are career and/or college ready.

Just as we must provide an environment to create jobs and ensure a robust economy, we must prepare our students to take on these jobs!

I believe we can root out waste and develop an efficient form of government by expanding access to technology to every school and community of this state.

We can have a new day in Arkansas education that provides a quantum leap of achievement for Arkansas students. The stage is set and the last few pieces need to be put in place!

To not take on the challenge is morally wrong!

Let me boil it down....the stakes are simple but huge! We can insure that parents and grandparents can see their children and grandchildren choosing to stay in Arkansas because Arkansas is the best place to build a career and raise a family. I know!

I'm reminded of my favorite Ronald Reagan quote: "There is no limit to the amount of good you can do if you don't care who gets the credit."

We all want a better future for Arkansas.

As your Speaker I need every one of you to do your part so we can move forward together! It is time for both parties to work together in legislating as you have never done before!

Thank you for listening and for the opportunity to address you! I humbly ask for your vote.

This is not a life goal. This is a calling.

God bless you, God bless Arkansas and God bless America.

Both candidates for Speaker-designate have spoken, in accordance with the House Rules and in the time permitted. The staff presented the ballot to each House member and the election was conducted. The ballots were collected and the absentee ballots were opened and placed with the ballots from the Floor. There were eleven (11) absentee ballots. The election results were as follows:

Representative Darrin Williams	54 votes
Representative Terry Rice	46 votes

Speaker Moore recognized Representative Darrin Williams as Speaker-designate for the 88th General Assembly.

EIGHTY-EIGHTH GENERAL ASSEMBLY.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE EIGHTY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. The Rules of the House of Representatives of the Eighty Eighth General Assembly of the State of Arkansas are amended to read as follows:

MEMBERS

1. Every representative shall be present within the House during the session of the House and every member shall be present at each committee meeting of which he/she is a member, unless excused or necessarily prevented. It is the policy of the Arkansas General Assembly, as a term-limited body, to encourage legislators to learn as much as possible by attending meetings of committees of which they are not a member. Prior signed and documented approval must be obtained from the chairperson of a committee for a visiting non-committee member to enjoy certain privileges offered to regular members.

2. For the purpose of seating in the House Chamber for an upcoming regular session of the General Assembly, the Speaker of the House shall, on the first Friday

following the November General Election, declare all House Chamber seats vacant and representatives and representatives-elect must select in the order of their seniority any seat not occupied after notification by the Chief Clerk of available seats. Absence or failure to select a seat at the assigned selection time will automatically allow the Speaker to assign the member to his or her same seat if it is available or the member or member-elect to a seat selected by the Speaker. Immediately following the selection of a seat by a member or member-elect or assignment of a seat by the Speaker, the member or member-elect's signature or Speaker's signature is required. Following all seat selections or assignments, member or member-elect's signatures or the Speaker's signature shall represent final movement. The Chief Clerk shall furnish voting machine and desk keys.

3. 18.(i) Have an adequate knowledge of Parliamentary Law and the Rules of the Arkansas House of Representatives.

PARLIAMENTARY PRACTICE

19. When a question is under debate, motions shall have precedence in the following order (the request for a quorum call is always in order; the Chairperson is not compelled to accept any motion):

19.(a) To fix the time to which the House will adjourn (non-debatable) (majority of a quorum);

19.(a)(1) (A majority of a quorum is a majority of those voting when at least a majority of the members are present and voting;)

19.(b) To adjourn (non-debatable) (majority of a quorum);

19.(c) To take a recess (non-debatable) (majority of a quorum);

19.(d) Postpone temporarily; lay on the table (non-debatable) (majority of a quorum) To take from the table (non-debatable) (majority of a quorum) (when the motion to take from the table is adopted, the proposition takes the same position it held when the motion to lay on the table was adopted);

19.(e) Immediate consideration (non-debatable) (2/3 of a quorum);

19.(f) Previous question (non-debatable) (5 seconds) (majority of a quorum);
 19.(g) Limit or extend debate (non-debatable) (2/3 of a quorum);
 19.(h) To expunge (debatable) (2/3 of membership) (67);
 19.(i) Postpone to a day certain (debatable) (majority of a quorum);
 19.(j) Committee of the Whole, go into (non-debatable) (majority of a quorum);

19.(k) Refer (debatable) (majority of a quorum);

19.(l) Amend (debatable) (majority of a quorum);

19.(m) Postpone indefinitely (debatable) (majority of membership);

19.(n) Take out of proper order (non-debatable) (2/3 of a quorum);

19.(o) Special order of business (debatable) (2/3 of a quorum); and

19.(p) To suspend the rules (non-debatable) (2/3 of a quorum).

20. A motion to adjourn shall always be in order, when the Floor can be obtained for that purpose, except when the previous question has been ordered.

21. The motion to recess, when the Floor can be obtained for that purpose, must specify the time which shall elapse and the time for reconvening. It may be amended to alter specific time.

22. Previous question:

22.(a) When any debatable question is before the House, any member may move the previous question. It shall be seconded by five (5) members whether the question shall be stated. When the previous question shall have been adopted, the proponents shall be allowed fifteen (15) minutes in which to debate it, and the opponents of the main question shall be allowed fifteen (15) minutes, after which time a vote upon the main question shall be taken.

22.(b) Pending a vote on the main question, one (1) motion to refer is permitted. A motion to refer under this rule applies to House resolutions as well as to House bills, to Senate bills and to Senate amendments to a House bill, and to a motion to amend the Journal. The motion to refer under this rule is non-debatable and may not be laid upon the table.

23. A motion to postpone to a day certain may not specify the hour; a special order is necessary to specify the hour; the motion may be amended and it is debatable within narrow limits only, confined to the merit of the motion itself.

24. The simple motion to refer is debatable within its narrow limits, but the merits of the proposition to which it is proposed to refer may not be brought into the debate. The motion to refer with instructions is debatable (majority vote of a quorum). When a question is raised about the proper referral of a bill to committee, if the Speaker admits error in the referral of the bill to a committee, the bill may be

re-referred by a majority vote of a quorum; however, if the Speaker does not admit error in the referral of the bill to committee, the bill may only be re-referred by a two-thirds (2/3) vote of a quorum. When a bill is re-referred to a committee, any previous committee recommendation is automatically stripped from the bill.

24.(a) When a motion is under consideration, only two (2) substitutes to that motion shall be in order. Only a motion applicable to the main motion and of a higher precedence upon recognition may be substituted for the motion under consideration. A substitute to the third degree shall not be in order. Unless specified otherwise by the presenter of the motion at the time the motion is made, a substitute motion shall apply to the main motion.

25. The motion to postpone indefinitely opens to debate all the merits of the proposition to which it is applied. It may not be applied to the motion to refer, or to suspend the rules, or to motions relating to the order of business.

25.(a) The motion for indefinite postponement and possible consideration by a joint interim committee shall be as follows: "Mr. Speaker, I move that consideration of _____ be postponed indefinitely and that consideration be given by the joint interim committee on _____ for a study of _____." (majority of membership).

26. The motion to limit or extend debate must specify time limitations. A substitute motion specifying a lesser time may be accepted.

27. Reconsideration:

27.(a) When a proposition has been made and carried or lost, it shall be in order for any member of the majority on the same or succeeding legislative day to move for the reconsideration thereof, or give notice of his/her intentions to do so and such motion shall take precedence over other questions except consideration of a conference report or a motion to adjourn: Provided, the motion or proposition shall only be considered during the period reserved for regular bills. The notice shall not be withdrawn after the said succeeding legislative day without the consent of the House, and thereafter any member may call it up for consideration: Provided, the notice to reconsider must be disposed of within three (3) legislative days following the day the vote was taken; provided, that such notice to reconsider cannot be given after the 57th day of a regular session or during a special session or fiscal session during which times a motion to reconsider must be disposed of immediately.

27.(b) The provisions of the rule that the motion may be made "by any member of the majority" is construed, in case of a tie, to mean the member of the prevailing side, and the same construction applies in the case of a two-thirds (2/3) vote. Where the yeas and nays have not been ordered recorded in the Journal, any member, irrespective of whether he/she voted with the majority or not, may make the motion to reconsider or give notice thereof; but a member who was absent or who

was paired in favor of the majority contention and did not vote may not make a motion.

27.(c) A bill in the possession of the House is not considered passed or an amendment agreed to if a motion to reconsider is pending; the effect of the motion being to suspend the original proposition. A notice or motion to reconsider shall not be allowed unless the bill is in the House. A bill shall not leave the House once notice of reconsideration is given. When the motion to reconsider is decided in the affirmative, the question immediately recurs on the motion reconsidered. However, prior to consideration of the question at hand, the Speaker shall have the title, expressing the main contents of the proposition being reconsidered, read to the House. When the motion to reconsider is defeated, a second motion to reconsider may not be made.

27.(d) The motion to reconsider is agreed to by a majority of a quorum, even though the vote reconsidered requires a majority or more of the membership. Upon reconsideration when a proposition has been voted twice and either carried or lost it is considered "Clinched".

27.(e) A notice to reconsider is not debatable. A motion to reconsider is debatable when the item to which it applies is debatable.

27.(f) No bill, petition, memorial, or resolution referred to a committee or reported there-from for recommitment shall be brought back into the House on a motion to reconsider.

27.(g) The "Clincher" motion is two (2) motions in one (1); it is a motion to reconsider and to lay on the table. Having prevailed, the proposition shall not be again considered except by expunging the record. The "Clincher" motion is adopted by a majority of the membership. The Speaker shall accept a "Sound the Ballot" request after the "Clincher" has been adopted and before the next order of business is called.

27.(h) No "Clincher" motion shall be entertained on a bill passed during the morning hour or which has been represented to be non-controversial regardless of when passed. Prior to the 60th day of a session, no bill passed during the morning hour, or a bill appearing on the non-controversial bill calendar which has passed, shall be transmitted to the Senate until the expiration of the morning hour of the day next following its passage in which the House is in session.

28. No dilatory motion shall be entertained by the Speaker.

29. Two-thirds (2/3) of a quorum may suspend the rules, other than rules that require a two-thirds (2/3) or three-fourths (3/4) vote of the membership. (J.R. 14 - Suspending Joint Rules)

30. No standing rule or order shall be revised without one (1) day's notice being given thereof.

31. In every case not provided for in the House rules, the Speaker, the Parliamentarian, and the members shall be guided by Mason's Manual of Legislative Procedure. Each member of the Rules Committee may be furnished a copy of the current edition and of each new or revised edition of Mason's Manual of Legislative Procedure and additional copies may be available to other members from the Parliamentarian, upon approval of the Rules Committee.

HOUSE OF REPRESENTATIVES

COMMITTEE CHAIRPERSONS MANUAL

AND

HOUSE COMMITTEE RULES

A committee chairperson is a member appointed by the Speaker of the House to function as the parliamentary head of a standing, select, special or joint committee.

1) The chairperson (or vice chairperson in his or her absence) shall call the committee to order at the appointed time.

2) The presider shall determine a quorum present either by declaration, without objection, or by calling the roll (for quorum purposes only a roll call will be required if there is one objection by a committee member to the declaration of the presence of a quorum).

3) The presider shall maintain order of the committee meeting.

4) The presider shall decide all questions of order subject to appeal to the Speaker of the House who may refer the question to the Rules Committee whose decision may be appealed to the full House.

5) The presider shall supervise and direct the staff of the committee.

6) The presider shall prepare, or supervise the preparation of, and sign all reports of the committee and submit them to the full House.

House Rule 55.(b) and 55.(c)

55.(b) All committees shall consider the bills, resolutions, amendments,

petitions, and memorials referred to them and in their possession and make one of the following reports in writing to the House:

55.(b)(1) That a bill, resolution, petition or memorial “do pass”;

55.(b)(2) That a bill, resolution, petition or memorial “do not pass”, in which event the measure shall not be considered unless the vote is expunged;

55.(b)(3) That a bill, resolution, petition or memorial “do pass as amended”.

55.(c) No bill, resolution, petition or memorial shall be acted upon by the House without a “do pass” or a “do pass as amended” recommendation. No bills shall be placed on the non-controversial calendar or deemed to be non-controversial in any way unless a motion is adopted in the committee to which the bill was referred. With a quorum present, the motion is considered adopted if there are no negative votes.

7) A quorum (one more than half the total membership of the committee) must be present to transact official House committee business.

(House Rule 66) No committee shall transact business without a quorum (a majority of the committee membership present). All final action on bills or resolutions, and on proposed amendments to bills or resolutions, shall be decided by a majority vote of the total membership of the committee. Provided, however, that the Speaker of the House shall not be included for the purpose of determining what is a majority of a standing committee, unless present at the time of the vote. A member of the committee must be present at the time of the vote for his/her vote to be counted on any matter considered by the committee (no pairs, no proxies).

8) (House Rule 54. (c)(2)) The rules or proceedings of the House of Representatives shall be observed in all select committees, standing committees, and subcommittees of the House so far as they may be applicable.

The precedence of motions so far as they are applicable shall be as listed in House Rule 19(a) – (q):

(House Rule 19) When a question is under debate, motions shall have precedence in the following order (the request for a quorum call is always in order; the chairperson is not compelled to accept any motion):

19(a) To fix the time to which the House will adjourn (non-debatable) (majority of a quorum);

19(a)(1) (A majority of a quorum is a majority of those voting when at least a majority of the members are present and voting);

19(b) To adjourn (non-debatable) (majority of a quorum);

19(c) To take a recess (non-debatable) (majority of a quorum);

19(d) Postpone temporarily; lay on the table (non-debatable) (majority of a quorum)

To take from the table (non-debatable) (majority of a quorum) (when the motion to take from the table is adopted, the proposition takes the same position it held when the motion to lay on the table was adopted);

19(e) Immediate consideration (non-debatable) (2/3 of a quorum);

19(f) Previous question (non-debatable) (5 seconds) (majority of a quorum);

19(g) Limit or extend debate (non-debatable) (2/3 of a quorum);

19(h) To expunge (debatable) (2/3 of membership) (67);

19(i) Postpone to a day certain (debatable) (majority of a quorum);

19(j) Committee of the Whole, go into (non-debatable) (majority of a quorum);

19(k) Refer (debatable) (majority of a quorum);

19(l) Amend (debatable) (majority of a quorum);

19.(m) Postpone indefinitely (debatable) (majority of membership);

19.(n) Take out of proper order (non-debatable) (2/3 of a quorum);

19.(o) Special order of business (debatable) (2/3 of a quorum); and

19.(p) To suspend the rules (non-debatable) (2/3 of a quorum).

9) (House Rule 60(a)) All committee and subcommittee meetings including but not limited to hearings at which public testimony is to be taken, (normally called “public hearings”) shall be open to the public (Art. V, Sec. 13) and shall be scheduled at least eighteen (18) hours in advance; agendas of bills, resolutions, and other proposals to be considered at such meetings shall be posted in a designated place at least eighteen (18) hours in advance; but in case of an emergency, a two-thirds (2/3) majority of the membership of the committee may bring bills or resolutions up for consideration upon notice of not less than two (2) hours.

10) (House Rule 60(b)) Special meetings of a standing committee may be called by the chairperson of the committee or by a majority of the members of the committee for conducting any business of the committee; provided, a special meeting of the committee may not conflict with regularly scheduled meetings of any standing committee; provided further, special meetings shall be subject to the same procedures regarding the publishing of agendas and notices of meetings that apply to regular standing committee meetings. (J.R. 21 – Joint Committee)

11) (House Rule 61(a)) All persons wishing to offer testimony to a committee hearing shall be given a reasonable opportunity to do so as determined by a majority of the committee. An oral or written statement shall not be a prerequisite to offer testimony before a committee.

12) (House Rule 63) No committee shall sit while the House is in session except the Committee on Rules or a Conference Committee, which shall notify the House.

13) (House Rule 66(a)) A bill, resolution or amendment in a House committee, having been rejected twice, shall not be placed on the committee calendar again or

considered again during the same legislative session unless the vote is expunged (two-thirds of the membership of the committee). The motion to expunge shall be placed on the committee agenda, by a committee member, and placed at the bottom of the active list. A bill or resolution may be amended before a second consideration; but, unless expunged, even an amended bill having failed twice shall not be placed on the calendar or considered. Notice of reconsideration not permitted in committee.

14) (House Rule 47(a)) When a bill or resolution is under consideration, amendments shall be in order. Upon adoption, amendments shall become a part of the bill or resolution. Amendments to amendments may not be offered. All amendments offered before the House or one of its committees must be typewritten on an approved amendment form and signed by the sponsor. All amendments shall be attached to the original bill or resolution, numbered by the Bill Clerk, and shall be placed upon the members' desks before being acted upon by the House.

(House Rule 38(e)) All amendments shall be entered on a separate sheet of paper noting the line or lines to be changed and the words to be deleted or inserted.

15) (House Rule 68) No bill or resolution shall be introduced with a committee as the author of said bill or resolution unless that committee has voted unanimously to sponsor the bill or resolution.

16) (House Rule 69) Committee Records and Reports

69(a) The chairperson of each committee of the House shall keep or cause to be kept a separate record for each committee meeting in which there shall be entered:

69(a) 1. The time and place of each hearing and each meeting of the committee.

69(a) 2. The number and title of the bill or resolution with one of the following three recommendations: "do pass", "do pass as amended", or "do not pass". If a committee recommends a bill or resolution "do pass as amended" and any of the amendments recommended by the committee are not adopted on the floor, the bill or resolution shall be re-referred to the same committee for further consideration and recommendation.

69(a) 3. A summary of each bill or resolution's major provisions which may be several paragraphs in length in case of major bills or resolutions or simply the title of the bill or resolution in the case of minor bills or resolutions.

69(a) 4. The reason for the committee's action on the bill or resolution, including a brief minority report, if requested by any two (2) committee members.

69(a) 5. A record of how every member voted on each bill or resolution when action is taken by the committee, including votes on a motion to postpone consideration on the bill or resolution and a recorded vote on any other motion, if requested by any two (2) committee members.

69(a) 6. A list of all people testifying before a committee on each bill or resolution, the interest that they represent, and an indication of their position on the bill or resolution.

17) (House Rule 69(b)) Such records for each separate committee meeting shall be approved by the chairperson before the expiration of a seven (7) day period, with the exception of those records referred to in (a) 1. and 2., hereinabove which shall be filed immediately with the Clerk of the House.

18) (House Rule 24 part) When a question is raised about the proper referral of a bill or resolution to committee, if the Speaker admits error in the referral of the bill or resolution to a committee, the bill or resolution may be re-referred by a majority vote of a quorum; however, if the Speaker does not admit error in the referral of the bill or resolution to committee, the bill or resolution may only be re-referred by a two-thirds (2/3) vote of a quorum. When a bill or resolution is re-referred to a committee, any previous committee recommendation is automatically stripped from the bill or resolution. When a motion is under consideration, only two (2) substitutes to that motion shall be in order. Only a motion applicable to the main motion and of a higher precedence upon recognition may be substituted for the motion under consideration. A substitute to the third degree shall not be in order. Unless specified otherwise by the presenter of the motion at the time the motion is made, a substitute motion shall apply to the main motion.

19) (House Rule 55 (a)) House Committee Staff will automatically and without delay place all bills or resolutions referred to the committees on the committee agendas. Staff will notify the sponsor of bills or resolutions assigned to committee. Referred bills shall be placed on the committee's active agenda in the order they are read across the desk on the House Floor. When an active agenda is established in a committee and bills from that agenda are not placed on the deferred list and if they are passed over, they are placed at the bottom of the list of the day's active agenda. Bills read across the desk on the House Floor later that same day or on a later day are placed on the active agenda in the order they are read below bills already on the active agenda.

20) After a bill or resolution has appeared on the Committee agenda and has been called up for consideration by the Committee and the sponsor of the bill or resolution or a representative is not present to present the bill or resolution, the bill or resolution will be placed on the active agenda two (2) additional times, but will be placed at the bottom of the active agenda.

21) If the sponsor or a representative is not present to present the bill or resolution when called up after the bill or resolution has appeared on the active agenda when called up during the third meeting, the bill or resolution will be automatically dropped

from the active agenda and placed on the deferred list unless the sponsor notifies staff to put the bill or resolution back on the active agenda before the agenda is prepared, for the next called meeting. Requests to move bills or resolutions from the deferred list to the active agenda must be made by 2:30 p.m. two (2) days prior to the scheduled committee meeting. Bills moved from the deferred list to the active agenda shall be listed at the bottom of the active agenda. Bills on the deferred list may be moved to the active calendar as provided by rule for a total of three (3) times only. A suspension of this rule by the Committee (two-thirds of a quorum) will be required for each transfer of any bill having been moved three (3) times previously.

22) Bills or resolutions suggested as non-controversial will be considered before consideration of controversial bills or resolutions on the agenda. The objection of one (1) committee member to the consideration of a bill or resolution as non-controversial will automatically keep the bill or resolution from being considered as being non-controversial. Even though a bill or resolution has been considered as non-controversial, it will be necessary after a "do pass" or "do pass as amended" recommendation that a motion be made and there be unanimous consent of no less than a quorum of the Committee for a bill or resolution to be eligible to be placed on the House Non-controversial Calendar.

23) If a bill or resolution is discussed by a committee at a meeting, but is not voted on because of time limitations or because the vote is deferred to the next meeting, the bill or resolution will not lose its order on the agenda and will not be counted as having been considered.

24) The author/sponsor of a bill or resolution may make a presentation for his/her bill or resolution and may elect at that time to respond to questions from the committee members. Following the initial presentation, non-legislative---non-committee members will be allowed to alternately speak against and for the bill or resolution. A procedural motion made by a member of the committee and adopted by the committee to limit or end debate will be allowed to govern non-legislative--non-committee members' discussions. At the conclusion of the non-legislative--non-committee member proponent and opponent presentations, the sponsor may return to the podium and may elect to field questions from the committee members. Those questions should be limited to requests for clarification or the securing of information. Questions that are rhetorically offered and are dilatory for the effect of debate are discouraged. At this point, the chair will entertain motions from committee members only. For disposition of a proposition in a House Committee, procedural motions (limit debate, immediate consideration, etc.) are allowed only following a main motion (do pass, do not pass, do pass as amended, etc.).

Discussion from that point forward is limited to committee members for and against the motion, if debatable, in alternating fashion. If immediate consideration is not adopted and if debate has not been limited and time has not expired, the sponsor of the motion will be allowed to close for his/her motion. During the closing, the sponsor of the motion may elect to field questions from committee members. At the conclusion of these presentations, a vote will be taken on the motion properly before the committee.

25) As determined by the presider courtesy may be extended to General Assembly members who are non-committee members who need to return to their own committee meetings.

26) (House Rule 66) Eleven (11) members of a standing committee constitute a committee quorum with the Speaker present if he/she is a member of the committee and ten (10) members when the Speaker is not present. A committee recommendation of a bill or resolution will require these same numbers.

27) Smoking is prohibited in the committee rooms and all adjoining rooms.

28) (House Rule 69(a)5) A roll call vote will be required if requested by any two (2) committee members, except for a quorum call which may be requested by one (1) member. The request for a quorum call is always in order.

29) When a roll call is required, the roll will be called by seniority with the vice chairperson being called next to last and the chairperson last. For a member's vote to be counted and recorded, he/she must vote "yes", "no" or "present".

30) During a roll call vote, when a member's name has been called twice and he/she does not respond, or when a member passes, they will not be allowed to vote at a later time on the current issue before the committee.

31) No seconds are required during the legislative process except those that are explicit in the rules, (roll call, previous question, sound the ballot, etc.)

32) (House Rule 38(p)1) When any House or Senate bill or resolution requiring an expenditure of public funds or otherwise imposing a new or increased cost obligation on any municipality or county is pending before any committee of the House of Representatives, any member of the committee may request that a fiscal impact statement for such bill or resolution be placed on the desk of each member of the committee before the bill or resolution is called up for final action in the committee. If such request is made, the chairperson of the committee shall refer the bill or resolution to the appropriate state agency or to the legislative staff for the preparation of a fiscal impact statement, to be returned to the committee in writing not later than five (5) days from the date of the request.

33) (House Rule 38(p)4) Failure of the sponsor of a bill or resolution to provide the fiscal impact statement required in this rule shall not prohibit the consideration of it in

the committee to which referred or on the floor of the house in which the bill or resolution is called up for final passage, if no objection to it is made at the time such action is taken.

(House Rule 38(p)5) Nothing in this rule shall prohibit a committee to which a bill or resolution is referred or the house in which the bill or resolution is being considered from suspending the requirement of the filing of a fiscal impact statement on any such bill or resolution in the same manner as provided for the suspension of the rules in the house in which the bill or resolution is being considered.

36) Bills imposing new or additional costs on education.

(a)(1) As used in this section, unless the context otherwise requires, "fiscal impact statement" means a realistic written statement of the purpose of a proposed law, or a regulation promulgated under a law, and the estimated financial cost to the state or any local school district of implementing or complying with the proposed law or regulation.

(2) The fiscal impact statement shall be developed by the Office of Economic and Tax Policy of the Bureau of Legislative Research with the assistance of the Department of Education within the guidelines adopted by the House Committee on Education and the Senate Committee on Education, as applicable.

(b) Any bill filed in the House of Representatives or Senate that will impose a new or increased cost obligation for education in grades kindergarten through twelve (K-12) on the State of Arkansas or any local school district shall have a fiscal impact statement attached to it prepared and filed with the chair of the committee to which the bill is referred:

(1) At least three (3) days before the bill may be called up for final action in the committee during a regular session or fiscal session of the General Assembly; and

(2) At least one (1) day before the bill may be called up for final action in the committee during a special session of the General Assembly.

(c)(1)(A) If any such House or Senate bill is called up for final passage in the House or Senate and a fiscal impact statement has not been provided by the author of the bill or by the committee to which the bill was referred, any member of the House or Senate may object to the bill's being called up for final passage until a fiscal impact statement is prepared and made available on the desk of each member of the House or Senate at least one (1) day prior to the bill's being called up for final passage.

(B) An affirmative vote of two-thirds (2/3) of a quorum present and voting shall override the objection.

(2) If an objection is made without override, the presiding officer of the House or Senate shall cause the bill to be referred to the office for the preparation of a fiscal impact statement which shall be filed with the presiding officer not later than five (5) days from the date of the request. (A.C.A. 10-2-127)

37) Bills imposing new or additional costs and restrictions on inmate population patterns or affecting programs or services of the Department of Corrections.

(a) Each of the following bills introduced in the General Assembly shall have a cost impact statement attached to the bill prior to the committee to which the bill is referred taking action in regard to the bill:

(1) Bills which affect inmate population patterns at facilities of the Department of Correction by imposing restrictions on inmate release, or by increased intake into the department of inmates based on felony convictions; and

(2) Bills which affect programs or services of the department.

(b) In addition, copies of the cost impact statement shall be furnished on the desk of each member of the Senate and of the House of Representatives at least one (1) day prior to the date on which the bill is on third reading and debated for final passage in the respective houses.

(c) Cost impact statements required under this section shall be prepared, upon referral thereof by the Speaker of the House of Representatives, with respect to House bills, and by the President of the Senate upon recommendation of the Senate Rules Committee, with respect to Senate bills, at the time of introduction thereof, to:

(1) The Director of the Department of Correction, who shall either personally prepare, or cause appropriate officials of the department to prepare, a cost impact statement to be approved by the director before submission to the house in which the request was made; or

(2) Any other state agency which has information available upon which to base a cost impact statement.

(d) The cost impact statement shall be furnished to the Governor and to the President of the Senate and the Speaker of the House of Representatives who shall cause copies thereof to be prepared for distribution upon the desks of the members of the House and Senate at least twenty-four (24) hours prior to consideration of any such bill by committee or twenty-four (24) hours prior to the bill's being called up for third reading and final passage.

(e) The cost impact statement shall be certified by the director, or the director of the appropriate agency to which the bill is referred for preparation of an impact statement, and shall be returned and filed as required in this section within not more than five (5) days from the date of receipt thereof unless additional time in which to

prepare the statement is granted by the requesting official. (A.C.A. 12-28-103)

TO AMEND THE RULES OF THE HOUSE OF REPRESENTATIVES OF THE
EIGHTY-EIGHTH GENERAL ASSEMBLY.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE EIGHTY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. The Rules of the House of Representatives of the Eighty Eighth General Assembly of the State of Arkansas are amended to read as follows:

MEMBERS

1. Every representative shall be present within the House during the session of the House and every member shall be present at each committee meeting of which he/she is a member, unless excused or necessarily prevented. It is the policy of the Arkansas General Assembly, as a term-limited body, to encourage legislators to learn as much as possible by attending meetings of committees of which they are not a member. Prior signed and documented approval must be obtained from the chairperson of a committee for a visiting non-committee member to enjoy certain privileges offered to regular members.

2. For the purpose of seating in the House Chamber for an upcoming regular session of the General Assembly, the Speaker of the House shall, on the first Friday

following the November General Election, declare all House Chamber seats vacant and representatives and representatives-elect must select in the order of their seniority any seat not occupied after notification by the Chief Clerk of available seats. Absence or failure to select a seat at the assigned selection time will automatically allow the Speaker to assign the member to his or her same seat if it is available or the member or member-elect to a seat selected by the Speaker. Immediately following the selection of a seat by a member or member-elect or assignment of a seat by the Speaker, the member or member-elect's signature or Speaker's signature is required. Following all seat selections or assignments, member or member-elect's signatures or the Speaker's signature shall represent final movement. The Chief Clerk shall furnish voting machine and desk keys.

3. When it is necessary for seniority of incoming members to be determined by lot, the Speaker of the House and the Speaker-designate of the House shall conduct a drawing by lots upon receiving certification from the Secretary of State of the election of membership to each General Assembly. Qualified and certified persons to be seated and officially receive the oath of office may do so only at a time and place prescribed by the House. No person having resigned from public office as a provision to a plea agreement to avoid felony prosecution shall be seated or administered the oath of office. Incoming members with previous legislative tenure shall be placed highest in seniority among the incoming members based upon previous terms of service. Where an equivalence of full terms of service exists, seniority for those with equal terms shall be asserted by drawing lots to determine their numerical standing.

4. A majority of all representatives elected to the House shall be necessary to transact business. When less than a quorum of House members shall assemble, those present shall be authorized to send for the absent representatives or adjourn. Penalties may be decided by a majority of the representatives present. (Art. 5, Sec. 11)

5. Each representative is expected to vote on each question put before the House unless he/she has an immediate personal interest.

6. Any representative shall have the right to explain his/her vote on any bill or other question before the House, in writing. Such explanation shall not be entered upon the Journal, but shall be filed with the Chief Clerk.

7. Every bill or resolution in the possession of the House or of any committee thereof shall be made available to any member for his/her examination.

8. No member at any time shall take from the House or any committee any bill or other paper belonging to the House, without consent of the Speaker, subject to the will of the House.

9. It shall be the duty of each representative to know, practice and preserve Parliamentary Law.

THE SPEAKER

10. Selection.

10.(a) As used in this rule, the term "Speaker-designate" shall mean the member of the House of Representatives selected by the House of Representatives of each General Assembly held preceding the convening of the next-following regular session of the General Assembly, in the following manner:

Each candidate for Speaker-designate shall be allowed fifteen (15) minutes to address the House before the ballot is taken. All members are required to be present for the addresses and for the election. In the event a member is unable to attend, absentee ballots may be requested by a member for himself/herself from the Speaker's Office no sooner than twenty (20) calendar days prior to the scheduled election and must be completed and returned to the Speaker's Office no later than four p.m. (4:00 p.m.) the day before the scheduled election. It is the intent of the Speaker's office to accommodate any and all members for Speaker-designate voting, should a member have a documented emergency arise, the Speaker may direct staff to allow for absentee voting up to two (2) hours prior to the scheduled election. Leave for absence shall be requested immediately before the time of the election. The Speaker shall announce the name and number of votes received by the candidate who received at least a majority of the votes of the membership of the House. 10.(a)(3) If no candidate receives a majority vote of the membership of the House of Representatives, the names of the two (2) candidates receiving the highest number of votes cast shall be placed on a run-off ballot and distributed among the membership of the House of Representatives in the same manner provided above.

10.(a)(4) If it is determined that the Speaker-designate will not serve as a member of the House of Representatives of the next-following General Assembly due to death, resignation, failure to be a candidate for reelection in the party primary

election, or failure to be reelected as a party candidate in the Primary Election, a vacancy in the position of Speaker-designate shall exist and be filled at the caucus of the entire House of Representatives-elect held on the Friday of the week designated for the biennial Institute of Legislative Procedure (House Legislative Orientation), and the Speaker of the House of Representatives shall be elected upon convening of the next regular session.

18.(i) Have an adequate knowledge of Parliamentary Law and the Rules of the Arkansas House of Representatives.

PARLIAMENTARY PRACTICE

19. When a question is under debate, motions shall have precedence in the following order (the request for a quorum call is always in order; the Chairperson is not compelled to accept any motion):

19.(a) To fix the time to which the House will adjourn (non-debatable) (majority of a quorum);

19.(a)(1) (A majority of a quorum is a majority of those voting when at least a majority of the members are present and voting;)

19.(b) To adjourn (non-debatable) (majority of a quorum);

19.(c) To take a recess (non-debatable) (majority of a quorum);

19.(d) Postpone temporarily; lay on the table (non-debatable) (majority of a quorum) To take from the table (non-debatable) (majority of a quorum) (when the motion to take from the table is adopted, the proposition takes the same position it held when the motion to lay on the table was adopted);

- 19.(e) Immediate consideration (non-debatable) (2/3 of a quorum);
- 19.(f) Previous question (non-debatable) (5 seconds) (majority of a quorum);
- 19.(g) Limit or extend debate (non-debatable) (2/3 of a quorum);
- 19.(h) To expunge (debatable) (2/3 of membership) (67);
- 19.(i) Postpone to a day certain (debatable) (majority of a quorum);
- 19.(j) Committee of the Whole, go into (non-debatable) (majority of a quorum);
- 19.(k) Refer (debatable) (majority of a quorum);
- 19.(l) Amend (debatable) (majority of a quorum);
- 19.(m) Postpone indefinitely (debatable) (majority of membership);
- 19.(n) Take out of proper order (non-debatable) (2/3 of a quorum);
- 19.(o) Special order of business (debatable) (2/3 of a quorum); and
- 19.(p) To suspend the rules (non-debatable) (2/3 of a quorum).

20. A motion to adjourn shall always be in order, when the Floor can be obtained for that purpose, except when the previous question has been ordered.

21. The motion to recess, when the Floor can be obtained for that purpose, must specify the time which shall elapse and the time for reconvening. It may be amended to alter specific time.

22. Previous question:

22.(a) When any debatable question is before the House, any member may move the previous question. It shall be seconded by five (5) members whether the question shall be stated. When the previous question shall have been adopted, the proponents shall be allowed fifteen (15) minutes in which to debate it, and the opponents of the main question shall be allowed fifteen (15) minutes, after which time a vote upon the main question shall be taken.

22.(b) Pending a vote on the main question, one (1) motion to refer is permitted. A motion to refer under this rule applies to House resolutions as well as to House bills, to Senate bills and to Senate amendments to a House bill, and to a motion to amend the Journal. The motion to refer under this rule is non-debatable and may not be laid upon the table.

23. A motion to postpone to a day certain may not specify the hour; a special order is necessary to specify the hour; the motion may be amended and it is debatable within narrow limits only, confined to the merit of the motion itself.

24. The simple motion to refer is debatable within its narrow limits, but the merits of the proposition to which it is proposed to refer may not be brought into the debate. The motion to refer with instructions is debatable (majority vote of a quorum). When a question is raised about the proper referral of a bill to committee,

if the Speaker admits error in the referral of the bill to a committee, the bill may be re-referred by a majority vote of a quorum; however, if the Speaker does not admit error in the referral of the bill to committee, the bill may only be re-referred by a two-thirds (2/3) vote of a quorum. When a bill is re-referred to a committee, any previous committee recommendation is automatically stripped from the bill.

24.(a) When a motion is under consideration, only two (2) substitutes to that motion shall be in order. Only a motion applicable to the main motion and of a higher precedence upon recognition may be substituted for the motion under consideration. A substitute to the third degree shall not be in order. Unless specified otherwise by the presenter of the motion at the time the motion is made, a substitute motion shall apply to the main motion.

25. The motion to postpone indefinitely opens to debate all the merits of the proposition to which it is applied. It may not be applied to the motion to refer, or to suspend the rules, or to motions relating to the order of business.

25.(a) The motion for indefinite postponement and possible consideration by a joint interim committee shall be as follows: "Mr. Speaker, I move that consideration of _____ be postponed indefinitely and that consideration be given by the joint interim committee on _____ for a study of _____." (majority of membership).

26. The motion to limit or extend debate must specify time limitations. A substitute motion specifying a lesser time may be accepted.

27. Reconsideration:

27.(a) When a proposition has been made and carried or lost, it shall be in order for any member of the majority on the same or succeeding legislative day to move for the reconsideration thereof, or give notice of his/her intentions to do so and such motion shall take precedence over other questions except consideration of a conference report or a motion to adjourn: Provided, the motion or proposition shall only be considered during the period reserved for regular bills. The notice shall not be withdrawn after the said succeeding legislative day without the consent of the House, and thereafter any member may call it up for consideration: Provided, the notice to reconsider must be disposed of within three (3) legislative days following the day the vote was taken; provided, that such notice to reconsider cannot be given after the 57th day of a regular session or during a special session or fiscal session during which times a motion to reconsider must be disposed of immediately.

27.(b) The provisions of the rule that the motion may be made "by any member of the majority" is construed, in case of a tie, to mean the member of the prevailing side, and the same construction applies in the case of a two-thirds (2/3) vote. Where the yeas and nays have not been ordered recorded in the Journal, any member, irrespective of whether he/she voted with the majority or not, may make the

motion to reconsider or give notice thereof; but a member who was absent or who was paired in favor of the majority contention and did not vote may not make a motion.

27.(c) A bill in the possession of the House is not considered passed or an amendment agreed to if a motion to reconsider is pending; the effect of the motion being to suspend the original proposition. A notice or motion to reconsider shall not be allowed unless the bill is in the House. A bill shall not leave the House once notice of reconsideration is given. When the motion to reconsider is decided in the affirmative, the question immediately recurs on the motion reconsidered. However, prior to consideration of the question at hand, the Speaker shall have the title, expressing the main contents of the proposition being reconsidered, read to the House. When the motion to reconsider is defeated, a second motion to reconsider may not be made.

27.(d) The motion to reconsider is agreed to by a majority of a quorum, even though the vote reconsidered requires a majority or more of the membership. Upon reconsideration when a proposition has been voted twice and either carried or lost it is considered "Clinched".

27.(e) A notice to reconsider is not debatable. A motion to reconsider is debatable when the item to which it applies is debatable.

27.(f) No bill, petition, memorial, or resolution referred to a committee or reported there-from for recommitment shall be brought back into the House on a motion to reconsider.

27.(g) The "Clincher" motion is two (2) motions in one (1); it is a motion to reconsider and to lay on the table. Having prevailed, the proposition shall not be again considered except by expunging the record. The "Clincher" motion is adopted by a majority of the membership. The Speaker shall accept a "Sound the Ballot" request after the "Clincher" has been adopted and before the next order of business is called.

27.(h) No "Clincher" motion shall be entertained on a bill passed during the morning hour or which has been represented to be non-controversial regardless of when passed. Prior to the 60th day of a session, no bill passed during the morning hour, or a bill appearing on the non-controversial bill calendar which has passed, shall be transmitted to the Senate until the expiration of the morning hour of the day next following its passage in which the House is in session.

28. No dilatory motion shall be entertained by the Speaker.

29. Two-thirds (2/3) of a quorum may suspend the rules, other than rules that require a two-thirds (2/3) or three-fourths (3/4) vote of the membership.

(J.R. 14 - Suspending Joint Rules)

30. No standing rule or order shall be revised without one (1) day's notice being given thereof.

31. In every case not provided for in the House rules, the Speaker, the Parliamentarian, and the members shall be guided by Mason's Manual of Legislative Procedure. Each member of the Rules Committee may be furnished a copy of the current edition and of each new or revised edition of Mason's Manual of Legislative Procedure and additional copies may be available to other members from the Parliamentarian, upon approval of the Rules Committee.

resolution or concurrent memorial resolution that is subject to this rule may be transmitted to the Senate on the same day that it is passed. A joint resolution proposing a Constitutional amendment shall be placed on the regular House calendar and is subject to Rule 27 (h).

A committee chairperson is a member appointed by the Speaker of the House to function as the parliamentary head of a standing, select, special or joint committee.

1) The chairperson (or vice chairperson in his or her absence) shall call the committee to order at the appointed time.

2) The presider shall determine a quorum present either by declaration, without objection, or by calling the roll (for quorum purposes only a roll call will be required if there is one objection by a committee member to the declaration of the presence of a quorum).

3) The presider shall maintain order of the committee meeting.

4) The presider shall decide all questions of order subject to appeal to the Speaker of the House who may refer the question to the Rules Committee whose decision may be appealed to the full House.

5) The presider shall supervise and direct the staff of the committee.

6) The presider shall prepare, or supervise the preparation of, and sign all reports of the committee and submit them to the full House.

House Rule 55.(b) and 55.(c)

55.(b) All committees shall consider the bills, resolutions, amendments,

petitions, and memorials referred to them and in their possession and make one of the following reports in writing to the House:

55.(b)(1) That a bill, resolution, petition or memorial “do pass”;

55.(b)(2) That a bill, resolution, petition or memorial “do not pass”, in which event the measure shall not be considered unless the vote is expunged;

55.(b)(3) That a bill, resolution, petition or memorial “do pass as amended”.

55.(c) No bill, resolution, petition or memorial shall be acted upon by the House without a “do pass” or a “do pass as amended” recommendation. No bills shall be placed on the non-controversial calendar or deemed to be non-controversial in any way unless a motion is adopted in the committee to which the bill was referred. With a quorum present, the motion is considered adopted if there are no negative votes.

7) A quorum (one more than half the total membership of the committee) must be present to transact official House committee business.

(House Rule 66) No committee shall transact business without a quorum (a majority of the committee membership present). All final action on bills or resolutions, and on proposed amendments to bills or resolutions, shall be decided by a majority vote of the total membership of the committee. Provided, however, that the Speaker of the House shall not be included for the purpose of determining what is a majority of a standing committee, unless present at the time of the vote. A member of the committee must be present at the time of the vote for his/her vote to be counted on any matter considered by the committee (no pairs, no proxies).

8) (House Rule 54. (c)(2)) The rules or proceedings of the House of Representatives shall be observed in all select committees, standing committees, and subcommittees of the House so far as they may be applicable.

The precedence of motions so far as they are applicable shall be as listed in House Rule 19(a) – (q):

(House Rule 19) When a question is under debate, motions shall have precedence in the following order (the request for a quorum call is always in order; the chairperson is not compelled to accept any motion):

19(a) To fix the time to which the House will adjourn (non-debatable) (majority of a quorum);

19(a)(1) (A majority of a quorum is a majority of those voting when at least a majority of the members are present and voting);

19(b) To adjourn (non-debatable) (majority of a quorum);

19(c) To take a recess (non-debatable) (majority of a quorum);

19(d) Postpone temporarily; lay on the table (non-debatable) (majority of a quorum)

To take from the table (non-debatable) (majority of a quorum) (when the motion to take from the table is adopted, the proposition takes the same position it held when the motion to lay on the table was adopted);

19(e) Immediate consideration (non-debatable) (2/3 of a quorum);

19(f) Previous question (non-debatable) (5 seconds) (majority of a quorum);

19(g) Limit or extend debate (non-debatable) (2/3 of a quorum);

19(h) To expunge (debatable) (2/3 of membership) (67);

19(i) Postpone to a day certain (debatable) (majority of a quorum);

19(j) Committee of the Whole, go into (non-debatable) (majority of a quorum);

19(k) Refer (debatable) (majority of a quorum);

19(l) Amend (debatable) (majority of a quorum);

19.(m) Postpone indefinitely (debatable) (majority of membership);

19.(n) Take out of proper order (non-debatable) (2/3 of a quorum);

19.(o) Special order of business (debatable) (2/3 of a quorum); and

19.(p) To suspend the rules (non-debatable) (2/3 of a quorum).

9) (House Rule 60(a)) All committee and subcommittee meetings including but not limited to hearings at which public testimony is to be taken, (normally called “public hearings”) shall be open to the public (Art. V, Sec. 13) and shall be scheduled at least eighteen (18) hours in advance; agendas of bills, resolutions, and other proposals to be considered at such meetings shall be posted in a designated place at least eighteen (18) hours in advance; but in case of an emergency, a two-thirds (2/3) majority of the membership of the committee may bring bills or resolutions up for consideration upon notice of not less than two (2) hours.

10) (House Rule 60(b)) Special meetings of a standing committee may be called by the chairperson of the committee or by a majority of the members of the committee for conducting any business of the committee; provided, a special meeting of the committee may not conflict with regularly scheduled meetings of any standing committee; provided further, special meetings shall be subject to the same procedures regarding the publishing of agendas and notices of meetings that apply to regular standing committee meetings. (J.R. 21 – Joint Committee)

11) (House Rule 61(a)) All persons wishing to offer testimony to a committee hearing shall be given a reasonable opportunity to do so as determined by a majority of the committee. An oral or written statement shall not be a prerequisite to offer testimony before a committee.

12) (House Rule 63) No committee shall sit while the House is in session except the Committee on Rules or a Conference Committee, which shall notify the House.

13) (House Rule 66(a)) A bill, resolution or amendment in a House committee, having been rejected twice, shall not be placed on the committee calendar again or

considered again during the same legislative session unless the vote is expunged (two-thirds of the membership of the committee). The motion to expunge shall be placed on the committee agenda, by a committee member, and placed at the bottom of the active list. A bill or resolution may be amended before a second consideration; but, unless expunged, even an amended bill having failed twice shall not be placed on the calendar or considered. Notice of reconsideration not permitted in committee.

14) (House Rule 47(a)) When a bill or resolution is under consideration, amendments shall be in order. Upon adoption, amendments shall become a part of the bill or resolution. Amendments to amendments may not be offered. All amendments offered before the House or one of its committees must be typewritten on an approved amendment form and signed by the sponsor. All amendments shall be attached to the original bill or resolution, numbered by the Bill Clerk, and shall be placed upon the members' desks before being acted upon by the House.

(House Rule 38(e)) All amendments shall be entered on a separate sheet of paper noting the line or lines to be changed and the words to be deleted or inserted.

15) (House Rule 68) No bill or resolution shall be introduced with a committee as the author of said bill or resolution unless that committee has voted unanimously to sponsor the bill or resolution.

16) (House Rule 69) Committee Records and Reports

69(a) The chairperson of each committee of the House shall keep or cause to be kept a separate record for each committee meeting in which there shall be entered:

69(a) 1. The time and place of each hearing and each meeting of the committee.

69(a) 2. The number and title of the bill or resolution with one of the following three recommendations: "do pass", "do pass as amended", or "do not pass". If a committee recommends a bill or resolution "do pass as amended" and any of the amendments recommended by the committee are not adopted on the floor, the bill or resolution shall be re-referred to the same committee for further consideration and recommendation.

69(a) 3. A summary of each bill or resolution's major provisions which may be several paragraphs in length in case of major bills or resolutions or simply the title of the bill or resolution in the case of minor bills or resolutions.

69(a) 4. The reason for the committee's action on the bill or resolution, including a brief minority report, if requested by any two (2) committee members.

69(a) 5. A record of how every member voted on each bill or resolution when action is taken by the committee, including votes on a motion to postpone consideration on the bill or resolution and a recorded vote on any other motion, if requested by any two (2) committee members.

69(a) 6. A list of all people testifying before a committee on each bill or resolution, the interest that they represent, and an indication of their position on the bill or resolution.

17) (House Rule 69(b)) Such records for each separate committee meeting shall be approved by the chairperson before the expiration of a seven (7) day period, with the exception of those records referred to in (a) 1. and 2., hereinabove which shall be filed immediately with the Clerk of the House.

18) (House Rule 24 part) When a question is raised about the proper referral of a bill or resolution to committee, if the Speaker admits error in the referral of the bill or resolution to a committee, the bill or resolution may be re-referred by a majority vote of a quorum; however, if the Speaker does not admit error in the referral of the bill or resolution to committee, the bill or resolution may only be re-referred by a two-thirds (2/3) vote of a quorum. When a bill or resolution is re-referred to a committee, any previous committee recommendation is automatically stripped from the bill or resolution. When a motion is under consideration, only two (2) substitutes to that motion shall be in order. Only a motion applicable to the main motion and of a higher precedence upon recognition may be substituted for the motion under consideration. A substitute to the third degree shall not be in order. Unless specified otherwise by the presenter of the motion at the time the motion is made, a substitute motion shall apply to the main motion.

19) (House Rule 55 (a)) House Committee Staff will automatically and without delay place all bills or resolutions referred to the committees on the committee agendas. Staff will notify the sponsor of bills or resolutions assigned to committee. Referred bills shall be placed on the committee's active agenda in the order they are read across the desk on the House Floor. When an active agenda is established in a committee and bills from that agenda are not placed on the deferred list and if they are passed over, they are placed at the bottom of the list of the day's active agenda. Bills read across the desk on the House Floor later that same day or on a later day are placed on the active agenda in the order they are read below bills already on the active agenda.

20) After a bill or resolution has appeared on the Committee agenda and has been called up for consideration by the Committee and the sponsor of the bill or resolution or a representative is not present to present the bill or resolution, the bill or resolution will be placed on the active agenda two (2) additional times, but will be placed at the bottom of the active agenda.

21) If the sponsor or a representative is not present to present the bill or resolution when called up after the bill or resolution has appeared on the active agenda when called up during the third meeting, the bill or resolution will be automatically dropped

from the active agenda and placed on the deferred list unless the sponsor notifies staff to put the bill or resolution back on the active agenda before the agenda is prepared, for the next called meeting. Requests to move bills or resolutions from the deferred list to the active agenda must be made by 2:30 p.m. two (2) days prior to the scheduled committee meeting. Bills moved from the deferred list to the active agenda shall be listed at the bottom of the active agenda. Bills on the deferred list may be moved to the active calendar as provided by rule for a total of three (3) times only. A suspension of this rule by the Committee (two-thirds of a quorum) will be required for each transfer of any bill having been moved three (3) times previously.

22) Bills or resolutions suggested as non-controversial will be considered before consideration of controversial bills or resolutions on the agenda. The objection of one (1) committee member to the consideration of a bill or resolution as non-controversial will automatically keep the bill or resolution from being considered as being non-controversial. Even though a bill or resolution has been considered as non-controversial, it will be necessary after a “do pass” or “do pass as amended” recommendation that a motion be made and there be unanimous consent of no less than a quorum of the Committee for a bill or resolution to be eligible to be placed on the House Non-controversial Calendar.

23) If a bill or resolution is discussed by a committee at a meeting, but is not voted on because of time limitations or because the vote is deferred to the next meeting, the bill or resolution will not lose its order on the agenda and will not be counted as having been considered.

24) The author/sponsor of a bill or resolution may make a presentation for his/her bill or resolution and may elect at that time to respond to questions from the committee members. Following the initial presentation, non-legislative---non-committee members will be allowed to alternately speak against and for the bill or resolution. A procedural motion made by a member of the committee and adopted by the committee to limit or end debate will be allowed to govern non-legislative--non-committee members' discussions. At the conclusion of the non-legislative--non-committee member proponent and opponent presentations, the sponsor may return to the podium and may elect to field questions from the committee members. Those questions should be limited to requests for clarification or the securing of information. Questions that are rhetorically offered and are dilatory for the effect of debate are discouraged. At this point, the chair will entertain motions from committee members only. For disposition of a proposition in a House Committee, procedural motions (limit debate, immediate consideration, etc.) are allowed only following a main motion (do pass, do not pass, do pass as amended, etc.).

Discussion from that point forward is limited to committee members for and against the motion, if debatable, in alternating fashion. If immediate consideration is not adopted and if debate has not been limited and time has not expired, the sponsor of the motion will be allowed to close for his/her motion. During the closing, the sponsor of the motion may elect to field questions from committee members. At the conclusion of these presentations, a vote will be taken on the motion properly before the committee.

25) As determined by the presider courtesy may be extended to General Assembly members who are non-committee members who need to return to their own committee meetings.

26) (House Rule 66) Eleven (11) members of a standing committee constitute a committee quorum with the Speaker present if he/she is a member of the committee and ten (10) members when the Speaker is not present. A committee recommendation of a bill or resolution will require these same numbers.

27) Smoking is prohibited in the committee rooms and all adjoining rooms.

28) (House Rule 69(a)5) A roll call vote will be required if requested by any two (2) committee members, except for a quorum call which may be requested by one (1) member. The request for a quorum call is always in order.

29) When a roll call is required, the roll will be called by seniority with the vice chairperson being called next to last and the chairperson last. For a member's vote to be counted and recorded, he/she must vote "yes", "no" or "present".

30) During a roll call vote, when a member's name has been called twice and he/she does not respond, or when a member passes, they will not be allowed to vote at a later time on the current issue before the committee.

31) No seconds are required during the legislative process except those that are explicit in the rules, (roll call, previous question, sound the ballot, etc.)

32) (House Rule 38(p)1) When any House or Senate bill or resolution requiring an expenditure of public funds or otherwise imposing a new or increased cost obligation on any municipality or county is pending before any committee of the House of Representatives, any member of the committee may request that a fiscal impact statement for such bill or resolution be placed on the desk of each member of the committee before the bill or resolution is called up for final action in the committee. If such request is made, the chairperson of the committee shall refer the bill or resolution to the appropriate state agency or to the legislative staff for the preparation of a fiscal impact statement, to be returned to the committee in writing not later than five (5) days from the date of the request.

33) (House Rule 38(p)4) Failure of the sponsor of a bill or resolution to provide the fiscal impact statement required in this rule shall not prohibit the consideration of it in

the committee to which referred or on the floor of the house in which the bill or resolution is called up for final passage, if no objection to it is made at the time such action is taken.

(House Rule 38(p)5) Nothing in this rule shall prohibit a committee to which a bill or resolution is referred or the house in which the bill or resolution is being considered from suspending the requirement of the filing of a fiscal impact statement on any such bill or resolution in the same manner as provided for the suspension of the rules in the house in which the bill or resolution is being considered.

36) Bills imposing new or additional costs on education.

(a)(1) As used in this section, unless the context otherwise requires, "fiscal impact statement" means a realistic written statement of the purpose of a proposed law, or a regulation promulgated under a law, and the estimated financial cost to the state or any local school district of implementing or complying with the proposed law or regulation.

(2) The fiscal impact statement shall be developed by the Office of Economic and Tax Policy of the Bureau of Legislative Research with the assistance of the Department of Education within the guidelines adopted by the House Committee on Education and the Senate Committee on Education, as applicable.

(b) Any bill filed in the House of Representatives or Senate that will impose a new or increased cost obligation for education in grades kindergarten through twelve (K-12) on the State of Arkansas or any local school district shall have a fiscal impact statement attached to it prepared and filed with the chair of the committee to which the bill is referred:

(1) At least three (3) days before the bill may be called up for final action in the committee during a regular session or fiscal session of the General Assembly; and

(2) At least one (1) day before the bill may be called up for final action in the committee during a special session of the General Assembly.

(c)(1)(A) If any such House or Senate bill is called up for final passage in the House or Senate and a fiscal impact statement has not been provided by the author of the bill or by the committee to which the bill was referred, any member of the House or Senate may object to the bill's being called up for final passage until a fiscal impact statement is prepared and made available on the desk of each member of the House or Senate at least one (1) day prior to the bill's being called up for final passage.

(B) An affirmative vote of two-thirds (2/3) of a quorum present and voting shall override the objection.

(2) If an objection is made without override, the presiding officer of the House or Senate shall cause the bill to be referred to the office for the preparation of a fiscal impact statement which shall be filed with the presiding officer not later than five (5) days from the date of the request. (A.C.A. 10-2-127)

37) Bills imposing new or additional costs and restrictions on inmate population patterns or affecting programs or services of the Department of Corrections.

(a) Each of the following bills introduced in the General Assembly shall have a cost impact statement attached to the bill prior to the committee to which the bill is referred taking action in regard to the bill:

(1) Bills which affect inmate population patterns at facilities of the Department of Correction by imposing restrictions on inmate release, or by increased intake into the department of inmates based on felony convictions; and

(2) Bills which affect programs or services of the department.

(b) In addition, copies of the cost impact statement shall be furnished on the desk of each member of the Senate and of the House of Representatives at least one (1) day prior to the date on which the bill is on third reading and debated for final passage in the respective houses.

(c) Cost impact statements required under this section shall be prepared, upon referral thereof by the Speaker of the House of Representatives, with respect to House bills, and by the President of the Senate upon recommendation of the Senate Rules Committee, with respect to Senate bills, at the time of introduction thereof, to:

(1) The Director of the Department of Correction, who shall either personally prepare, or cause appropriate officials of the department to prepare, a cost impact statement to be approved by the director before submission to the house in which the request was made; or

(2) Any other state agency which has information available upon which to base a cost impact statement.

(d) The cost impact statement shall be furnished to the Governor and to the President of the Senate and the Speaker of the House of Representatives who shall cause copies thereof to be prepared for distribution upon the desks of the members of the House and Senate at least twenty-four (24) hours prior to consideration of any such bill by committee or twenty-four (24) hours prior to the bill's being called up for third reading and final passage.

(e) The cost impact statement shall be certified by the director, or the director of the appropriate agency to which the bill is referred for preparation of an impact statement, and shall be returned and filed as required in this section within not more than five (5) days from the date of receipt thereof unless additional time in which to

prepare the statement is granted by the requesting official. (A.C.A. 12-28-103)

A quorum was present.

This House Caucus is convened pursuant to Arkansas Code Annotated 10-2-107. Having received the necessary signatures to cause the formal election of the Speaker of the 89th General Assembly to be in doubt, we are here for the purpose of determining whether Speaker-elect Darrin Williams will be affirmed to serve as the Speaker of the 89th General Assembly.

Ladies and gentlemen of the House, it is extremely important that we have the full attention and cooperation of all the members of the House as we continue this process.

On March 9, 2012, a Caucus of the House of Representatives of the 88th General Assembly was held to select a Speaker-designate. The two (2) nominees, Representatives' Terry Rice and Darrin Williams, by House Rules, were provided fifteen (15) minutes each to address the House before the ballot was taken.

The proceedings produced Representative Darrin Williams to serve as Speaker-designate.

The first order of business was whether or not to affirm Mr. Williams' formal election as Speaker-elect of the 89th General Assembly.

Speaker Moore recognized Representative Williams to speak for fifteen (15) minutes.

After Mr. Williams spoke, staff presented the ballot to each House member and the election was conducted. The ballots were collected and the absentee ballots were opened and placed with the ballots from the Floor. There were eight (8) absentee ballots. The election results were as follows;

FOR Representative Williams 48

AGAINST Representative Williams 49

Not voting 2

Not present – not voting 1

Since Mr. Williams was not affirmed as being formally elected as Speaker-elect of the 89th General Assembly, Speaker Moore declared a vacancy for Speaker-elect and asked for any nominees wishing to pursue the vacancy to meet in the Speaker's Office in ten (10) minutes for an organizational meeting prior to the election, and asked that only members seeking the position of Speaker-elect of the 89th General Assembly should come his office. The House stands in recess for thirty (30) minutes, until 1:30 p.m. to organize the formal election of Speaker-elect.

We have just held a meeting to determine the nominees for the vacancy for Speaker-elect of the 89th General Assembly. That meeting was attended by Representatives' Carter, and Rice.

Representative Carter and Representative Rice were allowed an opportunity to draw for ballot position. The results of the drawing were:

Position #1 Representative Davy Carter
Position #2 Representative Terry Rice

At that time the rules pertinent to these proceedings were discussed with the candidates. The House Procedures provide for each candidate to be allowed fifteen (15) minutes each to address the House before the ballot is taken.

Absentee balloting has been completed.

In accordance with House Procedure, Speaker Moore recognized Representative Davy Carter to speak for fifteen (15) minutes.

After Mr. Carter's speech, Speaker Moore recognized Representative Terry Rice to speak for fifteen (15) minutes.

Both candidates for Speaker-elect have spoken in accordance with the House Procedure and in the time permitted. The staff presented the ballot to each House member and the election was conducted. The ballots were collected and the absentee ballots were opened and placed with the ballots from the Floor. There were seven absentee ballots. The election results were as follows:

After counting of the ballot, Speaker Moore declared the results.

Representative Davy Carter 52
Representative Terry Rice 45
Not voting 1
Not Present – Not voting 2

Speaker Moore recognized Representative Davy Carter as Speaker-elect for the 89th General Assembly.

Upon motion of Speaker Moore, the House Caucus adjourned at 2:10 p.m.
