It is found and determined by the General Assembly of the State of Arkansas that increasing the number of Arkansans who obtain postsecondary credentials is critical to the economic health of the state and its citizens; that the Arkansas Scholarship Lottery provides the opportunity for tens of thousands of Arkansans to obtain postsecondary education; that the deadline for scholarship applications is June 1; that the financial integrity of the Arkansas Scholarship Lottery is critical to the continued existence of the scholarships; that the reporting and research provisions of this act are critical for timely decisions by the General Assembly on scholarship awards; and that this act is immediately necessary because the Department of Higher Education must promulgate rules to implement this act well before June 1, 2011, in order to provide eligible Arkansans the opportunity to apply for the scholarship. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

Sales Tax Anticipated Revenue Bonds.

(a) A city or county may form one (1) or more districts for the purpose of financing sales tax anticipated revenue bond projects within the district as provided by this amendment.

(b)(1) A city or county which has formed a district under this amendment may issue bonds for the purpose of financing certain costs related to a sales tax anticipated revenue bond project within the district, as determined by the General Assembly.

(2) The bonds may be secured by and be payable from all or a portion of the division of state sales and use taxes collected within the district under subsection (e) of this amendment.

(3) The bonds shall not be:

(A) Considered in calculating debt limits for bonds issued pursuant to Article XII, § 4, of the Arkansas Constitution; or

(B) Subject to the provisions of Article XVI, § 1, of the Arkansas Constitution or Amendments 62 or 65 to the Arkansas Constitution.

(c) For purposes of this amendment, the term "sales tax anticipated revenue bond project" means an undertaking, including without limitation the acquisition, development, redevelopment, and revitalization of land within the district, for eliminating or preventing the development or spread of slums or blighted, deteriorated, or deteriorating areas, for discouraging the loss of commerce, industry, or employment, for increasing employment, or any combination thereof, as may be defined by the General Assembly.

(d) Prior to a city or county's issuance of bonds for a sales tax anticipated revenue bond project under subsection (b) of this section, the sales tax anticipated revenue bond project shall be approved by an appropriate state agency as may be determined by the General Assembly.

(e) The General Assembly may provide that all or a portion of the state sales and use tax collected within a district may be divided so that all or part of the increase in state sales and use tax collected by taxpayers within the district after the date on which the project plan has been approved by an appropriate state agency shall be used to pay any indebtedness incurred for the sales tax anticipated revenue bond project.

(f) Any provision of the Constitution of the State of Arkansas in conflict with this section is repealed insofar as it is in conflict with this amendment.

(g) The General Assembly shall provide for the implementation of this amendment by law."

SECTION 2. The purpose of this section is to amend the Arkansas Constitution to authorize governmental units to issue bonds and levy a sales tax for the purpose of retiring unfunded liabilities of closed local police and fire pension plans.

SECTION 3. Section 2 of Amendment 78 to the Arkansas Constitution is amended to read as follows:

§ 2. [Short-term financing obligations].

(a) For the purpose of acquiring, constructing, installing or renting real property or tangible personal property having an expected useful life of more than one (1) year, municipalities and counties may incur short-term financing obligations maturing over a period of, or having a term, not to exceed five (5) years. Such obligations may bear interest at either:

(1) a fixed rate throughout the term thereof, including a fixed interest rate which is to be determined by reference to an index or other formula, but not to exceed the maximum lawful rate of interest for fixed rate obligations, or

(2) a rate which may vary at such times and under such circumstances as the parties may agree, whether or not the interest rate in fact varies, but not to exceed the maximum lawful rate of interest for variable rate obligations. The maximum lawful rate of interest for fixed rate obligations is the formula rate in effect on the date the obligation is incurred, regardless of when such interest is to begin to accrue. The maximum lawful rate of interest for variable rate obligations is the formula rate in effect on the date such interest accrues. The

aggregate principal amount of short-term financing obligations incurred by a municipality or a county pursuant to this section shall not exceed five percent (5%) of the assessed value of taxable property located within the municipality or two and one half percent (2.5%) of the assessed value of taxable property located within the county, as determined by the last tax assessment completed before the last obligation was incurred by the city or county. The ~~total~~ annual principal and interest payments in each fiscal year on ~~all~~ outstanding obligations of a municipality or a county pursuant to this section shall be charged against and paid from ~~the~~ general revenues for such fiscal year, ~~which may include road fund revenues. Tax revenues earmarked for solid waste disposal purposes may be used to pay printing and other costs associated with bonds issued under this amendment for solid waste disposal purposes or special revenues authorized to be used for the property financed.~~

(b) As used here:

(1) "Short-term financing obligation" means a debt, a note, an installment purchase agreement, a lease, a lease-purchase contract, or any other similar agreement, whether secured or unsecured; provided, that the obligation shall mature over a period of, or have a term, not to exceed five (5) years;

(2) "Formula rate" means that rate of interest which is five percentage points (5%) above the equivalent bond yield of one year United States Treasury Bills offered by the United States Treasury at the last auction during the immediately preceding calendar quarter, calculated by rounding up to the nearest one-fourth of one percentage point (0.25%) (unless the equivalent bond yield is already by a multiple of one-fourth of one percentage point), and announced by the State Bank Commissioner (or such successor official who may be performing substantially the same duties) from information available from the Federal Reserve System of the United States. The calculation of the formula rate shall be made on or before the tenth (10th) day of each calendar quarter. The formula rate so calculated shall be effective on the eleventh (11th) day of the calendar quarter and shall continue in effect until the formula rate for the succeeding calendar quarter shall have been calculated and becomes effective. If, for any reason, the United States ceases to issue one year Treasury Bills, such calculation shall be made using a debt instrument of the United States having substantially the same general character and maturity. The calculation and announcement of the formula rate by the State Bank Commissioner shall be final.

(c) The provisions of this section shall be self-executing."

ARKANSAS SENATE  
EIGHTY-EIGHTH GENERAL ASSEMBLY  
REGULAR SESSION  
Amendment No. 1 to SENATE BILL NO. 913

Amend Senate Bill No. 913 as originally introduced:

Delete everything after the enacting clause and substitute the following:

"SECTION 1. Arkansas Code §§ 14-236-102 — 14-236-104 are amended to read as follows:

14-236-102. Findings, policy, and intent.

(a) The General Assembly finds and determines that:

(1) Safe and adequate sewage disposal promotes the health and welfare of the citizens of this state by minimizing the exposure of the citizens, farm animals, domestic animals, fish, and wildlife of this state to human excreta and domestic wastes and thus minimizing the disease transmission potential of human excreta and domestic wastes, by minimizing the contamination of drinking water supplies and the hazards to recreational areas of this state, and by minimizing the pollution of other ground and surface waters of this state;

(2) Individual sewage disposal systems, when properly designed and constructed in suitable soils, provide renovation of waste water and inject the renovated waste water back into the hydrologic cycle;

(3) Community sewage systems are preferable for densely developed portions of cities, towns, subdivisions, mobile home parks, and other built up areas because the concentration of individual sewage disposal systems could increase the degree of contamination of local ground and surface waters and could increase the exposure of the citizens of this state to human excreta and other domestic wastes while community sewerage systems permit the location of sewage treatment and disposal facilities in areas remote from the population;

(4) In densely developed subdivisions located outside incorporated areas, property owners associations have been formed for the purpose of constructing and maintaining community sewage systems and that authorization from the state granting jurisdiction over nonincorporated community sewage systems is desirable to ~~insure~~ ensure that the property owners associations shall qualify for state and federal assistance;

(5) In some areas of this state, the soil is not suitable for ~~normal underground~~ subsurface sewage disposal, and that the improper and unapproved construction or installation of individual septic systems has created conditions throughout the state that are dangerous to the public health of the citizens of Arkansas and has contributed to the devaluation of properties.

(b) Therefore, it is the public policy of this state and the purpose of this chapter to:

(1) Eliminate and prevent health hazards by regulating the location, design, construction, installation, operation, and maintenance of individual sewage disposal systems and the proper planning thereof, and to authorize the charging and collection of fees for the issuance of permits for the construction, installation, alteration, repair, extension, and operation of individual sewage disposal systems, and for the tests, designs, and inspections of the systems, and to prescribe penalties for violations;

(2) Require registration of all installers of individual sewage disposal systems by the ~~Division of Sanitarian Services of the~~ Department of Health, with the individual homeowner retaining all rights to install and repair his system in accordance with the provisions of this chapter;

(3) Encourage the use of community sewage systems when economically feasible wherever density of development or the lack of acceptable soils makes the renovation of waste water and the return of the renovated waste water to the hydrologic cycle by individual sewage disposal systems impractical;

(4) Encourage research and development by institutions, agencies of government, or persons to develop modifications to, or alternates for, septic tank systems which will be improvements to the systems, or which will make the systems applicable to soils not suitable for ~~normal underground~~ subsurface sewage disposal; and

(5) Permit the rules ~~and regulations~~ adopted pursuant to under this chapter to be amended periodically to include ~~therein such~~ the proposed modifications and alternates as are approved by the State Board of Health.

(c) Furthermore, it is the intent of this chapter to aid and assist the citizens of this state in obtaining safe and adequate individual sewage disposal systems.

"SECTION 1. Arkansas Code Title 20, Chapter 77 is amended to add a new subchapter to read as follows:

Subchapter 20 – FALSE MEDICAID CLAIMS ACT

20-77-2001. Title.

This subchapter shall be known and may be cited as the "False Medicaid Claims Act".

20-77-2002. Findings and intent.

(a) The General Assembly recognizes that the submission of false or fraudulent claims to the Arkansas Medicaid program can and does cause the State Treasury to incur serious financial losses that result in direct harm to the taxpayers of this state.

(b) This subchapter is intended to provide a partial remedy for the harm caused from the submission of false or fraudulent Medicaid claims by providing specific procedures to allow the state and private citizens acting for and on behalf of the state to bring civil actions against persons and entities who have obtained state funds through the submission of false or fraudulent claims to state agencies.

(c) The provisions of this subchapter for double and sometimes treble damages are remedial in purpose and intended not to punish, but to the extent possible make the State Treasury whole for both the direct and indirect losses caused by the submission of false or fraudulent claims resulting in payments by the state or state agencies.

(d) By receiving a portion of the recovery in civil actions brought under this article, whistle blowers are encouraged to contact the Arkansas Medicaid program when they have information about the submission of false or fraudulent claims to the program and are rewarded when their initiative results in civil recoveries for the state.

20-77-2003. Definitions.

As used in this subchapter:

(1)(A) "Claim" means a request or demand under a contract or otherwise for money, property, or services, that is made to the Arkansas Medicaid program, to an officer, an employee, a fiscal intermediary, a grantee, or a contractor of the Arkansas Medicaid program, or to another person or entity that results in a payment by the Arkansas Medicaid program, if the Arkansas Medicaid program:

(i) Provides or will provide any portion of the money or property requested or demanded; or

(ii) Reimburses or will reimburse the contractor, grantee, or other recipient for any portion of the money or property requested or demanded.

(B)(i) "Claim" includes a request or demand made orally, in writing, electronically, or magnetically.

(ii) Regardless of how a claim is submitted, each claim may be treated as a separate claim under this subchapter;

(2)(A) "Knowing" and "knowingly" mean that a person, with respect to information:

(i) Has actual knowledge of the information;

(ii) Acts in deliberate ignorance of the truth or falsity of the information; or

(iii) Acts in reckless disregard of the truth or falsity of the information.

(B) "Knowing" and "knowingly" does not require proof of specific intent to defraud; and

(3) "Person" means an individual or a corporation, a company, an association, a firm, a partnership, a society, a joint-stock company, or any other entity with the capacity to sue or be sued.

#### 20-77-2004. Liability for certain acts.

(a) Except as provided in subsection (b) of this section, a person is liable to the State of Arkansas for a civil penalty of not less than five thousand five hundred dollars (\$5,500) and not more than eleven thousand dollars (\$11,000) for each false or fraudulent claim, plus three (3) times the amount of damages which the Arkansas Medicaid program sustains because of the act of the person, if the person:

(1) Knowingly presents or causes to be presented to the Arkansas Medicaid program a false or fraudulent claim for payment or approval;

(2) Knowingly makes, uses, or causes to be made or used, a false record or statement to get a false or fraudulent claim paid or approved by the Arkansas Medicaid program;

(3) Conspires to defraud the Arkansas Medicaid program by getting a false or fraudulent claim allowed or paid;

(6) Knowingly buys or receives as a pledge of an obligation or debt public property from an officer or employee of the Arkansas Medicaid program that the person lawfully may not sell or pledge; or

(7) Knowingly makes, uses, or causes to be made or used, a false record or statement to conceal, avoid, or decrease an obligation to pay, repay, or transmit money or property to the State of Arkansas.

(b) A court may assess not more than two (2) times the amount of the actual damages that the Arkansas Medicaid program sustained because of the act of a person if the court finds that:

(1) The person committing the violation of subsection (a) of this section furnished officials of the Arkansas Medicaid program with all information known to the person about the violation within thirty (30) days after the date on which the person first obtained the information;

(2) The person fully cooperated with a government investigation of the violation; and

(3) At the time the person furnished the Arkansas Medicaid program with the information about the violation, no criminal prosecution, civil action, or administrative action had commenced under this subchapter with respect to the

violation, and the person did not have actual knowledge of the existence of an investigation into the violation.

(c) A person violating this section is also liable to the state for all costs of any civil action to recover the damages and penalties provided under this subchapter.

20-77-2005. Investigation by Attorney General — Civil actions and proceedings.

(a)(1) The Attorney General is authorized to investigate suspected, alleged, and reported violations of this subchapter.

(2) If the Attorney General finds that a person has violated or is violating this subchapter, the Attorney General may bring a civil action against the person under this subchapter.

(b)(1) Subject to the exclusions and limitations provided by this section, a civil action under this subchapter also may be brought by a private person.

(2) A civil action shall be brought in the name of the State of Arkansas.

(3) The civil action may be dismissed only if the court and the Attorney General give written consent to the dismissal and state the reasons for consenting to the dismissal.

(c) If a private person brings a civil action under this subchapter, the person shall follow the following special procedures:

(1) A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the Attorney General:

(2)(A) The complaint shall be filed in camera, shall remain under seal for at least sixty (60) days, and shall not be served on the defendant until the court so orders.

(B) The purpose of the period under seal shall be to allow the Attorney General to investigate the allegations of the complaint.

(C) The Attorney General may elect to intervene and proceed with the civil action within sixty (60) days after the Attorney General receives both the complaint and the material evidence and information;

(3)(A) The Attorney General for good cause shown may move the court for extensions of the time during which the complaint remains under seal under subdivision (c)(2) of this section.

(B) The motion may be supported by affidavits or other submissions in camera;

(4) Before the expiration of the sixty-day period and any extensions under subdivision (c)(3) of this section, the Attorney General shall:

(A) Proceed with the civil action, in which case the civil action shall be conducted by the Attorney General; or

(B) Notify the court that the Attorney General declines to take over the civil action, in which case the person bringing the civil action shall have the right to proceed with the civil action;

(5) The defendant shall not be required to respond to a complaint filed under this section until thirty (30) days after the complaint is unsealed and served upon the defendant; and

(6) When a person brings a civil action under this subsection, no person other than the Attorney General may intervene or bring a related civil action based on the facts underlying the pending civil action.

(d)(1)(A) If the Attorney General elects to intervene and proceed with the civil action, he or she shall:

(i) Have the primary responsibility for prosecuting the civil action; and

(ii) Not be bound by an act of the person bringing the civil action.

(B) The person that initiated the civil action has the right to continue as a party to the action, subject to the limitations set forth in this subsection.

(2) The Attorney General may dismiss the civil action notwithstanding the objections of the person that initiated the civil action, if the person has been notified by the Attorney General of the filing of the motion for dismissal and the court has provided the person with an opportunity for a hearing on the motion.

(3)(A) The Attorney General may settle the civil action with the defendant notwithstanding the objections of the person that initiated the civil action if the court determines after a hearing that the proposed settlement is fair, adequate, and reasonable under all the circumstances.

(B) Upon a showing of good cause the hearing may be held in camera.

(4) Upon a showing by the Attorney General that unrestricted participation during the course of the litigation by the person that initiated the civil action would interfere with or unduly delay the Attorney General's litigation of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may impose limitations on the person's participation, including without limitation:

(A) Limiting the number of witnesses the person may call;

(B) Limiting the length of the testimony of witnesses the person may call;

(C) Limiting the person's cross-examination of witnesses; and

(D) Otherwise limiting the participation by the person in the litigation.

(e) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person that initiated the civil action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.

(f)(1) If the Attorney General elects not to proceed with the civil action, the person that initiated the civil action has the right to conduct the civil action.

(2) If requested by the Attorney General, the Attorney General shall be served with copies of all pleadings filed in the civil action and shall be supplied with copies of all deposition transcripts.

(3) If a person proceeds with the civil action, the court may nevertheless permit the Attorney General to intervene at a later date for any purpose, including without limitation the dismissal of the civil action notwithstanding the objections of the person that initiated the civil action if the person has been notified by the Attorney General of the filing of the motion for dismissal and the court has provided the person with an opportunity for a hearing on the motion.

(g)(1) Whether or not the Attorney General proceeds with the civil action, upon a showing by the Attorney General that certain actions of discovery by the person that initiated the civil action would interfere with the Attorney General's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay the discovery for a period of not more than sixty (60) days.

(2) The showing under subdivision (g)(1) of this section shall be conducted in camera. The court may extend the sixty-day period upon a further showing in camera that the Attorney General has pursued the criminal or civil investigation or proceedings with reasonable diligence and the proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(h)(1) This section does not prevent the Attorney General from electing to pursue the state's claim through any alternative remedy available to the Attorney General, including any administrative proceeding to determine a civil money penalty.

(2) If an alternative remedy is pursued in another proceeding, the person that initiated the civil action has the same rights in the alternative proceeding as the person would have had if the civil action had continued under this section.

(3) A finding of fact or conclusion of law made in an alternative proceeding that has become final is conclusive on all parties to a civil action under this section.

(4) For purposes of this subsection, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the State of Arkansas, if all time for filing an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(i)(1)(A) Except as provided in subdivision (i)(1)(B) of this section, if the Attorney General proceeds with a civil action brought by a private person under subsection (b) of this section, the person shall receive at least fifteen percent (15%) but not more than twenty-five percent (25%) of the proceeds of the civil action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the civil action.

(B) If the court finds that the civil action is based primarily on disclosures of specific information other than information provided by the person bringing the civil action relating to allegations or transactions in a criminal, civil, or administrative hearing, in a legislative, administrative, or Attorney General hearing, audit, or investigation, or from the news media, the court may award no more than ten percent (10%) of the proceeds of the civil action or settlement of the claim, taking into account the significance of the information and the role of the person bringing the civil action in advancing the case to litigation.

(C)(i) A payment to a person entitled to receive payment under subdivision (i)(1)(A) or subdivision (i)(1)(B) of this section shall be made from the proceeds of the civil action or settlement of the claim.

(ii) The remaining proceeds of the civil action or settlement of the claim shall be paid to the Arkansas Medicaid Program Trust Fund for the sole use of the Arkansas Medicaid program.

(D)(i) A person entitled to receive payment under subdivision (i)(1)(A) or subdivision (i)(1)(B) of this section shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable attorney's fees and costs.

(ii) Expenses, attorney's fees, and costs under subdivision (i)(1)(D)(i) of this section shall be awarded against the defendant.

(2)(A) If the Attorney General does not proceed with a civil action under this section, the person bringing the civil action or settling the claim shall receive an amount that the court decides is reasonable for collecting the civil penalty and damages.

(B) The amount shall be not less than twenty-five percent (25%) and not more than thirty percent (30%) of the proceeds of the civil action or settlement and shall be paid out of the proceeds.

(C) The remaining proceeds shall be payable to the Arkansas Medicaid Program Trust Fund for the sole use of the Arkansas Medicaid program.

(D)(i) The person shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable attorney's fees and costs.

(ii) The expenses, attorney's fees, and costs under subdivision (i)(2)(D)(i) of this section shall be awarded against the defendant.

(3)(A) Whether or not the Attorney General proceeds with the civil action, if the court finds that the civil action was brought by a person that planned and initiated a violation of § 20-77-2004 upon which the civil action was brought, then the court may to the extent the court considers appropriate reduce the share of the proceeds of the civil action or settlement of the claim that the person would otherwise receive under subdivision (i)(1) or subdivision (i)(2) of this section, taking into account the role of the person in advancing the case to litigation and any relevant circumstances pertaining to the violation.

(B)(i) If the person bringing the civil action has pleaded guilty or nolo contendere to or has been found guilty of criminal conduct arising from his or

her role in a violation of § 20-77-2004, the person shall be dismissed from the civil action and shall not receive any share of the proceeds of the civil action.

(ii) The dismissal of the person from the civil action shall not prejudice the right of the State of Arkansas to continue the civil action, represented by the Attorney General.

(4) If the Attorney General does not proceed with the civil action and the person bringing the civil action conducts the civil action, the court may award to the defendant its reasonable attorney's fees and expenses against the person bringing the civil action if the defendant prevails in the civil action and the court finds that the claim of the person bringing the civil action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(5) The State of Arkansas shall not be liable for expenses which a private person incurs in bringing a civil action under this subchapter.

(j)(1) For purposes of this subsection:

(B) Information or records to which the person had access as a result of his or her public employment.

(3)(A) A court shall not have jurisdiction over a civil action under this subchapter based upon the public disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in a legislative, administrative, or Attorney General report, hearing, audit, or investigation, or from the news media, unless the civil action is brought by the Attorney General or unless the person bringing the civil action is an original source of the information.

(B) For purposes of subdivision (j)(3)(A) of this section, "original source" means an individual who has direct and independent knowledge of the information on which the allegations are based and has voluntarily provided the information to the State of Arkansas before filing a civil action under this section based upon the information.

(4) A civil action shall not be brought under this subchapter:

(A) That is based upon allegations or transactions that are the subject of a civil or administrative proceeding to which the State of Arkansas is already party; or

(B) Concerning a claim relating to the assessment, payment, nonpayment, refund, or collection of taxes under Arkansas Code Title 26.

(c) An employee may bring an action in circuit court for the relief provided in this section.

20-77-2008. Time for filing suit.

(1) Six (6) years after the date a violation of this subchapter is committed; or

(2) Three (3) years after the date when facts material to the right of civil action are known or reasonably should have been known by the state official charged with the responsibility to act on the material facts.

~~(2) If the defendant disagrees with the recommendation of the Attorney General, he or she shall be entitled to introduce evidence in mitigation of the amount recommended.~~

~~(e) For actions under this subchapter, whether tried by the court or the jury, the restitution and penalty shall be fixed by the court.~~

~~20-77-904. Investigation by Attorney General.~~

~~(a) If the Attorney General has reasonable cause to believe that a person has information or is in possession, custody, or control of any document or other tangible object relevant to an investigation or that would lead to the discovery of relevant information in an investigation for violation of this subchapter, the Attorney General may serve upon the person, before bringing any action in the circuit court, a written demand to appear and be examined under oath, to answer written interrogatories under oath, and to produce the document or object for inspection and copying. ~~(3) Notice of a hearing on the action to enforce the demand and a copy of the action shall be served upon the person in the same manner as that prescribed in the Arkansas Rules of Civil Procedure.~~

~~(c) If the person fails to comply with the order, the court may issue any of the following orders until the person complies with the order:~~

~~(B) If the court denies the request, the court shall state its reasons for the denial in writing.~~

~~(2) After complying, the testimony or evidence or any information directly derived from the testimony or evidence shall not be used against the person in any proceeding or prosecution of a crime or offense concerning which he or she gave an answer or produced evidence under the court order.~~

~~(3) Immunity obtained pursuant to this section does not exempt any person from prosecution, penalty, or forfeiture for any perjury, false swearing, or contempt committed in answering or failing to answer or in producing or failing to produce evidence in accordance with the order.~~

~~(b) If a person refuses to testify after being granted immunity and after being ordered to testify as prescribed in subsection (a) of this section, he or she may be adjudged in contempt.~~

~~20-77-906. Evidence—Disclosure.~~

~~(a) If the Attorney General determines that disclosure to the respondent of the evidence relied on to establish reasonable cause is not in the best interests of the investigation, he or she may request that the court examine the evidence in camera. If the Attorney General makes this request, the court may examine the evidence in camera and then make its determination.~~

~~(b)(1) Any procedure, testimony taken, or material produced under this section shall be kept confidential by the Attorney General before bringing an action against a person under this subchapter for the violation under investigation unless any of the following applies:~~

~~(2) No person shall be eligible to receive any payment from the program or its fiscal agents unless that person has authorized in writing the director to examine all records for the purpose of investigating whether any person may have committed the crime of Medicaid fraud or for use or for potential use in any legal, administrative, or judicial proceeding.~~

~~(c) In any action brought pursuant to this subchapter, the State of Arkansas shall be required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.~~

~~(d) A subpoena requiring the production of documents or the attendance of a witness at an interview, trial, or hearing conducted under this section may be served by the Attorney General or any duly authorized law enforcement officer in the State of Arkansas personally, telephonically, or by registered or certified mail. In the case of service by registered or certified mail, the return shall be accompanied by the return post office receipt of delivery of the demand.~~

~~20-77-909. Injunctions against fraud.~~

~~(a)(1) Whenever it appears that any person is engaged in or intends to engage in the transfer, conversion, or destruction of assets, records, or property in an effort to avoid detection of violations of this subchapter, the Attorney General may apply to the Circuit Court of Pulaski County, or to the court in which the records or property are located, to seize and impound the property.~~

If, after diligent inquiry, the respondent cannot be located, notice under this subsection may be accomplished by leaving a copy of the order at his or her dwelling house or usual place of abode with some person residing therein who is at least eighteen (18) years of age, or by delivering a copy thereof to a representative at the respondent's place of business who is at least eighteen (18) years of age.~~

~~(2) If the order is granted, the respondent shall be granted a hearing no later than five (5) days after being notified of the property's seizure for the purpose of determining whether the order should be continued.~~

~~(c) The burden at all stages of the proceeding shall be upon the state to prove by a preponderance of the evidence the necessity of the order of seizure.~~

~~20-77-910. Suspension of violators.~~

~~(b) Upon disposition of any civil action relating to violations of this subchapter in which a penalty is recovered, the Attorney General may petition the court on behalf of a person who may have provided information which led to the detecting and bringing to trial and punishment persons guilty of Medicaid fraud to reward the person in an amount commensurate with the quality of information determined by the court to have been provided, in accordance with the requirements of this subchapter.~~

~~(c)(1) If the Attorney General elects not to petition the court on behalf of the person, the person may petition the court on his or her own behalf.~~

~~(d) Employees or fiscal agents charged with the duty of referring or investigating cases of Medicaid fraud who are employed by or who contract with any governmental entity shall not be eligible to receive a reward under this section.~~

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the statutes authorizing procedures for the recovery of false or fraudulent Medicaid claims are in immediate need of this revision to clarify ambiguities in the law; that an urgent need exists to permit the citizens of the state to help recover public funds and Medicaid moneys that have been wrongfully misappropriated and will otherwise be lost forever; and that the provisions of this act are essential to successful operations and activities of the Medicaid Fraud Control Unit of the Attorney General's Office and the Department of Human Services. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that some tolls and fees being charged by airports in the state are much higher than the local sales tax rate; that this is inequitable; and that this act is immediately necessary because there is a high potential for an illegal exaction lawsuit against these airports. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

"SECTION 3. Section 2 of Amendment 78 to the Arkansas Constitution is amended to read as follows:

§ 2. [Short-term financing obligations].

(a)(1) For the purpose of acquiring, constructing, installing or renting real property or tangible personal property having an expected useful life of more than one (1) year, municipalities and counties may incur short-term financing obligations maturing over a period of, or having a term, not to exceed five (5) years. ~~Such obligations may bear interest at either:~~

~~(1) a fixed rate throughout the term thereof, including a fixed interest rate which is to be determined by reference to an index or other formula, but not to exceed the maximum lawful rate of interest for fixed rate obligations, or~~

~~(2) a rate which may vary at such times and under such circumstances as the parties may agree, whether or not the interest rate in fact varies, but not to exceed the maximum lawful rate of interest for variable rate obligations. The maximum lawful rate of interest for fixed rate obligations is the formula rate in effect on the date the obligation is incurred, regardless of when such interest is to begin to accrue. The maximum lawful rate of interest for variable rate obligations is the formula rate in effect on the date such interest accrues. The aggregate principal amount of short-term financing obligations incurred by a municipality or a county pursuant to this section shall not exceed five percent (5%) of the assessed value of taxable property located within the municipality or two and one half percent (2.5%) of the assessed value of taxable property located within the county, as determined by the last tax assessment completed before the last obligation was incurred by the city or county. The total annual principal and interest payments in each fiscal year on all outstanding obligations of a municipality or a county pursuant to this section shall be charged against and paid from the general revenues for such fiscal year, which may include road fund revenues. Tax revenues earmarked for solid waste disposal purposes may be used to pay printing and other costs associated with bonds issued under this amendment for solid waste disposal purposes and special revenues authorized to be used to acquire, construct, install, or rent the property financed by such obligations.~~

(b) As used here:

(1) ~~“Short-term~~ short-term financing obligation” means a debt, a note, an installment purchase agreement, a lease, a lease-purchase contract, or any other similar agreement, whether secured or unsecured; provided, that the obligation shall mature over a period of, or have a term, not to exceed five (5) years;

(2) ~~“Formula rate” means that rate of interest which is five percentage points (5%) above the equivalent bond yield of one year United States Treasury Bills offered by the United States Treasury at the last auction during the immediately preceding calendar quarter, calculated by rounding up to the nearest one-fourth of one percentage point (0.25%) (unless the equivalent bond yield is already by a multiple of one-fourth of one percentage point), and announced by the State Bank Commissioner (or such successor official who may be performing substantially the same duties) from information available from the Federal Reserve System of the United States. The calculation of the formula rate shall be made on or before the tenth (10th) day of each calendar quarter. The formula rate so calculated shall be effective on the eleventh (11th) day of the calendar quarter and shall continue in effect until the formula rate for the succeeding calendar quarter shall have been calculated and becomes effective. If, for any reason, the United States ceases to issue one year Treasury Bills, such calculation shall be made using a debt instrument of the United States having substantially the same general character and maturity. The calculation and announcement of the formula rate by the State Bank Commissioner shall be final.~~

(c) The provisions of this section shall be self-executing."

"SECTION 1. Arkansas Code Title 20, Chapter 77 is amended to add an additional subchapter to read as follows:

Subchapter 20 — Provider Fee on Pharmacies

20-77-2001. Definitions.

As used in this subchapter:

(1)(A) "Gross retail prescription receipts" means the amounts received by a licensed pharmacy for its own account from the sale of outpatient prescription drugs in this state.

(B) "Gross retail prescription receipts" includes the receipts from cost sharing, dispensing fees, and retail prescription drug sales.

(C) "Gross retail prescription receipts" does not include sales of outpatient prescription drugs shipped out of this state;

(2) "Licensed pharmacy" means a pharmacy licensed by the Arkansas State Board of Pharmacy;

(3) "Medicaid" means the medical assistance program established by Title XIX of the Social Security Act, 42 U.S.C. § 1396 et seq., and administered by the Division of Medical Services of the Department of Human Services; and

20-77-2002. Assessment.

(a)(1) A provider fee is assessed on each licensed pharmacy for each state fiscal year in an amount calculated as a percentage of each licensed pharmacy's gross retail prescription receipts.

(2) The Director of the Division of Medical Services of the Department of Human Services shall administer the assessment program created in this subchapter.

(b) The Division of Medical Services of the Department of Human Services shall seek approval from the Centers for Medicare and Medicaid Services to treat the provider fee as an allowable cost for Medicaid reimbursement purposes.

(c) A provider of pharmacy services shall not be guaranteed, expressly or otherwise, that any additional moneys paid to the provider for services under this subchapter will equal or exceed the amount of the provider fee.

(d)(1) The division shall ensure that the rate of assessment of the provider fee established in this section equals but does not exceed, the maximum rate of assessment established under federal law and rule for health care-related provider fees without reduction in federal financial participation in Medicaid.

(2) If the division determines that the rate of the assessment of the provider fee established in this section exceeds the maximum rate of assessment that federal law and rule allow for health-care related provider fees without reduction in federal financial participation in Medicaid, the division shall lower the rate of assessment of the provider fee to a rate that is equal to the maximum rate that federal law and rule allow for healthcare related provider fees without reduction in federal financial participation in Medicaid.

20-77-2003. Calculation of tax liability — Notification to pharmacies — Quarterly adjustment authorized.

(a) The determination of the amount of the provider fee under this subchapter shall be the monthly gross retail prescription receipts reported to the Department of Finance and Administration under § 20-77-2005 multiplied by the tax rate established by rule by the Department of Human Services.

(b)(1) The tax rate established under this subchapter may be a graduated rate based on gross retail prescription receipts and shall not exceed a rate of six percent (6%) per year of gross retail prescription receipts.

(2) However, the rate shall not exceed one-tenth of one percent (0.1%) per year in the case of licensed pharmacies of which eighty percent (80%) or more of gross retail prescription receipts are attributable to prescription drugs that are delivered directly to the patient by common carrier, by mail, or by a courier service.

(c)(1) The Department of Human Services shall notify each licensed pharmacy of the amount of the provider fee that is due.

(2) The provider fee may be paid in increments over the balance of the assessment period.

(d)(1) The Department of Human Services may adjust the rate of the provider fee quarterly on a prospective basis.

(2) The Department of Human Services may adjust more frequently for individual providers if there is a substantial and statistically significant change in their pharmacy sales characteristics.

(3) The Department of Human Services may define the adjustment criteria for the provider fee by rule.

20-77-2004. Offset against Medicaid payments due from a licensed pharmacy.

(a) If a licensed pharmacy requests an offset of state Medicaid payment due from the licensed pharmacy, the Director of Division of Medical Services of the Department of Human Services may offset the provider fee state Medicaid payment due from that licensed pharmacy.

(b) The amount of an offset under subsection (a) of this section shall result, so far as practicable, in withholding from the licensed pharmacy an amount substantially equal to the provider fee due from the licensed pharmacy.

20-77-2005. Records — Report of gross retail prescription receipts — Confidentiality of information.

(a) Each licensed pharmacy shall keep records necessary to determine gross retail prescription receipts.

(b)(1) The Director of the Department of Finance and Administration may prescribe the form and contents of any forms or other documents required under this section.

(2) Each licensed pharmacy shall report the gross retail prescription receipts to the Department of Finance and Administration.

(3) The Department of Finance and Administration shall provide the Department of Human Services with the information necessary to implement this subchapter.

(4) The Department of Finance and Administration shall adopt rules to implement this subsection.

(c) The information obtained by the Department of Human Services from the Department of Finance and Administration is confidential and shall not be disclosed except as authorized under this subchapter.

20-77-2006. Notice requirements — Unpaid or delinquent taxes — Procedure for collection — Failure to pay taxes.

(a)(1) The Department of Human Services shall notify a licensed pharmacy if the licensed pharmacy has had a provider fee under this subchapter due for more than ninety (90) days.

(2) The notice required under subdivision (a)(1) of this section shall specify the amount of the provider fee that is due.

(3) If a licensed pharmacy fails to pay its provider fee due within thirty (30) days after receipt of the notice required under subdivision (a)(1) of this section, the licensed pharmacy provider fee is delinquent.

(b)(1) If a provider fee under this subchapter is unpaid and delinquent, the Department of Human Services may bring an action to compel the payment of the provider fee in the circuit court of the county in which the licensed pharmacy is located.

(2) The Department of Human Services may cancel or refuse to issue, extend, or reinstate a Medicaid provider agreement to a licensed pharmacy that fails to pay the provider fee under this subchapter.

(c) The Department of Human Services may request the Arkansas State Board of Pharmacy to deny, suspend, or revoke the license of a licensed pharmacy that fails to pay the provider fee assessed under this subchapter.

20-48-2007. Use of funds.

(a) The licensed pharmacy provider fee owed or, if an offset has been made, the balance after the offset, if any, shall be remitted by the licensed pharmacy to the Department of Human Services.

(b)(1) The provider fee assessed and collected under this subchapter shall be deposited into a designated account within the Arkansas Medicaid Program Trust Fund to provide payments for services related to the Medicaid pharmacy program.

(2) The designated account shall be separate and distinct from the general fund and shall be supplementary to the trust fund.

(c)(1) The designated account moneys in the trust fund from the provider fee imposed and collected under this subchapter that are unused at the end of a fiscal year shall be carried forward.

(2) The designated account moneys in the trust fund from the provider fee imposed and collected under this subchapter shall not be used to supplant other local, state, or federal funds.

(3) The designated account moneys in the trust fund from the provider fee imposed and collected under this subchapter shall be exempt from budgetary cuts, reductions, or eliminations caused by a deficiency of general revenues.

20-77-2008. Appeals.

Appeals regarding this subchapter shall be made to the Pulaski County Circuit Court.

20-77-2009. Rules.

The Department of Human Services shall adopt rules to implement this subchapter."
