(ii) That school or school district shall accept the student and report the student for purposes of the funding pursuant to under applicable state law.

House Bill No. 2275 was read the first time, rules suspended, read the second time and referred to the Committee on TRANSPORTATION, TECHNOLOGY & LEGISLATIVE AFFAIRS.

Senator Williams announced a JOINT STATE AGENCIES & GOVERNMENTAL AFFAIRS COMMITTEE meeting would convene at 5:30 p.m.

Senator Pierce objected, stating that according to the rules, a two-day notice had to be given prior to a joint meeting.

Several questions ensued and Senator Teague requested that Senate Counsel be contacted to address this issue. Senate Counsel answered questions, concluding that a suspension of the rules could be done to prevent the need of a two-day requirement notice for this particular meeting. Senate Counsel further stated that a two-thirds vote was required for a suspension of the rules. Senator Bookout requested a clarification of this rule (two-day requirement notice) and Senate Counsel agreed to this request.

Senator Pierce withdrew his objection.

Senator Burnett asked for a Point of Order concerning whether a suspension of the rules was needed in this case or whether a meeting could be called at 5:30 today in lieu of the two-day notice. The Chair called for a vote of the Body on whether the JOINT STATE AGENCIES & GOVERNMENTAL AFFAIRS could meet at 5:30 p.m. today. By voice vote, the Chair ruled that no prior notice was needed for a Joint meeting. Senator Burnett called for a meeting of the RULES, RESOLUTIONS & MEMORIAL COMMITTEE on this ruling.

On motion of Senator Hendren the Senate recessed until 4:00 p.m.

The Senate reconvened after recess. The Secretary called the roll, and a quorum was present.

Senator Burnett reported that the RULES, RESOLUTIONS & MEMORIAL COMMITTEE had not voted to over-turn the ruling of the Chair. Therefore, the Chair advised the Body that a JOINT STATE AGENCIES & GOVERNMENTAL AFFAIRS COMMITTEE meeting was properly called.

Senate Bill No. 1133 was returned from the House as passed as amended.

SECTION 3. Arkansas Code § 6-18-202(g), concerning the age and attendance requirements for attending public schools, is amended to read as follows:

(g) This section shall not be construed to restrict a student's ability to participate in a tuition agreement with a nonresident school district or to officially transfer to another school district pursuant to the ~~Arkansas Public School Choice Act of 1989, § 6-18-206~~ Public School Choice Act of 2013, § 6-18-1901 et seq.

SECTION 4. Arkansas Code § 6-18-227(b)(2)(A)(i), concerning the Arkansas Opportunity Public School Choice Act of 2004, is amended to read as follows:

(2)(A)(i) For the purposes of continuity of educational choice, the transfer shall operate as an irrevocable election for each subsequent entire school year and shall remain in force until the student completes high school or the parent, guardian, or the student, if the student is over eighteen (18) years of age, makes application no later than July 30 for attendance or transfer as provided for by ~~§§ 6-18-202, 6-18-206, and § 6-18-316,~~ or by June 1 under the Public School Choice Act of 2013, § 6-18-1901 et seq.

SECTION 5. Arkansas Code § 6-21-812(a), concerning student transfers from a school district that is identified as being in fiscal distress, is amended to read as follows:

(2) The student is not required to file a petition by ~~July 4~~ June 1 but shall meet all other requirements and conditions of the ~~Arkansas Public School Choice Act of 1989, § 6-18-206~~ Public School Choice Act of 2013, § 6-18-1901 et seq.

SECTION 6. Arkansas Code Title 6, Chapter 18, is amended to add an additional subchapter to read as follows:

Subchapter 19 — Public School Choice Act of 2013

6-18-1901. Title — Legislative findings.

(a) This subchapter shall be known and may be cited as the "Public School Choice Act of 2013".

(b) The General Assembly finds that:

(1) The students in Arkansas's public schools and their parents will become more informed about and involved in the public educational system if students and their parents are provided greater freedom to determine the most effective school for meeting their individual educational needs. There is no right school for every student, and permitting students to choose from among different schools with differing assets will increase the likelihood that some at-risk students will stay in school and that other, more motivated students will find their full academic potential;

(2) Giving more options to parents and students with respect to where the students attend public school will increase the responsiveness and effectiveness of the state's schools because teachers, administrators, and school board members will have added incentive to satisfy the educational needs of the students who reside in the district; and

(3) These benefits of enhanced quality and effectiveness in our public schools justify permitting a student to apply for admission to a school in any school district beyond the school district in which the student resides, provided that the transfer by the student does not conflict with an enforceable judicial decree or court order remedying the effects of past racial segregation in the school district.

6-18-1902. Definitions.

As used in this subchapter:

(1) "Nonresident district" means a school district other than a student's resident district;

(2) "Parent" means a student's parent, guardian, or other person having custody or care of the student;

(3) "Resident district" means the school district in which the student resides as determined under § 6-18-202; and

(4) "Transfer student" means a public school student who transfers to a nonresident district through a public school choice option under this subchapter.

6-18-1903. Public school choice program established.

(a) A public school choice program is established to enable a student to attend a school in a nonresident district, subject to the limitations under § 6-18-1906.

(b) Each school district shall participate in a public school choice program consistent with this subchapter.

(c) This subchapter does not require a school district to add teachers, staff, or classrooms, or in any way to exceed the requirements and standards established by existing law.

(d)(1) The board of directors of a public school district shall adopt by resolution specific standards for acceptance and rejection of applications under this subchapter.

(2) The standards:

(A) May include without limitation the capacity of a program, class, grade level, or school building;

(B) Shall include a statement that priority will be given to an applicant who has a sibling or stepsibling who:

(i) Resides in the same household; and

(ii) Is already enrolled in the nonresident district by choice; and

(C) Shall not include an applicant's:

(i) Academic achievement;

(ii) Athletic or other extracurricular ability;

(iii) English proficiency level; or

(iv) Previous disciplinary proceedings, except that an expulsion from another district may be included under § 6-18-510.

(3) A school district receiving transfers under this act shall not discriminate on the basis of gender, national origin, race, ethnicity, religion, or disability.

(e) A nonresident district shall:

(1) Accept credits toward graduation that were awarded by another district;

and

(2) Award a diploma to a nonresident student if the student meets the nonresident district's graduation requirements.

(f) The superintendent of a school district shall cause public announcements to be made over the broadcast media and either in the print media or on the Internet to inform parents of students in adjoining districts of the:

(1) Availability of the program;

(2) Application deadline; and

(3) Requirements and procedure for nonresident students to participate in the program.

6-18-1904. General provisions.

(a) The transfer of a student under the Arkansas Public School Choice Act of 1989, § 6-18-206 [repealed], is not voided by this subchapter and shall be treated as a transfer under this subchapter.

(b)(1) A student may accept only one (1) school choice transfer per school year.

(2)(A) A student who accepts a public school choice transfer may return to his or her resident district during the school year.

(B) If a transferred student returns to his or her resident district, the student's transfer is voided, and the student shall reapply if the student seeks a future school choice transfer.

(c)(1) A transfer student attending a nonresident school under this subchapter may complete all remaining school years at the nonresident district.

(2) A present or future sibling of a student who continues enrollment in the nonresident district under this subsection may enroll in or continue enrollment in the nonresident district until the sibling of the transfer student completes his or her secondary education, if the district has the capacity to accept the sibling without adding teachers, staff, or classrooms or exceeding the regulations and standards established by law. (d)(1) The transfer student or the transfer student's parent is responsible for the transportation of the transfer student to and from the school in the nonresident district where the transfer student is enrolled.

(2) The nonresident district may enter into a written agreement with the student, the student's parent, or the resident district to provide the transportation.

(3) The State Board of Education may resolve disputes concerning transportation arising under this subsection.

(e) For purposes of determining a school district's state aid, a transfer student is counted as a part of the average daily membership of the nonresident district where the transfer student is enrolled.

6-18-1905. Application for a transfer.

(a) If a student seeks to attend a school in a nonresident district, the student's parent shall submit an application:

- (1) To the nonresident district with a copy to the resident district;
- (2) On a form approved by the Department of Education; and

(b)(1) By August 1 of the school year in which the student seeks to enroll in a nonresident district under this subchapter, the superintendent of the nonresident district shall notify the parent and the resident district in writing as to whether the student's application has been accepted or rejected.

(2) If the application is rejected, the superintendent of the nonresident district shall state in the notification letter the reason for rejection.

(3) If the application is accepted, the superintendent of the nonresident district shall state in the notification letter:

6-18-1906. Limitations.

(a) If the provisions of this subchapter conflict with a provision of an enforceable desegregation court order or a district's court-approved desegregation plan regarding the effects of past racial segregation in student assignment, the provisions of the order or plan shall govern.

(b)(1) A school district annually may declare an exemption under this section if the school district is subject to the desegregation order or mandate of a federal court or agency remedying the effects of past racial segregation.

(2)(A) An exemption declared by a board of directors under this subsection is irrevocable for one (1) year from the date the school district notifies the Department of Education of the declaration of exemption.

(B) After each year of exemption, the board of directors may elect to participate in public school choice under this section if the school district's participation does not conflict with the school district's federal court-ordered desegregation program.

(3) A school district shall notify the department by April 1 if in the next school year the school district intends to:

- (A) Declare an exemption under this section; or
- (B) Resume participation after a period of exemption.

(c)(1)(A) There is established a numerical net maximum limit on school choice transfers each school year from a school district, less any school choice transfers into the school district, under this section of not more than three percent (3%) of the school district's three-quarter average daily membership for the immediately preceding school year.

(B) For the purpose of determining the percentage of school choice transfers under this subsection, siblings who are counted in the numerator as transfer students shall count as one (1) student, and siblings who are counted in the denominator as part of the average daily membership shall count as one (1) student.

(2) Annually by June 1, the Department of Education shall report to each school district the net maximum number of school choice transfers for the current school year.

(3) If a student is unable to transfer due to the limits under this subsection, the resident district shall give the student priority for a transfer in the following year in the order that the resident district receives notices of applications under § 6-18-1905, as evidenced by a notation made by the district on the applications indicating date and time of receipt.

6-18-1907. Rules — Appeal — Data collection and reporting.

(a) The State Board of Education may promulgate rules to implement this subchapter.

(b)(1) A student whose application for a transfer under § 6-18-1905 is rejected by the nonresident district may request a hearing before the state board to reconsider the transfer.

(2)(A) A request for a hearing before the state board shall be in writing and shall be postmarked no later than ten (10) days after the student or the student's parent receives a notice of rejection of the application under § 6-18-1905.

(B) As part of the review process, the parent may submit supporting documentation that the transfer would be in the best educational, social, or psychological interest of the student.

(3) If the state board overturns the determination of the nonresident district on appeal, the state board shall notify the parent, the nonresident district, and the resident district of the basis for the state board's decision.

(c)(1) The department shall collect data from school districts on the number of applications for student transfers under this section and study the effects of school choice transfers under this subchapter, including without limitation the net maximum number of transfers and exemptions, on both resident and nonresident districts for up to two (2) years to determine if a racially segregative impact has occurred to any school district.

(2) Annually by October 1, the department shall report its findings from the study of the data under this subsection to the Senate Committee on Education and the House Committee on Education its finding.

6-18-1909. Effective date.

The provisions of this subchapter shall remain in effect until July 1, 2015."

Quality of Life:

I want my doctors to help me maintain an acceptable quality of life including adequate pain management. A quality of life that is unacceptable to me means when I have any of the following conditions (**you can check as many of these items as you want**):

- Permanent Confusion:** I become unable to remember, understand or make decisions. I do not recognize loved ones or cannot have a clear conversation with them.
- Dependent in all Activities of Daily Living:** I am no longer able to talk clearly or move by myself. I depend on others for feeding, bathing, dressing and walking. Rehabilitation or any other restorative treatment will not help.
- End-Stage Illnesses:** I have an illness that has reached its final stages in spite of full treatment. Examples: Widespread cancer that does not respond anymore to treatment; chronic and/or damaged heart and lungs, where oxygen needed most of the time and activities are limited due to the feeling of suffocation.

Treatment:

If my quality of life becomes unacceptable to me and my condition is irreversible (that is, it will not improve), I direct that medically appropriate treatment be provided as follows. **Checking "yes" means I WANT the treatment. Checking "no" means I DO NOT want the treatment.**

<input type="checkbox"/>	<input type="checkbox"/>	CPR (Cardiopulmonary Resuscitation): To make the heart beat again and restore breathing after it has stopped. Usually this involves electric shock, chest compressions, and breathing assistance.

(5) The Arkansas Activities Association is a recognized national leader in the development and implementation of concussion protocols for student athletes in grades 7-12; and

(6) It is necessary to establish concussion protocols substantially similar to those developed and implemented by the Arkansas Activities Association to protect all student athletes in Arkansas.

(d) Guidelines developed under this section shall include:

(1) Pertinent information and forms to inform and educate coaches, youth athletes, and the parents or guardians of youth athletes of the nature and risks of concussions and head injuries including the risks of continuing to play after a concussion or head injury;

(2) A requirement that the person operating a youth athletic activity annually shall distribute a concussion and head injury information sheet to each person who intends to participate in the youth athletic activity;

(3) A requirement that a person shall not participate in a youth athletic activity unless the person returns the information sheet signed by the person and, if he or she is under eighteen (18) years of age, by his or her parent or guardian; and

(4)(A) A requirement that a youth athlete who is suspected of sustaining a concussion or who has had an injury in a game, an activity, or a practice for a game shall be removed from the game, activity, or practice at that time.

(B)(i) A youth athlete who has been removed under this subdivision (4) shall not return to play until the athlete is evaluated by a licensed healthcare provider trained in the evaluation and management of concussions and receives written clearance to return to play from that healthcare provider.

(ii)(a) The healthcare provider may be a volunteer.

(b) A volunteer under subdivision (d)(4)(B)(ii)(a) of this section who authorizes a youth athlete to return to play is not liable for civil damages resulting from any act or omission in the rendering of care other than acts or omissions constituting gross negligence or willful or wanton misconduct."

(b) The fund shall consist of such revenues as generated by §§ 26-52-302(c), 26-52-317(c)(1)(B), ~~26-52-319(a)(3)(B)~~ 26-52-319(a)(2)(B), 26-53-107(c), 26-53-145(c)(1)(B), ~~26-53-148(a)(3)(B)~~ 26-53-148(a)(2)(B), 26-56-201(g)(1)(C), and 26-56-224(c)(2), and shall be used for such purposes as set out in § 26-26-310.

SECTION 4. Arkansas Code § 19-5-1227(b)(3), concerning the moneys included in the Educational Adequacy Fund, is amended to read as follows:

(3) The revenues generated by §§ 26-52-302(d), 26-52-316, 26-52-317(c)(1)(C), ~~26-52-319(a)(3)(C)~~ 26-52-319(a)(2)(C), 26-53-107(d), 26-53-145(c)(1)(C), ~~26-53-148(a)(3)(C)~~ 26-53-148(a)(2)(C), 26-56-201(g)(1)(B), 26-56-224(c)(3), and 26-57-1002(d)(1)(A)(ii); and

SECTION 5. Arkansas Code § 19-6-201(59), concerning the enumeration of general revenues, is amended to read as follows:

(59) Seventy-six and six-tenths percent (76.6%) of the tax, interest, penalties, and costs received on excise taxes levied on the gross receipts or gross proceeds derived from the sale of natural gas and electricity to a manufacturer for use directly in the actual manufacturing process, § ~~26-52-319(a)(3)(A)~~ 26-52-319(a)(1)(A);

SECTION 6. Arkansas Code § 19-6-201(61), concerning the enumeration of general revenues, is amended to read as follows:

(61) Seventy-six and six-tenths percent (76.6%) of the tax, interest, penalties, and costs received on excise taxes levied on the sales price of natural gas and electricity purchased by a manufacturer for use directly in the actual manufacturing process, § ~~26-53-148(a)(3)(A)~~ 26-53-148(a)(1)(A);

SECTION 7. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the costs of manufacturing continue to rise; that the Arkansas unemployment rate continues to be high; that the economy has dramatically affected manufacturers, resulting in layoffs of numerous Arkansans; that reducing the sales and use tax on natural gas and electricity used by manufacturers would provide manufacturers with additional revenues to support an increase in their number of employees, which would increase production and provide lucrative employment for Arkansans; and that this act is necessary to aid the continual recovery of the Arkansas economy. Therefore, an emergency is declared to exist, and this act being necessary for the preservation of the public peace, health, and safety shall become effective on July 1, 2013."

Amendment No. 2 to HOUSE BILL NO. 1143

Amend **House Bill No. 1143** as engrossed, (Version: 4/16/13):

Insert a new section immediately following the last section of the bill to read as follows:

“SECTION 5. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the Health Care Independence Program requires private insurance companies to create, present to the Department of Human Services for approval, implement, and market a new kind of insurance policy; and that the private insurance companies need certainty about the law creating the Health Care Independence Program before fully investing time, funds, personnel, and other resources to the development of the new insurance policies. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.”

STATE OF ARKANSAS

April 23, 2013

Dear Mr. President and Members of the Senate:

In accordance with Article 6, Section 15 of our Constitution, I write to inform you that today I have vetoed Senate Bill 719, Senate Bill 720, and Senate Bill 721.

Senate Bill 719 would take from the State Board of Election Commissioners the authority to investigate complaints of election irregularities or alleged violations of election law and shift that authority to a four-member "voter integrity" unit. This unit "shall investigate any complaint of election irregularity or violation of election law" that has been filed with the State Board of Election Commissioners. It would consist of four employees of the Office of the Secretary of State, a partisan-elected office, and would have broad powers to issue subpoenas, compel testimony and production of records, and administer oaths and take sworn testimony. The unit's "report" on its investigation would then be sent to the State Board of Election Commissioners for further action. Senate Bill 719 thus transfers virtually unfettered investigative power and authority to a partisan-elected official over complaints against persons accused, sometimes by political rivals, of violating election laws. However, while the bill makes it clear that the unit "shall" investigate "any" such complaint, the bill makes no provision for those cases in which a complaint might relate to the activities of the Secretary of State or his/her office, or persons running for that office. Placing such unfettered authority in a partisan-elected office is a profoundly bad idea.

Senate Bill 720 authorizes the State Board of Election Commissioners to remove a county commissioner if he or she is "not qualified under law" to be a county board member or if the county board member "fails to perform his or her duty under law." It does so by setting up a mandatory, cumbersome and confusing procedure for processing complaints submitted by any person to the State Board. For example, the bill provides that if the State Board determines that a complaint "clearly lacks any basis in law or fact," the State Board must nonetheless refer the complaint and the Board's findings to the Arkansas Ethics Commission. Why this step is necessary or desirable for complaints lacking any basis in law or fact is unclear.

In other respects, it is simply not possible to comply with Senate Bill 720's procedures. For example, with regard to complaints received by the State Board, the bill requires that "{i}f the General Assembly is in session, the State Board of Election Commissioners shall, within ten (10) days after the filing of the complaint...file a copy of the complaint with the Legislative Council meets only when the General Assembly is not in session See Ark. Code Ann. § 10-3-302(a). This new, cumbersome, and unworkable scheme seems unwarranted, especially when a procedure already exists for the removal of members of county boards by the county committees that elected them under Ark. Code Ann. § 7-4-102(e).

Senate Bill 21 would, effectively July 1, 2013, terminate the current tenure of all members of the State Board of Election Commissioners and replace them with a new nine-member Board. The bill increases the number of members selected by the political parties and alters the terms of some members. The immediate effect of the bill is to make the membership of the State Board of Election Commissioners more, not less, partisan. There is no evident need for a larger State Board of Election Commissioners, and blatant attempts to skew the political balance of a board charged with overseeing partisan elections will only harm, not promote, the public's confidence in the integrity of our State's election processes.

I have received numerous communications from counties, election officials, and election commissioners of all political persuasions urging me to veto these three bills. They see them, individually and collectively, as unwarranted attempts to undo a carefully crafted system of checks and balances and divisions of responsibility between the State Board of Election Commissioners, the Secretary of State's Office, and local election commissioners. Their objections to these bills are well-taken.

Sincerely,

Mike Beebe
