STATE OF ARKANSAS
OFFICE OF THE GOVERNOR
State Capitol
Little Rock 72201

April 21, 2016

Dear Mr. President and Members of the Senate:

I write to inform you that today I have vetoed Section 19 of Senate Bill 121 pursuant to Article 6, Section 17 of the Arkansas Constitution. I have exercised my authority to veto Section 19 because this section makes a substantive change to the Arkansas Code in that it would terminate the Arkansas Works program recently enacted by the General Assembly.

Acts 1 and 2 of the Second Extraordinary Session were passed by substantial majorities in both houses of the General Assembly earlier this month creating the Arkansas Works Program. In doing so, the General Assembly determined the future of health care coverage for those under 138% of the federal poverty level and avoided serious consequences to the State of Arkansas. By passing Acts 1 and 2 of the Second Extraordinary Session, the General Assembly set the state's policy on healthcare. An appropriation bill is not the proper method to make substantive changes to that policy.

Article 5, Section 5 of the Arkansas Constitution limits the General Assembly to consideration of appropriation bills during a fiscal session. In order for the General Assembly to consider a bill other than an appropriation bill, the General Assembly must first approve consideration of the bill by a vote of two-thirds of the members of each house of the General Assembly. Section 19 of Senate Bill 121 makes a substantive

change to the Arkansas Code by ending the recently created Arkansas Works program.

Section 19 of Senate Bill 121 was considered and adopted without first obtaining the required two-thirds vote of both houses. The General Assembly cannot avoid this requirement by inserting this substantive change to the Arkansas Code in special language of an appropriation bill. To do so would, for all practical purposes, convert the fiscal session into nothing more than another regular session in violation of the Arkansas Constitution and the clear intent of the voters when they approved Amendment 86. If the General Assembly chooses to consider a substantive, non-appropriation item during a fiscal session, it must do so through the process established in the Arkansas Constitution.

Nevertheless, Article 6, Section 17 of the Arkansas Constitution grants the governor the authority to disapprove of any item, or items, of any bill making appropriation of money. As Senate Bill 121 is an appropriation bill, the decision by the General Assembly to make substantive changes to the Arkansas Code through special language in an appropriation bill is justification for me to veto this item pursuant to Article 6, Section 17 and to approve the remainder of the bill.

By vetoing this section, our state will avoid serious consequences and the Department of Human Services will be able to implement the Arkansas Works Program which was approved overwhelmingly by the General Assembly.

As always, thank you for your courtesies and for your service to the State of Arkansas.

Sincerely,

(SIGNED) ASA HUTCHINSON
Asa Hutchinson

The Chief Fiscal Officer of the State shall establish, upon request from the Arkansas Economic Development Commission, a special appropriation line item to be used in the acquisition of promotional items. When the Arkansas Economic Development Commission wishes to transfer from its operating expenses to promotional items, the request shall be forwarded to the Chief Fiscal Officer of the State for processing after prior approval by the Arkansas Legislative Council or Joint Budget Committee. Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a state agency each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization Law. Further, the General Assembly has determined that the Arkansas Economic Development Commission may operate more efficiently if some flexibility is provided to the Arkansas Economic Development Commission authorizing broad powers under this Section. Therefore, it is both necessary and

appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this Section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this Section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

The provisions of this Section shall be in effect only from July 1, 2016 through June 30, 2017."
