STATE OF ARKANSAS

EXECUTIVE DEPARTMENT

PROCLAMATION

TO ALL TO WHOM THESE PRESENTS SHALL COME - GREETINGS:

WHEREAS: An extraordinary occasion has arisen making it necessary to convene the 92nd General Assembly into extraordinary session; and

WHEREAS: An outbreak of coronavirus disease 2019 (COVID-19) has spread throughout the world, resulting in a global pandemic; and

WHEREAS: On March 11, 2020, by Executive Order 20-03, an emergency was declared in the state as a result of COVID-19, and that emergency is on-going; and

WHEREAS: COVID-19 continues to spread throughout the United States and Arkansas bringing great hardship to bear upon the citizens of Arkansas; and

WHEREAS: Necessary measures taken in an attempt to limit the spread of COVID-19 have brought great hardship to bear upon commerce in the state, impacting the revenue of the State of Arkansas; and

WHEREAS: On March 21, 2020, the United States Treasury Department and Internal Revenue Service announced the federal income tax filing due date is extended from April 15, 2020 to July 15, 2020, and tax payers may also defer federal income tax payments due on April 15, 2020 to July 15, 2020, without penalties and interest, regardless of the amount owed. As a result, Arkansas extended its tax deadline for individual income tax filings and payments to be consistent with this date, further impacting revenue; and

WHEREAS: There is an urgent need for the State of Arkansas to make budgetary adjustments to respond to the impact of this emergency;

NOW THEREFORE, I, ASA HUTCHINSON, Governor of the State of Arkansas, by virtue of the power and authority vested in me by Article 6, Section 19 of the Arkansas Constitution, do hereby call an Extraordinary Session of the General Assembly to convene in Little Rock on March 26, 2020 at 1:00 p.m., and I do hereby specify that the General Assembly is convened in such Session to consider, and, if so advised, enact laws for the following purposes:

1. To create the COVID-19 Rainy Day Fund; to transfer funds to the COVID-19 Rainy Day Fund; and to Declare an Emergency;
2. To confirm gubernatorial appointees as required by Ark. Code Ann. § 10-2-113; and
3. To provide for the payment of expenses and per diem of the House of Representatives and the Senate for this Extraordinary Session.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Arkansas to be affixed this 24th day of March, in the year of our Lord, 2020.

Asa Hutchinson, Governor

Governor Asa Hutchinson
Address to the House of Representatives
Ahead of the Extraordinary Session of the 92nd General Assembly
Thursday, March 26, 2020
1:00 p.m.

I should thank each of you for responding to the call today. Mr. Speaker Shepherd, members of the Arkansas General Assembly, a brief reflection on history. This is only the second time since the House left the Old State Capitol in 1909 that the members have convened outside the Capitol. It is safe to say that this is the only time the house has convened on a basketball court. I suspect we might have set a national record in terms of our attendance today and the circumstances of today. Thank you for having the necessary public health protocols in place.

Mr. Speaker, I particularly want to applaud you for not only having a high regard for the members of the assembly in terms of their health, but also setting the right example for all Arkansans. As you can see, this meets the Department of Health guidelines. It was not easy to do. Again, I applaud you for having the highest consideration in that area.

On March 11 of this year, only 15 days ago, I declared a public health emergency. Since then, in two weeks, the world in which we live has changed. Our Covid-19 cases have increased from zero to over 300. We have had two deaths. School buildings are empty. Education is online. Hundreds of small businesses have been closed. Over 20,000 people in Arkansas have lost their jobs. And yes, we have learned a new vocabulary that includes social distancing – a word we were not familiar with before all of this started. And while our world has changed, God is still on his throne. And the heart and soul of Arkansas has never been stronger. We are innovative in our work. We are supportive of our neighbors, and we are determined to win over this invisible enemy. And this again brings us back to history.

The Covid-19 pandemic echoes many things about the influenza epidemic that started 102 years ago in February of 1918. The U.S. public health service officer in Little Rock offered some advice that sounds like the advice we are dispensing today: "Cover up each cough and sneeze. If you don't, you'll spread disease." Seven thousand Arkansans are known to have died during that influence the epidemic of

1918. But the toll may have been much higher in our state for various reasons. Schools were closed, but today we know much more about infectious diseases than they did then.

We have to learn from history. That is why we're here, taking action and asking Arkansans to do their part. Today, while there is uncertainty about the future, there is hope and confidence in the American spirit that has overcome challenges from the Great Depression, to war and natural disasters. Now, let me assure all Arkansans that there has never been a more united response to a crisis than what we see in this room today.

Thank you, Mr. Speaker, committee chairs, and so many others that have come together to find the right answer to this emergency. The bill that is the subject of this special session was the result of teamwork – teamwork between the Senate and the House; teamwork between the legislative and executive branches of government. And while this session may be short, the impact will be lasting. Your work will shore up our balanced budget. Your efforts the next few days will also ease the financial burden of thousands of Arkansans by postponing the payment of individual income taxes for 90 days. That would not be possible without your presence here today that shores up the budget that gives us the flexibility to accomplish that important objective. This important relief will ease mind and lift the pocketbooks of Arkansans who are struggling because of the current crisis. And the legislation on your desk will allow the state to move quickly to respond to hospital needs – hospitals who need more ventilators; to nurses and first responders who need more protective mask; and to the needs of our dedicated state employees on the frontline of this fight.

And so on behalf of all, thank you for convening today in response to the call, and your urgent work to make sure that we can endure and be prepared for the crisis ahead. Thank you for your willingness to work together, Democrats and Republicans, to meet the historic challenge that is before us.

Thank you. God bless the state of Arkansas and the United States of America.

President Pro Tempore Senator Jim Hendren will present the Temporary Emergency Rule - Arkansas Senate.

As Adopted March 26, 2020

TEMPORARY EMERGENCY RULE – ARKANSAS SENATE

Limited-Directed Proxy Ninety-Second General Assembly

Section 1. Intent and Duration.

- (a) Upon affirmative vote of a majority of the members of the Senate, this rule shall become effective and applicable to the proceedings of the Senate and its committees through June 30, 2020.
- (b) The purpose of this emergency rule is to allow members of the Senate to adhere to the guidance given by state and federal officials regarding social distancing and protection of high-risk individuals during the COVID-19 public health emergency, and to safeguard the health and safety of members and staff, while still fulfilling the constitutional duties and responsibilities of the General Assembly.
- (c) If the procedures set forth herein conflict with existing provisions of the Rules of the Arkansas Senate, this temporary emergency rule shall supersede the conflicting Senate Rules for the duration of this temporary emergency rule. Pairs, as set forth in Senate Rule 10.04, will be allowed.

Section 2. Limited-Directed Proxy.

- (a) A member of the Senate, who is unable or unwilling to be physically present when the Senate is in session due to concerns regarding the COVID-19 public health emergency, shall be allowed to cast a vote by proxy under the limited parameters established by this rule.
- (b) A member of the Senate may submit a request to vote by proxy to the President Pro Tempore of the Senate. The request shall be submitted in writing. For purposes of this rule, “submitted in writing” includes electronic submission of the request.
- (c) The President Pro Tempore shall then direct the requesting member’s respective caucus leader, either the Majority Party Leader or the Minority Party Leader, or the majority party leader’s designee or the minority party leader’s designee, to assign a designee member who will be physically present to vote as proxy for the absent member. The Majority Party Leader and Minority Party Leader, or his or her designee, may designate himself or herself to serve as a proxy for an absent member.
- (d) A member may be designated to vote by proxy for more than one (1) absent member.
- (e) (1) All votes by proxy shall be as indicated in writing by the absent member. The absent member who has assigned his or her vote shall provide his or her designee with his or her voting preference on each bill, resolution, and emergency clause to be considered by the Senate no later than one (1) hour before the Senate session

begins each day. In the event of a vote being expunged and a bill, resolution, or emergency clause being subject to a second or subsequent vote, the President Pro Tempore of the Senate may waive the deadline for submission of proxy preference for the vote on that bill, resolution, or emergency clause.

- (2) A member who assigns his or her vote to a designee shall also provide a statement of his or her preference for voting on each bill, resolution, and emergency clause to come before the Senate to the Secretary of the Senate.
 - (3) A member's preference for voting on a batch shall be provided to the absent member's designee and the Secretary of the Senate in writing on the "Batch Vote Form" provided by the Secretary of the Senate.
- (f) During a roll call vote, the designee shall answer according to the absent member's indicated preference when the absent member's name is called. A proxy vote shall be compared to the previously submitted written preference of an absent member prior to certifying the vote as final.
 - (g) Voting by proxy on procedural motions shall only be allowed if:
 - (1) Twenty-four (24) hours' notice is provided of the specific motion to be voted on; and
 - (2) The absent member is able to provide his or her voting preference on the specific procedural motion to his or her designee and the Secretary of the Senate in writing prior to the occurrence of the vote on the procedural motion.
 - (h) The Secretary of the Senate shall record the proxy assignments and voting preferences in the Senate Journal.
 - (i) If a member who had previously indicated his or her intention to cast votes by proxy is physically present:
 - (1) His or her designee's authority to cast a proxy vote is invalidated for the duration of the member's physical presence; and
 - (2) Any voting preferences previously indicated by the member for votes that he or she is able to cast while physically present are invalidated and only the member's actual vote cast will be recorded.
 - (j) If a member planning to be physically present is advised not to go into the session due to a failed medical screening or another unexpected crisis, he or she shall be allowed to participate via the proxy procedures set forth in this rule and the one (1) hour requirement set forth at Section 2.(e)(1) shall be waived.

Section 3. Quorum.

- (a) A member that assigns his or her proxy to the designee chosen by the respective caucus leader shall be counted as present for the purposes of a quorum; however, the member will not be counted as present for the purposes of per diem, unless the member has travelled to Little Rock from his or her district for the purpose of participating in the session.
- (b) A quorum that is established through the use of proxies and sessions held that utilize votes taken by method of limited-directed proxy, as set forth herein, shall satisfy the requirement that the General Assembly meet at the seat of government every year, as set forth in Article 5, § 5 of the Arkansas Constitution.

Section 4. Disclosures under Senate Rule 24.

A member whose vote will be cast by proxy shall make any disclosures required under Senate Rule 24.06 regarding a bill to be voted on in committee and in the Senate chamber during the 2020 Fiscal Session at the same time that he or she indicates his or her voting preference for a bill, resolution, emergency clause, or motion.

Section 5. Access to Senate Proceedings.

Media access to the Senate chamber floor will be limited to no more than two (2) members of the media at a time.

On motion of Senator Hendren, the Temporary Emergency Rule - Arkansas Senate was adopted.
