SECTION 4. Arkansas Code § 24-7-1601(b)(4), concerning the legislative history and findings regarding optional participation by employees of institutions of higher education in the Arkansas Teacher Retirement System, is amended to read as follows:

(4) The general intent of the early legislation was to allow those institutions of higher education employers to offer their employees the option to participate in an ~~alternative~~ alternate retirement plan, the Arkansas Teacher Retirement System retirement plan, or the Arkansas Public Employees' Retirement System retirement plan.

SECTION 5. Arkansas Code § 24-7-1602(1) and (2), concerning the definitions of "alternative retirement plan" and "benefits-eligible" as they apply to the optional participation of employees of institutions of higher education in the Arkansas Teacher Retirement System, is amended to read as follows:

(a)(1) This subchapter controls any inconsistent provision of any other law regarding the enrollment and coverage of an employee of a PSHE employer in either the Arkansas Teacher Retirement System retirement plan or an ~~alternative~~ alternate retirement plan that is offered by a PSHE employer.

SECTION 7. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the operations of a state public retirement system are complex; that the Arkansas Teacher Retirement System must be able to meet the needs of its members as anticipated by the General Assembly; that certain provisions of § 24-7-201 et seq. are in need of immediate revision and updating to conform with sound public pension policy and actuarial requirements; that there are conflicts in the law applicable to the Arkansas Teacher Retirement System concerning reciprocal service in alternate retirement plans; that member benefits will be at risk if the conflicts in the law concerning reciprocal service in alternate retirement plans remain unresolved; that this act resolves the conflicts in the law concerning reciprocal service in alternate retirement plans; that such revision and updating is of great importance to members of the Arkansas Teacher Retirement System and to other citizens of this state; and that this act is necessary in order to maintain an orderly system of benefits for the members of the Arkansas Teacher Retirement System and reciprocal systems. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

SECTION 6. Arkansas Code Title 18, Chapter 17, Subchapter 9, is repealed.

~~Subchapter 9~~

~~—Eviction Proceedings~~

~~18-17-901. Grounds for eviction of tenant.~~

~~(a) A landlord or his or her agent may commence eviction proceedings against a tenant in a district court having jurisdiction over the eviction proceeding, when:~~

~~(1) The tenant fails or refuses to pay the rent when due or when demanded;~~

~~(2) The term of tenancy or occupancy has ended; or~~

~~(3) The terms or conditions of the rental agreement have been violated.~~

~~(b) For residential rental agreements, nonpayment of rent within five (5) days of the date due constitutes legal notice to the tenant that the landlord has the right to begin eviction proceedings under this chapter.~~

~~18-17-902. Eviction proceeding.~~

~~(a)(1)(A) When grounds exist for eviction of a tenant under this subchapter, a landlord or his or her agent may commence an action for eviction by filing with a district court having jurisdiction a complaint and supporting affidavit of eviction that specifies the grounds for the eviction.~~

~~(B) The supporting affidavit shall be signed by a person with personal knowledge of the grounds for eviction.~~

~~(2) The fee for filing an action under this chapter by a complaint with supporting affidavit of eviction shall be as provided in § 16-17-705.~~

~~(b) Upon the filing by the landlord or his or her agent or attorney of a complaint and supporting affidavit of eviction, the district court shall issue an order requiring the tenant to vacate the occupied premises or to show cause why he or she should not be evicted by the court within ten (10) calendar days after the date of service of a copy of the order upon the tenant.~~

~~18-17-903. Service of order — Posting and mailing requirements.~~

~~(a) The copy of the order to vacate under § 18-17-902 may be served in the manner as is provided by law for the service of the summons in actions pending in the district court of this state.~~

~~(b) When service in accordance with subsection (a) of this section has been unsuccessfully attempted and no person is found in possession of the premises, the copy of the order to vacate may be served by leaving it affixed to the most conspicuous part of the premises.~~

~~18-17-904. Tenant ejected on failure to show cause.~~

~~If the tenant fails to appear and show cause within the ten-calendar-day period provided in § 18-17-902(b) as directed by the order or at the court appointed hearing date, the court shall enter judgment in favor of the plaintiff and direct the clerk to issue a writ of possession, and the tenant shall be evicted by the sheriff of the county.~~

~~18-17-905. Trial of issue.~~

~~If the tenant appears and contests eviction, the court shall hear and determine the case as any other civil case.~~

~~18-17-906. Designation of parties in eviction.~~

~~In any eviction proceeding in a district court, the landlord shall be designated as plaintiff and the tenant as defendant.~~

~~18-17-907. Effect of judgment for plaintiff.~~

~~If the judgment is for the plaintiff, the district court shall within three (3) days issue a writ of eviction, and the tenant shall be evicted by the sheriff of the county.~~

~~18-17-908. Effect of judgment for defendant.~~

~~If the judgment is for the defendant, the tenant shall be entitled to remain in possession until:~~

~~(1) The termination of his or her tenancy by agreement or operation of law;~~

~~(2) Failure or neglect to pay rent; or~~

~~(3) Eviction in another proceeding under this chapter or by the judgment of a court of competent jurisdiction.~~

~~18-17-909. Appeal.~~

~~Either party may appeal in an eviction case and the appeal shall be heard and determined as other appeals in civil cases.~~

~~18-17-910. Bond required to stay eviction on appeal.~~

~~(a) An appeal in an eviction case will not stay eviction unless at the time of appealing the tenant shall give an appeal bond as in other civil cases for an amount to be fixed by the court and conditioned for the payment of all costs and damages that the landlord may sustain.~~

~~(b) If the tenant fails to file the bond within five (5) days after service of the notice of appeal, the appeal shall be dismissed.~~

~~18-17-911. Accrual of rent after institution of proceedings.~~

~~(a)(1) After the commencement of eviction proceedings by the issuance of an order to vacate or to show cause as provided in § 18-17-902, the rent for the use and occupancy of the premises involved shall continue to accrue so long as the tenant remains in possession of the premises at the rate as prevailed immediately before the issuance of the order to vacate or show cause.~~

~~(2) The tenant shall be liable for the payment of the rent, the collection~~

of which may be enforced as provided with respect to other rents.

~~(b) The acceptance by the landlord of any rent, whether it shall have accrued at the time of the issuance of the order to vacate or to show cause or shall subsequently accrue, shall not operate as a waiver of the landlord's right to insist upon eviction or as a renewal or extension of the tenancy, but the rights of the parties as they existed at the time of the issuance of the order to vacate or to show cause shall control.~~

~~18-17-912. Commercial leases.~~

~~(a) In any action involving a commercial lease in which the landlord sues for possession and the tenant raises defenses or counterclaims under this chapter or the lease agreement:~~

~~(1)(A) The tenant shall pay the landlord all rent that becomes due after the issuance of the order requiring the tenant to vacate or show cause as rent becomes due.~~

~~(B) The landlord shall provide the tenant with a written receipt for each payment except when the tenant pays by check; and~~

~~(2)(A) The tenant shall pay the landlord all rent allegedly owed before the issuance of the order to vacate or to show cause.~~

~~(B) However, in lieu of the payment under subdivision (a)(2)(A) of this section the tenant may be allowed to submit to the court a receipt or cancelled check, or both, indicating that payment has been made to the landlord.~~

~~(b)(1) If the amount of rent is in controversy, the court shall preliminarily determine the amount of rent to be paid to the landlord.~~

~~(2)(A) If the tenant appears in response to the order to vacate or to show cause and alleges that rent due owed under § 18-17-911 and this section has been paid, the court shall determine the issue.~~

~~(B) If the tenant has failed to comply with § 18-17-911 and this section, the court shall issue a writ of possession, and the landlord shall be placed in full possession of the premises by the sheriff.~~

~~(3) If the amount of rent due is determined at final adjudication to be less than the amount alleged by the landlord, judgment shall be entered for the tenant if the court determines that the tenant has complied fully with the provisions of § 18-17-911, this section, and the lease agreement.~~

~~(4) If the court orders that the tenant pay all rent due and accruing as of and during the pendency of the action, the judgment may require the payments to be made to either the:~~

~~(A) Commercial landlord; or~~

~~(B)(i) Clerk of the district court who shall hold the payments until the final disposition of the case.~~

~~(ii)(a) If payments are to be made through the district clerk's office, a fee of three percent (3%) of the rental payment shall be added to the amount paid through the district clerk's office.~~

~~(b) The fee of three percent (3%) shall be retained~~

~~by the district clerk's office to defray the costs of collection.~~

~~(c) If the tenant fails to make a payment as provided in § 18-17-911 and this section, the tenant's failure to comply entitles the landlord to execution of the judgment for possession, and upon application of the landlord, the district court shall issue a writ of possession and the landlord shall be placed in full possession of the premises by the sheriff or his or her deputy.~~

~~18-17-913. Execution of writ of possession.~~

~~In executing a writ of possession, the sheriff shall proceed in accordance with the provisions of § 18-60-310."~~

Upon motion of Representative Richardson, **HOUSE BILL NO. 1618** was placed back on second reading for the purpose of amendment.

AMENDMENT NO. 1 TO HOUSE BILL NO. 1618

Amend **HOUSE BILL NO. 1618** as originally introduced:

Delete everything after the enacting clause and substitute the following:

"SECTION 1. DO NOT CODIFY. Legislative findings.

(a)(1) The General Assembly finds that Arkansas Constitution, Article 2, § 8, provides that "[a]ll persons shall, before conviction, be bailable by sufficient sureties, except for capital offenses, when the proof is evident or the presumption great."

(2) This policy enshrines and enforces the presumption of innocence central to the American system of justice.

(b) However, the General Assembly also finds that imposition of a requirement that a person who is presumed innocent pay for his or her freedom before adjudication is in tension with this provision and has the potential for abuse.

(c) The General Assembly therefore finds that the law should address and adopt methods to reduce the likelihood of deprivation of the rights of a person presumed to be innocent.

SECTION 2. Arkansas Code § 16-81-109 is amended to read as follows:

16-81-109. Release from custody — Bail or citation.

~~(a)(1) When any sheriff or other law enforcement officer makes an arrest, he or she is authorized to take and to approve bail in the manner provided by law wherever he or she makes the arrest~~ For a felony offense, a judicial officer shall set cash or money bail only after he or she determines that no other conditions will reasonably ensure the appearance of the defendant in court.

~~(2)(A) If the offense charged is a misdemeanor, the person arrested may immediately give bail for appearing on a day to be named in the bail bond before the judge or magistrate who issued the warrant or before the court having jurisdiction to try the offense. The sheriff or other officer making the arrest may be authorized by the judge or magistrate issuing the warrant to take the bail by an endorsement made on the warrant to that effect~~ For a misdemeanor offense, absent compelling circumstances, the arresting officer, instead of taking the person into custody, shall issue an electronic citation or prepare in duplicate a written citation to appear in court containing:

(i) The name and address of the person;

(ii) The driver's license, state identification, or passport number of the person;

(iii) The offense charged; and

(iv)(a) The time and location of the person's court date, including the court's contact information.

(b) The time specified to appear shall be at least five (5) days after the issuance of the citation.

(c) The location specified to appear shall be before a district court judge with jurisdiction within the county in which the offense charged is alleged to have been committed.

(B) If issued a written citation, the arrested person shall give his or her written promise to appear in court by signing in duplicate the written citation prepared by the arresting officer.

(C) If issued an electronic citation, the arrested person shall acknowledge receipt of the electronic citation and give his or her promise to appear in court by acceptance of the electronic citation.

(D) The original of the citation shall be retained by the officer or electronically transmitted to the district court, and a copy of the citation shall be delivered to the person arrested.

(3) Cash or money bail in any form for ordinance violations is prohibited.

(b) Cash or money bail in any form is considered only a last resort and shall be used only to assure the defendant's appearance.

(b)(1)(c)(1) If the defendant gives bail for his or her appearance before the judge or magistrate for an examination of the charge, as ~~provided in subsection (a) of this section~~, the county sheriff or officer taking the bail shall fix the day of the defendant's appearance.

(2) A deviation from the provisions of subdivision (b)(1)(c)(1) of this section shall not, however, render the bail bond invalid.

(d) As used this section, "compelling circumstances" means that:

(1) Within the previous two (2) years, the person has a documented history of willfully or intentionally failing to appear in court;

(2) The person at any time previously absconded from the jurisdiction of the court; or

(3) The person presents an imminent, identifiable threat to a specific person or persons if he or she remains out of custody."

16-13-702. Imposition of fine — Ability-to-pay inquiry — Immediate payment generally required.

(a)(1)(A) Notwithstanding any other mandatory sentencing requirement under law, a fine shall not be imposed in a district court before an ability-to-pay inquiry is conducted by the district court unless the defendant waives the ability-to-pay inquiry and demonstrates that he or she is able to pay under subdivision (a)(1)(B) of this section.

(B) A defendant may waive the ability-to-pay inquiry and demonstrate that he or she is able to pay the fine by entering a plea of guilty or nolo contendere and paying as a bond an amount equal to the fine in lieu of appearing in district court as authorized by law.

(2) If a district court determines that a defendant is not able to pay the fine, the district court may reduce the amount of the fine to an amount that the defendant is able to pay or allow the defendant to perform community service at an hourly rate not less than the state minimum wage as credit against the fine or complete an educational program in lieu of paying the fine.

(3) If the district court determines that the defendant is able to pay the fine but that requiring the defendant to make immediate payment in full would cause a severe and undue hardship for the defendant and the defendant's dependents, the court may authorize payment of the fine by means of installment payments in accordance with § 16-13-704 if the court also finds that the defendant is able to pay any installment fees that are required by law.

(2) ~~Following imposition of the fine~~ When the full amount of a fine is due following the imposition of a fine, the court shall inform the defendant that full payment of the fine is due immediately and shall inquire of the defendant what arrangements he or she has made to comply with the court's order to pay the fine.

(3) Without utilizing the provisions of § 16-13-704, the court may allow the defendant a period of time, not to extend beyond the time of the close of the clerk's office on the following day, within which to return to the court and tender payment of the fine.

(4)(A)(i) If the defendant fails to appear as directed, the court shall issue an order of arrest.

(ii) The arrest order shall be carried out by the sheriff.

(B) The court may also, upon the defendant's failure to appear, utilize any of the enforcement mechanisms authorized by this subchapter.

~~(5)(A) If the defendant claims an inability to pay the fine, the court shall inquire into the defendant's ability to pay and shall make a determination of the defendant's financial ability to pay the fine.~~

~~(B) If the court finds that the defendant has the financial ability to make immediate payment of the fine in full, the court shall order him or her to pay the fine.~~

~~(C) Failure or refusal to pay as ordered by the court shall subject the defendant to imprisonment, as provided in § 16-13-703.~~

~~(b)(1)(c)(1)~~ (1) When a corporation is sentenced to pay a fine or costs, it is the duty of the person authorized to make disbursement from the assets of the corporation to pay the fine or costs.

AND

"SECTION 1. Arkansas Code § 9-13-101(a)(1)(A), concerning the award of custody, is amended to add an additional subdivision to read as follows:

(iv)(a) In an action concerning an original child custody determination in a divorce or paternity matter, there is a rebuttable presumption that joint custody is in the best interest of the child.

(b) The presumption that joint custody is in the best interest of the child may be rebutted:

(1) If the court finds by clear and convincing evidence that joint custody is not in the best interest of the child;

(2) If the parties have reached an agreement on all issues related to custody of the child;

(3) If one (1) of the parties does not request sole, primary, or joint custody; or

(4) If a rebuttable presumption described in subsection (c) or subsection (d) of this section is established by the evidence.

(c) The circuit court may enter an order to reduce areas of conflict in a manner determined appropriate by the court.

SECTION 2. Arkansas Code § 9-13-101(b)(1)(A)(ii) and (iii), concerning the award of custody, are amended to read as follows:

(ii) To this effect, the circuit court ~~may~~ shall consider awarding joint custody of a child to the parents in making an order for custody.

(iii) If, at any time, the circuit court finds by a preponderance of the evidence that one (1) parent demonstrates a pattern of willfully creating conflict in an attempt to disrupt a current or pending joint-custody arrangement and the circuit court is unable to enter an order that will reduce areas of conflict caused by the disruptive parent, the circuit court may deem such behavior as

a material change of circumstances and may change a joint custody order to an order of primary custody to the nondisruptive parent.

SECTION 3. Arkansas Code § 9-13-101(b)(1)(A), concerning the award of custody, is amended to add additional subdivisions to read as follows:

(vi) A court shall consider the best interest of the child when making a child custody determination.

(vii)(a) A parent who is not granted sole, primary, or joint custody of his or her child is entitled to reasonable parenting time with the child unless the court finds after a hearing that parenting time between the parent and the child would seriously endanger the physical, mental, or emotional health of the child.

(b) At the request of a party, a court shall issue a written order that:

(1) Is specific as to the frequency, timing, duration, condition, and method of scheduling parenting time with a parent who is not granted sole, primary, or joint custody of his or her child; and

(2) Takes into consideration the developmental age of the child.

SECTION 4. Arkansas Code § 9-13-101(b), concerning the award of custody, is amended to add an additional subdivision to read as follows:

(3) After a hearing on the merits of a child custody action, if a court determines that the presumption in subdivision (a)(1)(A)(iv)(a) of this section is rebutted, the court shall enter a written order that includes the following:

(A) Facts, findings, and conclusions of law concerning the basis for the court's determination; and

(B) A parenting time schedule that:

(i) Maximizes the amount of time that each parent has with the child; and

(ii) Is consistent with the best interest of the child."

"SECTION 1. Arkansas Code § 5-4-602 is amended to read as follows:

5-4-602. Capital ~~murder~~ felony charge — Trial procedure.

The following procedures govern a trial of a person charged with a capital murder felony:

(1) The jury shall first hear all evidence relevant to the charge and shall then retire to reach a verdict of guilt or innocence;

(2) If the defendant is found not guilty of the capital offense charged but guilty of a lesser included offense, the sentence shall be determined and imposed as provided by law;

(3)(A) If the defendant is found guilty of a capital murder felony, the same jury shall sit again, except as provided in § 5-4-616, in order to:

(i) Hear additional evidence as provided by subdivisions (4) and (5) of this section; and

(ii) Determine the sentence in the manner provided by § 5-4-603.

(B) However, if the state waives the death penalty, stipulates that no aggravating circumstance exists, or stipulates that mitigating circumstances outweigh aggravating circumstances, then:

(i) A hearing under subdivision (3)(A) of this section is not required; and

(ii) The trial court shall sentence the defendant to life imprisonment without parole.

(C) If the defendant was less than eighteen (18) years of age at the time of the offense, then a hearing under subdivision (3)(A) of this section is not required;

(4)(A) If the defendant and the state are accorded an opportunity to rebut the evidence, in determining the sentence evidence may be presented to the jury as to any:

(i) Matter relating to an aggravating circumstance enumerated in § 5-4-604;

(ii) Mitigating circumstance; or

(iii) Other matter relevant to punishment, including, but not limited to, victim impact evidence.

(B)(i) Evidence as to any mitigating circumstance may be presented by either the state or the defendant regardless of the evidence's admissibility under the rules governing admission of evidence in a trial of a criminal matter.

(ii) However, mitigating circumstance evidence shall be relevant to the issue of punishment, including, but not limited to, the nature and circumstances of the crime, and the defendant's character, background, history, and mental and physical condition as set forth in § 5-4-605.

(C) The admissibility of evidence relevant to an aggravating circumstance set forth in § 5-4-604 is governed by the rules governing the admission of evidence in a trial of a criminal matter.

(D) Any evidence admitted at the trial relevant to punishment may be considered by the jury without the necessity of reintroducing the evidence at the sentencing proceeding; and

(5) The state and the defendant or his or her counsel are permitted to present argument respecting sentencing:

(A) The state shall open the argument;

(B) The defendant is permitted to reply; and

(C) The state is then permitted to reply in rebuttal.

SECTION 2. Arkansas Code § 5-4-616 is amended to read as follows:

5-4-616. Procedures following remand or mistrial of capital case after vacation of death sentence — Retroactive application.

~~(a)~~ Notwithstanding § 5-4-602(3) that requires that the same jury sit in the sentencing phase of a capital ~~murder~~ felony trial, the following shall apply:

(1)(A) Upon any appeal by the defendant when the sentence is of death, if the appellate court finds prejudicial error in the sentencing proceeding only, the appellate court may set aside the sentence of death and remand the case to the trial court in the jurisdiction in which the defendant was originally sentenced.

(B) No error in the sentencing proceeding shall result in the reversal of the conviction for a capital felony.

(C) When a capital case is remanded after vacation of a death sentence, the ~~prosecutor~~ prosecuting attorney may move the trial court to:

(i) Impose a sentence of life without parole, and the trial court may impose the sentence of life without parole without a hearing; ~~or~~

(ii) Impanel a new sentencing jury;

(2)(A) Upon the declaration of a mistrial during the sentencing proceeding, the prosecuting attorney may move the trial court to:

(i) Impose a sentence of life without parole, and the trial court may impose the sentence of life without parole without a hearing; or

(ii) Impanel a new sentencing jury.

(B) A mistrial during the sentencing proceeding shall not result in the invalidation of the finding of guilt for a capital felony;

~~(2)(3)~~ If the ~~prosecutor~~ prosecuting attorney elects subdivision ~~(a)(1)(C)(ii)~~ (1)(C)(ii) or subdivision (2)(A)(ii) of this section the trial court shall impanel a new jury for the purpose of conducting a new sentencing proceeding;

~~(3)(4)~~ A new sentencing proceeding is governed by the provisions of § 5-4-602(4) and (5) and §§ 5-4-603 — 5-4-605;

~~(4)(A)(5)(A)~~ Any exhibit and a transcript of any testimony or other evidence properly admitted in the prior trial or preceding guilt phase of the trial and sentencing is admissible in the new sentencing proceeding.

(B) Additional relevant evidence may be admitted including testimony of a witness who testified at the previous trial; ~~and~~ or preceding guilt phase of the trial and sentencing; and

~~(5)(6)~~ The provisions of this section:

(A) Are procedural; and

(B) Apply retroactively to any defendant sentenced to death after January 1, 1974.

STATE OF ARKANSAS
ASA HUTCHINSON
GOVERNOR

March 22, 2021

Dear President Hickey, Speaker Shepherd, and Members of the General Assembly:

Pursuant to Article 6, Section 15, of the Arkansas Constitution, I inform you today I vetoed **SENATE BILL NO. 301**. The bill is an infringement on the executive's power to enforce the law, and it is an unwise and unconstitutional precedent for the future.

If the rationale of **SENATE BILL NO. 301** is accepted, then it is equivalent to giving the General Assembly veto power over the executive branch in the faithful execution of the laws. The General Assembly defines the law and penalties, but the legislative branch is not constitutionally empowered to change after the fact how law enforcement is carried out.

During the COVID-19 pandemic, the Arkansas Department of Health adopted and enforced directives to mitigate and prevent the spread of a contagious and deadly disease. The Department acted within the authority granted to it by the General Assembly. The Alcoholic Beverage Control took enforcement actions based on decade's old health and safety law and policy. The actions by the Department Health and the Alcoholic Beverage Control were consistent with legislative authorization and thus far have withstood two (2) legal challenges brought by members of the General Assembly and permittees of the Alcoholic Beverage Control. Additionally, every person or business assessed with a fine had the opportunity to avail themselves of administrative and judicial appeal without payment of fee or hiring an attorney.

The only message sent by this bill is that the rule of law does not matter. It is an affront to those citizens who diligently followed health and safety directives to protect themselves and their fellow Arkansans.

During this legislative session, two (2) bills have gone into law that were filed in response to executive action taken during the pandemic, **SENATE BILL NO. 254**, altering the methods by which the Arkansas Department of Health and Alcoholic Beverage Control may enforce directives, went into law without my signature. I signed **SENATE BILL NO. 379**, a bill that makes sweeping changes to the implementation of the Emergency Service Act during a public health emergency. While I may disagree with aspects of these bills, they are an appropriate exercise of Legislative power. This is in contrast to **SENATE BILL NO. 301** which directs a refund of penalties assessed and violates the separation of powers between the legislative and executive branches of government.

I look forward to continuing to work with the Legislative Branch as we navigate this unprecedented time. Thank you.

Sincerely,

/s/ Asa Hutchinson

"Program.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that due to the coronavirus 2019 (COVID-19) pandemic, the Department of Human Services has issued several memorandums authorizing certain reimbursements for behavioral and mental health services provided via telemedicine for the time period of the public health emergency to beneficiaries in the Arkansas Medicaid Program; that on February 26, 2021, the Governor announced that the public health emergency was extended but the Governor was going to lift some regulations related to the pandemic; that these reimbursements allowed behavioral and mental health providers to ensure that the beneficiaries of the Arkansas Medicaid Program had the services that they needed, and lifting these reimbursements to the healthcare providers of behavioral and mental health services would greatly disadvantage and harm the beneficiaries of the Arkansas Medicaid Program who need these services; and that this act is immediately necessary to ensure that the beneficiaries of the Arkansas Medicaid Program have access to behavioral and mental health services provided via telemedicine. Therefore, an emergency is declared to exist, and this act being

immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

STATE OF ARKANSAS

ASA HUTCHINSON

GOVERNOR

April 5, 2021

Dear Speaker Shepherd, President Hickey, and Members of the General Assembly:

Pursuant to Article 6, Section 15 of the Arkansas Constitution, I inform you today that I vetoed **HOUSE BILL NO. 1570**.

I was told this week that the nation is looking at Arkansas because I have on my desk another bill passed by the General Assembly that is a product of the cultural war in America. I don't shy away from the battle when it is necessary and defensible, but the most recent action of the General Assembly, while well intended, is off-course and I must veto.

Just as importantly, if **HOUSE BILL NO. 1570** becomes law then we are creating new standards of legislative interference with physicians and parents as they deal with some of the most complex and sensitive matters involving our youth.

It is undisputed that the population of minors who struggle with gender incongruity or gender dysphoria is an extreme minority. But while they are a minority, they deserve the guiding hand of their parents and the counseling of medical specialists.

HOUSE BILL NO. 1570 would put the state as the definitive oracle of medical care, overriding parents, patients, and health care experts. While in some instances the state must act to protect life, the state should not presume to jump into the middle of every medical, human, and ethical issue.

HOUSE BILL NO. 1570 is opposed by the leading Arkansas medical associations and the concern expressed is that denying best practice medical care to transgender youth can lead to significant harm to the young person from suicidal tendencies and social isolation to increased drug use.

In Arkansas, gender reassignment surgery is not performed on anyone under 18. If **HOUSE BILL NO. 1570** simply prohibited gender reassignment surgeries, then I would sign the bill.

But the bill is overbroad, extreme, and does not grandfather those young people who are currently under hormone treatment. In other words, the young people who are currently under a doctor's care will be without treatment when this law goes into effect.

That means they will be looking to the black market or go out-of-state if they can afford it. This is not the right path to put them on.

Finally, I understand that the General Assembly will likely override this veto. **HOUSE BILL NO. 1570** had overwhelming support when it passed the first time.

I am hopeful that my action will cause conservative Republican legislators to think through the issue again and hopefully come up with a more restrained approach that allows a thoughtful study of the science and ethics surrounding the issue before acting.

Thank you, and I look forward to continuing our work on the many areas of agreement we have in common.

With respect and appreciation, I am

Sincerely,

/s/ Asa Hutchinson

TOTAL AMOUNT APPROPRIATED	<u>\$3,200,000,000</u>

SECTION 39. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. TRANSFER PROCEDURES - APPROPRIATION – AMERICAN RESCUE PLAN ACT OF 2021. (i) All appropriation and expenditures for funding received for the American Rescue Plan Act of 2021 shall be expended using the American Rescue Plan Act of 2021 Appropriation Sections as authorized in this Act.

(ii) Any state agency, constitutional office, or institution shall request a transfer of appropriation, as provided in the American Rescue Plan Act of 2021 Appropriation Sections of this Act, from the Chief Fiscal Officer of the State, stating clearly the amount requested, purpose and any additional information requested by the Chief Fiscal Officer of the State.

(iii) After reviewing a request, the Chief Fiscal Officer of the State may deny, modify or approve the request based on the estimated amount of appropriation needed and currently available, purpose, estimated funding available and preferred spending priority. Upon approval or modification of a request by the Chief Fiscal Officer of the State and after meeting the requirements of subsection (iv) herein, the Department of Finance and Administration shall establish the transfer of appropriation on the books of the Department of Finance and Administration and the State Auditor, in compliance with the applicable classifications of appropriations as enumerated in Arkansas Code 19-4-521 through 19-4-525.

(iv) Any request approved as authorized in subsection (iii) herein, including requests that establish a new commitment item or new appropriation shall require prior approval by the Legislative Council during the extended recess, beginning on May 1, 2021, of the 2021 Regular Session or during the interim, or the Joint Budget Committee during a regular session, fiscal session, or extraordinary session of the General Assembly.

(v) Any Oversight and/or Steering Committee charged with overseeing disbursement of funds and appropriation from funds received from the American Rescue Plan Act of 2021 Appropriation Sections of this Act shall coordinate with the Department of Finance and Administration as needed to facilitate the approval requirements herein in a timely manner.

(vi) Any appropriation approved in the American Rescue Plan of 2021 by the General Assembly shall only be used for:

1) The purpose and amount of planned expenditures as submitted for approval to the General Assembly and,

2) In the event that expenditures or obligations do not fully expend approved appropriation authority as authorized in this section, the excess appropriation may

not be utilized for any additional expenditures other than the amount and purpose as submitted to and approved by the General Assembly.

(vii) It is the intent of the General Assembly that funds received from the American Rescue Plan of 2021 that are discretionary or are not required to be spent for a different general or specific purpose may be considered to be utilized to pay off existing debt service. The parameters for the selection of debt service payments may consider the highest interest rate owed and with priority given to the payment of Big River Steel General Obligations bonds and GARVEE Department of Transportation bonds.

(viii) The Chief Fiscal Officer of the State shall submit a monthly report to the Legislative Council during the extended recess, beginning on May 1, 2021, of the 2021 Regular Session or during the interim, or the Joint Budget Committee during a regular session, fiscal session, or extraordinary session of the General Assembly or to a designated subcommittee listing all American Rescue Plan Act of 2021 beginning balance of funds received, each appropriation approved as authorized in subsection (v) herein with the date the appropriation is established, state entity, purpose, amount, funding distributed, and remaining balance.

(ix) Determining the maximum amount of appropriation each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s). Further, the General Assembly has determined that a state agency, constitutional office, or institution may operate more efficiently if some flexibility is provided to the state agency, constitutional office, or institution authorizing broad powers under this section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement or approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void."

AND

Page 37, delete SECTION 78 in its entirety and substitute the following:

" SECTION 81. EMERGENCY CLAUSE. It is found and determined by the General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a one (1) year period; that the effectiveness of this Act on July 1, 2021 is essential to the operation of the agency for which the appropriations in this Act are provided; with the exception that Sections 37 and 39 in

this Act shall be in full force and effect from and after the date of its passage and approval, and that in the event of an extension of the Legislative Session, the delay in the effective date of this Act beyond July 1, 2021, with the exception that Sections 37 and 39 in this Act shall be in full force and effect from and after the date of its passage and approval, could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2021; with the exception that Sections 37 and 39 in this Act shall be in full force and effect from and after the date of its passage and approval."
