Speaker Pro Tempore Eubanks made the following announcement:

"During the administrative proceeding this morning, a point of order was raised to the report from the House Committee on Judiciary recommending passage of **SENATE BILL NO. 622**. The point of order was that **SENATE BILL NO. 622** was improperly reported out of committee. The presiding officer ruled the point of order was not well taken. The member announced his appeal from the ruling of the Chair and the presiding officer said the appeal would be presented to the full House."

AND

Page 4, delete line 18, and substitute the following:

"person's regular doctor or provider of choice.

SECTION 6. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that due to the coronavirus 2019 (COVID-19) pandemic, the Governor removed barriers to the use of telemedicine in an attempt to combat the coronavirus 2019 (COVID-19) pandemic; that these emergency actions will expire when the emergency proclamation expires, which could occur quickly; that on February 26, 2021, the Governor announced that the public health emergency was extended but that the Governor was going to lift some regulations related to the pandemic; that removing barriers to the use of telemedicine ensured that the citizens of Arkansas had the services that they needed, and removing these emergency proclamations regarding telemedicine would greatly disadvantage and harm the citizens of Arkansas who are utilizing telemedicine for healthcare services; that this bill maintains the policy changes allowed under the emergency proclamation, which would allow the citizens of Arkansas greater access to the use of telemedicine for healthcare services; and that this act is immediately necessary to ensure that the citizens of Arkansas have access to healthcare services provided via telemedicine. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

AMENDMENT NO. 1 TO SENATE BILL NO. 590

Amend **SENATE BILL NO. 590** as originally introduced:

Add Representative Bryant as a cosponsor of the bill

AND

Delete everything after the enacting clause and substitute the following:

"SECTION 1. DO NOT CODIFY. TEMPORARY LANGUAGE. Ending of mandatory face covering requirements.

(a)(1) On the effective date of this act, all mandatory face covering requirements, including without limitation requirements imposed by executive order of the Governor and the Department of Health under directives issues under § 20-7-109 or § 20-7-110, or both, shall end.

(2) Any mandatory face covering requirement imposed by an executive order of the Governor or the department under directives issues under § 20-7-109 or § 20-7-110, or both, is superseded by this act on the effective date of this act.

(b) This section does not apply to a face covering requirement imposed by a private business or state-owned or state-controlled healthcare facility.

SECTION 2. Arkansas Code Title 20, Chapter 7, Subchapter 1, is amended to add an additional section to read as follows:

20-7-142. Prohibition on mandatory use of face mask, face shield, or other face covering.

(a) The General Assembly reserves the right to enact legislation regarding the mandatory use of face masks, face shields, or other face coverings.

(b) A state agency or entity, a political subdivision of the state, or a state or local official shall not mandate an individual in this state to use a face mask, face shield, or other face covering.

(c) The use of a face mask, face shield, or other face covering shall not be a condition for entry, education, or services.

(d) If a state agency or entity, a political subdivision of the state, or a state or local official recommends that an individual in this state use a face mask, face shield, or other face covering, a state agency or entity, a political subdivision of the state, or a state or local official shall provide notice that the recommendation is not mandatory.

(1) A private business;

(2) A state-owned or state-controlled healthcare facility;

(3) A facility operated by the Department of Corrections; or

(4) A facility operated by the Division of Youth Services of the Department of Human Services.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that face masks, face shields, and other face coverings are currently required in certain instances in this state; that a regulation that is not necessary is a burden on the public peace, health, and safety of the citizens of this state; that the requirement of face coverings should be removed as soon possible as it is no longer necessary and should not be continued; and that this act should become effective as soon as possible as the requirement of face coverings is not necessary to protect the health and safety of the citizens of Arkansas and is a burden on the public peace, health, and safety of the citizens of this state. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

"SECTION 1. Arkansas Code Title 16, Chapter 90, is amended to add an additional subchapter to read as follows:

Subchapter 15 — Inmate Misdemeanor Offense Reconciliation

16-90-1501. Legislative findings and intent.

(a) The General Assembly finds that:

(1) Arkansas law requires offenders to pay legal financial obligations to the state, cities, and counties imposed by various courts and law enforcement agencies;

(2) Missed payments for fines and fees may lead to charges in court for failure to pay, failure to appear, and contempt, all of which result in additional fines and penalties; and

(3) It is in the state's interest to study the efficacy of streamlining the assessment and collection of financial obligations for incarcerated or formerly incarcerated individuals.

(b) The General Assembly intends to create a framework, consistent with Arkansas Constitution, Amendment 80, and the constitutional prerogatives of the state's prosecuting attorneys and judges, to enable persons who are incarcerated in the Department of Corrections to resolve all pending misdemeanor offenses committed within this state and assist in the identification of corresponding fines, fees, and costs resulting from those misdemeanor offenses.

(c) This subchapter does not limit a court's ability to impose a financial obligation against any person who has been convicted of an offense.

16-90-1502. Compilation of pending misdemeanor offenses.

(a) A person who is incarcerated in the Department of Corrections may request of the department and shall be provided by the department a complete compilation of all outstanding arrest warrants, criminal summons, and pending misdemeanor cases for that person.

(b) The department shall provide information under subsection (a) of this section from information made available to the Arkansas Crime Information Center and the Administrative Office of the Courts.

16-90-1503. Option to resolve pending misdemeanor matters.

(a) As used in this section, "assistance" means the Department of Corrections shall make available means of communication between a person, the prosecuting attorney, the court, local law enforcement agencies, and the person's attorney, if applicable, to help facilitate the entry of pleas remotely from the department, addressing outstanding misdemeanor arrest warrants, and, when required by the court, attendance at the court for the purposes of entry of pleas, hearings, or trials.

(b)(1) A person incarcerated in the department, with the assistance of the department, may petition a court for a quick resolution of a misdemeanor offense pending in the court.

(2) The person may also request to be served with any outstanding misdemeanor arrest warrant in order to begin the process of resolving the misdemeanor arrest warrant.

(3) Upon request to the court with jurisdiction over the outstanding misdemeanor offense, the court may require the misdemeanor arrest warrant to be served by the staff of the department.

(c) Local law enforcement agencies with jurisdiction over the outstanding misdemeanor offense shall also help facilitate transportation of the person to and from the department to the court when the court requires it for trial.

16-90-1504. Remote pleading permitted.

(a) Subject to the rules of the judiciary and the local rules of the court, a person who has opted to resolve pending misdemeanor matters under this subchapter may

still be permitted to enter remotely a plea of guilty or nolo contendere to any outstanding or pending misdemeanor charges from where he or she is incarcerated.

(b) A remote plea may be given only through a real-time medium with both an audio and visual feed.

16-90-1505. Negotiated pleas to run concurrent.

(a) A negotiated plea entered into between the state and a person may be imposed using the procedures under § 5-4-403.

(b)(1) The court is also encouraged to refrain from fining a person and instead sentence the person to a period of incarceration only.

(2) This subchapter does not limit a court's ability to impose a financial obligation against any person who has been convicted of an offense.

SECTION 2. DO NOT CODIFY. TEMPORARY LEGISLATION.

(a) There is created the Criminal Justice Task Force on Offender Court Costs and Collections.

(b) The purpose of the task force is to study the methods used to assess, collect, and record fines, fees, restitution, and other financial obligations of persons in the criminal justice system.

(c) The task force shall study the feasibility of notice to outside entities in the event that a person with financial obligations to a court wins a lottery prize, sells property, or is being released from parole or probation early.

(d)(1) The task force shall be composed of the following members:

(A) Two (2) citizen representatives to be appointed by the Governor;

(B) Two (2) members of the Senate, one (1) member to be appointed by the President Pro Tempore of the Senate and one (1) member to be appointed by the Chair of the Senate Judiciary Committee;

(C) Two (2) members of the House of Representatives, one (1) member to be appointed by the Speaker of the House of Representatives and one (1) member to be appointed by the Chair of the House Committee on Judiciary;

(D) Two (2) members appointed by the Chief Justice of the Supreme Court, one (1) of whom is a circuit court judge and one (1) of whom is a district court judge;

(E) Two (2) members to be appointed by the Secretary of the Department of Corrections;

(F) One (1) member representing the Association of Arkansas Counties;

(G) One (1) member to be appointed by the Director of the Administrative Office of the Courts;

(H) One (1) member of the Board of Corrections to be appointed by the Chair of the Board of Corrections;

(I) One (1) member representing the Arkansas Sheriffs' Association;

(J) One (1) member representing the Office of the Prosecutor Coordinator; and

(K) One (1) member to be appointed by the Director of the Arkansas Crime Information Center.

(2) If a vacancy occurs on the task force, the vacancy shall be filled by the same process as the original appointment.

(e)(1) The legislative members of the task force shall be paid per diem and mileage as authorized by law for attendance at meetings of interim committees of the General Assembly.

(2) Nonlegislative members of the task force shall not be compensated but may be reimbursed under § 25-16-901 et seq. for expenses actually incurred in the performance of their duties.

(f) The task force shall establish rules and procedures for conducting its business.

(g)(1) Ten (10) members of the task force shall constitute a quorum for transacting business of the task force.

(2) An affirmative vote of a majority of a quorum present shall be required for the passage of a motion or other task force action.

(h) The Department of Corrections shall provide staff, meeting space, and materials for the task force.

(i) The task force shall meet on or before July 15, 2021, at the call of the member appointed by the President Pro Tempore of the Senate, and organize itself by electing one (1) of its legislative members as chair and other officers as the task force may consider necessary.

(j) The task force shall prepare and submit a report of its findings to the Cochairs of the Legislative Council and the Chair of the House Committee on Judiciary and the Chair of the Senate Judiciary Committee.

(k) The report is due by October 31, 2022.

(l) The task force shall expire on December 31, 2022.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the Criminal Justice Task Force on Offender Court Costs and Collections has a large task ahead of it concerning the study it is required to conduct and the report it is required to complete. Because of this, the task force needs to begin work in July of 2021, before the normal effective

date of this act. Therefore, an emergency is declared to exist with regard to Section 2 of this act, and Section 2 of this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

April 23, 2021

Dear President Hickey, Speaker Shepherd, and Members of the General Assembly:

Pursuant to Article 6, Section 15 of the Arkansas Constitution, I inform you today I vetoed [Senate Bill 298](#), The Arkansas Sovereignty Act.

[Senate Bill 298](#) imposes criminal penalties on state and local law enforcement officers who assist federal agencies or officers in the enforcement of The National Firearms Act which includes limitations on the possession of machine guns, grenades, bombs, and land mines. The bill also prohibits assisting in the enforcement of the Gun Control Act of 1968, which prohibits certain felons from possession of firearms.

The partnership between state and federal law enforcement officers is essential for the safety of Arkansas citizens. This bill will break that partnership and put safety of Arkansans at risk.

On a daily basis, our state law enforcement officers assist federal agents in the apprehension of violent criminals in possession of illegal firearms, This bill will not only jeopardize future law enforcement endeavors; but also, it will jeopardize hundreds of federal cases against violent criminals. The testimony of Arkansas law enforcement officers assisting federal officers in the pursuit of violent criminals is critical in those cases. That testimony would be barred and criminalized by [Senate Bill 298](#). Additionally, [Senate Bill 298](#) would allow those violent criminals to sue Arkansas law enforcement officers for assisting their federal law enforcement counterparts. This is unacceptable.

I am committed to protecting the sovereignty of the State of Arkansas and the constitutional rights of Arkansas citizens. I will continue to push back against federal overreach and regulation, but criminalizing cooperation with the federal government is not the solution.

I understand the intent of the bill is to provide citizens with confidence that law enforcement officers of this state will not participate in the enforcement of unconstitutional laws. I fully support that intention, but this bill does not accomplish that goal.

Instead, it creates ambiguity and uncertainty in our state's firearms laws, and it jeopardizes the essential partnership between state and federal law enforcement agencies on critical missions that ensure the safety of Arkansans.

Senate Bill 298 specifically states that federal laws and regulations, including The National Firearms Act and The Gun Control Act of 1968 are null and void. The bill does not provide any exception for provisions of those laws concerning unlawful possession by violent criminals. Those laws have been declared constitutional and have been enforced by the courts for decades. In addition, the laws of the State of Arkansas concerning the regulation of firearms reference both the National Firearms Act and The Gun Control Act of 1968. **Senate Bill 298** does not repeal or amend those Arkansas laws, nor have they been repealed by any other act of the General Assembly. If the General Assembly says those laws are no longer recognized, it is unclear what impact that has on Arkansas laws that reference and incorporate federal law. In other words, **Senate Bill 298** would be a defense attorney's dream come true and would render useless our combined state and federal tasks forces fighting violent crime.

Thank you for your attention to this matter.

Sincerely,

/s/ Asa Hutchinson

SENATE JOINT RESOLUTION NO. 14

BY: SENATOR RAPERT

Was read the third time and placed on final passage, the question being shall the Resolution be adopted.

SENATE JOINT RESOLUTION

AN AMENDMENT TO THE ARKANSAS CONSTITUTION TO CREATE THE "ARKANSAS RELIGIOUS FREEDOM AMENDMENT"; AND TO PROVIDE THAT GOVERNMENT MAY NEVER BURDEN A PERSON'S FREEDOM OF RELIGION EXCEPT IN THE RARE CIRCUMSTANCE THAT THE GOVERNMENT DEMONSTRATES THAT APPLICATION OF THE BURDEN TO THE PERSON IS IN FURTHERANCE OF A COMPELLING GOVERNMENT INTEREST AND IS THE LEAST RESTRICTIVE MEANS OF FURTHERING THAT COMPELLING GOVERNMENT INTEREST.

Subtitle

AN AMENDMENT TO THE ARKANSAS CONSTITUTION TO CREATE THE "ARKANSAS RELIGIOUS FREEDOM AMENDMENT".

BE IT RESOLVED BY THE SENATE OF THE NINETY-THIRD GENERAL ASSEMBLY OF THE STATE OF ARKANSAS, AND BY THE HOUSE OF REPRESENTATIVES, A MAJORITY OF ALL MEMBERS ELECTED TO EACH HOUSE AGREEING THERETO:

That the following is proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the state for approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon at the election adopt the amendment, the amendment shall become a part of the Constitution of the State of Arkansas, to wit:

SECTION 1. This amendment shall be known and may be cited as the "Arkansas Religious Freedom Amendment".

SECTION 2. (a) The General Assembly finds:

(1) The framers of the United States Constitution, recognizing free exercise of religion as an unalienable right, secured its protection in the First Amendment to the United States Constitution;

(2) The framers of the Arkansas Constitution of 1874, also recognizing the free exercise of religion as an unalienable right, secured the protection of religious freedom in Arkansas Constitution, Article 2, § 24;

(3) Federal and state laws "neutral" toward religion may burden religious exercise as surely as laws intended to interfere with religious exercise;

(4) Governments should not burden religious exercise without compelling justification;

(5) In Employment Division v. Smith, 494 U.S. 872 (1990), the United States Supreme Court virtually eliminated the requirement that the government justify burdens on religious exercise imposed by laws neutral toward religion;

(6) The compelling interest test as set forth in prior court rulings is a workable test for striking sensible balances between religious liberty and competing government interests in areas ranging from public education (pedagogical interests and religious rights, including recognizing regulations necessary to alleviate interference with the educational process versus rights of religious freedom), national defense (conscription and conscientious objection, including the need to raise an army versus rights to object to individual participation), and other areas of important mutual concern; and

(7) The United States Congress passed the Religious Freedom Restoration Act, 42 U.S.C. § 2000bb, to establish the compelling interest test set forth in prior federal court rulings, but in City of Boerne v. Flores, 117 S.Ct. 2157 (1997), the United States Supreme Court held the act unconstitutional, stating that the right to regulate was retained by the states.

(b) The purpose of this amendment is to:

(1) Guarantee that the freedom of religion is not burdened by state and local law; and

(2) Provide a claim or defense to persons whose religious freedom is burdened by government.

SECTION 3. As used in this amendment:

(1) "Demonstrates" means meeting the burden of going forward with the evidence and of persuasion;

(2) "Freedom of religion" means the free exercise of religion under Arkansas Constitution, Article 2, § 24;

(3) "Government" means:

(A) A branch, department, agency, or instrumentality of the State of Arkansas;

(B) A political subdivision of the state, including without limitation a county, municipality, township, or other unit of local government;

(C) An official acting on behalf of government; and

(D) A person acting under the color of law of the State of Arkansas; and

(4) "Rule" means a statement of Arkansas law, including without limitation a:

(A) Statute;

(B) Rule;

(C) Regulation;

(D) Ordinance;

(E) Administrative provision;

(F) Administrative ruling;

(G) Guideline; or

(H) Requirement.

SECTION 4. (a) Except as provided in subsection (b) of this section, government shall not burden a person's freedom of religion even if the burden results from a rule of general applicability.

(b) Government may burden a person's freedom of religion only if the government demonstrates that application of the burden to the person:

(1) Is in furtherance of a compelling government interest; and

(2) Is the least restrictive means of furthering that compelling government interest.

(c) A person whose religious freedom has been burdened in violation of this section may assert that violation as a claim or defense in a judicial, administrative, or other appropriate proceeding and obtain appropriate relief against a government.

SECTION 5. (a) This amendment applies to each rule of government and its implementation, regardless of whether the rule:

(1) Is statutory; or

(2) Was adopted prior to or after the effective date of this amendment.

(b) This amendment shall not be construed to:

(1) Authorize a government to burden a religious belief; or

(2) Affect, interpret, or in any way address:

(A) The portions of the United States Constitution, First Amendment, permitting the free exercise of religion or prohibiting laws respecting the establishment of religion; or

(B) Article 2, § 24 of this constitution regarding religious liberty.

SECTION 6. (a) This amendment shall be liberally construed to effectuate its remedial and deterrent purposes.

(b) If any provision of this amendment or its application to any particular person or circumstance is held invalid, that provision or its application is severable and does not affect the validity of other provisions or applications of this amendment.

SECTION 7. EFFECTIVE DATE. This amendment shall be effective on and after November 9, 2022.

SECTION 8. BALLOT TITLE AND POPULAR NAME. When this proposed amendment is submitted to the electors of this state on the general election ballot:

(1) The title of this joint resolution shall be the ballot title; and

(2) The popular name shall be "A Constitutional Amendment to Create the "Arkansas Religious Freedom Amendment".

The reading of the Journal of yesterday's proceedings was dispensed with.

Representative Wardlaw appealed the ruling of the Speaker regarding his decision that **SENATE BILL NO. 731** was germane to House Concurrent Resolution No. 1015. Representative Wardlaw objected to the bill being germane because a reference to the American Rescue Plan Act funding as a potential funding to award damage payments is irrelevant because the money cannot be used for that purpose. **SENATE BILL NO. 731** was referred to the House Rules committee.

Representative Bryant appealed the ruling of the chair to send **SENATE BILL NO. 731** to the House Rules committee.

Representative Tollett moved for immediate consideration of Representative Bryant's appeal to sustain the ruling of the chair. Motion carried

Representative Bryant moved for immediate consideration of the motion. Motion carried.

Mr. Chairman, Members of the House, it is an honor to once again stand before you.

I am honored and humbled by the trust and confidence that you have once again shown in me, in electing me to serve as the Speaker of the House for the upcoming 94th General Assembly.

I would like to thank my family back home in El Dorado: my wife, Alie, our three children, Eli, Mary Kate, and Libby, and my parents and other family members for their support and their sacrifice while I spend my time here in Little Rock serving with you. And as I always say I recognize that each of us have family members and friends who likewise make that similar sacrifice for us to be able to serve.

I would like to thank our House staff for their tireless work and dedication over the past Fiscal Session, and for their work and dedication each and every day.

Finally, thank you once again for the trust and confidence that you have shown me in the past and now again as your Speaker, and further thank you to each one of you who has come together over the past term to work for the betterment of our State.

In preparing for today as I did two years ago as well, I looked back to when I was first elected as Speaker, and reviewed the values that at the time I hoped to instill in the House. I believe it is always helpful to recall that values that I initially set out to instill and uphold.

First, I wanted us to be a body that displayed great character. I have tried my best to be a man of my word, to be truthful, and to conduct myself in a manner that is consistent with my faith and the office that I hold. I believe this is important, but even more so given the news stories concerning former members of the legislature that were becoming all too common place when I was elected in 2018.

Second, related to that, I wanted the House to display civility and professionalism.

Third, I was going to prioritize maintaining open lines of communication.

Fourth, we were also going to do our business efficiently. We would take the time necessary to do the people's business. We wouldn't rush it, but we wouldn't look to unnecessarily prolong our business either.

Fifth, we were going to work hard to find consensus when it can be found. Where we couldn't find consensus we would respectfully disagree and display civility and professionalism.

Finally, overriding all I wanted us to strive to do that which is in the best interest of the people of Arkansas.

I submit today that we as a House have exhibited those values.

But we have not just exhibited those values in some abstract way, but in real tangible accomplishments during my time as Speaker:

- 1 Completed successful regular session that saw much legislation passed with many members successfully passing legislation. Some have called it the Greatest of All Time.
- 2 Expanded live streaming to include virtually all committee meetings.
- 3 Over my terms as Speaker we have run more efficiently as we have cut the House's budget by 15% for FY20, again another 10% for FY21, again 10% for FY22, and yet again by 5% for FY23.
- 4 Broadened appointments and assignments among the Members of the House.
- 5 Prior to COVID we had reduced overall per diem for the legislature as we worked more efficiently schedule meetings during the interim.
- 6 Conducted two additional successful legislative sessions off site in the midst of a global pandemic, and then conducted a successful regular legislative session here at the Capitol in the midst of COVID.
- 7 We have conducted the most transparent RSA process in the history of the House.
- 8 We have provided for a fair and equitable legislative process in some of the most trying times that the House has ever seen. As we all know, the most pressing issues have been decided right here on the House floor.

These aren't accomplishments solely for me, but they are accomplishments that all House members can share in and be proud of.

While we have accomplished much in the past, there is still much more to be done, both as we finish the 93rd General Assembly and look forward to the 94th.

In that regard, I look forward to working with you the House and the entire Legislature, as the State emerges from COVID and as we deal with a new administration. As

touched on earlier, prior to COVID we were working more efficiently and were more productive. I want to help us pick up where we left off prior to COVID.

Finally, in an era of hyper-partisanship I believe that we still while being members of our respective political parties, can maintain a House focused not on what divides us, but on what unites us for the betterment of the citizens of Arkansas. I think we have done a good job to this point, but that is not something that we can take for granted, but must continually work on and be dedicated to.

In closing, I am always leery of individuals who wax about their love an institution. But I must say that over my time as Speaker of the House, I have come to love the House. I love the comradery, I love the debate, I even love the challenges that are presented-most of the time. But it is because of my love and belief in the House, and the pride of knowing that we have done things the right way, that I can confidently stand here today and as I have throughout my time as Speaker I look forward to the opportunity to continue to serve and stand ready to work with all who are willing, so that we may continue to work in the best interest of those who matter most, the people of Arkansas.

Thank you again for your support. May God bless this House and may God bless the great state of Arkansas.

Upon motion of Representative Eubanks, the House Caucus adjourned at 12:29 p.m.
