AN AMENDMENT TO THE ARKANSAS CONSTITUTION TO CREATE THE "ARKANSAS RELIGIOUS FREEDOM AMENDMENT".

BE IT RESOLVED BY THE SENATE OF THE NINETY-THIRD GENERAL ASSEMBLY OF THE STATE OF ARKANSAS, AND BY THE HOUSE OF REPRESENTATIVES, A MAJORITY OF ALL MEMBERS ELECTED TO EACH HOUSE AGREEING THERETO:

That the following is proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the state for approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon at the election adopt the amendment, the amendment shall become a part of the Constitution of the State of Arkansas, to wit:

SECTION 1. This amendment shall be known and may be cited as the "Arkansas Religious Freedom Amendment".

SECTION 2. (a) The General Assembly finds:

(1) The framers of the United States Constitution, recognizing free exercise of religion as an unalienable right, secured its protection in the First Amendment to the United States Constitution;

(2) The framers of the Arkansas Constitution of 1874, also recognizing the free exercise of religion as an unalienable right, secured the protection of religious freedom in Arkansas Constitution, Article 2, § 24;

(3) Federal and state laws "neutral" toward religion may burden religious exercise as surely as laws intended to interfere with religious exercise;

(4) Governments should not burden religious exercise without compelling justification;

(5) In Employment Division v. Smith, 494 U.S. 872 (1990), the United States Supreme Court virtually eliminated the requirement that the government justify burdens on religious exercise imposed by laws neutral toward religion;

(6) The compelling interest test as set forth in prior court rulings is a workable test for striking sensible balances between religious liberty and competing government interests in areas ranging from public education (pedagogical interests and religious rights, including recognizing regulations necessary to alleviate interference with the educational process versus rights of religious freedom), national defense (conscription and conscientious objection, including the need to raise an army versus rights to object to individual participation), and other areas of important mutual concern; and

(7) The United States Congress passed the Religious Freedom Restoration Act, 42 U.S.C. § 2000bb, to establish the compelling interest test set forth in prior federal court rulings, but in City of Boerne v. Flores, 117 S.Ct. 2157 (1997), the United States Supreme Court held the act unconstitutional, stating that the right to regulate was retained by the states.

(b) The purpose of this amendment is to:

(1) Guarantee that the freedom of religion is not burdened by state and local law; and

(2) Provide a claim or defense to persons whose religious freedom is burdened by government.

SECTION 3. As used in this amendment:

(1) "Demonstrates" means meeting the burden of going forward with the evidence and of persuasion;

(2) "Freedom of religion" means the free exercise of religion under Arkansas Constitution, Article 2, § 24;

(3) "Government" means:

(A) A branch, department, agency, or instrumentality of the State of Arkansas;

(B) A political subdivision of the state, including without limitation a county, municipality, township, or other unit of local government;

(C) An official acting on behalf of government; and

(D) A person acting under the color of law of the State of Arkansas; and

(4) "Rule" means a statement of Arkansas law, including without limitation a:

(A) Statute;

(B) Rule;

(C) Regulation;

(D) Ordinance;

(E) Administrative provision;

(F) Administrative ruling;

(G) Guideline; or

(H) Requirement.

SECTION 4. (a) Except as provided in subsection (b) of this section, government shall not burden a person's freedom of religion even if the burden results from a rule of general applicability.

(b) Government may burden a person's freedom of religion only if the government demonstrates that application of the burden to the person:

- (1) Is in furtherance of a compelling government interest; and
- (2) Is the least restrictive means of furthering that compelling government interest.

(c) A person whose religious freedom has been burdened in violation of this section may assert that violation as a claim or defense in a judicial, administrative, or other appropriate proceeding and obtain appropriate relief against a government.

SECTION 5. (a) This amendment applies to each rule of government and its implementation, regardless of whether the rule:

- (1) Is statutory; or
- (2) Was adopted prior to or after the effective date of this amendment.

(b) This amendment shall not be construed to:

- (1) Authorize a government to burden a religious belief; or
- (2) Affect, interpret, or in any way address:
  - (A) The portions of the United States Constitution, First Amendment, permitting the free exercise of religion or prohibiting laws respecting the establishment of religion; or
  - (B) Article 2, § 24 of this constitution regarding religious liberty.

SECTION 6. (a) This amendment shall be liberally construed to effectuate its remedial and deterrent purposes.

(b) If any provision of this amendment or its application to any particular person or circumstance is held invalid, that provision or its application is severable and does not affect the validity of other provisions or applications of this amendment.

SECTION 7. EFFECTIVE DATE. This amendment shall be effective on and after November 9, 2022.

SECTION 8. BALLOT TITLE AND POPULAR NAME. When this proposed amendment is submitted to the electors of this state on the general election ballot:

- (1) The title of this joint resolution shall be the ballot title; and

(2) The popular name shall be "A Constitutional Amendment to Create the "Arkansas Religious Freedom Amendment".

## STATE OF ARKANSAS

**Asa Hutchinson**  
**Governor**

April 23, 2021

Dear President Hickey, Speaker Shepherd, and Members of the General Assembly:

Pursuant to Article 6, Section 15 of the Arkansas Constitution, I inform you today I vetoed **Senate Bill 298**, The Arkansas Sovereignty Act.

**Senate Bill 298** imposes criminal penalties on state and local law enforcement officers who assist federal agencies or officers in the enforcement of The National Firearms Act which includes limitations on the possession of machine guns, grenades, bombs, and land mines. The bill also prohibits assisting in the enforcement of the Gun Control Act of 1968, which prohibits certain felons from possession of firearms.

The partnership between state and federal law enforcement officers is essential for the safety of Arkansas citizens. This bill will break that partnership and put the safety of Arkansans at risk.

On a daily basis, our state law enforcement officers assist federal agents in the apprehension of violent criminals in possession of illegal firearms. This bill will not only jeopardize future law enforcement endeavors, but also, it will jeopardize hundreds of federal cases against violent criminals. The testimony of Arkansas law enforcement officers assisting federal officers in the pursuit of violent criminals is critical in those cases. That testimony would be barred and criminalized by **Senate Bill 298**. Additionally, **Senate Bill 298** would allow those violent criminals to sue Arkansas law enforcement officers for assisting their federal law enforcement counterparts. This is unacceptable.

I am committed to protecting the sovereignty of the State of Arkansas and the constitutional rights of Arkansas citizens. I will continue to push back against federal overreach and regulation, but criminalizing cooperation with the federal government is not the solution.

I understand the intent of the bill is to provide citizens with the confidence that law enforcement officers of this state will not participate in the enforcement of unconstitutional laws. I fully support that intention, but this bill does not accomplish that goal.

Instead, it creates ambiguity and uncertainty in our state's firearms laws, and it jeopardizes the essential partnership between state and federal law enforcement agencies on critical missions that ensure the safety of Arkansans.

**Senate Bill 298** specifically states that federal laws and regulations, including The National Firearms Act and The Gun Control Act of 1968 are null and void. The bill does not provide any exceptions for provisions of those laws concerning unlawful possession by violent criminals. Those laws have been declared constitutional and have been enforced by the courts for decades. In addition, the laws of the State of Arkansas concerning the regulation of firearms reference both the National Firearms Act and The Gun Control Act of 1968. **Senate Bill 298** does not repeal or amend those Arkansas laws, nor have they been repealed by any other act of the General Assembly. If the General Assembly says those laws are no longer recognized, it is unclear what impact that has on Arkansas laws that reference and incorporate federal law. In other words, **Senate Bill 298** would be a defense attorney's dream come true and would render useless our combined state and federal task forces fighting violent crime.

Thank you for your attention to this matter.

Sincerely,

(SIGNED) ASA HUTCHINSON, GOVERNOR

If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill.  PROCEDURAL REQUIREMENTS FOR THE CREATION OR  
 AMENDMENT OF LOTTERY-FUNDED SCHOLARSHIPS.

TO AMEND THE RULES OF THE SENATE OF  
 THE NINETY-THIRD GENERAL ASSEMBLY.

SECTION 1. The Rules of the Senate of the Ninety-Third General Assembly of the State of Arkansas are amended to read as follows:

Procedural Requirements for Creating or Amending Lottery-Funded Scholarships

(A) Introduction of Bills.

(1) The following proposed legislation to be considered by the General Assembly at a regular session shall be introduced in the General Assembly during the first thirty-one (31) calendar days of a regular session:

(a) A bill that creates a new scholarship to be funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable; and

(b) A bill that affects an existing scholarship that is funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable.

(2)(a) A bill creating a new scholarship to be funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, or affecting an existing scholarship that is funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, shall not be introduced after the thirty-first day of a regular session unless its introduction is first approved by a three-fourths ( $\frac{3}{4}$ ) vote of the full membership of each chamber of the General Assembly.

(b) If the General Assembly recesses for longer than three (3) consecutive days during the first thirty-one (31) days of a regular session, the deadline imposed under this section shall be extended for a

time period equal to the recess.

(3) A bill creating a new scholarship to be funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, or affecting an existing scholarship that is funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, shall not be introduced or considered at a special session or fiscal session of the General Assembly unless the introduction or consideration of the bill is first approved by a two-thirds (2/3) vote of the full membership of each chamber of the General Assembly.

(4) The requirements of subsection (A) of this section shall not apply to bills introduced during the 2021 Regular Session.

(B) Lottery fiscal impact statements.

(1) Any bill filed with the Senate or the House of Representatives that creates a new scholarship to be funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, or affects an existing scholarship that is funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, shall:

(a)(i) Have a lottery fiscal impact statement attached to it that is substantially in the form set forth in Act 636 of 2021.

(ii) A bill that creates a new scholarship to be funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, or affects an existing scholarship that is funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, shall not be taken up by the House Committee on Education and the Senate Committee on Education, meeting jointly, until a lottery fiscal impact statement is attached; and

(b) Not take effect until at least one (1) year immediately following the year in which the scholarship was enacted.

(2) The lottery fiscal impact of a bill that creates a new scholarship to be funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, or affects an existing scholarship that is funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, shall be determined in the manner set forth in Act 636 of 2021.

(3) In addition to the information required under subdivision (B)(2) of this section, the final lottery fiscal impact of the new scholarship to be funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, or an existing scholarship that is funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, shall include and be calculated as required in Act 636 of 2021.

(4)(a)(i) If the final lottery fiscal impact results in a positive

number, the House Committee on Education and the Senate Committee on Education, meeting jointly during a regular session, special session, or fiscal session, as applicable, may refer a bill creating a new scholarship to be funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, or amending an existing scholarship funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, to either chamber of the General Assembly for consideration.

(ii) The referral of a bill under subdivision (B)(4)(a)(i) of this section shall require approval by a separate vote of House Committee on Education members and Senate Committee on Education members, meeting jointly during a regular session, special session, or fiscal session, as applicable.

(b) If the final lottery fiscal impact results in a negative number, the House Committee on Education and the Senate Committee on Education, meeting jointly during a regular session, special session, or fiscal session, as applicable, shall not refer the bill to either chamber of the General Assembly for consideration unless:

(i) The bill is amended to ensure the final lottery fiscal impact results in a positive number; or

(ii) Additional funding is provided through the General Revenue Fund Account.

(C) Consideration of bills.

(1) The House Committee on Education and the Senate Committee on Education shall meet jointly during a regular session, special session, or fiscal session, as applicable, to consider any bill:

(a) Creating a new scholarship to be funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable; or

(b) Affecting an existing scholarship that is funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable.

(2) A bill creating a new scholarship to be funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, or affecting an existing scholarship that is funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, shall not be recommended to either chamber of the General Assembly except upon the affirmative vote of a majority of the members of the following, meeting jointly during a regular session, special session, or fiscal session, as applicable:

(a) House Committee on Education; and

(b) Senate Committee on Education.

(3) A lottery fiscal impact statement prepared for a bill as required under Act 636 of 2021 shall be amended each time the House

Committee on Education and the Senate Committee on Education recommends to either chamber of the General Assembly a bill creating a new scholarship to be funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, or affecting an existing scholarship that is funded with net proceeds from the state lottery or the Higher Education Grants Fund Account, as applicable, in order to account for the updated lottery fiscal impact, if any, the bill that proposes a new scholarship or amends an existing scholarship will have.

"SECTION 1. Arkansas Code Title 16, Chapter 90, is amended to add an additional subchapter to read as follows:

Subchapter 15 — Inmate Misdemeanor Offense Reconciliation

16-90-1501. Legislative findings and intent.

(a) The General Assembly finds that:

(1) Arkansas law requires offenders to pay legal financial obligations to the state, cities, and counties imposed by various courts and law enforcement agencies;

(2) Missed payments for fines and fees may lead to charges in court for failure to pay, failure to appear, and contempt, all of which result in additional fines and penalties; and

(3) It is in the state's interest to study the efficacy of streamlining the assessment and collection of financial obligations for incarcerated or formerly incarcerated individuals.

(b) The General Assembly intends to create a framework, consistent with Arkansas Constitution, Amendment 80, and the constitutional prerogatives of the state's prosecuting attorneys and judges, to enable persons who are incarcerated in the Department of Corrections to resolve all pending misdemeanor offenses committed within this state and assist in the identification of corresponding fines, fees, and costs resulting from those misdemeanor offenses.

(c) This subchapter does not limit a court's ability to impose a financial obligation against any person who has been convicted of an offense.

16-90-1502. Compilation of pending misdemeanor offenses.

(a) A person who is incarcerated in the Department of Corrections may request of the department and shall be provided by the department a complete compilation of all outstanding arrest warrants, criminal summons, and pending misdemeanor cases for that person.

(b) The department shall provide information under subsection (a) of this section from information made available to the Arkansas Crime Information Center and the Administrative Office of the Courts.

16-90-1503. Option to resolve pending misdemeanor matters.

(a) As used in this section, "assistance" means the Department of Corrections shall make available means of communication between a person, the prosecuting attorney, the court, local law enforcement agencies, and the person's attorney, if applicable, to help facilitate the entry of pleas remotely from the

department, addressing outstanding misdemeanor arrest warrants, and, when required by the court, attendance at the court for the purposes of entry of pleas, hearings, or trials.

(b)(1) A person incarcerated in the department, with the assistance of the department, may petition a court for a quick resolution of a misdemeanor offense pending in the court.

(2) The person may also request to be served with any outstanding misdemeanor arrest warrant in order to begin the process of resolving the misdemeanor arrest warrant.

(3) Upon request to the court with jurisdiction over the outstanding misdemeanor offense, the court may require the misdemeanor arrest warrant to be served by the staff of the department.

(c) Local law enforcement agencies with jurisdiction over the outstanding misdemeanor offense shall also help facilitate transportation of the person to and from the department to the court when the court requires it for trial.

16-90-1504. Remote pleading permitted.

(a) Subject to the rules of the judiciary and the local rules of the court, a person who has opted to resolve pending misdemeanor matters under this subchapter may still be permitted to enter remotely a plea of guilty or nolo contendere to any outstanding or pending misdemeanor charges from where he or she is incarcerated.

(b) A remote plea may be given only through a real-time medium with both an audio and visual feed.

16-90-1505. Negotiated pleas to run concurrent.

(a) A negotiated plea entered into between the state and a person may be imposed using the procedures under § 5-4-403.

(b)(1) The court is also encouraged to refrain from fining a person and instead sentence the person to a period of incarceration only.

(2) This subchapter does not limit a court's ability to impose a financial obligation against any person who has been convicted of an offense.

SECTION 2. DO NOT CODIFY. TEMPORARY LEGISLATION.

(a) There is created the Criminal Justice Task Force on Offender Court Costs and Collections.
