Governor Asa Hutchinson
State of the State Address
To the 93rd General Assembly
February 14, 2022

Arkansas House of Representatives Chamber

12:45 p.m.

Thank you, Speaker Shepherd; Senate Pro Tem Hickey; Lt. Gov. Griffin; Mr. Chief Justice Kemp and Justices of the Supreme Court; and Members of the General Assembly.

It is an honor to stand before the joint chambers today for my 8th and final State of the State speech.

For that reason please allow me a moment of personal reflection.

The opportunity to serve and lead the state I love has been the highest privilege of my public career.

As you know, I was raised on a farm on the Spavinaw Creek near Gravette. I was the youngest of six children born to John Malcolm and Coral Hutchinson. They were married in the Great Depression and understood tough times; they did not have college degrees but they valued learning and encouraged me to pursue my dreams and, most importantly, to have faith and trust in our Creator who reigns sovereign in the affairs of man.

But the most important person in my life is the girl I was so crazy about that I hitchhiked from Fayetteville to Memphis on the weekends to see her. Susan has celebrated every victory with me and walked with me through every trial. Let me introduce my sweetheart of 48 years and the First Lady, Susan Hutchinson.

Susan has devoted time, energy, and her voice to helping the abused and neglected children in our state.

My family is important to me, and I am grateful, my son and namesake is here, Asa Hutchinson III.

Today, I am also grateful for the partnership of the General Assembly. Every once in a while we disagree, but all in all, we have worked together and accomplished a great deal for the people of our state. Our work together has not been for the weak of heart but it has been transformative and will impact generations to come.

Seven years ago, I took office with the desire to improve the quality of life in Arkansas by improving education, increasing our manufacturing, preserving our outdoor heritage, and supporting our farmers.

I wanted to be the jobs governor, and through the work of Mike Preston and the Arkansas Economic Development Commission and our many partners, we've had historic success.

We now have the lowest unemployment ever at 3.1% and a record number of Arkansans working.

We have signed 556 incentive agreements that created 25,000 jobs.

81,000 more people are employed now than when I took office in 2015.

On my first day in office, I called the CEOs of six companies. One of those companies was Sig Sauer.

A year later, they opened a facility in Jacksonville employing Arkansans and continue to grow.

The long list of companies that have expanded or moved to Arkansas represents billions of dollars of investment.

This is a sampling of the companies that have moved here or expanded

Cynergy Cargo in Crossett.

Nestle in Jonesboro.

Aerojet Rocketdyne in Camden.

Trex in Little Rock.

EnviroTech in Helena-West Helena.

Vexus Boats in Flippin.

Canoo in Bentonville.

Resolute Forest Products in El Dorado and Glenwood.

West Rock Coffee in Conway.

Riceland in Stuttgart.

Mars Petcare in Fort Smith.

Drax in Russellville.

Tractor Supply in Maumelle.

Last week we broke ground on the largest economic development project in state history. The U.S. Steel announcement on the construction of a new steel mill in Osceola. This is another calling card for our state.

It means:

A \$3 billion investment with more than 900 new high-paying jobs;

Mississippi County will be the Number 1 steel-producing county in the nation.

And this would not have been possible without the support of the General Assembly in passing legislation necessary to win the project. Thank you.

But there is more. In Arkansas, we support our military bases and their missions. That is why we worked so hard to bring in the F-35 pilot training mission to Ebbing Air National Guard Base in Fort Smith. This will be an economic boon for Western Arkansas for decades to come.

But another reason that we have been successful in job creation is that we made it a priority to cut taxes.

When I came into office I promised to cut middle-income taxes by \$100 million. People said it couldn't be done. Well, we did it in the first year. Then we went on to provide tax relief to every Arkansan. We have lowered the individual income tax rate from 7.0% when I was elected to 5.5% this year. And there is more to come.

These reductions return money from the government coffers to the hard-working Arkansans who need this money to pay for the increasing costs of providing for their family. They need fuel to get to work each day and tax cuts allow them to have more money in their pocket to invest or spend on the necessities of life.

The cumulative total of these annual income tax reductions over the past seven years exceeds \$1 billion.

We did this while also giving teachers raises, increasing funding for education, and creating a record \$1.2 billion reserve fund.

In addition, we saw the need for improved roads and highways in Arkansas, so we met the challenge by doing the heavy lifting of passing the largest highway funding plan in history.

We saw the need of our foster children and we gave them HOPE.

We wanted a more efficient and responsive state government, so we transformed it from 42 departments down to 15. We have reduced the number of state employees by over 2,000 since 2015.

We navigated our way through a pandemic and we kept our schools open because we knew our children needed to be in the classroom. I knew in Arkansas every business was essential, so we never sheltered in place or stopped producing.

These businesses are not only essential for our families but also for the world. We produce and the world depends upon us.

In the spirit of comity and friendship, the General Assembly and the Executive Branch came to an agreement on most issues during the last two years; and when we disagreed, well we just disagreed. But that did not stop the goodwill or our ability to work together.

Now, let me pause and recognize 3 representatives of public servants who have sacrificed and endured extraordinary hardship to get us through this pandemic.

Let me introduce Juanita Ellison. Juanita was a senior in high school in Camden when she decided she wanted to teach school. She earned a degree at Southern Arkansas University. She taught at Camden Public Schools and then moved to Jacksonville where she teaches K-5 special education.

Juanita Ellison is a dedicated teacher and she represents all of our teachers who have gone the extra mile to help our students.

Please join me in recognizing Juanita Ellison and saying thanks to our teachers across Arkansas.

Next, I want to introduce Emily McGee who is a critical care nurse in the ICU unit of St. Bernard Regional Medical Center in Jonesboro. Emily was the director of critical care and oversaw the expansion of critical care at the hospital during the pandemic.

Emily represents our health care professionals who we all celebrate as heroes during the last two years. They serve us every day. Let's express our thanks and God bless you.

Our third and last special guest is Trooper Zenda Staab of the Arkansas State Police. Zenda was an Assistant Basketball Coach before she joined the State Police. She is also an MP in the Arkansas National Guard.

Without going into all the details Zenda took heroic actions in 3 separate incidences in order to save lives. In one instance, Zenda initiated the pursuit of a stolen car. When the suspect crossed over to drive against traffic on a four-lane highway, she executed a U-turn and stopped him head-on with her cruiser. The suspect was traveling 70 mph. Before the stolen car stopped spinning, she was out of her seatbelt, out of the car, and drawing her weapon. The actions of Trooper Staab, at great risk to her own safety, kept the public safe and saved lives.

Please recognize Trooper Staab. She represents all those in law enforcement that risk their lives every day for our safety and to enforce the rule of law.

Thank you to Juanita, Emily and Zenda for your service.

Before we move into the future, let's spend a moment reflecting on history. In 1956, the Eisenhower administration laid out a bold plan to change the way Americans moved. The Interstate Highway System connected all parts of America, even previously remote states like Arkansas. This concept was bold at a time when many Americans traveled interstate by train. Investment in the interstate system helped create unprecedented growth in travel, business, and tourism. Without our interstates, companies like Walmart, J.B. Hunt, and FedEx may never have grown into the business titans they are today. President Eisenhower wisely saw where the future of mobility was heading, and his vision made America a leader in that future.

Now, let's talk about our own future. You have supported our students by giving them opportunities in computer science education that make Arkansas a national leader. Tens of thousands of more students have an opportunity to choose a path that will make a difference in shaping the world and will provide them with a high-paying job.

But now, Arkansas is in a unique position to lead in future technologies that will change our world.

Today, I am challenging Arkansas to lead in this world of innovation by focusing on the future of advanced mobility. This focus includes autonomous vehicles, upward mobility platforms, electric vehicles, and modes of transportation that do not exist today but could be the dream of an Arkansas student right now.

Why Arkansas?

We have always led in transportation from entrepreneurs like J.B. Hunt who started hauling rice hulls from Stuttgart to NWA; and Sheridan Garrison who started Arkansas Freightways that is now FedEx Freight; and also Steve Williams of Maverick Transportation.

We all know that the success of our transportation industry is critical to the economic future of Arkansas. And to position our state for the future we must act today because the future of supply chain deliveries will be different tomorrow from the trucks on our road today. So, let's keep leading.

This past year between the Delta variant surge and Omicron, I was able to make an economic development trip to Israel. I spoke at the Prime Minister's Mobility Summit. I was preceded on the stage by the Israeli Transportation Minister who announced that they hope to get a bill through the Knesset to allow the piloting of autonomous vehicles.

Well, I was the next speaker following the Minister and I announced that Arkansas passed a law in 2019 (2 years ago) that allowed the piloting of autonomous vehicles. Further, the pilot program was successful, and we are now using fully automated vehicles delivering goods from the warehouse to the retail store. It was a proud moment for Arkansas. But to accomplish this, it took the work of the General Assembly, the Arkansas Department of Transportation, and the leadership of the private sector. In this case, Walmart and Gatik.

We have also recruited the headquarters of an electric vehicle manufacturing company, Canoo; and in south Arkansas, Standard Lithium is piloting the production of a critical element in the supply chain for electric vehicles. In eastern Arkansas, we produce the steel that is required for the battery casing in electric vehicles. So, we are in a good position to shape the future from Arkansas.

In order for us to lead, we need to have electric charging stations across the state. Arkansas is scheduled to receive \$54 million over the next 5 years from the federal government for electric charging station infrastructure. Quite frankly, this needs to be accelerated. Oklahoma already has it in place and we may need to devote state dollars to get it done more quickly.

As governor, I won't be here for the end of the story but together we can write the first chapter. Today, I am announcing the creation of the Arkansas Council on Future Mobility. The Advisory Council will be charged with identifying state laws and regulations that

create a barrier to the development and enhancement of electrification, autonomous vehicles, drone delivery, and advanced air mobility in Arkansas. It will examine workforce training, accessing federal funding, and will make recommendations before the next general session of the legislature.

In the future, you will have choices to make. You will have the opportunity to remove regulatory burdens and to pass legislation to advance new modes of transportation that will keep Arkansas in the lead. I encourage you to build on the private sector success we have in Arkansas and allow innovation and new technologies to bolster our future. The businesses that drive these innovations in mobility will be leaders in the future economy. I want these companies to find a home in Arkansas and for our state to be a leader in future mobility.

Of course, the reason we are here is the Fiscal Session of the General Assembly. So, let me discuss the budget that has been presented.

The budget before you includes increased funding for education, health care and public safety. It includes stable funding for the victims of crime through the Crime Victims Reparations program. It provides funding for child abduction response teams and for 2 new drug courts. And even with those spending priorities, we will continue to have a healthy surplus.

Most importantly, this session will be remembered for our support of law enforcement.

Because of your advocacy and hard work, I am able to announce support for the \$5,000 one-time payment to every county and city-certified law enforcement officer. This will be one-time payment from our surplus effective June 30 when the fiscal year ends. It is designed to reward and incentivize those dedicated officers who keep our streets safe and our homes protected. The total costs of this initiative in support of law enforcement will be approximately \$45 million.

Next, you passed Act 786 of 2021 to create the Public Safety Equipment Grant Program. This was one of the recommendations of the Task Force on the Advancement of Law

Enforcement that I convened after the murder of George Floyd and the subsequent nationwide protests. The Task Force wanted to increase trust between police and our communities and to improve the training, equipment and pay for our law enforcement officers.

The grant program has received applications for funding to purchase everything from body cameras to bulletproof vests. We have about \$5 million in equipment requests from cities and counties but we don't have \$5 million to cover those grant requests.

I recommend \$10 million of one-time funding from our June 30 surplus to adequately fund the \$5 million in applications and another \$5m for new requests.

Currently, our law enforcement is underfunded, underpaid, and underappreciated. The actions of this General Assembly to fund more, pay more, and to appreciate more will send the unmistakable message that in Arkansas.....we support and value our law enforcement partners.

As part of this effort, our budget will significantly increase the pay of our state troopers. Col. Bill Bryant has been a star in leading the State Police and the troopers are deserving of a more competitive salary. The troopers not only patrol the highways but their SWAT units are regularly deployed in crisis situations across the state. They back up local law enforcement in the response and investigation of violent crime. I am very proud of their dedication and professionalism. So, while some across the country advocate for reducing police funding, we are doing the opposite. We are increasing support and affirming that the first duty of government is public safety.

I also challenge our counties and cities to step up to the plate and do more. Police funding must be a priority at every level.

Currently, we have a record back up of state prisoners in our county jails. This limits the counties and cities in their capacity to enforce local laws. This backlog must be remedied and for that reason, I recommend another one-time investment from our surplus to fund a new 498 inmate prison facility.

Let me emphasize that this need for a new facility is not a reflection of a change in incarceration policy. It is simply the fact that we have a growing state. We are growing in projections of 1.4% percent.

My finance team led by Secretary Larry Walther conservatively estimates that we will have a \$500 million surplus on June 30. We have sufficient room to address these urgent public safety needs.

And, yes, if this surplus continues to grow then there will be an opportunity next year to return part of the growing surplus to the taxpayers.

As to the state of our state, I am grateful to say that Arkansas is leading. We are leading in computer science education; technology innovation; agriculture; tourism; job creation; and support for veterans and law enforcement. Sure, we have more to do but our state is blessed.

And our nation is blessed as well. I think back in my lifetime and I can recall the division and protests of the Viet Nam War; the turmoil of Watergate; the assassinations of Presidents and civil rights leaders; and the bitter political fights in Washington. If you simply concentrated on those tragic moments in our history then you might be discouraged about America. But I also remember and lived through the

Berlin airlift; the Cuban Missile Crisis when our leaders stood tall against a Soviet threat; I witnessed Neil Armstrong land on the moon to win the space race and I saw the fall of the Berlin wall. I observed from a very personal standpoint how we all came together as a nation after the 9-11 attack.

These moments in history remind us that leaders make a difference and that we can do more, and earn the respect of the world when we are united and when we are following the better angels of the American spirit.

Leaders can appeal to the instincts of fear or they can lead with hope. In today's world and, yes, in Arkansas, let's join together to bring out the best of our fellow citizens. I have never been more hopeful and optimistic about the future of our state. Let's work with courage to unite, inspire and lead with hope.

Thank you. May God bless the state of Arkansas and give us the courage to keep America strong, united, and free.

The Joint Session adjourned. The House reconvened in five minutes; the Senate reconvened in 10 minutes.

ARKANSAS SENATE
NINETY-THIRD GENERAL ASSEMBLY
FISCAL SESSION
Amendment No. 1 to SENATE BILL NO. 103

Amend **Senate Bill No. 103** as originally introduced:

Page 1, immediately following SECTION 1, delete SECTION 2 in its entirety and insert the following new SECTION:

" SECTION 2. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. LAW ENFORCEMENT STIPEND GRANTS.

(a)(1) This section shall be known and may be cited as the "Arkansas Full-Time Law Enforcement Officer Salary Stipend Act of 2022".

(2) It is the intent of the General Assembly that:

(A) An eligible full-time law enforcement officer is not awarded more than one (1) salary stipend under this section even if the eligible full-time law enforcement officer is employed by more than one (1) eligible local law enforcement agency or eligible state law enforcement agency during the applicable time period described under this section; and

(B) The salary stipends awarded under this section shall not occur more than one (1) time unless authorized by the General Assembly in subsequent legislation.

(3)(A) While all persons employed by a local or a state law enforcement agency or other state agency, locality, or political subdivision of the state are engaged in important and vital work in our criminal justice system, it is the intent of the General Assembly to limit the salary stipends provided for under this section to the most vital law enforcement officers who are out on the street, literally standing between criminals and the public or engaged in the active investigation of criminal acts committed against the public at large.

(B) As such, the General Assembly intends for the salary stipends to be awarded to our state troopers, our deputy county sheriffs, our city and municipal police officers, our officers engaged in closely supervising our probationers and parolees, detectives who solve crimes, our patrolmen and patrolwomen, our criminal investigators, and any of the other certified law enforcement officers who patrol and work our streets, who are the face of our communities, and who are active every day in protecting the public and stopping and

investigating crime.

(b) As used in this section:

(1) "Auxiliary law enforcement officer" means a person who:

(A) Meets the minimum standards and training requirements prescribed for an auxiliary law enforcement officer by law;

(B) Receives no salary or wages for the performance of his or her duties; and

(C) Is appointed by a political subdivision of the state or a law enforcement agency as a reserve officer, volunteer officer, or mounted patrol, not including any law enforcement officer or deputy county sheriff employed by a planned community property owners' association;

(2)(A) "Eligible full-time law enforcement officer" means a person who:

(i) Is an appointed law enforcement officer responsible for the prevention and detection of crime and the enforcement of the criminal, traffic, or highway laws of this state;

(ii) Is employed by and receives a salary authorized by an eligible local law enforcement agency or eligible state law enforcement agency;

(iii) Has the statutory authority to enforce the criminal, traffic, and highway laws of the state and serves a law enforcement function for an eligible local law enforcement agency or eligible state law enforcement agency;

(iv) Is employed as a law enforcement officer more than twenty-four (24) hours per week; and

(v) Has satisfactorily completed a program of basic law enforcement training at a school approved by the Arkansas Commission on Law Enforcement Standards and Training.

(B) "Eligible full-time law enforcement officer" includes a person who satisfies the requirements of subdivision (b)(2)(A) of this section and who is employed as specialized police personnel for the Department of Corrections.

(C) "Eligible full-time law enforcement officer" does not include a person employed as:

(i) Specialized police personnel not employed by the Department of Corrections, including without limitation:

(a) An employee of a county, regional, or city jail or correctional or detention center who is not otherwise employed as an eligible full-time law enforcement officer;

(b) A probation or parole officer who is not otherwise employed as an eligible full-time law enforcement officer; or

(c) A bailiff;

(ii) An auxiliary law enforcement officer;

(iii) A part-time law enforcement officer;

(iv) A law enforcement officer of the United States

Government;

(v) An elected law enforcement officer who is:

- (a) Prekindergarten school;

- (c) Secondary school; or
- (d) Institution of higher education;
- (3) "Eligible local law enforcement agency" means the following that employ an eligible full-time law enforcement officer:
- (A) An Arkansas county; or
- (B) An Arkansas municipal police department;
- (4) "Eligible state law enforcement agency" means the Department of Public Safety and the Department of Corrections;
- (5) "Part-time law enforcement officer" means a person who:
- (A) Is employed by and receives a salary authorized by a law enforcement agency;
- (B) Has the statutory authority to enforce the criminal, traffic, or highway laws of this state; and
- (C) Is employed as a law enforcement officer no more than twenty-four (24) hours per week;

- (c)(1) Subject to an appropriation provided by the General Assembly, an eligible full-time law enforcement officer who is:
- (A) Employed by an eligible state law enforcement agency or an eligible local law enforcement agency on July 1, 2022, is eligible to receive a one-time salary stipend as described under subsection (g) of this section upon verification of eligibility for the salary stipend by the Division of Law Enforcement Standards and Training; or

(B) First employed by an eligible local law enforcement agency or an eligible state law enforcement agency after July 1, 2022, but on or before January 31, 2023, shall receive a one-time salary stipend as described under subsection (g) of this section upon certification to the division by the eligible local law enforcement agency or eligible state law enforcement agency that the eligible full-time law enforcement officer is currently employed by the eligible local law enforcement agency or eligible state law enforcement agency as a full-time law enforcement officer at the time of certification to the division.

(2) An eligible local law enforcement agency is required as a condition of receiving funding for the salary stipends provided for under this section to:

(A) Proactively request to the division for the salary stipend funds to be distributed to an eligible full-time law enforcement officer;

(B) Acknowledge that:

(i) The funding provided for under this section is a one-time disbursement and that request for and subsequent receipt of funding for the salary stipends does not in any manner entitle the eligible local law enforcement agency for additional funding for future salary stipends; and

(ii) If the funds are received by the eligible local law enforcement agency, the state is no longer responsible to an individual eligible full-time law enforcement officer who is employed by the eligible local law enforcement agency for payment of the salary stipend provided for under this section;

(C) Adjust the eligible local law enforcement agency's budget to permit the disbursement of the salary stipends to the eligible local law enforcement agency's full-time law enforcement officers as the local governing body requires; and

(D) Agree to being subject to audit by Arkansas Legislative Audit concerning the request for, receipt of, and disbursement of the salary stipend funding.

(d)(1) Between July 1, 2022, and August 1, 2022, an eligible local law enforcement agency or an eligible state law enforcement agency that requests funding for the salary stipends provided for under this section shall provide a certification on a form provided by the division that identifies each eligible full-time law enforcement officer employed by the eligible local law enforcement agency or eligible state law enforcement agency as a full-time law enforcement officer on July 1, 2022.

(2) The form shall be signed by the chief law enforcement officer of the eligible local law enforcement agency or eligible state law enforcement agency and shall include:

(A) The name of the eligible full-time law enforcement officer;

(B) The date the eligible full-time law enforcement officer began his or her current employment with the eligible local law enforcement agency or eligible state law enforcement agency as a full-time law enforcement officer; and

(C) Any other information required by the division to properly verify eligibility for the salary stipend provided for by this section.

(e) As soon as practicable, an eligible local law enforcement agency or an

eligible state law enforcement agency that employs an eligible full-time law enforcement officer after July 1, 2022, but on or before January 31, 2023, shall provide the form under subdivision (d)(1) of this section to the division for the eligible full-time law enforcement officer.

(f) The division shall:

(1) Deny any form received under this section from an eligible local law enforcement agency or eligible state law enforcement agency for an eligible full-time law enforcement officer first employed as a full-time law enforcement officer after January 31, 2023;

(2) Deny any form received under this section from an eligible local law enforcement agency or eligible state law enforcement agency if the form is received after June 1, 2023;

(3) Verify that each full-time law enforcement officer certified to the division as eligible for the salary stipend satisfies the employment, training, and other requirements for eligibility;

(4) Provide a certification to the Secretary of the Department of Finance and Administration that includes the following information:

(A) The name of each eligible local law enforcement agency and eligible state law enforcement agency employing an eligible full-time law enforcement officer;

(B) The name of any eligible full-time law enforcement officer employed by an eligible local law enforcement agency or an eligible state law enforcement agency that qualifies for the salary stipend provided for by this section; and

(C) Any other information required by the secretary to properly issue payments to an eligible local law enforcement agency or an eligible state law enforcement agency under this section; and

(5) Adopt a form to be signed by an eligible full-time law enforcement officer prior to receiving the salary stipend acknowledging that the eligible full-time law enforcement officer:

(A) Has read the requirements to receive and retain the salary stipend;

(B) Satisfies the requirements of this section to receive the salary stipend; and

(C) Is required by law to return the salary stipend to the eligible local law enforcement agency or eligible state law enforcement agency issuing the salary stipend should he or she fail to comply with the requirements to retain the salary stipend.

(g)(1) The secretary, in his or her capacity as Chief Fiscal Officer of the State, shall:

(A) Transfer funds from the Law Enforcement Stipend Grant Sub-fund in the Miscellaneous Agencies Fund Account for use in issuing payments to an eligible local law enforcement agency or an eligible state law enforcement agency under this section;

(B) Issue a salary stipend to each eligible local law enforcement agency equal to:

(i) Five thousand dollars (\$5,000) for each eligible full-time law enforcement officer certified by the division and employed by that eligible local law enforcement agency as a full-time law enforcement officer; and

(ii) The employer's matching share of Social Security and Medicare taxes due on that salary stipend as required by federal law in effect on January 1, 2022;

(C) Initiate a fund transfer for a salary stipend to the appropriate state agency fund for an eligible state law enforcement agency employing a full-time law enforcement officer, as follows:

(i) The fund transfer shall be equal to:

(a) Two thousand dollars (\$2,000) for each eligible full-time law enforcement officer certified by the division and employed by that eligible state law enforcement agency unless the eligible full-time law enforcement officer has the primary job responsibility of supervising parolees and probationers, in which case the amount is five thousand dollars (\$5,000); and

(ii) The employer's matching share of Social Security and Medicare taxes due on that salary stipend as required by federal law in effect on January 1, 2022; and

(D) Deny payment of the salary stipend based on a certification form received from the division after June 15, 2023.

(2) An eligible full-time law enforcement officer shall not be awarded more than one (1) salary stipend under this section even if the eligible full-time law enforcement officer is employed by more than one (1) eligible local law enforcement agency or eligible state law enforcement agency during the applicable time period described under this section.

(h) Both an eligible local law enforcement agency and an eligible state law enforcement agency shall:

(1) Pay the salary stipend under this section to an eligible full-time law enforcement officer in the eligible full-time law enforcement officer's next paycheck or as soon as practicable following receipt of funds from the secretary;

(2) Withhold from the salary stipend income taxes, the employee's share of Social Security and Medicare taxes, and any other withholdings required by state or federal law or required by court order;

(3) Verify that salary stipends are only issued to persons meeting the eligibility requirements of this section; and

(4) Shall not use the funds under this section for any other purpose.

(i)(1) Funds received under this section shall be returned to the secretary by the eligible local law enforcement agency or eligible state law enforcement agency if it is later determined that a person certified by the division as eligible for the salary stipend was actually ineligible for the salary stipend.

(2) A person who receives the salary stipend provided for by this section who is subsequently decertified as a law enforcement officer shall

immediately return the salary stipend to the eligible local law enforcement agency or eligible state law enforcement agency issuing the salary stipend if the decertification becomes effective within one hundred eighty (180) days of the date the person received the salary stipend.

(3) An eligible full-time law enforcement officer who receives the salary stipend provided for by this section and who resigns his or her employment or ceases to be employed with an eligible local law enforcement agency or an eligible state law enforcement agency within one hundred eighty (180) days of receiving the salary stipend shall immediately return the salary stipend to the eligible local law enforcement agency or eligible state law enforcement agency issuing the salary stipend unless the resignation or cessation of employment occurred:

(A) To immediately accept employment as an eligible full-time law enforcement officer with another eligible local law enforcement agency or an eligible state law enforcement agency;

(B) As a result of the death of the eligible full-time law enforcement officer;

(C) As a result of the retirement of the eligible full-time law enforcement officer;

(D) Due to a medical necessity of the eligible full-time law enforcement officer or a member of the eligible full-time law enforcement officer's family; or

(E) For reasons beyond the eligible full-time law enforcement officer's control.

(4) An eligible local law enforcement agency or an eligible state law enforcement agency that receives a return of a salary stipend under subdivision (i)(2) or subdivision (i)(3) of this section shall return the returned salary stipend to the secretary immediately following receipt of the returned salary stipend.

(5)(A) If the division or the secretary determines that an eligible local law enforcement agency of a county, city, or town has failed to properly pay the salary stipend to an eligible full-time law enforcement officer as required by this section or has failed to return a salary stipend returned by an eligible full-time law enforcement officer who was decertified, resigned, or otherwise ceased employment, the division or the secretary shall notify the Treasurer of State.

(B) Upon notification under subdivision (i)(5)(A) of this section, the Treasurer of State shall then withhold from the county or municipal aid of the county, city, or town an amount equal to the funds that were improperly paid to the eligible full-time law enforcement officer or not properly returned and shall remit those amounts to the secretary for deposit into the General Revenue Allotment Reserve Fund.

(6)(A)(i) An eligible local law enforcement agency that knowingly fails to abide by the requirements of this subsection is subject to an administrative penalty equaling ten percent (10%) of the funds received and wrongfully or improperly returned, plus interest at the rate of ten percent (10%) per annum and any other assessed fees, as determined by the secretary.

(ii) Administrative penalties, interest, and fees under subdivision (i)(6)(A)(i) of this section shall be deposited into the General Revenue Allotment Reserve Fund.

(B)(i) An appeal from an adverse decision by the secretary concerning the failure to abide by the requirements of this subsection may be made to the Legislative Council, or if the General Assembly is in session, the Joint Budget Committee, which shall proceed with hearing the appeal subject to the rules of the Legislative Council, or if applicable, the Joint Budget Committee.

(ii) The Legislative Council or, if applicable, Joint Budget Committee, may issue an advisory opinion as to the validity of the appeal and shall forward the advisory opinion to the Director of the Department of Finance and Administration.

(j)(1) By June 30, 2023, an eligible local law enforcement agency or an eligible state law enforcement agency receiving funds under this section shall submit a report to the division certifying that each eligible full-time law enforcement officer who was verified by the division received the salary stipend and the amount paid to each eligible full-time law enforcement officer.

(2) The division shall prepare and submit a report containing the data described under subdivision (j)(1) of this section to the cochairs of the Legislative Council no later than October 1, 2023.

(k) The division shall promulgate rules establishing a review process to determine:

(1) Whether a person was properly denied payment of the salary stipend for failure to satisfy the requirements necessary to qualify as an eligible full-time law enforcement officer; and

(2) Whether a person was properly required to return the salary stipend."

21-5-211. Implementation procedure for grade changes —~~Salary adjustments.~~

(a) The Office of Personnel Management has administrative responsibility for enforcing compliance by state agencies affected by this subchapter in implementing classification and grade changes.

~~(b)(1) The Governor may authorize a salary increase up to two percent (2%) each fiscal year if:~~

~~(A) The Chief Fiscal Officer of the State and the Secretary of the Department of Transformation and Shared Services determine that sufficient general revenues become available; and~~

~~(B) The salary increase does not result in an employee's compensation exceeding the maximum pay level amount set out for the position.~~

~~(2)(A) An employee compensated at the highest pay level rate authorized for his or her classification is eligible to receive the salary increase authorized in this section as a lump-sum payment.~~

~~(B) However, the increase shall be paid as a lump sum on the last pay period of the fiscal year of the year in which the increase is to occur, and the payment shall not be construed as exceeding the maximum salary.~~

~~(c)(b)(1) If the Chief Fiscal Officer of the State and the secretary of the Department of Transformation and Shared Services determine that general revenue funds are insufficient to implement the salary increases authorized in this subchapter or by any other law that affects salary increases for state employees, the Chief Fiscal Officer of the State and the secretary upon approval by the Governor may reduce the percentage of all authorized salary increases for all state employees covered by this subchapter without regard to whether or not the employees are compensated from general or special revenues, federal funds, or trust funds.~~

~~(2) However, if sufficient general revenues should then become available at any time during the year to provide the maximum additional salary increases for all state employees without regard to the source of revenues, salary increases for state employees provided for in this subchapter or by any other law may be fully implemented by the Chief Fiscal Officer of the State and the secretary.~~

~~(3) Any salary adjustments made by the Chief Fiscal Officer of the State and the secretary in accordance with this subsection shall be reported to the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee.~~

SECTION 7. DO NOT CODIFY. TEMPORARY LANGUAGE. LEGISLATIVE INTENT. It is the intent that Section (c)(2) in Act 1058 of 2021 is repealed in Section 4 of this Act because under that subsection of Arkansas Code all surplus funds from Fiscal Year 2022 would have deposited into the Catastrophic Reserve Fund and the Arkansas Code was amended in a subsequent special session to provide a potentially conflicting procedure that the Catastrophic Reserve Fund shall be funded with surplus funds to maintain a level of at least twenty percent of the previous fiscal years funding and for surplus funds also be provided to the Department of Transportation in an amount of twenty-five percent of the available surplus, up to fifty million dollars, and any remaining funds be deposited into the General Revenue Allotment Reserve fund, where they may only be transferred out as authorized by the General Assembly.

SECTION 8. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that uncodified Acts 2021, No. 1058, § 2(c), provides for the transfer of certain funds in the General Revenue Allotment Reserve Fund to the Restricted Reserve Fund or the Rainy Day Fund; that the General Assembly has determined that this transfer of funds is not necessary and that other uses of the funds will preserve the public peace, health, and safety; and that Sections 4 and 7 this act should become effective at the earliest opportunity to take effect before the transfer of funds under uncodified Acts 2021, No. 1058, § 2(c), occurs. Therefore, an emergency is declared to exist, and this act being

immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.

SECTION 9. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. DUPLICATE ACTS. If HB1117 and SB101 of the 2022 Fiscal Session of the 93rd General Assembly are both enacted and adopted by the 93rd General Assembly in identical form, then the last Act passed or latest expression shall supersede the other."

AND

Page 2, line 27, delete SECTION 3 and substitute the following:

" SECTION 10. EFFECTIVE DATE. Sections 1, 2, 3, 5, 6, 8, and 9 of this act are effective on and after July 1, 2022."
