"SECTION 1. Arkansas Code § 6-60-1004 is amended to read as follows:
6-60-1004. Protected expressive activities.

(a) Expressive activities protected under this subchapter consist of speech and other conduct protected by the First Amendment to the United States Constitution, including without limitation:

- (1) Communicating through any lawful verbal, written, or electronic means;
- (2) Participating in peaceful assembly;
- (3) Protesting;
- (4) Making speeches, including without limitation those of guest speakers;
- (5) Distributing literature;
- (6) Making comments to the media;
- (7) Carrying signs; and
- (8) Circulating petitions.

(b) A state-supported institution of higher education shall:

(1) Ensure that members of the campus community have the fullest degree of intellectual and academic freedom permitted by law; and

(2) Not restrict speech merely because an individual may find it controversial, uncollegial, disagreeable, or offensive;

(3) Not restrict members of the campus community from communicating with members of the public on matters not prohibited by state or federal law, including without limitation contract law.

(c) A policy of a state-supported institution of higher education may prohibit any individual from engaging in conduct that materially and substantially disrupts, as defined under § 6-60-1003:

- (1) A class;
- (2) A lecture;
- (3) A presentation;
- (4) An event; or
- (5) An administrative office, area, or facility.

SECTION 2. Arkansas Code Title 6, Chapter 60, is amended to add an additional subchapter to read as follows:

Subchapter 14 — Free Speech Rights at State-Supported Institutions of Higher Education

6-60-1401. Legislative intent.

The General Assembly finds that:

(1) The First Amendment to the United States Constitution and Article 2, Section 6, of the Arkansas Constitution protect the right of free speech, including the speech of students enrolled in state-supported institutions of higher education and other members of campus communities;

(2) Student expression and the academic exchange of ideas is the primary way in which institutions of higher education fulfill educational missions; and

(3) It is a matter of statewide interest to protect the rights of students and other members of campus communities to exercise their freedom of speech rights on campuses of state-supported institutions of higher education, while also

recognizing the right of those state-supported institutions of higher education to enact reasonable, viewpoint-neutral restrictions that preserve their ability to fulfill their educational missions.

6-60-1402. Definitions.

As used in this subchapter:

(1) "Campus community" means:

(A) The same as defined in § 6-60-1003(2); and

(B) Persons legally present on campus;

(2) "Campus forum" means:

(A) Outdoor areas of campus as defined in § 6-60-1003(7); or

(B) Any publicly open indoor portion of a facility that a state-

supported institution of higher education has traditionally made available to members of the campus community for non-academic activities;

(3) "Expression" means any lawful verbal, written, or other expressive means by which an individual may communicate an idea to another individual;

(4) "State-supported institution of higher education" means the same as defined in § 6-60-1003(8); and

(5) "Student" means any person who is enrolled on a full-time or part-time basis in a state-supported institution of higher education.

6-60-1403. Protected expression.

(a) A state-supported institution of higher education shall not limit or restrict the expression of a member of the campus community in a campus forum based on the:

(1) Viewpoint of the expression; or

(2) Reaction or opposition from listeners to or observers of the expression.

(b) Except as required by state or federal law or as permitted under this subchapter, a state-supported institution of higher education shall not abridge the expression of a member of the campus community.

6-60-1404. Limitations.

Nothing in this subchapter shall be interpreted as:

(1) Giving a member of the campus community the right to disrupt a previously scheduled or otherwise reserved activity; or

(2) Authorizing a member of the campus community to violate:

(A) State and federal laws on discrimination and harassment; or

(B) A state-supported institution of higher education's restrictions on the time, place, or manner of expression in or on a campus forum, provided the restriction on the time, place, or manner of expression:

(i) Is reasonable;

(ii) Is justified without reference to the viewpoint of the speaker;

(iii) Is narrowly tailored to serve a significant state

interest; and

(iv) Leaves open ample alternative channels for communication of the information or message contained in the expression.

6-60-1405. Protection against compelled speech.

(a) The General Assembly finds that:

(1) Faculty members and employees of state-supported institutions of higher education do not shed their rights to freedom of speech or expression at work;

(2) Protecting the right to free speech for faculty members and employees of state-supported institutions of higher education promotes important state interests, which include:

(A) Students' interests in receiving informed opinions on matters of public concern or educational interests;

(B) Faculty members' and employees' rights to disseminate their own opinions; and

(C) The public's interest in exposing students and future leaders to different viewpoints; and

(3) The selection and use of pronouns in classrooms of state-supported institutions of higher education, on campuses of state-supported institutions of higher education, and elsewhere is a matter of free speech and academic freedom because it communicates a message on a matter of public concern and shapes classroom discussions and debates, and is not merely an administrative or ministerial act by faculty members and employees of state-supported institutions of higher education.

(b) A faculty member or other employee of a state-supported institution of higher education, regardless of the scope of his or her official duties:

(1) Is not required to use a student's or coworker's preferred pronoun when referring to the student or coworker if the preferred pronoun is not consistent with the student's or coworker's biological sex;

(2) Is not civilly, criminally, or administratively liable for using a pronoun that is consistent with the biological sex of a person to whom the faculty member or other employee of a state-supported institution of higher education is referring, even if the pronoun is not the person's preferred pronoun; and

(3) Shall not be subject to adverse employment action for using a pronoun that is consistent with the biological sex of a person to whom the faculty member or other employee of a state-supported institution of higher education is referring, even if the pronoun is not the person's preferred pronoun.

(d) A person who is harmed by a violation of this section may bring a cause of action for:

(1) Injunctive relief;

(2) Monetary damages;

(3) Reasonable attorney's fees and costs; and

(4) Any other appropriate relief.

6-60-1406. Policy — Required.

Each state-supported institution of higher education shall promulgate and implement a policy that:

(1) Protects the rights established by this subchapter; and

(2) Allows a member of the campus community to present his or her concerns to an appropriate administrator through a grievance procedure."

Subchapter 14 — Free Speech Rights at State-Supported Institutions of Higher Education

6-60-1401. Legislative intent.

The General Assembly finds that:

(1) The First Amendment to the United States Constitution and Article 2, Section 6, of the Arkansas Constitution protect the right of free speech, including the speech of students enrolled in state-supported institutions of higher education and other members of campus communities;

(2) Student expression and the exchange of ideas is the primary way in which institutions of higher education fulfill educational missions; and

(3) It is a matter of statewide interest to protect the rights of students and other members of campus communities to exercise their freedom of speech rights on campuses of state-supported institutions of higher education, while also recognizing the right of those state-supported institutions of higher education to enact reasonable restrictions that preserve their ability to fulfill their educational missions.

6-60-1402. Definitions.

As used in this subchapter:

(1) "Campus community" means the same as defined in § 6-60-1003(2);

(2) "Campus forum" means:

(A) An outdoor area of campus as defined in § 6-60-1003(7); or

(B) Any non-academic and publicly open portion of a facility that a state-supported institution of higher education has traditionally made available to members of the campus community for expressive purposes;

(3) "Expression" means any lawful verbal or written means by which an individual may communicate an idea to another individual;

(4) "State-supported institution of higher education" means the same as defined in § 6-60-1003(8); and

(5) "Student" means any person who is enrolled on a full-time or part-time basis in a state-supported institution of higher education.

6-60-1403. Protected expression.

(a) A state-supported institution of higher education shall not limit or restrict the expression of a member of the campus community in a campus forum based on the:

(1) Viewpoint of the expression; or
(2) Reaction or opposition from listeners to or observers of the expression.

(b) Except as permitted by the First Amendment to the United States Constitution and Article 2, Section 6, of the Arkansas Constitution, or as otherwise permitted under this subchapter, a state-supported institution of higher education shall not abridge the expression of a member of the campus community.

6-60-1404. Limitations.

Nothing in this subchapter shall be interpreted as:

(1) Giving a member of the campus community the right to disrupt a previously scheduled or otherwise reserved activity;

(2) Authorizing a member of the campus community to disregard a policy of the state-supported institution of higher education regarding:

(A) Compliance with state and federal laws on discrimination and harassment; or

(B) The productive and efficient operation of an instructional or work environment;

(3) Preventing a state-supported institution of higher education from prohibiting, limiting, or restricting expression that is not protected under the First Amendment to the United States Constitution or Article 2, Section 6, of the Arkansas Constitution; or

(4) Prohibiting a state-supported institution of higher education from imposing a restriction on the time, place, or manner of expression in or on a campus forum, provided the restriction on the time, place, or manner of expression:

(A) Is reasonable;

(B) Is justified without reference to the viewpoint of the speaker;

(C) Is narrowly tailored to serve a significant state interest; and

(D) Leaves open ample alternative channels for communication of the information or message contained in the expression.

6-60-1405. Policy — Required.

Each state-supported institution of higher education shall promulgate and implement a policy that:

(1) Protects the rights established by this subchapter; and

(2) Allows a member of the campus community to present his or her concerns to an appropriate administrator through a grievance procedure."

(a) The duration of participation in the Local Police and Fire Deferred Retirement Option Plan for active paid service police officers and firefighters shall not exceed ~~seven (7)~~ ten (10) years.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the operations of a state public retirement system are complex; that the Arkansas Local Police and Fire Retirement System must be able to meet the needs of its members as anticipated by the General Assembly; that the maximum duration of participation in the Local Police and Fire Deferred Retirement Option Plan should be increased to account for the needs of the membership of the Arkansas Local Police and Fire Retirement System; that the update of the maximum duration of time to be spent in the Local Police and Fire Deferred Retirement Option Plan from seven (7) to ten (10) years is of great importance to members of the Arkansas Local Police and Fire Retirement System and to other citizens of the State of Arkansas; that this update to the Local Police and Fire Deferred Retirement Option Plan is of great importance for actuarial purposes and for the improvement and protection of member benefits under the

Arkansas Local Police and Fire Retirement System; and that this effective date is necessary in order to maintain an orderly system of benefits for the participants of the Local Police and Fire Deferred Retirement Option Plan. (5) The employee shall not be eligible for an additional twelve (12) weeks of leave for the adoption of a child if the employee took twelve (12) weeks of leave after the initial foster placement of the same child into the employee's home.

SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that maternity leave improves maternal and infant health, improves the mental and physical health of state employees after the birth of a child, and potentially reduces future use of sick leave; that maternity leave for adoptive children and foster children will encourage adoption and fostering by state employees; that paid maternity leave can increase employee retention and attract and retain new talent; and that this act is immediately necessary because

state employees' maternal and infant needs are ongoing and of vital importance. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

Immediately following SECTION 2 of the bill, add an additional section to read as follows:

"SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the most recent national and state

fire codes created occupancy and load requirements for storm shelters in educational facilities; that some educational facilities had already secured funding for or started building storm shelters before the new occupancy and load requirements were adopted into the Arkansas Fire Prevention Code; that the occupancy and load requirements for storm shelters under the updated version of the Arkansas Fire Prevention Code create an extreme burden on the educational facilities that had already secured funding and started building storm shelters under the previous version of the Arkansas Fire Prevention Code; that to ensure educational facilities can provide adequate storm shelters while maintaining financial soundness, the occupancy and load requirements for storm shelters for educational facilities should be delayed for those storm shelters that are already in process; and that this act is immediately necessary because educational facilities that have already begun the process to build storm shelters face extreme financial hardship that threatens the public peace and safety if they have to delay building a storm shelter until they have the funding to complete a storm shelter under the updated version of the Arkansas Fire Prevention Code. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.

SECTION 5. TEMPORARY LANGUAGE. DO NOT CODIFY. Rules.

(a) The Insurance Commissioner, in consultation with the Staff of the Childhood Post-infectious Autoimmune Encephalopathy Center of Excellence, shall promulgate rules necessary to implement Section 3 of this act.

Except as otherwise provided in subsection (c), the purchaser at the foreclosure sale obtains only the transferable interest, does not thereby become a member, and is subject to § 4-38-502. At any time before foreclosure under this subsection (b), the member or transferee whose transferable interest is subject to a charging order under subsection (a) may extinguish the charging order by satisfying the judgment and filing a certified copy of the satisfaction with the court that issued the charging order. At any time before foreclosure under this subsection (b), a limited liability company or one (1) or more members whose transferable interests are not subject to the charging order may pay to the judgment creditor the full amount due under the judgment and thereby succeed to the rights of the judgment creditor, including the charging order.

If a court orders foreclosure of a charging order lien against the sole member of a limited liability company:

- (1) the court shall confirm the sale;
- (2) the purchaser at the sale obtains the member's entire interest, not only the member's transferable interest;
- (3) the purchaser thereby becomes a member; and
- (4) the person whose interest was subject to the foreclosed charging order is dissociated as a member.

(d) This section:

(1)(A) Shall not operate to invalidate any provision of any written agreement between a member and a creditor, including without limitation a security agreement, assignment, or other instrument giving the creditor a security interest in, or assignment of, the transferable interest, where at the time of the written agreement, security agreement, assignment, or other instrument was executed by the member and the creditor, the member's executing such written agreement, security agreement, assignment, or other instrument did not violate a provision of the limited liability company's certificate of organization or operating agreement.

(B) Except as provided in subsection (c), the foreclosure of a charging order does not grant the creditor who receives the transferable interest any rights in the transferable interest beyond the rights of a transferee:

(2)(A) ~~provides~~ Provides the exclusive remedy by which a person seeking in the capacity of judgment creditor of a member or a transferee of a member to enforce a judgment against a member or transferee may satisfy the a judgment from the judgment debtor's transferable interest out of the member's interest in the limited liability company, where the limited liability company has more than one (1) member.

(B)(i) In the case of a limited liability company with more than one (1) member, other remedies, including without limitation foreclosure on the member's interest, except as provided in subsection (b), or a court order for directions, accounts, and inquiries that the debtor or member might have made, are not available to the judgment creditor attempting to satisfy the judgment out of the judgment debtor's transferable interest in the limited liability company;

(3) Does not deprive a member of the benefit of any exemption applicable to his or her interest."

The General Assembly finds:

~~(1) The smaller the population and geographical area that a used tire program serves, the more unsustainable the used tire program is;~~

~~(3) Before January 1, 2017, there were eleven (11) waste tire districts in the state; and~~

(f) The commission shall waive the imposition of any permit fee imposed under this subchapter on any used tire program created by § 8-9-410.

SECTION 9. Effective date.

Sections 1 through 3 of this act are effective on and after October 1, 2023.

SECTION 10. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the State of Arkansas is responsible for the appropriate disposal of waste tires and for protecting the public health and our shared environment; that discarded, uncollected, and unprocessed waste tires are breeding habitats for disease-carrying vectors and pose toxic-fume fire hazards;

that it is more appropriate to process waste tires rather than continue to exhaust our landfills and monofills; that the tire processing capacity within the State of Arkansas is at capacity and is not sufficient to address our waste tire responsibility; that transportation of the waste tires to neighboring states is too costly to pursue; and that without increasing the capacity for processing tires within the State of Arkansas, a public health and safety emergency exists. Therefore, an emergency is declared to exist, and Sections 4 through 8 of this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

To President Pro Tempore Hester and Speaker Shepherd:

I am returning without my approval **Senate Bill No. 509**, legislation entitled, " To Amend the Law Concerning Stipends for Members of the Board of Corrections and to Amend the Law Concerning Stipends for Members of State Boards," which would raise the stipend for the Arkansas Board of Corrections from \$85 to \$110.

As Governor, I made a commitment to the State of Arkansas that I would look for ways to reduce government waste and ensure that tax dollars are spent wisely. Elected officials have a responsibility to eliminate unnecessary spending at every level of state government.

Senate Bill No. 509 carries with it a price tag - an increase which cannot be justified to Arkansas taxpayers. Therefore, I am vetoing this legislation.

Sincerely,

(SIGNED) SARAH HUCKABEE SANDERS, GOVERNOR

The President declared the morning hour to have expired.
