6

7

## For An Act To Be Entitled

8

AN ACT TO ALLOW PHARMACISTS TO MAKE BIOLOGICAL  
9 PRODUCT SUBSTITUTIONS; AND FOR OTHER PURPOSES.

10

11

12

## Subtitle

13

TO ALLOW PHARMACISTS TO MAKE BIOLOGICAL  
14 PRODUCT SUBSTITUTIONS.

15

16

17

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

18

19

SECTION 1. Arkansas Code § 17-92-101, concerning the definitions  
20 relating to pharmacists, pharmacies, and the practice of pharmacy, is amended  
21 to add new subdivisions to read as follows:

22

(25) "Biological product" means a biological product as defined  
23 by 42 U.S.C. 262(i)(1), as existing on January 1, 2019; and

24

(26) "Interchangeable biological product" means a biological  
25 product that is interchangeable as defined by 42 U.S.C. 262(i)(3), as  
26 existing on January 1, 2019.

27

28

SECTION 2. Arkansas Code § 17-92-503 is amended to read as follows:

29

17-92-503. Generic drug product and biological product substitutions.

30

(a)(1)(A) Except as provided in subsection (b) of this section, when a  
31 pharmacist receives a prescription for a brand or trade name drug product or  
32 biological product, the pharmacist may dispense a ~~lower cost~~ generically  
33 equivalent drug product or interchangeable biological product only when there  
34 will be a cost savings for the patient.

35

(B) The pharmacist shall disclose the amount of the cost  
36 savings at the request of the patient.

1 (2) The total amount charged for the substituted generically  
2 equivalent drug product or interchangeable biological product or for  
3 dispensing the drug product or biological product shall not exceed the amount  
4 normally and regularly charged under comparable circumstances by the  
5 pharmacist for that drug product or biological product or for the dispensing  
6 of that drug product or biological product.

7 (3) A pharmacist may not dispense a drug product or  
8 interchangeable biological product with a total charge that exceeds the total  
9 charge of the drug product or biological product originally prescribed unless  
10 agreed to by the purchaser.

11 (b) The pharmacist shall not dispense a generically equivalent drug  
12 product or interchangeable biological product under subsection (a) of this  
13 section if:

14 (1) The prescriber, in the case of a prescription in writing  
15 signed by the prescriber, indicates in his or her own handwriting by name or  
16 initial that no substitution shall be made;

17 (2) The prescriber, in the case of a prescription other than one  
18 in writing signed by the prescriber, expressly indicates that the  
19 prescription is to be dispensed as communicated;

20 (3) The person for whom the drug product or biological product  
21 is prescribed indicates that the prescription is to be dispensed as written  
22 or communicated; or

23 (4) The Arkansas State Board of Pharmacy has determined that the  
24 drug product or biological product should not be substituted and has notified  
25 all pharmacists of that determination.

26 (c)(1) The Arkansas State Board of Pharmacy shall determine which  
27 drugs are generically equivalent and which biological products are  
28 interchangeable biological products as defined in § 17-92-101, relying on  
29 standards scientifically supported and generally accepted in the field of  
30 pharmacy, and shall notify each licensed pharmacist and the Arkansas State  
31 Medical Board of this determination.

32 (2) In making this determination, the Arkansas State Board of  
33 Pharmacy may use a nationally recognized reference source that meets the  
34 requirements of this act, notifying each licensed pharmacist and the Arkansas  
35 State Medical Board of the reference source to be used and any additions or  
36 deletions the Arkansas State Board of Pharmacy may make in its discretion.

1           (d)(1) Within five (5) business days after dispensing an  
2 interchangeable biological product that has been substituted for a biological  
3 product, the dispensing pharmacist or his or her designee shall record the  
4 specific interchangeable biological product provided to the patient,  
5 including without limitation the name of the interchangeable biological  
6 product and the manufacturer of the interchangeable biological product.

7           (2) The record shall be electronically accessible to the  
8 prescriber through:

9                   (A) An interoperable electronic medical records system;

10                   (B) An electronic prescribing technology;

11                   (C) A pharmacy benefit management system; or

12                   (D) A pharmacy record.

13           (3) If requested by a prescriber, a pharmacist shall communicate  
14 to the prescriber within five (5) business days using facsimile, telephone,  
15 electronic transmission, or other prevailing means that an interchangeable  
16 biological product has been dispensed.

17           (4) A communication is not required when:

18                   (A) An interchangeable biological product does not exist  
19 for the prescribed biological product; or

20                   (B) A refill prescription for a biological product is not  
21 substituted with an interchangeable biological product on a subsequent  
22 filling of the prescription.

23           (5) The pharmacist or pharmacy shall maintain a record of  
24 biological products dispensed for at least two (2) years.

25           (6) Under subdivision (d)(2) of this section, the dispensing  
26 pharmacist or prescriber is not:

27                   (A) Required to show proof that a prescriber has access to  
28 the record in any type of payment audit conducted by a payer or pharmacy  
29 benefit manager; or

30                   (B) Subject to disciplinary action or civil penalties for  
31 failure to ensure that the record is accessible or for failure to access the  
32 record.

33  
34           SECTION 3. Arkansas Code § 17-92-505 is amended to read as follows:

35           17-92-505. Labeling.

36           (a)(1) The pharmacist filling a prescription for dispensing to an

1 ultimate patient may affix to the container a label showing:

2 (A) The pharmacy name, address, and telephone number;

3 (B) The date of dispensing;

4 (C) The serial number of the prescription;

5 (D) The name of the patient;

6 (E) The name of the prescribing practitioner;

7 (F) Either:

8 (i) The trade name of the ~~medication~~ drug product,  
9 if any, or the generic name and identity of the manufacturer of the dispensed  
10 ~~medication~~ drug product, if the ~~medication~~ drug product appears generically  
11 listed on the drug formulary list as established by this subchapter; or

12 (ii) In the case of a biological product, the trade  
13 name of the biological product, if any, or the proper name of the biological  
14 product and identity of the manufacturer of the dispensed biological product;

15 (G) The strength per unit dose of the medication;

16 (H) The quantity of the medication; and

17 (I) Directions for use.

18 (2) If a pharmacist dispenses a generically equivalent product  
19 or interchangeable biological product, the person for whom the medication is  
20 prescribed shall be informed ~~prior to~~ before dispensing or the label should  
21 appropriately indicate the substitution.

22 (3) ~~However, this subsection shall~~ This subsection does not  
23 apply to the dispensing of medication to inpatients in hospitals.

24 (4) ~~Further, in an appropriate manner,~~ In the case of dispensing  
25 a drug product or biological product, the prescribing practitioner may  
26 indicate that the name, manufacturer, and strength of the medication  
27 dispensed shall be deleted from the label.

28 (b) ~~Any authorized person filling a prescription~~ An authorized person  
29 who fills a prescription for dispensing to an ultimate patient shall affix to  
30 the container a label showing:

31 (1) ~~the~~ The trade name of the medication or the generic name of  
32 the medication unless directed to the contrary by the ~~physician. Failure to~~  
33 ~~comply with this subsection shall be grounds for disciplinary action,~~  
34 prescribing practitioner; or

35 (2) The trade name, if any, or the proper name of the biological  
36 product unless directed to the contrary by the prescribing practitioner.

SECTION 4. Arkansas Code § 17-92-506 is amended to read as follows:

17-92-506. ~~Price~~ Available drug product and biological product lists.

(a)(1) A pharmacist may display, within the confines of the pharmacy, lists of available drug products and biological products, other than controlled substances, and current charges for the drug products or biological products or for the dispensing of the drug products or biological products in specified quantities.

(2) Upon request, a pharmacy may make such lists available to its customers and other members of the public.

(b) The Arkansas State Board of Pharmacy shall maintain on the website of the board a link to the lists of all interchangeable biological products approved by the United States Food and Drug Administration.
