SECTION 6. RESIDENTIAL ALCOHOL/DRUG TREATMENT SERVICES TO ADOLESCENTS. It is the specific intent of the General Assembly that general revenue funds appropriated in Item 06 of Section 3 of this Act be used to develop and support a pilot demonstration project designed to establish a comprehensive and integrated system of residential, medical, and alcohol/drug treatment services to youth under twenty-one (21) years of age demonstrating primary problems of substance abuse. The Department of Human Services - Office of Alcohol and Drug Abuse Prevention shall be authorized to utilize appropriated funds to purchase these services through accredited providers of residential and Alcohol/Drug Treatment services, as approved by the Department of Human Services - Office of Alcohol and Drug Abuse Prevention.

The project, as described above, shall be conducted in the Fort Smith area of Arkansas. Expenditures for this program shall not exceed a maximum of \$250,000 for each year of the biennium.

SECTION 7. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this Act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Purchasing Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 8. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 9. CONTRACT RESTRICTIONS. The agency, board, commission, department or institution to whom funds are appropriated by this Act shall not enter into any contract for any professional or consultant services which shall extend for more than twenty (20) actual working days or the total compensation exceeds five thousand dollars (\$5,000) during any one fiscal year without first seeking the advice of the Arkansas Legislative Council. Provided further, that all contracts for professional or consultant services shall be submitted monthly to the Chief Fiscal Officer of the State for reporting to the Legislative Council.

SECTION 10. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Sixth General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1987 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1987 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1987.

APPROVED: April 17, 1987
