SECTION 7. DEPARTMENT OF HUMAN SERVICES - CHILDREN AND FAMILY SERVICES DIVISION - CHILD ABUSE EDUCATION. By enacting this legislation, it is the specific intent of the General Assembly that federal funds appropriated in Item (01) of Section 6 of this Act be used to (1) purchase, create, or promote the creation of educational materials appropriate for training of professionals involved in the evaluation, investigation, treatment and legal management of sexually abused children, their parents and guardians and the perpetrators of sexual abuse; and (2) develop a means of dissemination of child sexual abuse

education materials to interested and affected professionals throughout the State of Arkansas. For the purposes of this Section, "professionals" is defined to include, but not be limited to: prosecuting attorneys, judges, law enforcement bodies, social workers, nurses, physicians, and mental health professions.

SECTION 8. RESIDENTIAL TREATMENT CARE. Of the State General Revenues appropriated to the Department of Human Services - Children and Family Services Division, under Item (02) of Section 5 of this Act, a minimum of \$60,000 in each fiscal year shall be utilized as state match for Medicaid funding of operational costs associated with the provision of residential psychiatric treatment services at JCAH Accredited and State Licensed Psychiatric Residential Treatment Facilities. It is anticipated that the receipt of these funds will enable such facilities to provide higher quality services and will have a positive impact on the youth population currently receiving such services out-of-state.

SECTION 9. It is the intent of the Legislature that treatment for Emotionally Disturbed Youth (EDY) within the State of Arkansas will result in higher quality care provided for less cost when compared with similar services delivered out-of-state. It is recognized that there are many factors which may cause the total cost for treatment for youth to rise and that the Legislature must be able to determine if in-state placement is cost effective. The Department of Human Services, therefore, shall provide a report monthly to the Legislative Council and the Joint Interim Committee on Public Health, Welfare and Labor reflecting the unit cost of providing services in-state contrasted with what the cost would have been to provide the same services out-of-state and other appropriate information as may be requested by the Committees that they may feel necessary for proper evaluation. Out-of-state placements for emotionally disturbed youth should only be considered in the event that all other alternatives for placement in-state have been exhausted.

SECTION 10. By enacting this legislation, it is the specific intent of the General Assembly that all Emotionally Disturbed Youth (EDY) currently receiving services out-of-state or proposed to be served out-of-state be returned to Arkansas for appropriate treatment within the State. In order to accomplish this objective in a timely manner, one-half (1/2) of the EDY population served out-of-state shall be required to be returned to the State of Arkansas no later than June 30, 1988. The balance of this population shall be required to be returned no later than June 30, 1989. Effective July 1, 1989, the State of Arkansas shall no longer authorize the assignment of Emotionally Disturbed Youth to any out-of-state treatment facility.

SECTION 11. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this Act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Purchasing Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 12. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive

Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 13. CONTRACT RESTRICTIONS. The agency, board, commission, department or institution to whom funds are appropriated by this Act shall not enter into any contract for any professional or consultant services which shall extend for more than twenty (20) actual working days or the total compensation exceeds five thousand dollars (\$5,000) during any one fiscal year without first seeking the advice of the Arkansas Legislative Council. Provided further, that all contracts for professional or consultant services shall be submitted monthly to the Chief Fiscal Officer of the State for reporting to the Legislative Council.

SECTION 14. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Sixth General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1987 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1987 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1987.
