SECTION 11. Of the funds appropriated to the Department of Human Services - Developmental Disabilities Services Division, under Section 10 of this Act, it is the intent of the General Assembly that no State General Revenues be utilized to support the Early Intervention Program.

SECTION 12. SPECIAL AUTHORIZATION - CASH FUNDS. All funds received by the Division of Developmental Disabilities Services of the Department of Human Services shall be placed in the State Treasury and expended via appropriation. Those funds held in trust by the agency for the residents of the Human Development Centers, including Gifts and Bequests, shall be considered agency funds to be expended from bank accounts without legislative appropriation. The Chief Fiscal Officer of the State shall have the final authority to determine those funds which may be exempted from being placed in the State Treasury unless otherwise provided by law. Provided, however, no agency funds deposited in bank accounts shall be expended for purposes other than those allowed for the expenditures of State Treasury funds under the provisions of Act 876 of 1973, as amended, the same being the General Accounting and Budgetary Procedures Act of Arkansas.

SECTION 13. VOCATIONAL TRAINEES. The Division of Developmental Disabilities Services of the Department of Human Services is hereby authorized for the 1987-89 biennium to provide employment opportunities for some of the less productive, working residents, separate from the currently authorized regular Vocational Trainee positions. The positions authorized herein shall not be incorporated into the present classification system but shall be provided for by each Human Development Center on a Cash Account basis. It is the intent of the General Assembly that the authorization of these positions shall facilitate the agency's ability to provide for less productive, working residents.

SECTION 14. TRANSFER OF FUNDS. Where it has been found that because of recruiting difficulties within scarce professions in Intermediate Care Facilities of the Department of Human Services - Developmental Disabilities Services Division, it is necessary to acquire professional services to meet federal staffing standards through contracting with individuals or institutions, the Director of the Department of Human Services and the Chief Fiscal Officer of the State; and after seeking the advice of the Arkansas Legislative Council, is hereby authorized to transfer funds and appropriations from Regular Salaries to Maintenance and General Operations and Purchase of Service

appropriations in the amount necessary to acquire the services.

SECTION 15. The Director of the Department of Human Services is hereby authorized, with the approval of the Chief Fiscal Officer of the State, and after having sought the advice of the Arkansas Legislative Council, to transfer any line item appropriation to any other line item appropriation authorized herein with one exception: Item (01) of Section 9 herein, the same being Grant-in-Aid may not be decreased.

SECTION 16. Nothing in this Act shall prevent use of funds allocated under the Grants-in-Aid Appropriation to match Title XIX or Social Services Block Grant (Title XX) funds to be used by private non-profit community based services. Developmental Disabilities Services (DDS) shall continue to allocate to private non-profit community based services a total percentage of Social Services Block Grant (Title XX) funds received that is equal to or greater than the percentage of Social Services Block Grant (Title XX) funds received by DDS and allocated to community based programs for Fiscal Year 1982-83.

SECTION 17. It is the specific recommendation of the Legislature that Developmental Disabilities Services utilize Title XIX, Social Services Block Grant, and State Grants-in-Aid funds available to community programs to seek to achieve the following goals:

1. Providing for operation of community based residential programs which the State agency encouraged the community programs to build with non-State funds;
2. Determination by Developmental Disabilities Services of reasonable costs for the services provided by community based programs with consideration of regional expense variations and funding so that the State shall provide a minimum of ninety percent of the reasonable costs, with the community based program responsible for no more than ten percent of such costs;
3. That the State seek to provide a continuum of services to all clients eligible for services from community based programs;
4. That the State not reduce funding of reasonable costs of community based programs provided by Developmental Disabilities Services or require reimbursement from community based programs if the community based program provides at least ten percent match of the funding provided by Developmental Disabilities Services.

SECTION 18. The Board of Developmental Disabilities Services shall, when preparing their biennial budget request for submission to the Governor and the Arkansas Legislative Council, consult with the Arkansas Enterprises for the Developmentally Disabled concerning the amount which is to be submitted as the request for each year of the forthcoming biennium for a grant to the Arkansas Special Olympics. Such amount as may be determined by the Arkansas Enterprises for the Developmentally Disabled shall be submitted as the Agency Request to the Governor and to the Arkansas Legislative Council.

SECTION 19. SPECIAL RATES OF PAY. Due to the highly competitive job market conditions for health professionals and the necessity of recruiting and retaining qualified personnel, the Department of Human Services - Developmental Disabilities Services Division is authorized special rates of pay for current and new employees up to the levels listed under subsection (a) below:

(a) Special rates may be authorized for the following classifications only, as indicated herein:

CLASS

CODE	TITLE	GRADE	STEP
L124	PSYCHOLOGIST	23	8

SECTION 20. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this Act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Purchasing Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 21. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 22. CONTRACT RESTRICTIONS. The agency, board, commission, department or institution to whom funds are appropriated by this Act shall not enter into any contract for any professional or consultant services which shall extend for more than twenty (20) actual working days or the total compensation exceeds five thousand dollars (\$5,000) during any one fiscal year without first seeking the advice of the Arkansas Legislative Council. Provided further, that all contracts for professional or consultant services shall be submitted monthly to the Chief Fiscal Officer of the State for reporting to the Legislative Council.

SECTION 23. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Sixth General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1987 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1987 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1987.
