SECTION 6. RESTRICTIONS. The appropriation made in Section 4 herein shall be expended only after the Chief Fiscal Officer of the State has determined that such expenditure is required to provide unanticipated information services to State agencies or to make payments for services to public utilities due to unforeseen rate increases, and only after the Director has sought the advice of the Arkansas Legislative Council and the Arkansas Communications Study Committee. Whenever the Director of the Department of Computer Services deems it necessary to expend such additional appropriation, he shall provide the Chief Fiscal Officer necessary justification for such expenditures including a statement that the service requested by the State agency cannot be provided within other appropriations made to the Department without jeopardizing continued operations, or that the need for growth to meet expanded needs by State agencies or increase in public utility rates was unanticipated at the time of passage of this Act.

SECTION 7. REPORTING REQUIREMENTS. The Chief Fiscal Officer of the State shall file with the Arkansas Legislative Council and the Arkansas Communications Study Committee a report summarizing all expenditures made under the provisions of Section 4 of this Act.

SECTION 8. CARRY FORWARD PROVISION. The balance of the appropriation made in Section 5 herein which remains at the close of the fiscal year ending June 30, 1988, may be carried forward and used for the same purpose in the fiscal year ending June 30, 1989.

SECTION 9. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized

by this Act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Purchasing Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 10. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 11. CONTRACT RESTRICTIONS. The agency, board, commission, department or institution to whom funds are appropriated by this Act shall not enter into any contract for any professional or consultant services which shall extend for more than twenty (20) actual working days or the total compensation exceeds five thousand dollars (\$5,000) during any one fiscal year without first seeking the advice of the Arkansas Legislative Council. Provided further, that all contracts for professional or consultant services shall be submitted monthly to the Chief Fiscal Officer of the State for reporting to the Legislative Council.

SECTION 12. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Sixth General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1987 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1987 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1987.

APPROVED: April 13, 1987
