SECTION 14. CLIENT SPECIFIC EMERGENCY SERVICES REVOLVING CASH FUND PAYING ACCOUNT. The Department of Human Services - Finance Division is hereby authorized to establish and maintain as a cash fund account the Client Specific Emergency Services Revolving Fund Paying Account consisting of Federal grants, aids, and reimbursements and State general revenue, not to exceed a daily balance of \$10,000.00, for delivery of immediate care, short-term or emergency services to eligible clients. Said account shall be established and maintained in accordance with procedures established by the Chief Fiscal Officer for cash funds and shall be administered under the direction of the Director of the Department of Human Services.

SECTION 15. HEALTH PROFESSIONALS PARITY. Any additional compensation or allowances which may be made available to professional health service personnel at the University of Arkansas Medical Sciences Campus shall also be made available to those in comparable positions in all divisions or offices of the Department of Human Services. Professional health services personnel shall be limited to all nursing positions.

SECTION 16. MATCH TRANSFER. The Director of the Department of Human Services, with the approval of the Chief Fiscal Officer of the State, is authorized to effect inter-agency fund transfers for the purpose of providing the State's matching share for payments made to that Division or Office or its service providers for services eligible for federal reimbursement under programs administered by other Divisions or Offices of the Department of Human Services.

SECTION 17. Section 5 of Act 307 of 1983, the same being [Ark. Stat. 5-912.5], is hereby amended to read as follows:

"SECTION 5. (A) Upon determination by the Director of the Department of Human Services that a reallocation of resources within the Department is necessary for the efficient and effective operation of the Department, the

Director (with approval of the Governor) shall have the authority to request, from the Chief Fiscal Officer of the State, a transfer of positions, appropriations, line item appropriations, and/or funds within or between existing and/or newly created Divisions, Offices, Sections or Units of the Department. The Chief Fiscal Officer of the State, prior to approving the request, shall submit his recommendation to the Arkansas Legislative Council for its advice.

(B) If it is determined that the requested transfer should be made, the Chief Fiscal Officer of the State shall then initiate the necessary transfer documents to reflect the transfer upon the fiscal records of the State Treasurer, the State Auditor, the Chief Fiscal Officer of the State and the Department of Human Services.

SECTION 18. CONTINGENCY POSITIONS. The Department of Human Services is hereby authorized 25 contingency positions at Grade 26 for the 1987-88 fiscal year. The positions authorized as "Contingency Positions" may be used in lieu of any classified position appropriated to the Department of Human Services, for which, after review of a job audit by the Department of Finance and Administration - Office of Personnel Management, or its successor, it has been determined that, as a result of a departmental reorganization of the Department of Human Services, as enacted by the Arkansas Seventy-Fifth General Assembly of 1985, a classified position is misclassified, or the grade assigned to the classification under Act 199 of 1969, as amended, is inappropriate. After determination of misclassification or misgrading by the Office of Personnel Management, or its successor, and with the approval of the Director of the Department of Human Services: (1) A contingency position may be assigned a suitable title and grade by the Department of Finance and Administration - Office of Personnel Management for the misclassified or misgraded position; (2) Such assignment shall be reviewed by the Arkansas Legislative Council; and (3) The misclassified or misgraded position may be replaced and paid at the rate set out for the assigned grade. The misclassified or misgraded position shall not be filled for the remainder of the 1987-88 fiscal year. The provisions of this section shall not be in force after June 30, 1988.

SECTION 19. SPECIAL ALLOWANCE - HAZARDOUS DUTY PAY. The Department of Human Services is hereby authorized to provide special compensation to certain employees for each full pay period (80 hours) worked with patients committed to the Department's forensic service by the Circuit Courts. All of these patients are committed under the Arkansas Criminal Code for evaluation and/or treatment. Also included are the employees who work in cottage or training/testing areas with residents generally described as belonging to a Behavior Treatment Unit. These individuals are characterized by their severely aggressive/destructive behavior. This special pay is to compensate the employee for the increased risk of personal injury.

Rate of pay will be one step above regular authorized Grade and Step or one step above authorized shift differential if applicable. Payment will be controlled through personnel actions by Administrative Services, Personnel Section. Rate of pay for individuals who work less than a full pay period (80 hours) and/or transfer to other work areas not defined above will revert to their regular authorized Grade and Step for that and subsequent pay periods.

If certified in Child Psychiatry, an additional \$2,500 per year will be allowed with the total not to exceed \$7,000. If certified in Forensic Psychiatry, an additional \$2,500 per year will be allowed with the total not to exceed \$7,000. In the event the physician is not a full-time employee, the amount specified herein shall be adjusted proportionately to the amount of time worked for the Department of Human Services by that physician.

SECTION 21. DISBURSING OFFICERS. The designated Disbursing Officers for the Arkansas Department of Human Services are hereby authorized to complete and sign one certification for each state voucher or other designated document that authorizes the Auditor of State, or other official, to draw a state warrant or check on a bond administered by the Arkansas Department of Human Services.

The voucher or other authorizing document can consist of one or more pages and in the event that more than one page is used, then the designated Disbursing Officer is to manually sign the last page only, and any certification is to be so worded that it will apply to all pages of the document.

SECTION 22. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this Act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Purchasing Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 23. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 24. CONTRACT RESTRICTIONS. The agency, board, commission, department or institution to whom funds are appropriated by this Act shall not enter into any contract for any professional or consultant services which shall extend for more than twenty (20) actual working days or the total compensation exceeds five thousand dollars (\$5,000) during any one fiscal year without first seeking the advice of the Arkansas Legislative Council. Provided further, that all contracts for professional or consultant services shall be submitted monthly to the Chief Fiscal Officer of the State for reporting to the Legislative Council.

SECTION 25. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Sixth General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a two (2) year period; that the effectiveness of this Act on July 1, 1987 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the Regular Session, the delay in the effective date of this Act beyond July 1, 1987 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 1987.
