TOTAL ALLOCATED-INSTITUTIONS/DHE/ADFA \$100,450,000

If any new construction or renovation project is completed at a cost less than the allocation provided in this Section, the unused allocation and funding may, subject to approval of the State Board of Higher Education, be reallocated to Equipment, Library, or Major Maintenance allocation(s) for that institution of higher education.

SECTION 3. The appropriations authorized in Section 1 of this Act will be allocated based on the priority categories as recommended by the State Board of Higher Education to the Arkansas Legislative Council.

SECTION 4. The Department of Higher Education shall adopt rules and regulations for the allocation of the funds appropriated by this Act to ensure that the funds are allocated and expended in a manner consistent with the provisions of the Internal Revenue Code applicable to the Arkansas College Savings General Obligation Bond Program (Program). The funds appropriated and allocated pursuant to this Act shall be allocated and expended pursuant to Act 683 of 1989, as amended, this Act, and the rules and regulations promulgated hereunder and shall be exempt from any other provisions of state law which conflicts with any provision of the rules and regulations which are required to ensure the compliance of the Program with the applicable provisions of the Internal Revenue Code.

SECTION 5. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this Act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Purchasing Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 6. LEGISLATIVE INTENT. It is the intent of the General

1 Assembly that any funds disbursed under the authority of the appropriations
2 contained in this Act shall be in compliance with the stated reasons for which
3 this Act was adopted, as evidenced by the Agency Requests, Executive
4 Recommendations and Legislative Recommendations contained in the budget
5 manuals prepared by the Department of Finance and Administration, letters, or
6 summarized oral testimony in the official minutes of the Arkansas Legislative
7 Council or Joint Budget Committee which relate to its passage and adoption.

8

9 SECTION 7. CODE. All provisions of this Act of a general and permanent
10 nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas
11 Code Revision Commission shall incorporate the same in the Code.

12

13 SECTION 8. SEVERABILITY. If any provision of this Act or the
14 application thereof to any person or circumstance is held invalid, such
15 invalidity shall not affect other provisions or applications of the Act which
16 can be given effect without the invalid provision or application, and to this
17 end the provisions of this Act are declared to be severable.

18

19 SECTION 9. GENERAL REPEALER. All laws and parts of laws in conflict
20 with this Act are hereby repealed.

21

22 SECTION 10. EMERGENCY CLAUSE. It is hereby found and determined by the
23 Seventy-Eighth General Assembly, that the Constitution of the State of
24 Arkansas prohibits the appropriation of funds for more than a two (2) year
25 period; that the effectiveness of this Act on July 1, 1991 is essential to the
26 operation of the agency for which the appropriations in this Act are provided,
27 and that in the event of an extension of the Regular Session, the delay in the
28 effective date of this Act beyond July 1, 1991 could work irreparable harm
29 upon the proper administration and provision of essential governmental
30 programs. Therefore, an emergency is hereby declared to exist and this Act
31 being necessary for the immediate preservation of the public peace, health and
32 safety shall be in full force and effect from and after July 1, 1991.
