26 SECTION 5. EMERGENCY. It is hereby found and determined by the
27 General Assembly that special provisions providing for the permitting of
28 overweight mobile cranes should be incorporated into the laws of this State;
29 that current provisions of those laws result in an inequity as they pertain to
30 the movement of such overweight mobile cranes and that only by the immediate
31 passage of this Act may such inequity be negated. Therefore, an emergency is
32 hereby declared to exist and this Act being immediately necessary for the
33 preservation of the public peace, health and safety shall be in full force and
34 effect from and after its passage and approval.
