It is hereby found and determined by the Seventy-Ninth General Assembly of the State of Arkansas that the purple martin is a bird known for its hearty appetite for mosquitoes and other flying insects and is deemed an attractive asset because of its appearance, song, cleanliness, and diet, and that the city of Lake Village in southeastern Arkansas is located along the North-South Flyway where millions of birds migrate annually, and that designating the city of Lake Village as the *Southeast Purple Martin Capital of Arkansas* will economically benefit the area by attracting tourists to the area and by gaining it recognition as a prime birding hotspot. Therefore, in order to economically aid the city of Lake Village, an emergency is hereby declared to exist, and this act being necessary for the immediate preservation of the public peace, health, and safety, shall be in full force and effect from and after its passage and approval.
