20 "TO CREATE THE ARKANSAS CAPITAL ACCESS PROGRAM FOR SMALL
21 BUSINESS."

22
23 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

24
25 SECTION 1. This act may be referred to and cited as the "Arkansas
26 Capital Access Program for Small Business Act of 1993".

27
28 SECTION 2. LEGISLATIVE FINDINGS AND DECLARATION OF PUBLIC NECESSITY.
29 The General Assembly finds:

30 (a) There is a persistent shortage of capital available to small
31 businesses in Arkansas and there exists an immediate and urgent need to
32 provide the means and methods for providing financing:

33 (i) to improve the viability of small businesses in the state by
34 stabilizing and increasing employment in small businesses;

35 (ii) to foster an environment that promotes the establishment of
36 new small businesses which reduces the state's unemployment rate by hiring new

1 employees;

2 (iii) to complement Arkansas financial institutions to better
3 serve their customers in ways which contribute to a strengthened and
4 diversified Arkansas economy, and which does not compete with Arkansas
5 financial institutions.

6 (b) Small businesses make important contributions to economic growth
7 and vitality in this state.

8 (c) Small businesses comprise approximately 85% of the business
9 entities in this state.

10 (d) Small businesses provide approximately 98% of the private sector
11 employment in this state.

12 (e) All national economic indicators establish that the greatest source
13 of future new employment is in the small business sector of the economy.

14 (f) Many private sector financial institutions in Arkansas are limited
15 in their ability to provide financing to small but rapidly growing businesses.

16 (g) There exists a need to leverage private sector investment in
17 entrepreneurial activity, and in economic development finance; therefore,
18 state assistance for development finance should reflect a leveraging
19 investment strategy.

20 (h) It is the purpose of this act to establish a capital access program
21 under which the state of Arkansas through the Arkansas Development Finance
22 Authority will provide public fiscal resources to assist Arkansas financial
23 institutions to overcome obstacles and constraints in meeting the full range
24 of economically sound financing needs of Arkansas small businesses.
