29 (2) On all 1994 model vehicles and later model vehicles the side  
30 windows and side wings located on the immediate right or left of the driver or  
31 to the right or left immediately behind the driver may be covered with an  
32 after-market tinting material which results in at least twenty-five percent  
33 (25%) net light transmission; except that the side windows immediately behind  
34 the driver on any truck, bus, trailer, motor home, or multiple-purpose  
35 passenger vehicle may be covered with an after-market tinting material which  
36 results in at least ten percent (10%) net light transmission.

3 results in at least ten percent (10%) net light transmission.

4           (c) Any vehicle that is operated on Arkansas roads with after-market  
5 tinting material on any glass shall have attached to the front glass  
6 immediately to the operator\_s left a label containing the name and phone  
7 number of the company installing the tinting material and affirming that all  
8 tinting on this vehicle conforms to the requirements of this section.

9           (d) The provisions of this section shall not apply to motorists  
10 operating vehicles registered in other states that have enacted legislation  
11 regulating the shading of windshields or windows of motor vehicles, who are  
12 driving on Arkansas roads and highways.

13           (e) (1) A motorist shall be exempt from this section if the motorist is  
14 diagnosed by a physician as having a disease or disorder, including but not  
15 limited to albinism or lupus, for which the physician determines it is in the  
16 best interest of the motorist to be exempt from the requirements of this  
17 section. The motorist shall carry in his or her motor vehicle a physician\_s

23 *or operators of vehicles used exclusively or primarily for the transportation*  
24 *of dead human bodies.*

25           (g) Any installer of motor vehicle glass tinting material who installs  
26 any glass tinting in violation of this section or otherwise violates the  
27 provisions of this section or any person operating any motor vehicle with  
28 glass tinting or other after-market alteration of the glass in the vehicle  
29 which is contrary to the provisions of this section shall be guilty of a  
30 Class B misdemeanor.

31

32           SECTION 2. *The provisions of this act shall also apply to:*
