SECTION 4. All laws and parts of laws in conflict with this act are hereby repealed.

SECTION 5. EMERGENCY. It is hereby found and determined by the General Assembly that confusion exists over the interpretation of the present law establishing the fee for special fire fighters motor vehicle license plates; that the intent of the law is that the fire fighters pay an additional ten dollars for the original issuance of the plate, and that annual renewals be at the normal rate; that this act makes such clarification; and this act should go into effect immediately in order to correct the interpretation of the present law as soon as possible. Therefore, an emergency is hereby declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall be in full force and effect from and after its passage and approval.
