35 thousand, seven hundred sixty dollars (\$1,607,760) from the General Revenue
36 Allotment Reserve Fund to the State General Services Fund Account to provide

1 funds for the appropriation provided herein.

2

3 SECTION 3. COMPLIANCE WITH OTHER LAWS. Disbursement of funds
4 authorized by this Act shall be limited to the appropriation for such agency
5 and funds made available by law for the support of such appropriations; and
6 the restrictions of the State Purchasing Law, the General Accounting and

1 Eightieth General Assembly that funds provided by the General Assembly for the
2 operations of the Department of Pollution Control and Ecology are, due to
3 unforeseen circumstances, insufficient for the Department of Pollution Control
4 and Ecology to continue to provide essential governmental services; that the
5 provisions of this act will provide the necessary monies for the Department of
6 Pollution Control and Ecology to continue such services; and that a delay in
7 the effective date of this Act could work irreparable harm upon the proper
8 administration and provision of essential governmental programs. Therefore,
9 an emergency is hereby declared to exist and this Act being necessary for the
10 immediate preservation of the public peace, health and safety shall be in full
11 force and effect from and after the date of its passage and approval.
