33 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

34  
35 SECTION 1. Arkansas Code § 24-7-607 is amended to read as follows:  
36 "24-7-607. Private school service.

1 (a) As used in this section, "private school service" means service  
2 rendered in any private school or agency which is recognized by the State  
3 Department of Education for the issuance of teaching certificates.

4 (b) From and after January 1, 1990, an active member may contract with  
5 the board for private school service to be credited as service hereunder in  
6 accordance with the following conditions:

7 (1) The private school service credit to be granted shall be  
8 limited to service for which no benefit could be paid by another system  
9 similar in purpose to this system, except social security, if the member left  
10 on deposit his contributions to the other system and shall be limited to ten  
11 (10) years;

12 (2) The member shall pay to the system for each year of service  
13 credit being granted nineteen and one-half percent (19.5%) of the annual  
14 salary received by him for his first full year of state teaching service,  
15 together with regular annual interest from the end of that year of state  
16 teaching service to the date of payment. If the payment is not made in a  
17 single sum at the time the contract is made, regular interest shall be added  
18 from the date of the contract to the date of payment. The payment shall be  
19 credited to the member's account in the members' deposit account and shall be  
20 in addition to regular member contributions thereto;

24 have been paid in full; and

25 (B) The member has established ten (10) or more years of  
26 credited service exclusive of private school service. Should a member cease  
27 to be an active member before the private school service has been established  
28 as system credited service, the member payments contributed as specified in  
29 subdivision (b)(2) shall be refundable, together with regular interest  
30 thereon;

31 (4) The benefit program to be applied to each year of service  
32 credit being granted shall be the benefit program in effect at the time of  
33 retirement;

34 (5) Such other rules and regulations consistent herewith as the  
35 board may from time to time adopt.

1 (c) An active member who had both public and private school service in  
2 one (1) school year may contract with the board for one (1) year of service to  
3 be credited as service under this subchapter in the same manner as provided
