Subtitle

14
15
16 "AN ACT TO ESTABLISH THE ARKANSAS HOME
17 INSPECTORS REGISTRATION ACT."

18
19 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
20

21 SECTION 1. This act shall be known and may be cited as "The Arkansas
22 Home Inspectors Registration Act." It is the intent of the legislature in
23 enacting this act to assure that consumers of home inspection services can
24 rely upon the competence of home inspectors. It is the intent of the
25 legislature that, in ascertaining the degree of care that would be exercised
26 by a reasonably prudent home inspector, the court may consider the standards
27 of practice and code of ethics of the American Society of Home Inspectors, the
28 Arkansas Association of Real Estate Inspectors, or equivalent professional
29 home inspector associations.

30
31 SECTION 2. For the purpose of this act:

32 (1) "Home inspector" means a person who engages in the business
33 of performing home inspections for compensation and, who, in the pursuit of
34 that independent business, undertakes or offers to undertake, or submits a bid
35 to, or contracts or undertakes to inspect, or assumes charge, in a supervisory

1 capacity or otherwise, or inspects the condition of a private residence on
2 behalf of another person.

3 (2) "Home inspection" means a physical examination of a home made
4 to identify visible defects or conditions that may adversely affect the
5 function and integrity of the items, components, and systems inspected, or the
6 health or safety of the occupants of the residence. Such inspections may
7 include ancillary buildings.

8 (3) "Home or residence" means any dwelling, from one (1) to four
9 (4) units in design intended principally for residential purposes by one (1)
10 or more individuals.

11 (4) "Person" means any natural person.

12 (5) "Equivalent professional home inspector association" means a
13 professional association determined as equivalent to the American Society of
14 Home Inspectors, or the Arkansas Association of Real Estate Inspectors by the
15 Secretary of State and also approved by a majority of the home inspectors
16 registered under this act at the time the determination is made.

17 (6) "Home inspection report" means a written report prepared for
18 a fee and issued by a home inspector after a home inspection. The report
19 clearly describes and identifies the inspected systems, structures, or
20 components of the dwelling, any defects identified, and any recommendations
21 regarding the conditions observed or recommendations for evaluation by
22 appropriate persons.

23

24 SECTION 3. (a) A person applying for registration, or renewal of
25 registration, as a home inspector shall submit an application, under oath,
26 upon a form to be prescribed by the Secretary of State which shall include as
27 a minimum, the following information pertaining to the applicant:

28 (1) The name and address under which the applicant conducts
29 business, if an individual proprietorship; the name and address of each
30 partner or venturer, if the applicant is a party to a partnership or joint
31 venture; or the name and address of the corporate officers and statutory agent
32 for service, if the applicant is an employee of or party to a corporation.

33 (2) A certificate issued by an insurance company licensed, or
34 surplus lines approved, to do business in the State of Arkansas that the
35 applicant has procured general liability insurance in the minimum amount of
36 one hundred thousand dollars (\$100,000); and, if applicable, workers

1 compensation insurance coverage.

2 (3) Evidence of one of the following professional qualifications:

3 (A) Membership or candidacy in, and adherence to the
4 Standards of Practice and Code of Ethics of the American Society of Home
5 Inspectors, Inc. (ASHI), the Arkansas Association of Real Estate Inspectors
6 (AAREI), or an equivalent professional home inspection association. Persons
7 in candidate status must provide evidence of having successfully completed the
8 respective professional association's certification examination.

9 (B) A high school diploma or its equivalent, work
10 experience doing home inspections for at least one (1) year under the direct
11 supervision of a registered home inspector, and completion of one hundred
12 (100) home inspections for compensation.

13 (C) Current professional registration in Arkansas as an
14 architect, architectural engineer, mechanical engineer, or structural
15 engineer.

16 (D) A high school diploma or its equivalent, work
17 experience doing home inspections for at least one (1) year, completion of at
18 least twenty (20) home inspections for compensation, and successful completion
19 of at least ninety (90) core hours of a real estate inspection education
20 program.

21 (4) Evidence of a positive net worth or a fidelity bond payable
22 to the Secretary of State in the amount of ten thousand dollars (\$10,000).

23 (b) The information contained in an application shall be a matter of
24 public record and open to public inspection.

25

26 SECTION 4. Certificates of registration.

27 Certificates shall be consecutively numbered by the Secretary of State.

28 Certificates shall be issued only to properly qualified home inspectors.

29 Certificates for the initial registration of a home inspector shall be issued

30 for a period commencing on the date of issue and expiring on December 31 of

31 that year. Certificates shall be renewed for a term of one (1) calendar

32 year. Renewal shall be accomplished on or before sixty (60) days prior to the

33 expiration date. The Secretary of State shall issue certificates to

34 applicants upon applicant's compliance with the registration requirements of

35 this act. Records of certificates and any renewals thereof shall be filed in

36 the office of the Secretary of State and be available to the public. All

1 registrants will be assigned a registration number unique to that person and
2 that number shall never be issued to any other person. When registration is
3 renewed, that person's registration number shall be perpetuated.

4
5 SECTION 5. Registration and renewal fees shall be seventy dollars
6 (\$70). Payments shall be to the Secretary of State and shall accompany the
7 application to which it applies. Provided, however, the fee may be adjusted
8 by the Secretary of State as may be necessary to cover the costs and expenses
9 of performing the duties of the Secretary of State as required by this act, it
10 being intended that the registration and renewal fees shall not produce a
11 profit to the State of Arkansas. Prior to any adjustment to the fee, the
12 Secretary of State shall certify to the Legislative Council of the Legislature
13 that the adjustment is necessary in order to comply with the provisions of
14 this act. All moneys received by the Secretary of State pursuant to this act
15 shall be used to administer this act.

16
17 SECTION 6. There is created in the state treasury a fund to be known as
18 the "Arkansas Home Inspectors Registration Fund." All funds, fees, charges,
19 costs and collections accruing to or collected by the office of the Secretary
20 of State under the provisions of this act shall be deposited into the state
21 treasury to the credit of this fund. The funds shall be used for the purpose
22 of this act.

23
24 SECTION 7. No person shall advertise as a home inspector unless the
25 person has complied with the provisions of this act. No person who is
26 registered under one (1) name as provided in this act shall engage in business
27 as a home inspector under any other name unless the other name is also
28 registered. All advertisements, contracts, correspondence, and other
29 documents prepared by a home inspector shall indicate the home inspector's
30 registration number, name, and address as registered pursuant to this act.

31
32 SECTION 8. In the event that the insurance coverage required pursuant
33 to this act shall cease to be effective, the home inspector shall notify the
34 Secretary of State, and the registration of the affected home inspector shall
35 be suspended until the insurance is reinstated or replaced. The insurance
36 company ceasing to provide coverage for the home inspector shall be requested

1 to notify the Secretary of State of the policy cancellation.

2

3 SECTION 9. (a) Any person who undertakes or attempts to undertake the
4 business of home inspection without first having been registered as required
5 by this act, or who knowingly presents or files false information with the
6 Secretary of State for the purpose of registering as a home inspector, shall
7 be deemed guilty of a Class C misdemeanor.

8 (b) A person who has failed to register pursuant to this act shall not
9 bring an action to enforce the provisions of any contract to provide home
10 inspections which he or she entered into a violation of this act.

11 (c) All home inspections conducted by persons registered under this act
12 shall be conducted in adherence to the Standards of Practice and Code of
13 Ethics of the American Society of Home Inspectors, the Arkansas Association of
14 Real Estate Inspectors, or equivalent professional home inspection
15 association. Copies of these standards shall be on deposit with the Secretary
16 of State.

17 (d) It is the duty of all home inspectors doing business in the State
18 of Arkansas to conduct home inspections with the degree of care that a
19 reasonably prudent home inspector would exercise.

20 (e) Nothing in this act shall be construed to allow home inspectors who
21 are not registered as professional architects or engineers to perform any
22 analysis of the systems, components, or structural integrity of a dwelling
23 that would constitute the practice of civil, electrical, or mechanical
24 engineering.

25

26 SECTION 10. Unfair practices.

27 It is an unfair business practice for a home inspector, a company that
28 employs the inspector, or a company that is controlled by a company that also
29 has a financial interest in a company employing a home inspector, to do any of
30 the following:

31 (1) To perform or offer to perform, for an additional fee, any repairs
32 to a structure on which the inspector, or the inspector's company, has
33 prepared a home inspection report in the past twelve (12) months.

34 (2) Inspect for a fee any property in which the inspector, or the
35 inspector's company, has any financial interest or any interest in the
36 transfer of the property.

1 (3) To offer or deliver any compensation, inducement, or reward to the
2 owner of the inspected property, the broker, or agent, for the referral of any
3 business to the inspector or the inspection company.

4 (4) Accept an engagement to make an inspection or to prepare a report
5 in which the employment itself or the fee payable for the inspection is
6 contingent upon the conclusions in the report, preestablished findings or the
7 close of escrow.

8
9 SECTION 11. Exemptions.

10 (a) A person who by virtue of his employment by a public entity does
11 home inspection work for that agency, shall not be required to be registered
12 under this act so long as those inspections are conducted solely for the
13 benefit of that entity and for no compensation beyond the salary prescribed
14 for that person's position.

15 (b) The provisions of this act shall not apply to a registered
16 professional architect or engineer or licensed electrician, plumber, or other
17 person holding a valid license issued by the State of Arkansas provided that
18 such person's activity is limited to that activity authorized by his
19 license/registration.

20 (c) This act shall not apply to a person who inspects his own home or
21 public entity who inspects its home with its own personnel specifically
22 trained for such inspection.

23 (d) Any person exempt under this section is required to obtain local
24 permits and licenses as may be required by local ordinance.

25
26 Section 12. Persons affected by this act shall have ninety (90)
27 calendar days after it becomes law to comply with its provisions.

28
29 SECTION 13. All provisions of this act of a general and permanent
30 nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas
31 Code Revision Commission shall incorporate the same in the Code.

32
33 SECTION 14. If any provision of this act or the application thereof to
34 any person or circumstance is held invalid, such invalidity shall not affect
35 other provisions or applications of the act which can be given effect without
36 the invalid provision or application, and to this end the provisions of this

1 act are declared to be severable.

2

3 SECTION 15. All laws and parts of laws in conflict with this act are
4 hereby repealed.

5

6 SECTION 16. EMERGENCY. It is hereby found and determined by the
7 General Assembly that the lack of a present Home Inspector registration law
8 allows for poorly accomplished home inspections; and that the lack of a law
9 does not allow for consumer or public protection to the citizens of the State
10 of Arkansas. Therefore, an emergency is declared to exist and this act being
11 immediately necessary for the preservation of the public peace, health and
12 safety shall become effective on the date of its approval by the Governor. If
13 the bill is neither approved nor vetoed by the Governor, it shall become
14 effective on the expiration of the period of time during which the Governor
15 may veto the bill. If the bill is vetoed by the Governor and the veto is
16 overridden, it shall become effective on the date the last house overrides the
17 veto.
